**The God Squad** Apr 28 2021 The past they tried to hide. His mother died from cancer in 1955. His father committed suicide shortly thereafter. Paddy Doyle was sentenced in an Irish district court to be detained in an industrial school for eleven years. He was four years old... Paddy Doyle's prize-winning bestseller, *The God Squad*, is both a moving and terrifying testament of the institutionalised Ireland of less than fifty years ago, as seen through the bewildered eyes of a child. During his detention, Paddy was viciously assaulted and sexually abused by his religious custodians, and within three years his experiences began to result in physical manifestations of trauma. He was taken one night to hospital and left there, never to see his custodians again. So began his long round of hospitals, mainly in the company of old and dying men, while doctors tried to diagnose his condition. This period of his life, during which he was a constant witness to death, culminated in brain surgery at the age of ten - by which time he had become permanently disabled. *The God Squad* is the remarkable true story of a survivor, told with an extraordinary lack of bitterness for one so shockingly and shamefully treated. In Paddy Doyle's own words: 'It is about a society's abdication of responsibility to a child. The fact that I was that child, and that the book is about my life, is largely irrelevant. The probability is that there were, and still are, thousands of 'me's.'

and arrest her parents, whom they tortured and jailed. She was left to fend for herself and her younger brother on the streets of Shanghai, enduring poverty and near-starvation. As she grew older she herself became a Red Guard and was sent down to the largest work camp in China. There she faced primitive conditions, predatory officials, a viper's nest of party jealousies, and near-fatal injury before she finally won admittance to Madame Mao's university in Shanghai.

*Cora Ravenwing* Jun 11 2022 'The school where I first met Cora Ravenwing was called Okington School, and I was just beginning to have real ideas and opinions of my own when I first went there...' With *Cora Ravenwing* (1980) Gina Wilson began her acclaimed career as a novelist for young adults. As she describes in a new preface to this reissue, the idea for the novel 'took a grip' on her such that she wrote without 'planning', inspired by the theme of a child's growing sense of intuition. 'A sensitive, mystery-tinged portrayal of social tensions... Cora Ravenwing, village scapegoat, is the first child whom narrator Becky Stokes meets when her family moves outside London in the mid-1950s; and her reflections deftly pick up the undercurrents of gossip, hostility, and social pretension that power the story of their year's troubled friendship.' **Dying Embers of a True Brit** Mar 08 2022 Writing my novel is a kind of life experience. I was born in the twenty's in the days of the horse and cart that now seems to be back with the ark. A popular saying for old age pensioners of every generation has been, 'Give Me The Good Old Days. But this time it could it be true? My generation is the fastest change in our history. Two world wars and a technology growing so fast its left us stunned. Has it done any damage to human nature. Education versus instinctiveness? Can we cope or is it too much to take in, and what are the consequences? History has always proven there is a limit and should we beware? There's most probably millions of people asking the same question.

**Mad Ducks and Bears** May 30 2021 George Plimpton's follow-up to *Paper Lion*, one of his personal favorites among his classic books -- repackaged and including a foreword from Steve Almond and never-before-seen content from the Plimpton archives. In *Mad Ducks and Bears*, George Plimpton's engaging companion to *Paper Lion*, Plimpton focuses on two of the most entertaining and roguish linemen and former teammates -- Alex Karras ("Mad Ducks") and John Gordy ("Bears"), both of whom went on to achieve brilliant post-football success. A more reflective, less madcap book than Plimpton's other work, *Mad Ducks and Bears* is no less truthful and searching. In this fond exploration of football's values and follies, Plimpton rejoins his two teammates to discuss their careers in this brutal but captivating game. The result is an astute exploration into the fascinating lives and motivations of the players at home, in the locker room, and on the field.

**Funology** Apr 16 2020 This book reflects the move in Human Computer Interaction studies from standard usability concerns towards a wider set of problems to do with fun, enjoyment, aesthetics and the experience of use. Traditionally HCI has been concerned with work and task based applications but as digital technologies proliferate in the home fun becomes an important issue. There is an established body of knowledge and a range of techniques and methods for making products and interfaces usable, but far less is known about how to make them enjoyable. Perhaps in the future there will be a body of knowledge and a set of techniques for assessing the pleasure of interaction that will be as thorough as those that currently assess usability. This book is a first step towards that. It brings together a range of researchers from academia and industry to provide answers. Contributors include Alan Dix, Jacob Nielsen and Mary Beth Rosson as well as a number of other researchers from academia and industry.

