The mega-bestseller with more than 2 million readers, soon to be a Showtime/Paramount series starring Ewan McGregor as Count Alexander Rostov From the #1 New York Times-bestselling author of *The Lincoln Highway* and *Rules of Civility*, a beautifully transporting novel about a man who is ordered to spend the rest of his life inside a luxury hotel In 1922, Count Alexander Rostov is

deemed an unrepentant aristocrat by a Bolshevik tribunal, and is sentenced to house arrest in the Metropol, a grand hotel across the street from the Kremlin. Rostov, an indomitable man of erudition and wit, has never worked a day in his life, and must now live in an attic room while some of the most tumultuous decades in Russian history are unfolding outside the hotel's doors. Unexpectedly, his reduced circumstances provide him entry into a much larger world of emotional discovery. Brimming with humor, a glittering cast of characters, and one beautifully rendered scene after another, this singular novel casts a spell as it relates the count's endeavor to gain a deeper understanding of what it means to be a man of purpose. Pages: 48 "The Bestselling Hardcover Novel of the Year."--Publishers Weekly From the number-one bestselling author of The Nightingale and The Great Alone comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions

were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one

indomitable woman whose courage and sacrifice will come to define a generation. Close to 60 percent of young Christians who went to church as teens drop out after high school. In *You Lost Me*, the bestselling coauthor of *unChristian* trained his researcher's eye on Christians aged 16-29, exposing why they leave the church and rethink their faith. Now small groups can study this groundbreaking book with a new DVD and discussion guide. This DVD and discussion guide will inform, equip, and empower groups and churches to understand the unique challenges that are affecting younger Christians. It's not enough for us to know that they are dropping out and rethinking their faith; this video study and discussion guide provides key insights and practical ways that we can actively engage this generation with thoughtful conversation. **NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK •** From a leading voice on racial justice, an eye-opening account of growing up Black, Christian, and female that exposes how white America's love affair with "diversity" so often falls short of its ideals. "Austin Channing Brown introduces herself as a master memoirist. This book will break open hearts and minds."—Glennon Doyle, #1 New York Times bestselling author of *Untamed* Austin Channing Brown's first encounter with a racialized America came at age seven, when she discovered her parents named her Austin to deceive future employers into thinking she was a white man. Growing up in majority-white schools and churches, Austin writes, "I had to learn what it means to love blackness," a journey that led to a lifetime spent navigating America's racial divide as a writer, speaker, and expert helping organizations practice genuine

inclusion. In a time when nearly every institution (schools, churches, universities, businesses) claims to value diversity in its mission statement, Austin writes in breathtaking detail about her journey to self-worth and the pitfalls that kill our attempts at racial justice. Her stories bear witness to the complexity of America's social fabric—from Black Cleveland neighborhoods to private schools in the middle-class suburbs, from prison walls to the boardrooms at majority-white organizations. For readers who have engaged with America's legacy on race through the writing of Ta-Nehisi Coates and Michael Eric Dyson, *I'm Still Here* is an illuminating look at how white, middle-class, Evangelicalism has participated in an era of rising racial hostility, inviting the reader to confront apathy, recognize God's ongoing work in the world, and discover how blackness—if we let it—can save us all. *More for Women Only!* What's going on in a man's mind? The forecast is calling for a reluctant homecoming and regrettable decisions with a strong chance of romance... When Sonny Dunes, a SoCal meteorologist whose job is all sunshine and seventy-two-degree days, is replaced by a virtual meteorologist that will never age, gain weight or renegotiate its contract, the only station willing to give the fifty-year-old another shot is the very place Sonny's been avoiding since the day she left for college—her northern Michigan hometown. Sonny grudgingly returns to the long, cold, snowy winters of her childhood...with the added humiliation of moving back in with her mother. Not quite an outsider but no longer a local, Sonny finds her past blindsiding her everywhere: from the high school friends she ghosted, to the former journalism classmate and mortal frenemy who's now her boss, to, most keenly, the death years ago of her younger sister, who loved the snow. To distract herself from the memories she's spent her life trying to outrun, Sonny throws herself headfirst into covering every small-town winter event to woo a new audience, made more bearable by a handsome widower with optimism to spare. But with someone trying to undermine her efforts to rebuild her career, Sonny must make peace with who she used to be and allow her heart to thaw if she's ever going to find a place she can truly

