Supplement contains styles and commissary court rules. William J. Stewart's book has rapidly established itself as the standard introduction to the principles and rules of delict. A comprehensive yet concise treatment, it is valuable for any student and is popular with practitioners. Now in its 5th edition, this vastly popular text on Scots criminal law has been fully updated and revised to reflect the onward progress of the law since the last edition in 2008. Recent legislation passed by the Scottish Parliament has meant that the subject area has seen considerable movement in this time period. Key additions to the text include coverage of the new Scottish sexual offences and analysis of recent breach of the peace cases. The currency of the text is also reflected in its coverage of the headline grabbing Offensive Behaviour at Football and Threatening Communications (Scotland) Act 2012. The authors provide not only an essential in-depth explanation of the law but also a highly functional user-friendly tool. Legislative references are fully documented to disclose relevant amendments, valuable websites are referred to and appendices provide guides to bibliographic sources. Court actions are expensive, unpredictable and fraught with all kinds of danger. This is a straightforward, easily readable guide to the skills of conducting criminal cases effectively in the Sheriff Court and how to instruct counsel effectively at the High Court This is a practical book for all those who hold a professional interest in the law. It includes coverage of the profile of Scotland's prison population; form and content of the law regulating imprisonment; and allocation procedures, sentence calculation and discipline in prisons A complete practitioner's guide to the provisions and practical implications of the new Markets in Financial Instruments Directive, MiFID II. The book will cover both the original Directive and all the changes and extensions brought about by MiFID II, how the directive will impact firms and how they need to prepare for its implementation and also how the directive interacts with other European and UK level legislation. This second edition provides a practical guide to Scottish health and safety law, examining the common law rules applying to health and safety in the workplace. It is intended for solicitors, health and safety practitioners, academics, trade union officials and managers. This text builds on earlier editions, but is a new textbook offering a fresh approach to the law of evidence. It focuses on how the key features of the adversarial system influence the way that evidence is gathered, assessed and used in the civil and criminal courts. The second edition of this introductory text covering key areas of social work in Scotland. It explores the development of social work, the Scottish legal framework, family and welfare law, the elderly and chronically sick, compulsory measures of child care, mental health and criminal justice. This work sets out the key steps involved in running a successful law firm practice, from handling in-house personnel to the effective marketing and promotion of a practice Practitioners and students of Scots criminal law should continue to find the third edition of this text a useful reference to its procedural aspects. Coverage embraces the full range of criminal procedure pre-trial, at trial and thereafter, both in solemn and summary cases The effect of the Human Rights Act 1998 is investigated for both Parliaments, taking account of the recent changes in human rights law in the UK. Providing guidance on various aspects of the law, practice and procedure surrounding the two areas of property law - boundaries and easements, this book takes into account the legislation, including the Land Registration Act 2002, and the Countryside and Rights of Way Act 2000.
