A desperate man looking for salvation. A lonely woman seeking her own happy ever after. A not-so-friendly bet fusing them together. Not all demons live in Hell. Gabriel Langston has it all; good looks, a fat bank account, and a reputation for dating beautiful women. He's poised to take over as CEO of his family's company following the tragic death of his father. There's only one catch...he has to get married. Shouldn't be a problem, after all, he has the means. Too bad there's one tiny flaw keeping him single. Brooke D'Angelio lives paycheck to paycheck, juggling work, school, and the responsibilities her mother left her. With one semester of college left and an inbox full of job offers, she needs to hold on just a little longer. When an act of kindness turns into her worst nightmare, will Brooke have what it takes to survive? Or will her happy ending be found in the pages of a book? Hostile Takeover is the latest billionaire romance from bestselling author, Cayce Poponea. If you enjoy a strong alpha male, whose arsenal of charms fail to lure the evolving lead female, then you will love Hostile Takeover. Join Cayce as she takes you on a twisted ride through the love and loss of two people destined to be together. "Meditation instruction from a teacher with forty years of experience, including studies with major Indian teachers. Focuses on ease over struggle, emphasizing that busy minds and schedules need not be obstacles. Technique includes clearing chakras, promoting health, and opening the heart. Final chapter offers suggestions for integrating benefits outside the practice"--Provided by publisher. What if you were one secret away from living a life of effortless abundance...here's your chance to discover the "missing pieces" that took me 22 years to figure out... so that you too can finally start experiencing true abundance - in all areas of your life... without investing anymore hard work, education, experience, or even capital! The Word of God is like a seed and your heart is the soil. Most Christians want change in some area of their lives. They try and try to make those changes but soon find themselves falling back into the same habits and behaviors. Self-discipline and self-control have once again failed them. So how does lasting change take place? A worm doesn't struggle to become a butterfly in the cocoon. A seed doesn't strive to become a tree and produce fruit. They simply do what they were designed to do by god and the change takes place, effortlessly. The Word of God is like a seed and your heart is the soil. When it's planted and nurtured in the soil of your heart, it begins to grow. The result is transformation; and the fruit becomes evident to all. If you want real change in your life, this book is for you. "The Easy Thing" delves into the concept of embracing change and pursuing personal growth with the right mindset. This book explores the power of having a growth mindset in navigating life's changes and challenges. Through inspiring quotes, biblical scriptures, and stories of famous individuals, the eBook encourages readers to see change as an opportunity for positive transformation rather than an obstacle. It discusses strategies for overcoming fear and resistance to change, cultivating a growth mindset, and navigating challenges. By highlighting the constant nature of change and the potential for growth, the eBook motivates readers to embrace change with open arms, fostering resilience, adaptability, and a commitment to personal development. Let your body do the work... Do you have to tell your leg to heal from a scrape? Your lungs to take in air? Your body that it's hungry? No. Your body does these things automatically, effortlessly. Vibrant health is your birthright and within your grasp; you just have to step out of the way. In Effortless Healing, online health pioneer, natural medicine advocate, and bestselling author Dr. Joseph Mercola reveals the nine simple secrets to a healthier, thinner you. The results are amazing and the steps can be as easy to implement as: • Throwing ice cubes in your water to make it more "structured" • Skipping breakfast, as it could be making you fat • Eating up to 75 percent of your calories each day in fat for optimal health, reduction of heart disease, and cancer prevention • Avoiding certain meat and fish, but enjoying butter • Eating sauerkraut (and other fermented foods) to improve your immune system and your mood • Walking barefoot outside to decrease system-wide inflammation (and because it just feels great) • Enjoying a laugh: it's as good for your blood vessels as fifteen minutes of exercise Effortless Healing is the distillation of decades of Dr. Mercola's experience and cutting-edge medical knowledge. With his wisdom and that of your body, you can optimize your health, your weight, and your life...effortlessly. Nick Friedman and Omar Soliman started the multimillion-dollar franchise College Hunks Hauling Junk when they were just twenty two, and they've been having the time of their lives ever since. What's their secret? That's just it--there isn't one. There's no fancy software or complicated business schemes. No outside investors or quirky market