In this fascinating biography, readers will learn about the amazing life of Eleanor Roosevelt as she strived for equality of all. Lively images and a timeline help show children Eleanor's inspiring journey as she grew from a young student in England to the First Lady of the United States to the first woman member of the United Nations. The informational text, supportive glossary, table of contents, and index work together with the bright images to give readers the tools they need to better understand the content. Chronicles the life of Eleanor Roosevelt, describing her privileged but difficult childhood, her marriage to Franklin Roosevelt and experiences during World War II, her social activism, and her humanitarian work. A candid and insightful look at an era and a life through the eyes of one of the most remarkable Americans of the twentieth century, First Lady and humanitarian Eleanor Roosevelt. The daughter of one of New York's most influential families, niece of Theodore Roosevelt, and wife of President Franklin Delano Roosevelt, Eleanor Roosevelt witnessed some of the most remarkable decades in modern history, as America transitioned from the Gilded Age, the Progressive Era, and the Depression to World War II and the Cold War. A champion of the downtrodden, Eleanor drew on her experience and used her role as First Lady to help those in need. Intimately involved in her husband's political life, from the governorship of New York to the White House, Eleanor would eventually become a powerful force of her own, heading women's organizations and youth movements, and battling for consumer rights, civil rights, and improved housing. In the years after FDR's death, this inspiring, controversial, and outspoken leader would become a U.N. Delegate, chairman of the Commission on Human Rights, a newspaper columnist, Democratic party activist, world-traveler, and diplomat devoted to the ideas of liberty and human rights. This single volume biography brings her into focus through her own words, illuminating the vanished world she grew up, her life with her political husband, and the post-war years when she worked to broaden cooperation and understanding at home and abroad. The Autobiography of Eleanor Roosevelt includes 16 pages of black-and-white photos. More than fifty years after her death, Eleanor Roosevelt is remembered as a formidable first lady and tireless social activist. Often overlooked, however, is her deep and inclusive spirituality. Her personal faith was shaped by reading the New Testament in her youth, giving her a Jesus-centered spirituality that fueled her commitment to civil rights, women's rights, and the rights of all "little people" marginalized in American society. She took seriously Jesus' words and despite her life of

privilege, she made the needs of those on the margins her priority. *Eleanor: A Spiritual Biography* provides insight into one of America's most famous women, particularly the spiritual influences that made her so active in social justice issues. The central volume in the definitive biography of America's most important First Lady. "Engrossing" (Boston Globe). The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression, the New Deal, and the gathering storms of World War II, the years of the Roosevelts' greatest challenges and finest achievements. In her remarkably engaging narrative, Cook gives us the complete Eleanor Roosevelt—an adventurous, romantic woman, a devoted wife and mother, and a visionary policymaker and social activist who often took unpopular stands, counter to her husband's policies, especially on issues such as racial justice and women's rights. A biography of scholarship and daring, it is a book for all readers of American history. A biography of the First Lady, focusing on her fight for the rights of women, Blacks, and the poor, and her role as a peace advocate and delegate to the United Nations. One of the New York Times's 100 Notable Books of 2016 One of NPR's 10 Best Books of 2016 "Heartachingly relevant...the Eleanor Roosevelt who inhabits these meticulously crafted pages transcends both first-lady history and the marriage around which Roosevelt scholarship has traditionally pivoted." -- The Wall Street Journal The final volume in the definitive biography of America's greatest first lady. "Monumental and inspirational...Cook skillfully narrates the epic history of the war years... [a] grand biography." -- The New York Times Book Review Historians, politicians, critics, and readers everywhere have praised Blanche Wiesen Cook's biography of Eleanor Roosevelt as the essential portrait of a woman who towers over the twentieth century. The third and final volume takes us through World War II, FDR's death, the founding of the UN, and Eleanor Roosevelt's death in 1962. It follows the arc of war and the evolution of a marriage, as the first lady realized the cost of maintaining her principles even as the country and her husband were not prepared to adopt them. Eleanor Roosevelt continued to struggle for her core issues—economic security, New Deal reforms, racial equality, and rescue—when they were sidelined by FDR while he marshaled the country through war. The chasm between Eleanor and Franklin grew, and the strains on their relationship were as political as they were personal. She also had to negotiate the fractures in the close circle of influential women around her at Val-Kill, but through it she gained confidence in her own vision, even when forced to amend her agenda when her beliefs clashed with government policies on such issues as neutrality, refugees, and eventually the threat of communism. These years—the war years—made Eleanor Roosevelt the woman she became: leader, visionary, guiding light. FDR's death in 1945 changed her world, but she was far from finished, returning to the spotlight as a crucial player in the founding of the United Nations. This is a sympathetic but unblinking portrait of a marriage and of a woman whose passion and commitment has inspired generations of Americans to seek a decent future for all people. Modest and self-deprecating, a moral force in a turbulent world, Eleanor Roosevelt was unique. Experience the timeless wit and wisdom of Eleanor Roosevelt in this annotated collection of candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When Ladies Home Journal offered her an advice column, she embraced it as yet another way for her to connect with the public. "If You Ask Me" quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, "I hope so." Queried about whether or when she would retire, she said, "I never plan ahead." As for the suggestion that federal or state governments build public bomb shelters, she considered the idea "nonsense." Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular

culture—these columns reveal Eleanor Roosevelt’s warmth, humanity, and timeless relevance. A biography describing the childhood, private life, and years of public service of the popular First Lady, Eleanor Roosevelt. Written in graphic-novel format. A biography of first lady and social reformer Eleanor Roosevelt, who was involved in politics, the fight for women's rights, and world peace. One of the New York Times's 100 Notable Books of 2016 One of NPR's 10 Best Books of 2016

"Heartachingly relevant...the Eleanor Roosevelt who inhabits these meticulously crafted pages transcends both first-lady history and the marriage around which Roosevelt scholarship has traditionally pivoted." -- The Wall Street Journal The final volume in the definitive biography of America's greatest first lady. “Monumental and inspirational...Cook skillfully narrates the epic history of the war years... [a] grand biography.” -- The New York Times Book Review

Historians, politicians, critics, and readers everywhere have praised Blanche Wiesen Cook’s biography of Eleanor Roosevelt as the essential portrait of a woman who towers over the twentieth century. The third and final volume takes us through World War II, FDR’s death, the founding of the UN, and Eleanor Roosevelt’s death in 1962. It follows the arc of war and the evolution of a marriage, as the first lady realized the cost of maintaining her principles even as the country and her husband were not prepared to adopt them. Eleanor Roosevelt continued to struggle for her core issues—economic security, New Deal reforms, racial equality, and rescue—when they were sidelined by FDR while he marshaled the country through war. The chasm between Eleanor and Franklin grew, and the strains on their relationship were as political as they were personal. She also had to negotiate the fractures in the close circle of influential women around her at Val-Kill, but through it she gained confidence in her own vision, even when forced to amend her agenda when her beliefs clashed with government policies on such issues as neutrality, refugees, and eventually the threat of communism. These years—the war years—made Eleanor Roosevelt the woman she became: leader, visionary, guiding light. FDR’s death in 1945 changed her world, but she was far from finished, returning to the spotlight as a crucial player in the founding of the United Nations. This is a sympathetic but unblinking portrait of a marriage and of a woman whose passion and commitment has inspired generations of Americans to seek a decent future for all people. Modest and self-deprecating, a moral force in a turbulent world, Eleanor Roosevelt was unique.

ABOUT THE BOOK The position of First Lady is a tricky one; it's not a political or appointed office, yet during any presidential administration, her name (and personality) is far more known than that of the vice president or secretary of state. Likewise, the First Lady has, potentially, the ear of the president in a far more influential way than these other elected officials. Until recent years, most First Ladies made a deliberate choice not to get involved with the politics of running the country. Eleanor Roosevelt's sense of duty, however, as well as her lifelong commitment to humanitarianism, led her to choose a different route. Still, by her own admission, her instincts for self-effacement would have probably kept her out of the political limelight, were it not for the crippling polio that curtailed many of her husband's speech-making appearances after 1921. The timing for a First Lady such as Eleanor could not have been more auspicious. When Franklin Roosevelt took office as President of the United States, the country was in the grip of a fierce depression that threatened to topple its financial foundations. As the decade segued into the 1940s, the world became involved in a war against Nazism and Fascism. Domestically, racial and gender inequalities ran rife throughout the United States, at a time when the nation, more than ever, could not survive such division.

