Dearly Departed Jun 01 2021 A sharp, slick, blisteringly paced debut novel, with an unconventional but tender love story at its heart. I parted the curtains. A skeletal face peered back at me, blackened eyes rolling in sockets seemingly unsupported by flesh. It smiled... It should be game over for Nora Dearly when she is ambushed and dragged off into the night by the living dead. But this crack unit of teen zombies are the good guys, sent to protect Nora from the real monsters roaming the country and zeroing in on cities to swell their ranks. Can Nora find a way to kill off the evil undead once and for all? Can she trust her protectors to resist their hunger for human flesh? And can she stop herself falling for the noble, sweet, surprisingly attractive, definitely-no-longer-breathing Bram...?

Eden Feb 21 2023 Overnight the world transforms into a barren wasteland ravaged by plague and overrun by hordes of flesh-eating zombies. A small band of desperate men and women stand their ground in a fortified compound in what had once been Queens, New York. They've named their sanctuary Eden. Harris--the unusual honest man in this dead world--races against time to solve a murder while fighting to maintain his own humanity. Ultimately, the danger posed by the dead and diseased masses clawing at Eden's walls pales in comparison to the deceit and treachery Harris faces within.

Dearly, Departed: A Zombie Novel Dec 19 2022 A classic romance, suspense thriller, rip-roaring adventure, and macabre comedy all at once, Dearly, Departed redefines the concept of undying love. CAN A PROPER YOUNG VICTORIAN LADY FIND TRUE LOVE IN THE ARMS OF A DASHING ZOMBIE? The year is 2195. The place is New Victoria—a high-tech nation modeled on the mores of an antique era. Sixteen-year-old Nora Dearly is far more interested in her country's political unrest than in silly debutante balls. But the death of her beloved parents leaves Nora at the mercy of a social-climbing aunt who plans to marry off her niece for money. To Nora, no fate could be more horrible—until she's nearly kidnapped by an army of walking corpses. Now she's suddenly gunning down ravenous zombies alongside mysterious black-clad commandos and confronting a fatal virus that raises the dead. Then Nora meets Bram Griswold, a young soldier who is brave, handsome, noble . . . and thoroughly deceased. But like the rest of his special undead unit, Bram has been enabled by luck and modern science to hold on to his mind, his manners, and his body parts. And when his bond of trust with Nora turns to tenderness, there's no turning back. Eventually, they know, the disease will win, separating the star-crossed lovers forever. But until then, beating or not, their hearts will have what they desire. **BONUS:** This edition contains an excerpt from Lia Habel's Dearly, Beloved. "Heart-pounding . . . Nora and Bram's touching and tender relationship, with its emphasis on equality and living in the moment, feels particularly special."—Publishers Weekly "Absolutely spellbinding . . . full of ingenious inventions and dynamic characters."—RT Book Reviews "A zombie romance? You bet."—Library Journal

Allison Hewitt Is Trapped Sep 16 2022 From the New York Times bestselling author of ASYLUM comes one woman's story as she blogs - and fights back - the zombie apocalypse Allison Hewitt and her five colleagues at the Brooks and Peabody Bookstore are trapped together when the zombie outbreak hits. Allison reaches out for help through her blog, writing on her laptop and utilizing the military's emergency

wireless network (SNET). It may also be her only chance to reach her mother. But as the reality of their situation sinks in, Allison's blog becomes a harrowing account of her edge-of-the-seat adventures (with some witty sarcasm thrown in) as she and her companions fight their way through ravenous zombies and sometimes even more dangerous humans. "Madeline Roux manages to answer the eternal question all of us must ask ourselves eventually: "When the zombie apocalypse comes (and it will come), how will I handle it?" For my part, I hope I manage it with as much humanity and determination as Allison. But I would like to make a request for bigger weapons." --Christine Warren, New York Times bestselling author of The Others series

Brains For Lunch Jul 02 2021 Goofy, gross, demented, and delicious! K.A. Holt has created a classic tale of middle-school angst...the difference being that this illustrated novel is written entirely in Haiku. Middle school is tough enough, but it's even worse when your classmates include lifers (regular humans), nasty blood-sucking creatures called chupacabras, and zombies. Loeb (pun fully intended) falls into the last category and, unfortunately for him, he has a huge crush on a human girl (major no-no). Can he push past the stereotypes and the different cliques to win his school's haiku competition and impress the girl? In scenes set around a lunch table (the menu: brains) and around the school, eyes roll and jaws drop (literally). Also featured in the cast of characters is Carl, a chupacabra (bloodsucking critter) and Mrs. Fincher, a sympathetic and seductive librarian.