niche. They just followed 10 common-sense commandments to building a straightforward, fun, and successful business that does a simple job well. Anyone can understand it, and anyone can do it. The One Phrase to Manifest Anything... The Affirmation to Manifest Anything. The Affirmation You Should be Using During Non-Meditative States. This is Phrase Is So Powerful. Let Meredith Steele be your fairy godmother when it comes to a stress-free party! Her ingenious recipes will turn any cook into a celebrated chef who serves show-stopping meals hot and delicious with ease. Meredith's secrets are named but the results are consistent: meals that are easy to cook that have a large wow factor. Learn how to make great food with balanced flavors that come together easier than you can imagine! Recipes include a Shaved Asparagus Salad that tastes like it has a pantry full of ingredients, when really it only has a handful; Bourbon Vanilla Peaches that seem like they have been cooked for hours when really it's only minutes; and Easy Duck Confit that takes the guesswork out of this once difficult task and turns it into a technique you can use at any occasion with ease. Most of us believe that something needs to happen or to be achieved in order for us to be happy. We all have that one thing or more, typically related to money, relationships, or better health, which we see as essential for our well-being. And then, in many cases, that thing happens to us. But after a short reprieve, we find ourselves back to the same feeling of lacking another thing that would make us happy. Sound familiar? The secret revealed in this book is that happiness and serenity are actually our default state of being. We do not need to add something, but rather remove those negative feelings that hinder our natural state of being. And it is actually much simpler than we think, although it does require deep understanding and true practice, as you would expect from a substantial paradigm shift. The Secret of Effortless Doing is an easy reading book. It is one of those books that you can open randomly and immediately relate to what is on the page. You will find in it all the wisdom and practical advice that you will ever need to create whatever life you wish to have. Find real answers to Life's most basic questions. Find true love. End the need for outward approval. Shake the bond of fear, the emotional grip of death. End the feeling of insignificance and confusion. Live Effortlessly. Use these laws of attraction to effortlessly attain your heart's desire. "If you don't need it, you are more likely to attract it." If our emotional needs are unmet, we repel what we most desire. When we've fulfilled our needs--such as the need to be cherished, the need to be heard, and the need for harmony--we are naturally attractive to potential love interests. "Like attracts like." When we are fully living our core values, we effortlessly attract others with similar values. It sounds simple. The trick is learning how to apply these laws in your everyday life--and international bestselling author and noted life coach Talane Miedaner shows you how. This easy-to-follow guide provides a comprehensive quiz to help you identify your top four emotional needs and includes step-by-step instructions on how to meet those needs. Once you start embracing your passion and living your dreams, you instantly become more attractive to others. It's truly the "effortless" way to find and keep the love of your life. "Talane is a masterful life coach--she is the living embodiment of the laws of attraction." --Sandy Vilas, MCC, CEO of Coach U, Inc. Imagine feeling as though the world is working with you, not against you. Imagine a day in which you make every green light and slip effortlessly into a parking spot in the most crowded part of town. You make a To Do list, and the people on it call you first. You turn on the radio just in time to hear the exact information you need. These meaningful coincidences, called synchronicity, are sure signs you are "in the flow." Based on new, groundbreaking research, The Power of Flow goes beyond other books on synchronicity to provide you with sixteen easy-to-understand techniques that allow you to access this magical state of flow and create a richer, more satisfying life. Taoist teachings on life and existence—presented by one of the best-known and provocative spiritual teachers of our time In this unique series of discourses, Osho unravels The Secret of the Golden Flowers, an ancient text that he describes as the essence of Taoism. It is the core of all religions and spiritual paths, belonging to no one and belonging to all. More than 2,500 years old, this remarkable text continues to be as relevant today as it was to its contemporaries. Osho demystifies the important terms used by the Chinese mystic Lu Tsu and shares his meditation exercises. He also outlines the qualities of animus and anima—our male and female energies—as delineated by Lu Tsu, explaining the importance of their relationships inside each of us. He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation, which involves harmonizing the male and female elements and transmuting sexual