After the many and conflicting versions of the legendary Hitchhiker's Guide to the Galaxy, Douglas Adams created Dirk Gently: a detective with a belief in the fundamental interconnectedness of all things, a troubled relationship with the laws of probability and quantum physics, and a love of cats and pizza. After the events of Dirk Gently's Holistic Detective Agency and The Long Dark Tea Time, but prior to the detective's relocation to California in The Interconnectedness of All Kings, Dirk finds himself investigating a bizarre case of poaching, dumbstruck tourists, and the inner membranes of a rhinoceros' nose. A Spoon Too Short is Dirk Gently's most baffling and incomprehensible case. Inspired by the tantalizing alternative title for the Dirk adventure Douglas Adams was working on prior to his death, A Spoon Too Short follows the continuing adventures of the world's weirdest detective all the way to Africa! Discover the hilarious and beloved Dirk Gently novels from legendary science fiction author Douglas Adams—now the basis for the all-new TV series on BBC America! Dirk Gently's Holistic Detective Agency Douglas Adams, the “master of wacky words and even wackier tales” (Entertainment Weekly), once again boggles the mind with a completely unbelievable story of ghosts, time travel, eccentric computer geniuses, Samuel Taylor Coleridge, the end of the world, and—of course—missing cats. The Long Dark Tea-Time of the Soul When a check-in desk at London's Heathrow Airport disappears in a ball of orange flame, the event is said to be an act of God. But which god, wonders holistic detective Dirk Gently. And how is this connected to Dirk's battle with his cleaning lady over his filthy refrigerator...or to the murder of his latest client? Or are these events just another stretch of coincidences in the life of the world's most off-kilter private investigator? Douglas Adams' holistic detective Dirk Gently has his first two comic book adventures collected here. Containing two stand-alone series, enjoy A Spoon Too Short and The Interconnectedness of All Kings. But that's not all! Also includes bonus material showing a behind-the-scenes look at the making of the DIRK GENTLY TV show. In A Spoon Too Short, Dirk finds himself investigating a bizarre case of poaching, dumbstruck tourists, and the inner membranes of a rhinoceros' nose. In The Interconnectedness of All Kings, Dirk has been forced to leave his beloved England behind, coming to the too-sunny, too-cheery, and altogether too-bizarre-even-for-Dirk city of San Diego, California, where he gets embroiled in three separate (or are they?) cases involving reincarnated Egyptians, golden cell phones, and copycat killers. All this in a new town seemingly incapable of making even a single proper cup of tea. Originally published: London: Doubleday, 1998. From Douglas Adams, the legendary author of one of the most beloved science fiction novels of all time, The Hitchhiker's Guide to the Galaxy, comes a wildly inventive novel—in trade paperback for the first time—of ghosts, time travel, and one detective's mission to save humanity from extinction. Quirky and bumbling private investigator Dirk Gently stumbles upon a ghost, millions of years old, wandering the earth and disturbing its people. Dirk soon discovers this phantom yearns for more than a good haunting: it is desperately trying to go back in time to prevent its own death. But this ghost was no ordinary person, and helping it save itself just might change the modern world as we know it. And not in a good way... Endlessly entertaining, Dirk Gently's Holistic Detective Agency proves that, indeed, “few writers have had such an infectious prose style as Adams” (The Observer). As Dirk Gently tries to solve the mysteries of the universe and the human soul, readers will have their own mystery to solve: Where did the time go? A Spoon too Short sees Dirk Gently take on rhino poaching in Kenya and The Tribe Without Words, while confronting untold secrets from his childhood. The world's weirdest detective proves there is no such word as impossible in his dictionary! After writing all the many and conflicting versions of the legendary Hitchhiker's Guide to the Galaxy, beloved author Douglas Adams created Dirk Gently: a detective with a belief in the fundamental interconnectedness of all things, a unique relationship with the laws of probability and physics, and a love of cats and pizza. In his first-ever comic series, Dirk has been forced to leave his beloved England behind, coming to the too-sunny, too-cheery, and altogether too-bizarre-even-for-Dirk city of San Diego, California, where he gets embroiled in three separate (or are they?) cases involving reincarnated Egyptians, golden cell phones, and copycat killers. All this in a new town seemingly incapable of making even a single proper cup of tea. Beloved, bumbling Detective Dirk Gently returns in this standalone novel—in trade paperback for the first time—from Douglas Adams, the legendary author of one of the most beloved science fiction novels of all time, The Hitchhiker's Guide to the Galaxy. When an explosion goes off at the passenger check-in desk at London's Heathrow Airport, the unexplainable event is deemed an act of God. For private investigator Dirk Gently, it's his job to find out which god would do such a strange thing. In the meantime, one of his clients is murdered and his battle with the cleaning lady over his unbelievably filthy refrigerator comes to a standoff. Is it all connected? Or is this just another stretch of coincidences in the life of off-kilter super-sleuth Dirk Gently? The follow-up to Dirk Gently's Holistic Detective Agency, The Long Dark Tea-Time of the Soul is an unforgettable novel of inimitable wit, humor, and limitless imagination. March 1978 saw the first ever transmission of Douglas Adams' The Hitchhiker's Guide to the Galaxy on BBC Radio 4; the beginning of a cult phenomenon. March 2020 marks the 42nd anniversary of that first transmission - 42 being the answer, of course, to the Ultimate Question of Life, the Universe, and Everything. To mark the occasion, Pan Macmillan are bringing back into print The Hitchhiker's Guide to the Galaxy: The Original Radio Scripts with a brand-new introduction from Simon Jones. The collection also includes the previously 'lost' Hitchhiker script from the 25th anniversary edition, 'Sheila's Ear' and the original introductions by producer Geoffrey Perkins and Douglas Adams. This collection, which is a faithful reproduction of the text as it was first published in 1985, features all twelve original radio scripts - Hitchhiker as it was written and exactly as it was broadcast for the very first time. They include amendments and additions made during recordings and original notes on the writing and producing of the series by Douglas Adams and Geoffrey Perkins. For those who have always loved Douglas Adams, as well as for his new generation of fans, these scripts are essential reading and a must-have piece of Adams memorabilia. This special anniversary edition will sit alongside reissued eye-catching editions of the five individual Hitchhiker books coming in May 2020: The Hitchhiker's Guide to the Galaxy, The Restaurant at the End of the Universe, Life, the Universe and Everything, So Long, and Thanks for All the Fish and Mostly Harmless. Plagued by nightmares of a life he never had, Dirk Gently discovers that a holistic detective can have more than one past, and they're about to catch up with him! Featuring favorite characters from the original books as well as the cast from the TV series, including Samuel Barnett and Elijah Wood! Dirk is a self-styled private investigator who sets out to prove the fundamental interconnectedness of all things by solving a mysterious