EXCERPT FROM THE BOOK There is a famous photo of Eleanor and Franklin in their car during Inauguration Day, looking confident and even radiantly happy. It belied her true feelings of fear that she would be forced, for the sake of political correctness, into abandoning some of her pet projects a scenario she had no intention of allowing. That evening, Eleanor, the least socialite of all Washington wives, donned a silver-blue gown and fur coat and attended, by herself, the inaugural ball. She would be the only First Lady ever to do so without her husband, because Franklin didn't want to be publicly seen in a wheelchair and unable to dance. According to the second volume of her autobiography, *This I Remember*, Eleanor said of her husband's presidency (and her own prominence) to her friend, reporter Lorena Hickok, "I

never wanted it, even though some people have said that my ambition for myself drove him on...I never wanted to be a President's wife, and I don't want it now." Buy a copy to keep reading!

CHAPTER OUTLINE Biography of Eleanor Roosevelt + Introduction + Beginnings + First Lady of a State and a Nation + White House Years + ...and much more This is a new release of the original 1949 edition. Publisher Description The central volume in the definitive biography of America's most important First Lady. "Engrossing" (Boston Globe). The captivating second volume of this Eleanor Roosevelt biography covers tumultuous era of the Great Depression, the New Deal, and the gathering storms of World War II, the years of the Roosevelts' greatest challenges and finest achievements. In her remarkably engaging narrative, Cook gives us the complete Eleanor Roosevelt—an adventurous, romantic woman, a devoted wife and mother, and a visionary policymaker and social activist who often took unpopular stands, counter to her husband's policies, especially on issues such as racial justice and women's rights. A biography of scholarship and daring, it is a book for all readers of American history. A biography profiling the life of Eleanor Roosevelt, first lady and human rights activist who worked for peace and justice and to help improve the lives of the underprivileged. Includes source notes and timeline. Biography of Eleanor Roosevelt, now in its third edition immerses students in both the personal and public side of one of the most dynamic figures of the twentieth century. Incorporating the latest scholarship, *Eleanor Roosevelt: A Personal and Public Life* tells the story of a woman who fought for the rights of the downtrodden in America and later led an effort to bring the great resources of the United States to all the citizens of the world, leaving a legacy that has lasted for decades. For a long time, the main role of First Ladies was to act as hostesses of the White House...until Eleanor Roosevelt. Born in 1884, Eleanor was not satisfied to just be a glorified hostess for her husband, President Franklin Delano Roosevelt. Eleanor had a voice, and she used it to speak up against poverty and racism. She had experience and knowledge of many issues, and fought for laws to help the less fortunate. She had passion, energy, and a way of speaking that made people listen, and she used these gifts to campaign for her husband and get him elected president-four times! A fascinating historical figure in her own right, Eleanor Roosevelt changed the role of First Lady forever. The childhood of the woman who became wife of a president and a great humanitarian. *Eleanor Roosevelt, Fighter for Justice* shows young readers how the former First Lady evolved from a poor little rich girl to a protector and advocate for those without a voice. Though now seen as a cultural icon, she was a woman deeply insecure about her looks and her role in the world. But by recognizing her fears and constantly striving to overcome her prejudices, she used her proximity to presidents and her own power to aid in the fight for Civil Rights and other important causes. This biography gives readers a fresh perspective on her extraordinary life. It includes a timeline, biography, index, and many historic photographs. Examines Eleanor Roosevelt's life as a professional woman, a wife and mother, and, finally, a woman who illuminated her times and exemplified the complexities of womanhood in the twentieth century. "I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world." -- Blanche Wiesen Cook Named "Woman of the Century" in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column "My Day" for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., "What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality." "My Day reminds us how great a woman she was." --Atlanta Journal-Constitution First ladies don't just take care of the first family. They also do many important works too. Some of them even do impressive jobs that they leave a mark