energy. A timeless collection of Osho's talks on The Secret of the Golden Flower, this book will show you how to not remain a seed but to become what the Chinese called 'a golden flower.' Called the 'one thousand-petaled lotus' in India, the golden flower is a symbol that represents perfection, totality. It represents the actualization of potential—the beauty, the grandeur, and the splendor of being. Soft Skiing is unique among many how-to-ski-better books-full of practical, easy-to-follow and immediately effective ski coaching ideas, it's also a collection of personal memories by one of America's best known ski instructors, Lito Tejada-Flores. Lito is the author of Breakthrough On The New Skis, and the creator of the Breakthrough-On-Skis video series. He has never followed the "party-line" of official ski teaching orthodoxy, and his Breakthrough on Skis books are amongst the best selling ski instruction books of all time. In this book, Lito breaks new ground, focusing 100% on the art of skiing in a relaxed, energy-efficient manner, a style of virtually effortless expert skiing that is ideally suited to older skiers. In his easy-to-follow conversational style, Lito reveals the secrets of skiing all day, on all terrain, without fatigue, without a moment of struggle or stress. Actually this is a book for all skiers but more than anything it is a gift for older skiers looking for grace, elegance and efficiency rather than aggressive daring-do on the slopes. This is a book that will change skiing lives, expand skiing horizons. You were made to reign in every way! Author, evangelist, and pastor, Joseph Prince uncovers the secret to reigning over adversity, lack, and destructive habits. Discover how to experiencing the success, wholeness, and victory that God created to enjoy. In this powerful book, Joseph Prince reveals that Its not about what you must accomplish. Its about what has been accomplished for you. Its not about a list of rules. Its about Gods secret to reigning effortlessly in life. Its not about your will-power to change. Its about His power changing you. Start reigning over sickness, financial lack, broken relationships, and destructive habits! Discover how you can reign in life today! Nick Friedman and Omar Soliman started the multimillion-dollar franchise College Hunks Hauling Junk when they were just twenty two, and they've been having the time of their lives ever since. What's their secret? That's just it--there isn't one. There's no fancy software or complicated business schemes. No outside investors or quirky market niche. They just followed 10 common-sense commandments to building a straightforward, fun, and successful business that does a simple job well. Anyone can understand it, and anyone can do it. Combining science and spirituality to reveal the true nature of the universe - this book will change perceptions, inspire mind-shifts and alter the way we see the world, forever. Leading Consciously addresses the issues of motivation, decision-making, communication, time management, effective learning, work psychology, organizational development, and self-mastery. The author weaves together the insights of some of the most remarkable leaders of the world whose lives embody great truths about leadership and self-transformation, masters such as M. K. Gandhi, Edmund Hillary, Mother Teresa, and Albert Einstein. Debashis Chatterjee is an international management thinker, Fulbright scholar, corporate philosopher, mystic, and writer. He is a member of the faculty in Behavioral Sciences at the Indian Institute of Management in Lucknow, India. An immensely popular speaker on the themes of spirituality and modern management, Chatterjee organizes frequent leadership retreats for diverse audiences of executives, doctors, scientists, political leaders, and social service workers in India and around the world. The process of elimination is an experimental technique for those who want better results in less time. The objective of this book is straight forward and simple. This is a personal improvement guide by direct application of the process of elimination in your lives. This book is not merely drafted, but also crafted with utmost attention to help the readers reach their goals effectively. I strongly believe that certain principles, methodologies and techniques which, when practiced, produce stupendous results. My objective is to exhibit them in this volume in a simple comprehensive manner so that the reader will understand the significance of process of elimination and start applying the process on his own in his life. If you read this book thoughtfully, prudently observing and absorbing its teachings, and if you will religiously practice the process and methodologies set forth herein, you can experience an astounding improvement within yourself. By applying the process of elimination you can enhance your decision making capabilities with which you can control the circumstances in which you live. By mastering the process of elimination, you will have more control of your life. In this book, you will uncover the timeless concept of the process of elimination used by the world's most successful people. You will