murder. He has his work cut out for him as he must deal with a dead cat, a computer whiz kid, a 200 year old chronologist, an electric monk who believes the world is pink and lots of pizza. After writing all the many and conflicting versions of the legendary Hitchhiker's Guide to the Galaxy, beloved author Douglas Adams created Dirk Gently: a detective with a belief in the fundamental interconnectedness of all things, a unique relationship with the laws of probability and physics, and a love of cats and pizza. In his first-ever comic series, Dirk has been forced to leave his beloved England behind, coming to the too-sunny, too-cheery, and altogether too-bizarre-even-for-Dirk city of San Diego, California, where he gets embroiled in three separate (or are they?) cases involving reincarnated Egyptians, golden cell phones, and copycat killers. All this in a new town seemingly incapable of making even a single proper cup of tea. The reborn Egyptians keep walking, the Copycat Killers keep killing, and the museum gala where these and other seemingly random events will converge looms large! An all-new comic series based on Douglas Adams' beloved holistic detective! Dirk arrives in San Diego to face a new country, new cases and new threats: reincarnation, for starters! Chronicles the journeys, notions, and acquaintances of reluctant galactic traveler Arthur Dent, accompanied by never-before-published material from the late author's archives as well as commentary by famous fans. From Douglas Adams, the legendary author of one of the most beloved science fiction novels of all time, *The Hitchhiker's Guide to the Galaxy*, comes a wildly inventive novel of ghosts, time travel, and one detective's mission to save humanity from extinction. **DIRK GENTLY'S HOLISTIC DETECTIVE AGENCY** We solve the whole crime We find the whole person Phone today for the whole solution to your problem (Missing cats and messy divorces a specialty) Douglas Adams, the "master of wacky words and even wackier tales" (Entertainment Weekly) once again boggles the mind with a completely unbelievable story of ghosts, time travel, eccentric computer geniuses, Samuel Taylor Coleridge, the end of the world, and—of course—missing cats. "A fitting eulogy to the master of wacky words and even wackier tales . . . Salmon leaves no doubt as to Adams's lasting legacy."—Entertainment Weekly With an introduction to the introduction by Terry Jones Douglas Adams changed the face of science fiction with his cosmically comic novel *The Hitchhiker's Guide to the Galaxy* and its classic sequels. Sadly for his countless admirers, he hitched his own ride to the great beyond much too soon. Culled posthumously from Adams's fleet of beloved Macintosh computers, this selection of essays, articles, anecdotes, and stories offers a fascinating and intimate portrait of the multifaceted artist and absurdist wordsmith. Join Adams on an excursion to climb Kilimanjaro . . . dressed in a rhino costume; peek into the private life of Genghis Khan—warrior and world-class neurotic; root for the harried author's efforts to get a Hitchhiker movie off the ground in Hollywood; thrill to the further exploits of private eye Dirk Gently and two-headed alien Zaphod Beeblebrox. Though Douglas Adams is gone, he's left us something very special to remember him by. Without a doubt. "Worth reading and even cherishing, if only because it's the last we'll hear from the master of comic science fiction."—The Star-Ledger Douglas Adams' 'thumping good detective-ghost-horror-who dunnit-time travel-romantic-musical-comedy-epic' and beloved cult classic. Detective Gently whizzes about the world, the universe, and time itself as a group of eccentric characters help him find an eccentric cat, solve a murder, and save the human race. A rollicking, thought-provoking dictionary for the modern age, featuring definitions for those things we don't have words for, from the New York Times bestselling author behind *The Hitchhiker's Guide to the Galaxy*, Douglas Adams, and TV producer John Lloyd. Does the sensation of Tingrith(1) make you yelp? Do you bend sympathetically when you see someone Ahenny(2)? Can you deal with a Naugatuck(3) without causing a Toronto(4)? Will you suffer from Kettering(5) this summer? Probably. You are almost certainly familiar with all these experiences but just didn't know that there are words for them. Well, in fact, there aren't—or rather there weren't, until Douglas Adams and John Lloyd decided to plug these egregious linguistic lacunae(6). They quickly realized that just as there are an awful lot of experiences that no one has a name for, so there are an awful lot of names for places you will never need to go to. What a waste. As responsible citizens of a small and crowded world, we must all learn the virtues of recycling(7) and put old, worn-out but still serviceable names to exciting, vibrant, new uses. This is the book that does that for you: The Deeper Meaning of Liff—a whole new solution to the problem of Great Waking(8) 1—The feeling of aluminum foil against your fillings. 2—The way people stand when examining other people's bookshelves. 3—A plastic packet containing shampoo, mustard, etc., which is impossible to open except by biting off the corners. 