**It's All Part of the Game** Apr 09 2022 The book describes how a character, starting with virtually no money and absolutely no knowledge of antiques, managed to learn and bit by bit, claw his way up the trade echelon to finally run a massive antique shop on the Welsh Marches. The tale includes door knocking escapades, the odd romantic dalliance, chanced successes, embarrassing failures, the antique ring, local gypsies, the Irish travellers, a court case and even a house clearance in Australia. It is related by a contemporary author, who having chanced on a character with first hand experience of those exciting times, uses the information, plus contacts he provides, to delve back in time, thus revealing the inside story of the antique business, over a period, roughly spanning 1974-2004. All is described with a humorous touch and even though fiction, events are true to the spirit of those times. Interspersed in the story, are little nuggets of local history, anecdotes of an almost Bohemian nature and when able to contact survivors from those years, light hearted banter. An insight is given regarding the difficulty of finding the right stock and how surprisingly narrow, some of the profit margins. Reasons are given, as to why certain things sold, plus how the vast majority that didn't, could potentially clog a business to a standstill. The book describes years of plenty and years of near bankruptcy, while on each rung of the trade

ladder, pitfalls and certain individuals intent on blocking an aspiring dealer's progress, awaited. Whether humour or near tragedy, however, both are told in the same matter of fact manner.

**The Mysteries of Paris** Jan 26 2021 The first new translation in over a century of the brilliant epic novel that inspired Les Misérables Sensational, engrossing, and heartbreaking, The Mysteries of Paris is doubtless one of the most entertaining and influential works to emerge from the nineteenth century. It was one of France's first serial novels, and for sixteen months, Parisians rushed in droves to the newsstands each week for the latest installment. Eugène Sue's intricate melodrama unfolds around a Paris where, despite the gulf between them, the fortunes of the rich and poor are inextricably tangled. The suspenseful story of Rodolphe, a magnetic hero of noble heart and shadowy origins, was spun out over 150 issues—garnering wild popularity, influencing political change, and inspiring a raft of successors, including Les Misérables and The Count of Monte Cristo. At long last, this lively translation makes the riveting drama of Sue's classic available to a new century of readers. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. **Pictorial Narrative in the Nazi Period** Oct 15 2022 This book investigates creative responses to the Nazi period in the work of three artists, Felix Nussbaum, Charlotte Salomon and Arnold Daghani, focusing on their use of pictorial narrative. It analyses their contrasting aesthetic strategies and their innovative forms of artistic production. In contrast with the autonomous, modernist art object, their works were explicitly linked with the historical conditions under which they were produced - the pressures of persecution and exile. Conditions in the slave labour camps and ghettos in the Ukraine, which shaped the paintings and drawings of Daghani, are contrasted with the experiences of exile in Belgium and France, which inspired Nussbaum and Salomon. In defiance of conventional artistic practice, they produced word-image combinations that can be read as narrative sequences, incorporating specific references to political events. While there has been a wealth of literary, philosophical and historical studies relating to the Holocaust, aesthetic debate has developed less extensively. This is the first comparative study of three artists who are only belatedly achieving recognition and the recent reception of their work is evaluated. By identifying the aesthetic principles and narrative strategies underlying their work, the book reassesses their achievement in creating new forms of modernism with an unmistakable political momentum. This book was published as a special issue of Word & Image.

*Lake of Fire* Oct 23 2020 In "Lake of Fire" our main character travels through the world, escaping mental institutions and jobs to keep one step ahead of his father (whose name is Dr. Crabb) who is pursuing him to take over the family business. What is the family business? Nothing short of (eventual) world domination. Our main character finds that the farther he runs from his father, the more he becomes him, discovering that he has been inside of him all along. In a final climactic scene, father and son, reunited descend into the fiery depths of the Lake of Fire. In the second part of our book, "A Fire in the Heart" we experience episodes of miracle and of nightmare as the world is examined on an autopsy table of the author's dreams and fears. In the third book, "Jupiter's Hills" I weep for the beauty of the world. Ostensibly a story about Jupiter's Hills, history is examined. The hills are from Jupiter, belong to the God Jupiter or are just red hills here on Earth that suggest a strata of reality and detail that is other-worldly.

**Ship of Fools** Oct 03 2021 This "dazzling" National Book Award finalist set aboard an ocean liner in 1931 reflects the passions and prejudices that sparked World War II (San Francisco Chronicle). August 1931. An ocean liner bound for Germany sets out from the Mexican port city of Veracruz. The ship's first-class passengers include an idealistic young American painter and her lover; a Spanish dance troupe with a sideline in larceny; an elderly German couple and their

fat, seasick bulldog; and a boisterous band of Cuban medical students. As the Vera journeys across the Atlantic, the incidents and intrigues of several dozen passengers and crew members come into razor-sharp focus. The result is a richly drawn portrait of the human condition in all its complexity and a mesmerizing snapshot of a world drifting toward disaster. Written over a span of twenty years and based on the diary Katherine Anne Porter kept during a similar ocean voyage, *Ship of Fools* was the bestselling novel of 1962 and the inspiration for an Academy Award-winning film starring Vivien Leigh. It is a masterpiece of American literature as captivating today as when it was first published more than a half century ago. This ebook features an illustrated biography of Katherine Anne Porter, including rare photos from the University of Maryland Libraries.