learn how to transform your attitude and you will become an expert in choosing correct options, eliminating the unwanted options, staying focused, getting rid of unwanted thoughts and decisions, improving productivity, spending quality time with family, discovering your inner self, living a healthy life and becoming an expert in business or job. Once the confusions and distractions start to disintegrate, simple and clear paths emerge that will lead you to your holy grails. What you read in this book will stretch your mind and will help you lead to your objective. The ground breaking book you have will unleash your capabilities to work more productively and stream lined. Let me recommend you to take time to relax and read each and every word of this indispensable book. I assure you it will be well worth your time. The process and the application of the process are extremely simple, but are powerful. This book is for anyone who is exhausted of struggling to reach the goals. The process of elimination can and should be used by individuals in their daily life and by organizations. It will help achieve more effortlessly. The ideas expressed here have been already thought and expressed by many successful people in some form or the other. When I encountered the idea of the power of elimination, my heart and mind gave intuitive assent. I started to like it and started to apply the process in all walks of my life. This book will play a part in the transformation of your consciousness and will have a life-changing impact on you. We are obliged to choose the values by which we live. We are obliged to choose more and more aspects of our existence from where we reside to what career we pursue to what lifestyle we select. Choosing the values is not mere an option but a prerogative for humans. The process of elimination can be used to choose better options in order to achieve amazing results. The process of elimination can be used in all aspects of life. In this book, I will walk you through how the process of elimination can be used in different aspects of life. There is no need to point out that the process of elimination is not something that I have invented but is something that is being followed by almost all humans in some way or the other in their daily ways. My intention is to make the readers aware of this concept so that the readers start applying the process of elimination consciously which will help them reach their goals effectively. NEW YORK TIMES BESTSELLER • A Times (UK) Best Book of the Year • From the author of the million-copy-selling Essentialism comes an empowering guide to achieving your goals. It all starts with a simple principle: Not everything has to be so hard. "In a world beset by burnout, Greg McKeown's work is essential."—Daniel H. Pink, author of When, Drive, and To Sell Is Human "At a time when fear, uncertainty, and our ever-growing list of responsibilities have come to feel like much too much to handle, Effortless couldn't be timelier, or more necessary."—Eve Rodsky, author of Fair Play Do you ever feel like: • You're teetering right on the edge of burnout? • You want to make a higher contribution, but lack the energy? • You're running faster but not moving closer to your goals? • Everything is so much harder than it used to be? As high achievers, we've been conditioned to believe that the path to success is paved with relentless work. That if we want to overachieve, we have to overexert, overthink, and overdo. That if we aren't perpetually exhausted, we're not doing enough. But lately, working hard is more exhausting than ever. And the more depleted we get, the more effort it takes to make progress. Stuck in an endless loop of "Zoom, eat, sleep, repeat," we're often working twice as hard to achieve half as much. Getting ahead doesn't have to be as hard as we make it. No matter what challenges or obstacles we face, there is a better way: instead of pushing ourselves harder, we can find an easier path. Effortless offers actionable advice for making the most essential activities the easiest ones, so you can achieve the results you want, without burning out. Effortless teaches you how to: • Turn tedious tasks into enjoyable rituals • Prevent frustration by solving problems before they arise • Set a sustainable pace instead of powering through • Make one-time choices that eliminate many future decisions • Simplify your processes by removing unnecessary steps • Make relationships easier to maintain and manage • And much more The effortless way isn't the lazy way. It's the smart way. It may even be the only way. Not every hard thing in life can be made easy. But we can make it easier to do more of what matters most. God has seen your future. It is good. He's come back to take you there. God is not in Heaven biting His nails, wondering if you'll make the right choices and guessing how it's all going to turn out for you. He's calmly waiting for you to relax and let Him carry you forward in life. The question is: will you ditch a stressed-out faith in your own effort and step into a remarkably effortless journey with the Designer of your destiny? With candor, humor, and just a drop of sarcasm, Kelly Dykstra