Double Spell Jun 25 2020 “Ever since we’ve had this doll,” Elizabeth said hesitantly, “we’ve had funny things happen – the same dreams and knowing things and stuff like that.” Twins Jane and Elizabeth are twelve years old and have outgrown dolls. Nevertheless, on a cold wet spring Saturday they find themselves in an antique store, inexplicably drawn to a small, tattered old fashioned doll. Even the owner of the store seems to understand that the doll somehow belongs to the girls. Once the twins buy the doll, stranger and stranger things begin to happen, and a young girl from the past seems to be calling out to them. The search to discover the history of the little doll brings the twins terrifyingly close to the world of the supernatural as they finally solve a tantalizing mystery. Janet Lunn’s first novel, long unavailable, is republished in a fresh, beautiful edition.

Sang Spell Oct 29 2020 Josh is hitchhiking

from Boston to Dallas to begin a new life, trying to sort out the changes that have skewed his world since an accident killed his mother and made a mockery of his dreams. No longer will he be what he was -- an important person in a high school he loved. Instead he will be starting his junior year in a place where no one will know him, no one will care. He wanders up a road he has taken away from the interstate, where he has been thumbing rides, looking for a village where he might find shelter from the unexpected August cold and rain. When a car comes along, it looks like a ride to somewhere. And that's what it proves to be. But the somewhere he finds is not the somewhere he expected. It is a place that knows him, knows the darkness inside of him; that offers food and shelter, but also confronts him with choices he does not know how to make. It probes his past, examines his possible futures, and finally pierces the wall of despair he has built around himself. Sang Spell is a fantasy built on the hopes and dreams of a people who longed for a place of peace, for a way out of the dark and the rain. Some might think finding such a place to be a miracle, but not Josh. To him it is a nightmare, a prison he cannot

escape. Sang Spell is an adventure into a place of forgotten people, the Melungeons, and into the boundaries created by the human mind.

The Spell Book of a Wicked Witch

2022 Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation -

to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

Spell Jars for Beginners Dec 12 2021 The use of spell jars can be traced all the way back to ancient times, and evidence of rituals that are very similar can be discovered in a wide variety of cultures and traditions. One of the earliest examples comes from Ancient Egypt, where magic spells were written on papyrus or pieces of pottery and buried in tombs. These items were then discovered centuries later. Citizens in ancient Greece and Rome were known to protect themselves by carrying amulets and talismans with them at all times. It was also usual practice for them to employ little containers that were stuffed with various herbs and other components. During the Middle Ages in Europe, spell jars were known as witch bottles and were used to ward off evil spirits or to curse an enemy. These bottles were typically used to hold urine, hair, and fingernails before being buried on the property of the individual who had performed the spell. In some cases, the

bodies were even found buried within the walls of the dwellings or beneath the floors. The use of spell jars in North America can be traced back to the African diaspora and the practice of Hoodoo, which is a form of African American folk magic. In Hoodoo, the jars are believed to hold the power to cast spells. Hoodoo practitioners produced and used spell jars filled with herbs, roots, and other substances for a variety of purposes, including love spells, money spells, and protection spells.