Dead Haven Aug 23 2020 Jack Jupiter knows zombies. He's written about them for years. So when Jack's mother passes away in a freak car accident involving a half-eaten deer and a pack of cigarettes, he also knows something's up. Now, Jack and his fiancée, Darlene, are forced to go back to the dreadful town of Woodhaven, Ohio for his mom's funeral. But what he doesn't know is it might be their funeral, too. A few months before Jack and Darlene's arrival, a mysterious flu-like virus swept through the town, infecting nearly every citizen. Now, like ticking time-bombs ready to explode, everyone is dropping dead. But they aren't staying dead. No, they're coming back as flesh-eating zombies. Not only will Jack Jupiter have to bury his mother, confront high school bullies, and save Darlene, but he'll have to fight the dead in order to stay alive. And these aren't like the zombies from his books. These walking corpses are real.

Dead Nation Feb 26 2021 A cure. A solution. Hope. With Eden now behind Jack, he and the group set out to find the mysterious Doc Klein, who may know how to put a stop to the zombie plague and bring peace back to our world. But the task won't be an easy one. While traveling through the wasted East Coast, Jack and the gang get caught in a war between two groups - human cannibals and the Wranglers, the latter led by an ancient, clairvoyant woman named Mother. It is Mother who warns Jack of the Doc's insanity. Klein has gone into the heart of our nation's capital, Washington D.C., which is so overrun with zombies, the chances of survival are almost nonexistent. But to Jack, the chances don't matter...because he won't stop until every last zombie is dead and our world is saved.

Sadie Walker Is Stranded Aug 15 2022 An uproarious zombie apocalypse adventure relates the experiences of Sadie Walker, whose longing for a peaceful and normal life is shattered when a radical group seizes control of northern Seattle and kidnaps Sadie's nephew, forcing her to fight off a growing population of zombies and sail a ship of survivors to safety. Original.

Day by Day Armageddon Sep 04 2021 An ongoing journal depicting one man's personal struggle for survival, dealing with the trials of an undead world unfolding around him. An unknown plague sweeps the planet. The dead rise to claim the Earth as the new dominant species. Trapped in the midst of a global tragedy, he must make decisions ... choices that ultimately mean life, or the eternal curse to walk as one of them.

Apocalypse Z (a Zombie Novel) Jan 28 2021 A deadly virus is ravaging the world. Zombies roam the streets and mankind is nearing extinction. In an attempt to escape the virus and zombie's grasp, the Jacobs family and a group of young adults must travel 1,300 miles up the West Coast to a cabin located high in the

mountains of Washington. Things don't go as planned and their trip quickly turns into a life or death struggle. Along the way they fight zombies, psychos, freaks, and sometimes amongst themselves. This book contains graphic violence, sex, and strong language. This is the first book in the Apocalypse Z series. Apocalypse Z (A Zombie Novel) Apocalypse Z: Uncommon Ground (Zombie Novel #2)

ONCE UPON A ZOMBIE May 20 2020 Caitlin Fletcher is stunned when all the living dead characters from her last adventure in Wonderland vanished from her life. Had it all been a dream? A hallucination? Or did she suffer some kind of nervous breakdown because of the tragedy she was forced to confront? If only it was that simple... It turns out the truth is far more frightening! Everything Caitlin holds dear is threatened when the Lord of the Curtain, the mysterious enchanter from another universe, reaches into Caitlin's world, bringing darkness and death into her life. Her crippling fears, which she had finally gotten under control, now threaten to swallow her whole as her sanity is called into question, her family is in grave danger and a mutant flock of crowmen is sent to hunt her down and kill her. Walking dead Peter Pan, Tinker Bell, the Tin Man, and Scarecrow are just some of the blood-eyed zombies Caitlin must confront as she races against time to prevent her family from succumbing to a powerful force of unspeakable darkness.