feels like a friend who will tell it like it is. She provides a practical, inspiring guide for making the switch to step on The People Mover. Your faith journey will never look the same. The public revelation of what were once considered extremely private matters is becoming a new social norm. Has this movement toward openness gone too far? Are there negative consequences to revealing secrets? When and why is it helpful to reveal secrets? What can be done to alleviate the burden of secrecy? Will the anguish of keeping a secret pass in time? What factors should enter into deciding to reveal a secret? This book addresses these questions. Conscious business owners and entrepreneurs must be highly skilled at selling their ideas, products and services. This book demystifies the sales process and shows that sharing our vision, expressing our mission and standing for what are possible are all acts of selling. A graduate of Harvard and Columbia, Ingrid Bacci was a real "achiever"—until a crippling disease took over her life for three years. After embarking on a journey of healing using mind-body techniques, she realized the secret to health, happiness, and success was to let go of trying so hard and face the fear that had ruled her life. Many of us are addicted to struggling and trying so hard to make things happen. We feel emotionally dissatisfied and physically exhausted or even ill. We have a nagging sense that there must be more to life than what we are getting. We apply ourselves to reaching our goals, only to find out that we pay a price in the form of stress and tension. In The Art of Effortless Living, Dr. Bacci presents clear, simple techniques for developing an effortless lifestyle. Through breathing exercises, meditation, visualization, bodywork and tapping into unconscious guidance, you can learn how to achieve a more fulfilling life—by doing less. Silver Medal

Winner: Illumination Book Awards! Just as you cannot measure the universe, you cannot fathom the limits of God’s love for you. God’s grace is extreme, super-abundant, and over-the-top. His hyper-grace exceeds your wildest dreams! In this book, Paul Ellis draws a line between the muddled messages of manmade religion and the hyper-grace gospel of Jesus Christ. Drawing on insights gleaned from more than 40 grace preachers, he addresses common misperceptions and accusations some have made against the modern grace message. The Hyper-Grace Gospel will leave you marveling at the relentless love of your Father. It will show you how to walk in his amazing grace and help you rediscover the joy that is found in Jesus. Get your copy now. This book reveals the secret source of a brandnew kind of inner strength. Whether readers need to let go of a painful heartache, a destructive habit, a frightening worry or a nagging discontent, this book shows them how to call up their own hidden powers to overcome any challenge or problem. Next time I spend more than \$40 on an article of clothing, I’ll run it by Linett first.” —The New York Times Book Review In a culture where trends are born and die every minute, maintaining style and effortlessness at every age requires that little extra something—the cool factor. Being “cool” isn’t about chasing trends or defying age but about following a few key guidelines. Yes, the cool factor is a skill that can be learned! In this photo-packed guide, Andrea Linett, a famed personal stylist and founding creative director of Lucky magazine, offers easy-to-implement, actionable tips that will change the way women dress. The tips are modeled by real-life style icons like Kim Gordon of Sonic Youth and Christene Barberich, founder of Refinery29, as Andrea highlights the ingenious ways in which they skillfully pile on layers, or dress up denim for work or a party. The book is organized into chapters that include wardrobe classics, denim, leather, suits, dressing up, and accessories, and features style hacks that turn an outfit into a masterpiece (choosing shoes that instantly slim you, combining tough and feminine pieces, and accessorizing a day-to-night look). Packed with useful lists and examples, this guide is the would-be stylish woman’s best friend. When the band hits it big, Kiera and Kellan must ask themselves if their love can survive the pressures of superstardom. The friendships they’ve formed and the new family they’ve found, the history they’ve built together will all come together to help them figure out if their relationship can triumph over the trials of the band’s exploding popularity. A starlet who will do anything to get ahead - including throw Kiera under a bus - and the reappearance of Denny, Kiera’s former boyfriend, are just two of the obstacles the lovers must overcome to be together forever. But if they can survive, their love will blossom like never before. In this sublime book The Supreme Master Ching Hai offers many helpful tips derived from Her personal experience that serve as practical and effective tools to assist us along the spiritual path. If we keep these guidelines in mind and apply them in our daily practice, we will gain tremendous help in our journey to Enlightenment and overcoming other worldly problems