4—Generic term for anything that comes out in a gush, despite all your efforts to let it out carefully, e.g., flour into a white sauce, ketchup onto fish, a dog into the yard, and another naughty meaning that we can't put on the cover. 5—The marks left on your bottom and thighs after you've been sitting sunbathing in a wicker chair. 6—God knows what this means 7—For instance, some of this book was first published in Britain twenty-six years ago. 8—Look it up yourself. A Spoon Too Short is Dirk Gently's most baffling and incomprehensible case. Inspired by the tantalizing alternative title for the Dirk adventure Douglas Adams was working on prior to his death, *A Spoon Too Short* follows the continuing adventures of the world's weirdest detective all the way to Africa! *A Spoon Too Short* sees Dirk Gently take on rhino poaching in Kenya and *The Tribe With No Words*, while confronting untold secrets from his childhood. The world's weirdest detective proves there is no such word as impossible in his dictionary! In this thoroughly satisfying and completely disorienting novel based on a story line by Douglas Adams (author of *The Hitchhiker's Guide to the Galaxy*), Terry Jones recounts an unforgettable tale of intergalactic travel and mishap. The saga of "the ship that cannot possibly go wrong" sparkles with wit, danger, and confusion that will keep readers guessing which reality they are in and how, on earth, to find their way out again. At the center of the galaxy, a vast, unknown civilization is preparing for an event of epic proportions: the launching of the greatest, most gorgeous, most technologically advanced Starship ever built—the Starship Titanic. An earthling would see it as a mixture of the Chrysler Building, the tomb of Tutankhamen, and Venice. But less provincial onlookers would recognize it as the design of Leovinus, the galaxy's most renowned architect. He is an old man now, and the creation of the Starship Titanic is the pinnacle achievement of his twenty-year career. The night before the launch, Leovinus is prowling around the ship having a last little look. With mounting alarm he begins to find things are not right: unfinished workmanship, cybersystems not working correctly, robots colliding with doors. How could this have happened? And how could this have happened without his knowing? Something somewhere is terribly wrong. On the following day, in an artificial event staged for the media, the Starship Titanic will leave its construction dock under autopilot and, a few days later, make its way to the terminal to pick up passengers for its maiden voyage. Although the ship will be deserted during its very first flight, it is nevertheless a major event, watched by all the galaxy's media. Hugely, magnificently, the fabulous ship eases its way forward from the construction dock, picks up speed, sways a bit, wobbles a bit, veers wildly, and just before it can do massive damage to everything around it, appears to undergo SMEF (Spontaneous Massive Existence Failure). In just ten seconds, the whole, stupendous enterprise is over. And our story has just begun. Somehow three earthlings, one Blerontin journalist, a semideranged parrot, and a shipful of disoriented robots must overcome their differences. It's the only way to save the Starship Titanic ("The Ship That Cannot Possibly Go Wrong") from certain destruction and rescue the economy of an entire planet—not to mention to survive the latest threat, an attack by a swarm of hostile shipbuilders. . . . Funnier than Psycho . . . more chilling than Jeeves Takes Charge . . . shorter than War and Peace . . . the second Dirk Gently novel, *The Long Dark Tea-Time of the Soul*. Featuring favorite characters from the original Dirk Gently books by Douglas Adams (*The Hitchhiker's Guide to the Galaxy*) and from the hit TV series from BBC America! Plagued by nightmares of a life he never had, Dirk Gently discovers that a holistic detective can have more than one past, and they're about to catch up with him! After *The Hitchhiker's Guide to the Galaxy*, Douglas Adams went on to create Dirk Gently, a detective with a belief in the fundamental interconnectedness of all things, a unique relationship with the laws of probability, and a love of cats and pizza. In Dirk Gently's Holistic Detective Agency, Dirk finds himself on the trail of a gruesome murderer who is somehow involved with the works of Coleridge, quantum physics, and the enigmatic study of the Cambridge Professor of Chronology. Ultimately, the stakes of the case are far greater than a single murder, but go to the fate of life on Earth. Confused? Don't be - everything is connected. Plagued by nightmares about a childhood he never had, Dirk Gently discovers that a holistic detective can have more than one past, and his adventures have only just begun... Featuring favorite characters from the original books as well as the cast from the TV series, including Samuel Barnett and Elijah Wood! In one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series. Now celebrating the pivotal 42nd anniversary of *The Hitchhiker's Guide to the Galaxy*, soon to be a Hulu original series! *The Hitchhiker's Guide to the Galaxy* (Nominated as one of America's best-loved novels by PBS's *The Great American Read*) Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through time and space. *The Restaurant at the End of the Universe* The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically

displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. Life, the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky- so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. So Long, and Thanks for All the Fish Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story "Young Zaphod Plays It Safe" "With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry."—San Diego Union-Tribune "Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain."—The Atlantic Plagued by nightmares about a childhood he never had, Dirk returns to Cambridge University to seek the advice of his former tutor, the time-traveling Professor Reg Chronotis.æThere he discovers that a holistic detective can have more than one past, and his adventures have only just begun. Featuringæfan-favorite characters from the original books as well as the cast from the TV series, including Samuel Barnett and Elijah Wood. After the many and conflicting versions of the legendary Hitchhiker's Guide to the Galaxy, Douglas Adams created Dirk Gently: a detective with a belief in the fundamental interconnectedness of all things, a troubled relationship with the laws of probability and quantum physics, and a love of cats and pizza. After the events of Dirk Gently's Holistic Detective Agency and The Long Dark Tea Time, but prior to the detective's relocation to California in The Interconnectedness of All Kings, Dirk finds himself investigating a bizarre case of poaching, dumbstruck tourists, and the inner membranes of a rhinoceros's nose. For Dirk Gently, private detective, a simple search for a missing cat uncovers a bewildered ghost, a secret time traveller, and a devastating secret that threatens the future of humanity A Spoon Too Short is Dirk Gently's most baffling and incomprehensible case. Inspired by the tantalizing alternative title for the Dirk adventure Douglas Adams was working on prior to his death, written by Arvind Ethan David and executive produced by Max Landis, A Spoon Too Short follows the continuing adventures of the world's weirdest detective. For Dirk Gently, private detective, a simple search for a missing cat uncovers a bewildered ghost, a secret time traveller, and a devastating secret that threatens the future of humanity