Z-Burbia: A Post Apocalyptic Zombie Adventure Novel Sep 23 2020 When the zombie apocalypse hits the quiet Asheville, NC subdivision of Whispering Pines, the residents don't turn to the police or the military. Nope. They rely on their iron-fisted Home Owners Association! Which Jace Stanford and his family aren't too keen on. Undead hordes are hard enough to deal with in a post-apocalyptic hellscape, who needs HOA fines too? Filled with blood, gore, plenty of bad jokes, cannibals, dreaded HOA covenants, and a whole lot of snark, Z-Burbia is guaranteed to thrill and entertain! Welcome to life in Z-Burbia! Reviews- "The first novel in Jake Bible's series Z-Burbia hooked me. What appeared to be a jokey take on zombie fiction quickly develops some great characters and story." -BoingBoing.net "For those still not convinced about the zombie genre, Z-Burbia is worth a read if only for its female characters: Jake Bible doesn't have time for vapid whimpering damsels in distress. Oh no. Bible's characters are thinking, acting, feisty sorts." -Lee Murray, Bram Stoker Award-winning novelist "5.0 out of 5 stars 100% Zombie - and more. Quick, strong, gory, exciting, explosive, non-stop action. The opening part of the book does warn there will be gore, which if you are reading a zombie apocalypse book should not be a shock. Mr. Bible delivers all these. BUT he also delivers believable characters with different reasons for doing what they do. A developing political structure rising out of the ashes of civilization - from the Home-Owners Association tyrant to the constant battle between urban-and-rural. Big battles and little battles - zombies being weaponized, and parents raising kids in the Z-hellscape to be responsible adults. The layers take this book to the next level." -Erin Penn, Vine Voice, amazon.com "I love my zombies and this series is by far my favorite. The main character is just amazingly done, cause I agree that we all need a laugh in the zombie apocalypse." -UglyCasanova, 5-star Goodreads review Other books by Jake Bible: By Series: The Apex Trilogy (Dead Mech, The Americans, Metal & Ash) The Kaiju Winter Series Roak: Galactic Bounty Hunter Series The Mega/Team Grendel Thrillers The Flipside Sagas Max Rage: Intergalactic Badass! apocalypse, post-apocalyptic, dark humor, satire Keywords: zombies, post-apocalyptic, walking dead, George Romero, undead, post apocalyptic Key Phrases: apocalyptic fiction, apocalyptic books, post-apocalypse books, zombie apocalypse satire, post-apocalyptic books, post-apocalyptic fiction, post-apocalyptic collection, zombie apocalypse survival kit, zombie apocalypse books, George Romero books Zombie Novels Nov 25 2020 Hear What the Critics are Saying "Wow, what an amazing and Entertaining Book; great cast of characters, very good story with a lot of eerie twists and turns. Population Zero is by far one of the best zombie books to have come out in a long time." -Mary Jones - Valley Daily News "A must read in the horror genre. Population Zero is a book that will leave you begging for more; Five Stars All The Way." -Judy B. Cohen - Elite Media Group "Deliciously entertaining and very fun read. I bought it for a friend as a gift and she loved it as well. It's by far one of the finest zombie apocalypse books to have come out in the last decade. Highly Recommend This Book." -Dave Baker - Book Bloggers of America "Very interesting story. I highly recommend this book to any zombie lover out there. Can't Go Wrong." -Carl Mosner - Readers Cove Unlimited "Population Zero is an extremely well developed post-apocalyptic zombie tale. I really had a lot of fun reading this story. If you're looking for a phenomenal zombie book, then look no further than this one. Ten Thumbs Up." -Debra Eisner - Literary Times Inc. "My favorite zombie book this year; so far I have read more than eight. Once I started reading, I simply couldn't put it down. Great Read." -Emma Righter - Writers United Group "This story reminded me why I fell in love with reading zombie books in the first place; thank you Mr. Harding for making such an amazing and fun book. Keep up with the great story telling. Awesome Book!" -Lee Ratner - Daily Media Trends, Inc. Editorial Review Population Zero is an amazing book and a really interesting read. By the end of the book, you will feel like you have gone on an emotional rollercoaster which is not only fun, but also frightening. This zombie book is definitely one of a kind in the horror genre. If you are looking for a book that will leave you biting your nails at the edge of your seat, then look no further than Population Zero. This book is chock-full of amazing characters and terrifying zombies. Five Stars! Jim S. Stein About the Book When a scientist unleashes the deadliest virus the world has ever seen, a small group must band together to survive the zombie apocalypse; their tale is one of redemption, joy and tears. Come and join us in the town of Steel Valley. A world filled with chaos, where even the dead don't know their rightful place. (zombie novels) [zombie novels]

Possession of the Dead Oct 05 2021 Angels. Demons. Giant Zombies. Things have changed. Ever since returning through the Storm of Skulls to the present day, Joe, Billie and August have discovered the world they now inhabit, is not the world they left behind. The zombie threat has evolved to gargantuan proportions. Now aided by giant undead-massive monsters with phenomenal strength and power, with deadly appetites just as vast-the zombie population moves to devour any and all life. Separated from his friends, Joe learns that not all hope is lost for humanity when he meets, Tracy, a woman who exudes a strength to rival his own. Tracy brings him to the Hub, an underground sanctuary where life continues in a dead world, but his thoughts linger on his missing friends. August and Billie have problems of their own, and soon learn the same plight that affected a past friend of theirs now affects many: zombies with shapeshifting capability. Now, anyone is suspect. Yet even with this newfound knowledge, more is heaped upon them when the agenda of the undead is revealed and humanity is the one caught in the crossfire. A war is raging, one between angels and demons, monsters and man. And it's only escalating.