until we finally arrive safely Home. There are many books written in abstract language on the Tantra Upasana known as Sri Vidya. However, they contain highly technical words, mantras and rituals which are beyond the understanding of a layman who is alien to the concept of Hindu religion. Hence, more than enlightening the reader, they confuse him. In this aspect, this book is different in its diction. It tries to explain the abstruse subject of Sri Vidya in simplest possible terms, highlighting its most benign form of practices. Explaining the meanings of important mantras from the Upanishads, the connection between Sri Vidya and the Vedas has been established in this book. In addition, the four paths of Sri Vidya have been briefly touched upon, introducing the readers to the practical aspects of these four esoteric paths. Dispelling the fear of Tantra and the worship of God in his feminine aspect, the entire subject of Sri Vidya has been explained in this book. If the reader develops interest in the sadhana of Sri Vidya after reading this work, we feel our efforts in writing this book are fulfilled. Everyone knows that the best way to create customer loyalty is with service so good, so over the top, that it surprises and delights. But what if everyone is wrong? In their acclaimed bestseller The Challenger Sale, Matthew Dixon and his colleagues at CEB busted many longstanding myths about sales. Now they’ve turned their research and analysis to a new vital business subject—customer loyalty—with a new book that turns the conventional wisdom on its head. The idea that companies must delight customers by exceeding service expectations is so entrenched that managers rarely even question it. They devote untold time, energy, and resources to trying to dazzle people and inspire their undying loyalty. Yet CEB’s careful research over five years and tens of thousands of respondents proves that the “dazzle factor” is wildly overrated—it simply doesn’t predict repeat sales, share of wallet, or positive word-of-mouth. The reality: Loyalty is driven by how well a company delivers on its basic promises and solves day-to-day problems, not on how spectacular its service experience might be. Most customers don’t want to be “wowed”; they want an effortless experience. And they are far more likely to punish you for bad service than to reward you for good service. If you put on your customer hat rather than your manager or marketer hat, this makes a lot of sense. What do you really want from your cable company, a free month of HBO when it screws up or a fast, painless restoration of your connection? What about your bank—do you want free cookies and a cheerful smile, even a personal relationship with your teller? Or just a quick in-and-out transaction and an easy way to get a refund when it accidentally overcharges on fees? The Effortless Experience takes readers on a fascinating journey deep inside the customer experience to reveal what really makes customers loyal—and disloyal. The authors lay out the four key pillars of a low-effort customer experience, along the way delivering robust data, shocking insights and profiles of companies that are already using the principles revealed by CEB’s research, with great results. And they include many tools and templates you can start applying right away to improve service, reduce costs, decrease customer churn, and ultimately generate the elusive loyalty that the “dazzle factor” fails to deliver. The rewards are there for the taking, and the pathway to achieving them is now clearly marked. The Perfect Run is sure to increase your appreciation and enjoyment on the run, and that’s a big payback’ – Runner’s World The "perfect" run, when you are in a full flow and feeling totally unstoppable, can be elusive, but this practical expert guide, written by a celebrated Runner’s World writer Mackenzie Havey, will ensure you find it time and time again and in the process transform your running performances. At some point in every runner’s career they experience the “perfect” run, when they are in full flow and feel totally unstoppable. Your worries about the day and physical aches and pains melt away. Your body and mind are in complete sync and the run feels effortless. Even still, the path to achieving the perfect run remains mysterious. It often materializes in the unlikeliest of circumstances-in adverse weather or on a day when everything else seems to be going wrong. Conversely, when we try hard to create the right conditions for that perfect run, it often doesn’t come about. In The Perfect Run, Mackenzie L. Havey reveals everyone has the potential to enjoy more joyful and flow-driven running, no matter your experience, pace, or sporting ambitions. This ground-breaking book features insights from elite athletes, neuroscientists, coaches, and everyday runners to provide a road map for how to cultivate the right conditions for the “perfect” run. These ideas will not only help facilitate the potential for more successful running but, more significantly, can also be translated into other areas of your life to help provide a sense of calmness, self-control, and fulfillment far beyond the running trails.
