From the legendary basketball coach who inspired generations of athletes and businesspeople, an inspiring book about the power of mentoring and being mentored. After eight books, many of them bestsellers, *A Game Plan for Life* was the one closest to John Wooden's heart: a moving and inspirational guide to the power of mentorship. The first half focuses on the people who helped foster the values that carried Wooden through an incredibly successful and famously principled career, including his father, his college coach, his wife, Mahatma Gandhi, and Mother Teresa. The second half is built around interviews with some of the many people he mentored over the years, including Kareem Abdul-Jabbar and Bill Walton. Their testimony takes readers inside the lessons Wooden taught to generations of players, bringing out the very best in them not just as athletes but as human beings. In all, this is an inspiring primer on how to achieve success without sacrificing principles and how to build one of the most productive and rewarding relationships available to any athlete, businessperson, teacher, or parent--that of mentor and protégé. Updated edition, now with a special chapter on dealing with loss. *Game Plan for Life* is an average Joe's guide to what the Bible has to say

about such topics as relationships; finances; physical, emotional, and spiritual health; finding the right vocation; living a life of purpose; and overcoming sin and addiction. Written by three-time Super Bowl and five-time NASCAR-championship-winning coach/owner Joe Gibbs, edited by Jerry Jenkins, and featuring contributions from Randy Alcorn, Alistair Begg, John Lennox, Tony Evans, Chuck Colson, Josh McDowell, Don Meredith, Walt Larimore, Ron Blue, Ken Boa, and Os Guinness, the New York Times bestselling *Game Plan for Life* shows readers how to live a balanced, God-centered, purpose-filled life. Filled with stories from Coach Gibbs' personal life and Hall of Fame career, this book is designed to make God's Word relevant to sports fans of all generations. Once deemed a menace to society by a judge who sentenced him to 15 years, Randy Kearse (author, motivational speaker, and entrepreneur) served 13 years, 6 months, and 2 days in federal prison. He returned home a new man with a new perspective, a fresh focus, and a strong determination to succeed. In a first book of its kind, *CHANGIN' YOUR GAMEPLAN!* is about the journey of change one *MUST* embark on in order to live a positive, productive, and successful life after prison. A no-holds-barred blueprint of how to succeed after one's street game plan fails and leads to incarceration. Have you ever thought about the game-changers in your life, family, or city? It could be your fourth grade teacher that saw your gift in math or the arts. It might have been your hockey coach who told you that you had leadership potential. Maybe you've even been a game-changer in someone's life. Game changers come in small and large packages. The purpose of this small book is to place this subject on the kitchen table and unwrap it. Is it possible to become a game-changer accidentally? Or can we transform our minds and expectations? Could we all come to a point of hunger and call out to God: I want to change and I want to change the lives of others. Written with the sports fan in mind, *Game Plan for Life* is an "average Joe's" guide to what the Bible has to say about such topics as relationships; finances; physical, emotional, and spiritual health; finding the right vocation; living a life of purpose; and overcoming sin and addiction. Written by 3-time Super Bowl and NASCAR championship winning coach/owner Joe Gibbs, edited by Jerry Jenkins, and featuring contributions from Randy Alcorn, John Lennox, Tony Evans, Chuck Colson, Josh McDowell, Don Meredith, Walt Larimore, Ron Blue, Ken Boa, and Os Guinness, the New York Times best-selling *Game Plan for Life* shows readers how to live a balanced, God-centered, purpose-filled life, using examples from Coach Gibbs' own storied championship careers as a backdrop. This book is a perfect blend of sports and basic theology, designed to bring God's Word home to sports fans of all generations. Men everywhere are under attack—your neighbor, your coworker, your pastor, even your husband. And, even in Christian homes, 40% of men have fallen to this foe that can destroy marriages and ruin lives. Who is this devastating adversary? Pornography. It floods our airwaves and PCs, assaulting the senses, and luring its prey to return again and again. Drawing from seventeen years of counseling practice, and using material that he's taught for more than ten years, Joe Dallas is helping readers face this enemy. Equipping those who have been caught up in pornography or other forms of sexual sin with the ability to abandon that behavior and never return. Using the acronym ROUTE—Repentance, Order, Understanding, Training, and Endurance—Dallas walks readers through the steps necessary to attain—and maintain—sexual integrity. "No one understands this subject better than Joe Dallas. And nowhere is there a more biblical and user-friendly 'game plan' for Christian men committed to reclaiming moral purity. A resource no man should be without!" --Hank Hanegraaff, president of the Christian Research Institute and host of the Bible Answer Man broadcast "Joe Dallas has written a practical handbook for men who want to get serious about their purity. The Game Plan is the tool that answers one of the most troubling problems in the church today, and it does so with compassion, clarity, and a sound biblical base."