Planet of the Dead Oct 25 2020 In the future, NASA's first yearlong mission to Mars mysteriously loses contact with Earth. When the desperate crew of the Space Shuttle Aldrin arrives home, there are no marching bands, fanfares, or joyous reunions to greet them, only a lonely trek across a barren world. At a darkened military base hidden in the desert, the crew stumbles upon a mystery of locked doors, disarray, and bloodstained walls. They also recover a dormant laptop, complete with a journal telling of a nightmarish pandemic sweeping across the planet. Where society once rushed to and fro in the fast-paced and unceasing rat race of the early 21st century, the crew of the Aldrin now finds a world that shambles along on a crumbling highway, littered with desperate characters, flesh-craving zombies, and maybe, if they are lucky, a few living survivors. Welcome to Earth. Or by its new name, the Planet of the Dead.

Dearly, Beloved: A Zombie Novel Oct 17 2022 Can the living coexist with the living dead? That's the question that has New Victorian society fiercely divided ever since the mysterious plague known as "The

Laz” hit the city of New London and turned thousands into walking corpses. But while some of these zombies are mindless monsters, hungry for human flesh, others can still think, speak, reason, and control their ravenous new appetites. Just ask Nora Dearly, the young lady of means who was nearly kidnapped by a band of sinister zombies but valiantly rescued by a dashing young man . . . of the dead variety. Nora and her savior, the young zombie soldier Bram Griswold, fell hopelessly in love. But others feel only fear and loathing for the reanimated dead. Now, as tensions grow between pro- and anti-zombie factions, battle lines are being drawn in the streets. And though Bram is no longer in the New Victorian army, he and his ex-commando zombie comrades are determined to help keep the peace. That means taking a dangerous stand between The Changed, a radical group of sentient zombies fighting for survival, and The Murder, a masked squad of urban guerrillas hellbent on destroying the living dead. But zombies aren’t the only ones in danger: Their living allies are also in The Murder’s crosshairs, and for one vengeful zealot, Nora Dearly is the number one target. As paranoia, prejudice, and terrorist attacks threaten to plunge the city into full-scale war, Nora’s scientist father and his team continue their desperate race to unlock the secrets of “The Laz” and find a cure. But their efforts may be doomed when a mysterious zombie appears bearing an entirely new strain of the illness—and the nation of New Victoria braces for a new wave of the apocalypse. Lia Habel’s spellbinding, suspenseful sequel to Dearly, Departed takes her imaginative mash-up of period romance, futuristic thriller, and zombie drama to a whole new level of innovative and irresistible storytelling. “A realistic and exciting world with a swoon-worthy romance . . . The plot is addictive, the characters well-rounded.”—RT Book Reviews “Nora and Bram’s touching and tender relationship, with its emphasis on equality and living in the moment, feels particularly special.”—Publishers Weekly, on Dearly, Departed

Books of the Dead Mar 10 2022 The zombie has cropped up in many forms--in film, in television, and as a cultural phenomenon in zombie walks and zombie awareness months--but few books have looked at what the zombie means in fiction. Tim Lanzendörfer fills this gap by looking at a number of zombie novels, short stories, and comics, and probing what the zombie represents in contemporary literature. Lanzendörfer brings together the most recent critical discussion of zombies and applies it to a selection of key texts including Max Brooks's World War Z, Colson Whitehead's Zone One, Junot Díaz's short story "Monstro," Robert Kirkman's comic series The Walking Dead, and Seth Grahame-Smith's Pride and Prejudice and Zombies. Within the context of broader literary culture, Lanzendörfer makes the case for reading these texts with care and openness in their own right. Lanzendörfer contends that what zombies do is less important than what becomes possible when they are around. Indeed, they seem less interesting as metaphors for the various ways the world could end than they do as vehicles for how the world might exist in a different and often better form.