As recognized, adventure as skillfully as experience more or less lesson, amusement, as capably as concurrence can be gotten by just checking out a ebook **Dirk Gently's Holistic Detective Agency** plus it is not directly done, you could understand even more a propos this life, in the region of the world.

We give you this proper as capably as easy artifice to get those all. We provide Dirk Gently's Holistic Detective Agency and numerous books collections from fictions to scientific research in any way. along with them is this Dirk Gently's Holistic Detective Agency that can be your partner.

Eventually, you will completely discover a supplementary experience and success by spending more cash. yet when? pull off you undertake that you require to get those every needs subsequently having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to understand even more in this area the globe, experience, some places, subsequently history, amusement, and a lot more?

It is your completely own get older to enactment reviewing habit. accompanied by guides you could enjoy now is **Dirk Gently's Holistic Detective Agency** below.

Recognizing the mannerism ways to acquire this ebook **Dirk Gently's Holistic Detective Agency** is additionally useful. You have remained in right site to begin getting this info. acquire the Dirk Gently's Holistic Detective Agency associate that we pay for here and check out the link.

You could buy lead Dirk Gently's Holistic Detective Agency or get it as soon as feasible. You could speedily download this Dirk Gently's Holistic Detective Agency after getting deal. So, as soon as you require the book swiftly, you can straight get it. Its as a result categorically simple and hence fats, isnt it? You have to favor to in this song

Getting the books **Dirk Gently's Holistic Detective Agency** now is not type of challenging means. You could not lonely going considering books increase or library or borrowing from your friends to way in them. This is an agreed simple means to specifically acquire lead by on-line.
