10 Books that Screwed Up the World May 21 2023 You've heard of the "Great Books"? These are their evil opposites. From Machiavelli's *The Prince* to Karl Marx's *The Communist Manifesto* to Alfred Kinsey's *Sexual Behavior in the Human Male*, these "influential" books have led to war, genocide, totalitarian oppression, family breakdown, and disastrous social experiments. And yet these authors' bad ideas are still popular and pervasive--in fact, they might influence your own thinking without your realizing it. Here with the antidote is Professor Benjamin Wiker. In his scintillating new book, *10 Books That Screwed Up the World (And 5 Others That Didn't Help)*, he seizes each of these evil books by its malignant heart and exposes it to the light of day.

Team 10 East Aug 12 2022 This volume coins the term “Team 10 East” as a conceptual tool to discuss the work of Team 10 members and fellow travelers from state-socialist countries—such as Oskar Hansen of Poland, Charles Polónyi of Hungary, and Radovan Nikšić of Yugoslavia. This new term allows the book’s contributors to approach these individuals from a comparative perspective on socialist modernism in Central and Eastern Europe and to discuss the relationship between modernism and modernization across the Iron Curtain. In so doing, Team 10 East addresses “revisionism” in state-socialist architecture and politics as well as shows how Team 10 East architects appropriated, critiqued, and developed postwar modernist architecture and functionalist urbanism both from within and beyond the confines of a Europe split by the Cold War.

Buffy Season 10 Library Edition Volume 1 Sep 01 2021 The cult-favorite television series from creator Joss Whedon continues

in comics with Season 10, where Buffy and the Scoobies are rewriting the rules of magic and monsters . . . This oversized Library Edition collects the materials from Buffy Season 10 Volume 1 and Volume 2 softcovers, along with all the comic book covers, and an expanded sketchbook section. While slaying the zompies that have overrun a small California town, Buffy and her pals are shocked to discover another new kind of vampire: harder to kill, able to transform, and walk in the light of day--like Dracula . . . If that weren't enough, the rules of magic are literally being rewritten in the Vampyr book. The crew attempts to restore the status quo, all while Xander is the victim of a haunting, his relationship with Dawn begins to crumble, and Dracula himself enters the picture. Then when the Vampyr book goes missing--now a highly coveted item--Buffy and the Scoobies head for what might be a disaster in Sunnydale where Andrew is up to his good/bad/old tricks again. As everyone feels the responsibility of protecting the book and writing the new magical rules, they are tempted by what new rules can do for them . . . just like the Big Bads who have come knocking on Buffy's door! Writers Christos Gage (Angel & Faith) and Buffy star Nicholas Brendon team with artist Rebekah Isaacs (Angel & Faith) to take on the Slayer and her teammates in her tenth season; they're joined by guest artists Richard Corben (Hellboy), Karl Moline (Fray), and Cliff Richards (Dollhouse).