Chasing a Cure May 12 2022 Everyone's lost someone to the outbreak. Audra has a chance to get hers back. For most, the cure developed by Lysent Corporation is an afterthought. Too little. Too late. Not for Audra. She sees it as a chance to save her sister, Belinda. Unable to afford the pricey antiviral, Audra offers Belinda as collateral and signs up as a tagger, finding people's wandering zombie family members to be cured. If she delivers on the steep tagging quota, Lysent will cure Belinda. Or, so the corporation says. Time proves the system is slanted against them and Audra entertains another offer - a cure in return for bolstering a rebellion. Audra will fight tooth and limb to reach her sister, but if she doesn't successfully navigate the new world of the power-hungry and the dead, she could lose her to either side. Would you start a revolution to save your sister? Chase down zombies and impossible choices in this page-turner that will leave you reeling.

Save the Children! Aug 03 2021 A horde of savage zombies attack Hemphill, Mississippi and 17-year-old Lisa Perlman is forced to flee for her life. Her family is dead, her hometown is destroyed, and her youth is violently snatched from her. Without warning, she's thrust into a desperate situation with a small group of survivors who must outrun a gang of flesh-eating ghouls and eek out a living in the wilderness.

Into the Wasteland: A Zombie Novel Nov 18 2022 In the sequel to Resurrection, as Parker, Annie, Kyle and Hughes begin their journey across a shattered and empty continent, Parker spins into a psychological abyss of post-traumatic stress, and the feud between him and Kyle hurtles toward a dangerous tipping point. They find a small seemingly friendly city near Wyoming's Wind River Mountains, so isolated that it

survived the plague nearly intact. But all is not as it seems, and when residents of the town discover Annie's secret at the same time the infected reappear with a terrifying ferocity, the fate of all survivors--the entire human race--hangs in the balance. "Riveting! Nail biting! A couldn't-put-down read that kept this Walking Dead fan on the edge of her seat." - Annie Reed, author of The Patient Z Files Critical praise for Resurrection: A Zombie Novel "For fans of World War Z and The Walking Dead, Michael J. Totten's Resurrection is the novel you've been waiting for." - Scott William Carter, author of Ghost Detective "Resurrection dragged me in from the first page, with fast-paced, suspense-filled action and multi-layered and totally believable characters. Painting a vivid and gritty picture of a post-apocalyptic Northwest, Totten puts us into the minds and emotional struggles of a group of mismatched survivors forced to band together for protection even when they're on the verge of ripping each other apart. He also wrote one of the scariest passages I've read in any horror or suspense story...so be warned if you're afraid of the dark, or water, or both." - JC Andrijeski, author of Rook

Monster Nation Jun 25 2023 The second entry in this “inventive and exciting” zombie series that began with *Monster Island* (Publishers Weekly). This is where it begins. This is where the end of the world begins? She wakes up alone and feeling like she's half-dead. She can't remember her name. She staggers outside, looking for help—and that's when she sees that the dead have returned to life, that zombies are running in the streets and devouring the living. And she's one of them. She isn't breathing. The zombies leave her alone. Because they know she's one of their kind. And yet she differs from the brainless ghouls around her in some crucial ways. Somehow she's kept her intelligence intact, if not her memory. And being dead has certain compensations. She has developed strange powers. She calls herself Nilla, and all she knows is that staying alive only gets harder after you die? Meanwhile the National Guard has its hands full with the worst epidemic ever to strike the American west. From California to Colorado every town, every city is being overrun. Captain Bannerman Clark isn't prepared for this. He's semi-retired and he hasn't fired a gun in years, not since the Vietnam war. Yet it seems there's no one else around to take charge. As the world we know collapses he must find in himself the brains, the guts, and the moral courage to lead the survivors to safety, if there's any to be had. Meanwhile, behind the scenes, shadowy players are just beginning to show their hands. There's more going on here than meets the eye, and Clark and Nilla both have parts to play in a game they can't comprehend?

The Dark Times Feb 09 2022 Rico Cruz is an overweight cop drowning his sorrows in whisky at a local pub when the first zombie guts hit the fan. The war with the undead is short-lived in a decisive victory by the living. The world is forever changed, though, and a third of the population is stricken by a mysterious illness. Rico is inspired to change his life for the better, and after dropping a few pounds, heads off on his Harley for an adventure to anywhere. Before Rico gets very far, the seeds from the previous war bear ghastly fruit, turning millions into flesh eating zombies. The Dark Times is gritty; edgy; everything you expect the zombie apocalypse to be. The events move quickly, tossing you head first into gut-wrenching, dilemma-decision action. In all, The Dark Times is a harrowing page turner guaranteed to satisfy your hunger for the zompocalypse.