--D. James Kennedy, Ph.D. "You may beat your demon the first time through *The Game Plan* or you may need it through a long season, but it's a worthy companion. Joe's advice is sound and his format is

friendly."--Tom Minnery, *Focus on the Family* "I can tell you without hesitation that *The Game Plan* is one of the best books I've ever read on this important topic."--Robert Adrescok, Editor, *New Man Magazine* In today's technology-saturated world, information is cheap. The Internet has changed everything for prospects--not to mention for the salespeople who hope to win their business. Prospects no longer need that big sales pitch touting all the features and benefits of a product. What's more, they have come to resent old-school selling techniques. As Marc explains in *Game Plan Selling*, winning the business of well-informed prospects is very similar to winning in sports. Consistent success--both in sales and on the field--requires a distinct strategy, a repeatable process and a clear plan to execute with commitment and passion. In this highly practical book, you will learn how to: *Separate yourself from the competition; *Use a simple system to close sales more quickly and with greater frequency; and *Create a personal selling plan to virtually guarantee success. National bestselling author Charles Wilson delivers a cutting-edge thriller based on real-life experiments at improving human intelligence currently underway in both government and private circles. Imagine a computer chip no bigger than the tip of a pencil. This chip, if implanted in a human brain, could give someone encyclopedic knowledge, lightning-fast reflexes and superior learning skills. In a remote military hospital in Montana, an experiment is being performed: implant the chip into the brains of five volunteers. These volunteers, four men and one woman, are all serving life sentences in prison. The experiment works...but the five criminals escape. One young doctor is pulled into the intrigue by the baffling murder of his medical school mentor. Can this one doctor stop the conspiracy of five powerful opponents...whose driving desire is absolute and total control? The UCLA Bruins coach pays tribute to the individuals who helped foster the values that shaped his career, and shares interviews with people he mentored throughout the years, including Kareem Abdul-Jabbar and Bill Walton. As one of the most successful general managers and team presidents in NFL history, few people understand how to create the blueprint for a winning football team like Bill Polian. After building the Buffalo Bills team that went to four consecutive Super Bowls and taking the expansion Carolina Panthers to the NFC Championship just two years after the team's creation, he was responsible for the Indianapolis Colts drafting Peyton Manning with the first overall pick in 1998 and oversaw the team's victory in Super Bowl XLI. Now, Polian shares his blueprint for building a successful football team in *The Game Plan*. He details the decisions both a team needs to make in the regular season and the offseason to bring teams to the postseason and the NFL's ultimate test of a well-built team: the Super Bowl. Tired of finding yourself flat-footed and intimidated in conversations? Want to increase your confidence and skill in discussions with family, friends, and coworkers? Gregory Koukl offers practical strategies to help you stay in the driver's seat as you maneuver comfortably and graciously in any conversation about your Christian convictions. Trey Rood was a young, healthy high school athlete when he received the diagnosis of stage III melanoma, which progressed to stage IV in two short years. With a five-year survival rate of five percent, Trey and his mother Cherie refused to accept the poor odds given by doctors or that the aggressive cancer would prevent Trey from ever attending college. Instead, they chose to fight with everything they had. And fight they did. Their tireless search for treatment led them from home in Georgia, to Germany, and ultimately to Texas, where Trey was a pioneer participant at MD Anderson Cancer Center's adoptive T-cell therapy trial. With Trey's cancer now in remission, Trey, Cherie, and their family share their story here---a story of hope, encouragement, strength, and ultimately triumph. Their story of how, together, they beat cancer.