in history books. An example is Eleanor Roosevelt. Are you curious to know of her philosophy and historical actions? Then open this book today! In this volume the greatest and best-loved woman of her time shares the experiences - private and public - of her thirteen years since the death of her husband, Franklin Delano Roosevelt. She describes in intimate detail the problems she had to solve after her husband's death, winding up his affairs and working out a pattern for her new life. That new life would include much traveling and diplomatic work around Europe, Russia and Asia for the United Nations, for her forthright humanitarian endeavors she was voted as ninth in Gallup's List Of Most Widely Admired People Of The 20th Century. The New York Times bestseller from prizewinning author David Michaelis presents a "stunning" (The Wall Street Journal) breakthrough portrait of Eleanor Roosevelt, America's longest-serving First Lady, an avatar of democracy whose ever-expanding agency as diplomat, activist, and humanitarian made her one of the world's most widely admired and influential women. In the first single-volume cradle-to-grave portrait in six decades, acclaimed biographer David Michaelis delivers a stunning account of Eleanor Roosevelt's remarkable life of transformation. An orphaned niece of President Theodore Roosevelt, she converted her Gilded Age childhood of denial and secrecy into an irreconcilable marriage with her ambitious fifth cousin Franklin. Despite their inability to make each other happy, Franklin Roosevelt transformed Eleanor from a settlement house volunteer on New York's Lower East Side into a matching partner in New York's most important power couple in a generation. When Eleanor discovered Franklin's betrayal with her younger, prettier, social secretary, Lucy Mercer, she offered a divorce and vowed to face herself honestly. Here is an Eleanor both more vulnerable and more aggressive, more psychologically aware and sexually adaptable than we knew. She came to accept her FDR's bond with his executive assistant, Missy LeHand; she allowed her children to live their own lives, as she never could; and she explored her sexual attraction to women, among them a star female reporter on FDR's first presidential campaign, and younger men. Eleanor needed emotional connection. She pursued deeper relationships wherever she could find them. Throughout her life and travels, there was always another person or place she wanted to heal. As FDR struggled to recover from polio, Eleanor became a voice for the voiceless, her husband's proxy in the White House. Later, she would be the architect of international human rights and world citizen of the Atomic Age, urging Americans to cope with the anxiety of global annihilation by cultivating a "world mind." She insisted that we cannot live for ourselves alone but must learn to live together or we will die together. This "absolutely spellbinding," (The Washington Post) "complex and sensitive portrait" (The Guardian) is not just a comprehensive biography of a major American figure, but the story of an American ideal: how our freedom is always a choice. Eleanor rediscovers a model of what is noble and evergreen in the American character, a model we need today more than ever. This illustrated, first of its kind collection of excerpts from Eleanor Roosevelt's newspaper columns, radio talks, speeches, and correspondence speaks directly to the challenges we face today. Acclaimed for her roles in politics and diplomacy, first lady Eleanor Roosevelt was also a prolific author, journalist, lecturer, broadcaster, educator, and public personality. Using excerpts from her books, columns, articles, press conferences, speeches, radio talks, and correspondence, Eleanor Roosevelt: In Her Words tracks her contributions from the 1920s, when she entered journalism and public life; through the White House years, when she campaigned for racial justice, the labor movement, and "the forgotten woman;" to the postwar era, when she served at the United Nations and shaped the Universal Declaration of Human Rights. Selections touch on Roosevelt's early entries in women's magazines ("Ten Rules for Success in Marriage"), her insights on women in politics ("Women Must Learn to Play the Game As Men Do"), her commentary on World War II ("What We Are Fighting For"), her work for civil rights ("The Four Equalities"), her clash with Soviet delegates at the UN ("These Same Old Stale Charges"), and her advice literature ("If You Ask Me"). Surprises include her unique preparation for leadership, the skill with which she defied critics and grasped authority, her competitive stance as a professional, and the force of her political messages to modern readers. Scorning the "America First" mindset, Eleanor Roosevelt underlined the

interdependence of people and of nations. Eleanor Roosevelt: In Her Words illuminates her achievement as a champion of civil rights, human rights, and democratic ideals. The men and women who shaped our world—in their own words. The Wisdom Library invites you on a journey through the lives and works of the world's greatest thinkers and leaders. Compiled by scholars, this series presents excerpts from the most important and revealing writings of the most remarkable minds of all time.