Sunset of the Dead Nov 06 2021 MORE ADVENTURES INTO THE WORLD OF DAY OF THE DEAD! It has been years since the dead began to walk and civilization is now nothing but a memory. Cities are nothing but ruins, filled with the living dead, and where once small enclaves survived, now they are all gone. One of the last holdouts, a group of soldiers and scientists hidden in an underground bunker in Florida, are also gone after being overrun by the undead. But there were three survivors: Sarah, John and McDermott. Escaping in a helicopter, the group found refuge on an island off the coast of Florida, where they hope to begin life anew, away from the death and destruction that was once mankind. But the island is far from uninhabited, and soon Sarah and the others find themselves embroiled in the struggles of a small camp of people that came to the island years ago at the beginning of the outbreak. Here, men of science as well as civilians have begun working on a cure for the undead plague. But then Sarah finds out that she is the key to the cure, that she alone could be the one to save the remaining humans on the planet from a fate worse than death. Only there is one hitch. The key to the cure of the plague is buried in her notes back at the underground bunker, and the only way to reach Sarah's lab is through hundreds upon hundreds of walking dead that now fill the corridors. With a small commando force joining in, Sarah, John and McDermott have

no choice but return to the fateful bunker where Sarah and the others had only narrowly escaped with their lives weeks ago. But unknown to them, the bunker harbors an evil far worse than the walking dead. An enemy they believe long dead has resurfaced with only one goal...vengeance and death. Though at first there was the Day of the Dead, eventually night must fall. Then there is only the Sunset of the Dead.

Harvest of Ruin Jul 22 2020 In the wake of an outbreak that sweeps the globe, the scattered survivors are left in a desperate fight to survive, as the dead rise to feast on the living. The Demott family is ending a weekend of camping by visiting a scenic river-walkway. When the sounds of chaos and panic come from the city ahead, they are propelled into a frenzied flight in search of safety. Will Norman is on his way to class in Manhattan when his commute turns into a harrowing, life-or-death journey. Tar Morrison watches his idyllic Rocky Mountain community fray at the seams. Their isolation has limited exposure to the infection, but for how long? Will their efforts be enough, or will the task at hand prove too much? *Harvest of Ruin* follows an array of survivors, focusing on the panic, terror and cost of surviving in a dying world.

Dead of Night Jan 20 2023 Injected by a prison doctor with a formula designed to keep his consciousness awake after death, a condemned serial killer experiences unforeseen, contagious side effects and emerges from his grave to begin a murderous rampage that is combated by two small-town cops.

Outbreak Jun 20 2020 Emily thought she could survive the apocalypse and save her sister from hordes of undead. She was wrong. By the time she found her sister, it was too late. All hope was shattered. Heartbroken and disillusioned, Emily returns home. There's just one problem: her haven is no longer empty. Someone has moved in. Neil was a leader long enough to know when to cut his losses. Surviving in the city was one major loss. He gathered his friends and hoofed it to the forest. He knew there would be abandoned farmhouses and plenty of land. The fewer inhabitants before the apocalypse struck, the fewer zombies to deal with after. The house they find is incredible. It's isolated, well stocked with food, and Neil even finds a few loaded guns. Soon it becomes obvious that the home isn't as empty as they originally thought, however. When the owner returns, she demands that Neil and his friends move out. She seems to have no problem with the idea of tossing them out on their asses, but there's a major problem. A storm is coming, and it carries with it a greater threat than just zombies.

George's Terms: A Zombie Novel Jun 13 2022 In Northeast Texas, the epic adventure of a group of survivors begins as they take refuge in a hospital, waiting to see if the world-wide Red Infection can be stopped before all humanity is wiped out. As victims awaken from a coma, they now have the basic need to attack loved ones, to spread the infection, and to feed on warm flesh. Only rage remains. In days, the dead outnumber the living, and the US turns to the ultimate weapons to stop the infection. In a world filled with zombies, survivors find that the living can be far more inhumane and cruel than anything they have ever imagined, as raiders scavenge for supplies and lawlessness and hatred are the norm. Both outlaws and zombies crave meat. In this time of hopelessness and horror, a bullet to the brain may be the kindest action. George, an older, retired police officer, sets his own terms: fight and survive or go the way you want, but don't let the zombies win. He explains that everyone is responsible for his own fate, and if that means going out on unpopular terms, then so be it. Len, a retired Marine; a quiet cowboy, Kim; a hot-tempered Hispanic woman, Julia; and a compassionate young woman, Beth all begin their terrorizing journey, not only to survive, but also to establish a new society, find love and joy in a barren, bloody landscape, and to face gathering enemies. The first of the compelling series, *George's Terms*, introduces a memorable cast of characters and a terrifying vision of a world, burned to rubble and filled with flesh-eating adversaries. As each person faces inner fears and new roles, he finds law and morality must be redefined. Zombies are used as the vehicle, but the story is all about what humans will do to survive when the odds are stacked against them; luckily, for the survivors, George has given them the terms that may keep humans from becoming extinct.

