Bonnie is a music teacher who has spent a long, hot summer in London rehearsing with a band to play at a friend's wedding. It was supposed to be fun, but the band members find the complicated knots of their friendships—some old, some new—unraveling as the days themselves unwind. Told in irresistibly intense instalments, this is the story of a world confronted by an apocalyptic nightmare. 'I want to introduce everyone to *THE CHILDREN OF D'HARA*, a new series that continues the story of the lives of Richard and Kahlan. This is a journey that began 25 years ago with the 1994 release of *WIZARD'S FIRST RULE*, when Richard first met Kahlan that fateful day in the Hartland woods. After the *Sword of Truth* series ended, I knew there was more to Richard and Kahlan's story. Much more. A whole world more. For years, readers have asked me about Richard and Kahlan's lives after the *Sword of Truth* series... and importantly, about their children. While my masterwork, *Sword of Truth*, concluded with *WARHEART* - 20 languages and 26 million books sold - I was burning to tell readers more about Richard and Kahlan. For that reason, this new series starts immediately after the 'Sword of Truth' books ended. Without skipping a beat, readers will plunge back into Richard and Kahlan's lives, with new episodes releasing every three months. So it is that I want to welcome you all back into the *Sword of Truth* world with many of the characters besides Richard and Kahlan, such as the Mord-Sith, that we have come to love. Learn what the star shift has done to their world and what monsters now lurk in shadows. I promise an arresting, beautiful, and sometimes tragic adventure that will keep you glued to this irresistible story.' - Terry Goodkind.

The Last Ocean Jan 02 2022 From the award-winning journalist and author, a lyrical, raw and humane investigation of dementia that explores both the journeys of the people who live with the condition and those of their loved ones After a diagnosis of dementia, Nicci Gerrard's father, John, continued to live life on his own terms, alongside the disease. But when an isolating hospital stay precipitated a dramatic turn for the worse, Gerrard, an award-winning journalist and author, recognized that it was not just the disease, but misguided protocol and harmful practices that cause such pain at the end of life. Gerrard was inspired to seek a better course for all who suffer because of the disease. The Last Ocean is Gerrard's investigation into what dementia does to both the person who lives with the condition and to their caregivers. Dementia is now one of the leading causes of death in the West, and this necessary book will offer both comfort and a map to those walking through it. While she begins with her father's long slip into forgetting, Gerrard expands to examine dementia writ large. Gerrard gives raw but literary shape both to the unimaginable loss of one's own faculties, as well as to the pain of their loved ones. Her lens is unflinching, but Gerrard honors her subjects and finds the beauty and the humanity in their seemingly diminished states. In so doing, she examines the philosophy of what it means to have a self, as well as how we can offer dignity and peace to those who suffer with this terrible disease. Not only will it aid those walking with dementia patients, The Last Ocean will prompt all of us to think on the nature of a life well lived.
