Jesus, King of Edessa Mar 24 2021 This is the book that the Catholic Church has been dreading for the last 1700 years. This is the book that will end Christianity as we know it. And this is not advertising hyperbole, this really is the end of the Christian fairytale. We now know who Jesus was. Visit his city, see the ruins of his citadel, gaze upon his statue, handle his coins. In reality, Jesus was a son of King Abgarus of Edessa, a king with a small realm, a large treasury, and even bigger ambitions. Thus Jesus' true history undermines much of the biblical fairystory that the gospel authors crafted, and so Christianity will never be the same again. The jacket image shows Jesus wearing his Crown of Thorns, the ceremonial crown of the Edessan monarchy. We suggest that readers start with 'Cleopatra to Christ' and then 'King Jesus'. The wait before arriving at the last episode in the trilogy will be worthwhile, for if a book could be valued on its 'eureka moments' then this final book would be priceless. The 'Gospel of King Jesus Trilogy' Latest version v11.2 Saul, Josephus, historical Jesus, New Testament, Parthia, Jesus of Gamala, Phraates, Phraataces, Crassus, Adiabene, Crucifixion, Mary Magdalene, Vespasian, Titus, Jerusalem, Jewish Revolt, Izates, Monobazus, Edessa, King Manu, King Abgarus, Judaea.

Islam May 18 2023 This book is a presentation of the tenets and practices of Hinduism, Judaism, and Christianity that are comparable to or are similar to those of Islam for the benefit of the adherents of those faiths and others who wish to establish a dialogue with Muslims and explore common ground. This Comparative Religion, Interfaith Dialogue Resource consists of three units and fourteen chapters. The first unit includes two chapters-Chapter One, titled "The Search for a Complete Religion," and Chapter Two, which focus on "The Definition of Religion." My resource and personal experiences reveal that many professionals-judges, lawyers, chaplains, and academics-have difficulty defining religion. In spite of these difficulties, there are two common elements to "a satisfactory definition of religion," namely, the existence of the creation and the Creator. Without human creation and the Creator, there is no religion. Therefore, religion has to involve the relationship between the creation and its Creator. However, some religions may also include the relationships among the creation. In my quest for a definition of religion, I started with the religion of the first human beings, Adam and Eve according to the Torah and the Qur'an, or Manu and Satarupa according to Hindu scriptures.