Fall of Night Jul 26 2023 Stebbins Little School is full of bodies. It's unthinkable to Desdemona Fox. Children are sobbing as panicked teachers and neighbors beat down their family members outside of the school...or the things that used to be their family members. Parents don't eat their children do they? Officers Fox and Hammond, along with journalist Billy Trout, are calling it the beginning of the end. This is the zombie apocalypse. An insane escaped serial killer is infecting Stebbins County with a deadly virus, and now the whole world is watching while Fox, Trout, and the remaining inhabitants of Stebbins fight for their

life against...what? The undead? The President and the National Guard are ready to nuke Stebbins, PA off the map and cut their losses. But the infection is spreading and fast. Worse, the scientist who created the virus is missing. It's a numbers game as the body count rises; Fox has to contain the infected and evacuate the living before it's too late, and the clock is ticking... *Fall of Night*, Maberry's nail-biting sequel to *Dead of Night*, picks up where the first novel left off—on a wild goose chase for a madman and the missing scientist who gave him new "un"-life. Chilling, gory, and hair-raisingly scary, Maberry fans won't be able to read this fast-paced thriller with the lights off.

Dead Coast Dec 27 2020 Jack and his group find an organization in the Mojave Desert known as Central, who is working to cleanse the world of the zombie virus but they need Doc Klein's superior intellect and tenacity. Jack's mission is to deliver Klein to their base unharmed.

Zombie Jan 08 2022 A zombie-obsessed teenager has his own way of navigating high school and family dysfunction in this "crazy, wicked, knockout of a book" (Garth Stein, author of *The Art of Racing in the Rain*). High school may be hell. But for fourteen-year-old Jeremy Barker, hell doesn't end when the bell rings. His pill-addicted mother, sex-addicted brother, and mostly-absentee Vietnam-vet father aren't much of an improvement over the bullies at his all-boys Catholic school. He stays sane by watching movies. Zombie movies, to be exact, that provide a useful code of survival: avoid contact, keep quiet, forget the past, lock-and-load, and fight to survive. His father's also a fan, and watching zombie flicks together is their one way of father-son bonding. But even the wildest movie can't prepare Jeremy for the day his English teacher slips his dad a DVD in the school parking lot—a home DVD of a macabre, ritual surgery. Jeremy's father won't say why he has the movie, or whether the gruesome spectacle is real. When his father disappears from the house yet again, Jeremy decides to investigate. Twisted, fast-paced, and hilarious, this coming-of-age novel is a brand-new take on growing up in a world full of people who don't understand you—whether those people are your ninth-grade classmates or a horde of slaving zombies.

Zombie Aug 27 2023 Meet Quentin P. He is a problem for his professor father and his loving mother. He is a challenge for his court-appointed psychiatrist. He is a thoroughly sweet young man for his wealthy grandmother. He is the most believable and thoroughly terrifying sexual psychopath and killer ever to be brought to life in fiction, as Joyce Carol Oates achieves a bold and brilliant triumph—a dazzling work of art that extends the borders of the novel into the darkest heart of truth.

Resurrection: A Zombie Novel May 24 2023

Monster Island Mar 22 2023 First in the cult classic trilogy: "A fantastic zombie novel . . . There are many layers to this zombie apocalypse, and this book just gets things rolling" (Booklist). Welcome to New York City, Population Zero? The power grid has collapsed. There is no running water, no light, no heat. The massive neon signs of Times Square are dark now, and the subway trains crouch silent in their tunnels, waiting for commuters who will never return. An epidemic of staggering lethality has passed over the city and left nothing living in its wake. And yet the city is not deserted. The dead have returned to life, and they're hungry. The millions of people who once worked and lived in New York have been turned into cannibalistic monsters whose only function is to consume. No living person would dare enter the city—it would be suicide. Dekalb doesn't have a choice. He must protect his daughter's future, and that means retrieving vital medical supplies from the UN building in Midtown. A cadre of teenage girl soldiers have been recruited to help him find what he needs, and get back alive. They're well armed. They're devoted to their mission and willing to sacrifice anything to pull it off. But the odds against them are staggering. Especially when it turns out that not all zombies are created equal. Deep inside the city a medical student named Gary comes back from the dead different—his mind is intact. He can still think and feel. He's hungry, just like the rest, but unlike them he can plan, plot, and scheme. He can even lead the others, bending them to his will. Soon he has a small army at his command, a growing mob of rotting corpses all devoted to one cause: to find meat for their master. When Dekalb and Gary cross paths sparks will fly, destinies will clash—and the future of humanity will be decided, one head shot at a time.