THE WISDOM OF ELEANOR ROOSEVELT “We must join in an effort to use all knowledge for the good of all human beings. When we do that we shall have nothing to fear.” John F. Kennedy described Eleanor Roosevelt as “one of the great ladies in the history of this country.” A role model for generations of women, Mrs. Roosevelt made an indelible mark as First Lady. Although painfully shy, she never hesitated to publicly champion the poor, minorities, women and other victims of discrimination. She was among the twentieth century's most active civil rights pioneers, compelling her husband to sign a series of Executive Orders barring discrimination in the administration of various New Deal projects, and supporting desegregation of the armed forces. Her groundbreaking column, “My Day,” ran in national newspapers for twenty-six years. During her tenure as U.S. delegate to the United Nations, she was the principal author of the Universal Declaration of Human Rights. She also maintained close friendships and correspondences with notable statespeople, including her husband's successor, Harry S. Truman, who declared her “First Lady of the World.” With revealing excerpts from her letters and published work, *The Wisdom of Eleanor Roosevelt* delves into the passions and concerns that drove this exceptional humanitarian. Here is a fascinating and essential tribute to a woman ahead of her time, whose actions truly conveyed her words, “The future belongs to those who believe in the beauty of their dreams.” A biography of the first wife of a president to have a public life and career of her own, devoted to helping others and working for peace. Named a Best Book of the Year by *The Washington Post* and NPR “We come to see in FDR the magisterial, central figure in the greatest and richest political tapestry of our nation's entire history” —Nigel Hamilton, *Boston Globe* “Meticulously researched and authoritative” —Douglas Brinkley, *The Washington Post* “A workmanlike addition to the literature on Roosevelt.” —David Nasaw, *The New York Times* “Dallek offers an FDR relevant to our sharply divided nation” —Michael Kazin “Will rank among the standard biographies of its subject” —*Publishers Weekly* A one-volume biography of Roosevelt by the #1 *New York Times* bestselling biographer of JFK, focusing on his career as an incomparable politician, uniter, and deal maker In an era of such great national divisiveness, there could be no more timely biography of one of our greatest presidents than one that focuses on his unparalleled political ability as a uniter and consensus maker. Robert Dallek's *Franklin D. Roosevelt: A Political Life* takes a fresh look at the many compelling questions that have attracted all his biographers: how did a man who came from so privileged a background become the greatest presidential champion of the country's needy? How did someone who never won recognition for his intellect foster revolutionary changes in the country's economic and social institutions? How did Roosevelt work such a profound change in the country's foreign relations? For FDR, politics was a far more interesting and fulfilling pursuit than the management of family fortunes or the indulgence of personal pleasure, and by the time he became president, he had commanded the love and affection of millions of people. While all Roosevelt's biographers agree that the onset of polio at the age of thirty-nine endowed him with a much greater sense of humanity, Dallek sees the affliction as an insufficient explanation for his transformation into a masterful politician who would win an unprecedented four presidential terms, initiate landmark reforms that changed the American industrial system, and transform an isolationist country into an international superpower. Dallek attributes FDR's success to two remarkable political insights. First, unlike any other president, he understood that effectiveness in the American political system depended on building a national consensus and commanding stable long-term popular support. Second, he made the presidency the central, most influential institution in modern America's political system. In addressing the country's international and domestic problems, Roosevelt recognized the vital importance of remaining closely attentive to the full range of public sentiment around policy-making

decisions—perhaps FDR's most enduring lesson in effective leadership. A profile of the first American president's wife to have a public life and career of her own. The first volume of Blanche Wiesen Cook's superb biography of Eleanor Roosevelt was greeted as one of the most significant biographies of the decade. Eleanor Roosevelt: First Lady of the World Meet Eleanor Roosevelt, one of America's most powerful first ladies. Learn about her youth and her career helping those less fortunate than she. Provides a compelling evaluation of one of the most inspiring women in American political history, Eleanor Roosevelt niece of one president and wife to another. Eleanor Roosevelt is perhaps best known for her role as First Lady, wife to President Franklin Delano Roosevelt. But this strong-willed woman was a skilled politician in her own right, who overcame her own prejudices to fight for the rights of women, blacks and the poor. This inspiring biography tells of Eleanor Roosevelt's development from a lonely, orphaned teenager to a determined, socially conscious woman, beloved in the United States and throughout the world. "...A worthwhile and significant addition to any elementary collection." - School Library Journal This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public.