Monster Planet Apr 11 2022 Surviving the end of the world was the easy part? It's twelve years since the dead came back. Ravening, mindless zombies have devoured almost every living thing on the planet. The few, scattered survivors are surviving on canned goods and a refusal to give in and die. They are lead by Ayaan, a former child soldier turned brilliant strategist. She's twenty-eight years old, in a world where the

average life expectancy is twenty-five. Together with her adopted ward Sarah, who has the psychic ability to see the life-force of the undead, she's gathered a few hundred survivors in Africa and given them safety, something to eat, and the possibility of a future. It would be a lot easier if the zombies weren't so well organized. Out of the east a dead prince has risen. The Tsarevich, the most powerful lich the world has yet seen, is able to command his fellow zombies and has crafted them into an unstoppable army. He has swept across Russia and eastern Europe, hunting down every survivor he can find. He's about to come down on Ayaan and her desert oasis like a tidal wave of death and horror. Yet quickly enough Ayaan realizes he's not just out for her destruction. He has something else in mind, a goal that will take him--and her--across oceans, all the way back to Colorado where the first zombies rose from the grave. He's going back to the Source and when he reaches it, no one will ever be safe again. The fate of all life on the planet is up for grabs, and if Ayaan and Sarah can't stop him there will be no more second chances?

Dead Hope Dec 07 2021 Jack Jupiter couldn't stop the virus from ravaging the globe, nor stop billions from turning into undead creatures that feast upon the living. He and his group have travelled from city to city, looking for a place to call home. That place might be Eden, Florida, but to get there they'll have to remember not all monsters are zombies ... sometimes they're human. No monster will stand in their way, because they have hope.

Hurricane Dan (a Zombie Novel) Apr 30 2021 Dan Kelly is a young businessman who has grown sick of the way things work. He has given up trying to make a living and gone on a drinking binge that puts him out on the street. A few days later, as he is trying to adjust to his new life as a vagabond, zombies begin popping up in the streets of Manhattan. Dan and his homeless friend, Barns, make plans and gather weapons. They begin working their way to safer ground, finding others in need and expanding their numbers. As the city spirals into a full zombie apocalypse, Dan and his friends seek shelter behind a giant police barricade. The barricade sections off a couple blocks of the city from the zombie outbreak. It is there that the survivors try to hold their ground and wait for help that may never come. Action packed and suspenseful, Hurricane Dan

is sure to be a classic zombie novel.

Empire Apr 23 2023 The outbreak began in 2007. It's now 2112. The crippled U.S. government is giving up its fight against an undead plague. Military forces and aid have been withdrawn from the last coastal cities, leaving those who choose to stay in the 'badlands' defenseless against hordes of zombified humans and animals. It's been a hopeless battle from the beginning. The undead, born of an otherworldly energy fused with a deadly virus, have no natural enemies. But they do have one supernatural enemy: Death himself. Descending upon the ghost town of Jefferson Harbor, Louisiana, the Grim Reaper embarks on a bloody campaign to put down the legions that have defied his touch for so long. He will find allies in the city's last survivors, and a nemesis in a man who wants to harness the force driving the zombies: a man who seeks to rebuild America into an empire of the dead.

Night of the ZomBEEs Apr 18 2020 It's Founders Day in Honeywell Springs, a day residents dress up in black-and-yellow costumes to celebrate the insect that gave the town its prosperity, the Honey Bee. But when a mad scientist releases a contagious swarm of mutant bees, it turns the townsfolk of Honeywell Springs into the walking dead, in bee costumes. It's thirteen-year-old Shaun Ripley's worst nightmare. Plagued with apiphobia, asthma, and panic attacks, Shaun must draw on his knowledge of his hero, James Bond, to stay alive. With his best friend, Toby, a fellow 007 enthusiast, and Sam, a bullying tomboy, Shaun must overcome his bee phobia and find a way to escape Honeywell Springs. Terrified, surrounded, and running out of time, the three must work together if they are to survive the Night of the ZomBEEs!

Wicked Weeds Jul 14 2022 A Zombie's search for his lost humanity and the intellectual quest of the only woman who can bestow it.

Survival: A Zombie Novel Mar 30 2021 Before the zombie outbreak Jason had a good job, a great son in Jason Jr, an ex-wife whom he got along great with and a loving girlfriend. After the f***ki*** zombies showed up Jason has a dead girlfriend and missing ex-wife and son oh yeah and he is unemployed. And this is just the start of his problems.