The New York Times bestselling authors of *Switch* and *Made to Stick* explore why certain brief experiences can jolt us and elevate us and change us—and how we can learn to create such extraordinary moments in our life and work. While human lives are endlessly variable, our most memorable positive moments are dominated by four elements: elevation, insight, pride, and connection. If we embrace these elements, we can conjure more moments that matter. What if a teacher could design a lesson that he knew his students would remember twenty years later? What if a manager knew how to create an experience that would delight customers? What if you had a better sense of how to create memories that matter for your children? This book delves into some fascinating

mysteries of experience: Why we tend to remember the best or worst moment of an experience, as well as the last moment, and forget the rest. Why “we feel most comfortable when things are certain, but we feel most alive when they’re not.” And why our most cherished memories are clustered into a brief period during our youth. Readers discover how brief experiences can change lives, such as the experiment in which two strangers meet in a room, and forty-five minutes later, they leave as best friends. (What happens in that time?) Or the tale of the world’s youngest female billionaire, who credits her resilience to something her father asked the family at the dinner table. (What was that simple question?) Many of the defining moments in our lives are the result of accident or luck—but why would we leave our most meaningful, memorable moments to chance when we can create them? *The Power of Moments* shows us how to be the author of richer experiences. Join others who want to know God better and read His Word with *The Bible Recap Discussion Guide*. Together you'll find that He's where the joy is! Praise for *The Bible Recap* "I have grown closer to God in ways I couldn't expect." "It has helped me understand the Bible like never before." Winner of the Pulitzer Prize in Fiction Shortlisted for the Man Booker Prize New York Times Bestseller A New York Times Notable Book and a Washington Post, Time, Oprah Magazine, Newsweek, Chicago Tribune, and Kirkus Reviews Best Book of 2018 "The best novel ever written about trees, and really just one of the best novels, period." –Ann Patchett *The Overstory*, winner of the 2019 Pulitzer Prize in Fiction, is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of—and paean to—the natural world. From the roots to the crown and back to the seeds, Richard Powers's twelfth novel unfolds in concentric rings of interlocking fables that range from antebellum New York to the late twentieth-century Timber Wars of the Pacific Northwest and beyond. There is a world alongside ours—vast, slow, interconnected, resourceful, magnificently inventive, and almost invisible to us. This is the story of a handful of people who learn how to see that world and who are drawn up into its unfolding catastrophe. Experience peace in the presence of the Savior who is closer than you can imagine with the *Jesus Calling® Discussion Guide for Grief*. The discussion guide for the novel, *Wonder Clearing*, comes at a critical moment for churches and nations. Both churches and nations are suffering through not only a terrible pandemic threatening physical health but also a pandemic of division that threatens the

heart of our churches and the soul of civic society. Small groups using the discussion guide will focus on issues pertinent to contemporary America including racism, sexual orientation, and sexual exploitation of women and children. These issues play out in our world in religion, culture, and politics. Online or in-person discussion groups will easily apply the questions, Scriptures, and discussions to their own situations. Current social issues in both Catholic and Protestant churches echo many of the themes of the book. Political issues including immigration, civil rights, and discrimination parallel the experiences of Rob and Alphonso in the Steepleton of their youth. But the appeal of discussing *Wonder Clearing* will be far more than pertinence of the issues and the reality of current prejudices. Instead, discussing the experience of the characters will offer participants an alternative way of living in a divisive religious and political world. NEW YORK TIMES BESTSELLER • The bestselling author of *Everything Happens for a Reason (And Other Lies I've Loved)* asks, how do you move forward with a life you didn't choose? "Kate Bowler is the only one we can trust to tell us the truth."—Glennon Doyle, author of the #1 New York Times bestseller *Untamed* It's hard to give up on the feeling that the life you really want is just out of reach. A beach body by summer. A trip to Disneyland around the corner. A promotion on the horizon. Everyone wants to believe that they are headed toward good, better, best. But what happens when the life you hoped for is put on hold indefinitely? Kate Bowler believed that life was a series of unlimited choices, until she discovered, at age thirty-five,

that her body was wracked with cancer. In *No Cure for Being Human*, she searches for a way forward as she mines the wisdom (and absurdity) of today's "best life now" advice industry, which insists on exhausting positivity and on trying to convince us that we can out-eat, out-learn, and out-perform our humanness. We are, she finds, as fragile as the day we were born. With dry wit and unflinching honesty, Kate Bowler grapples with her diagnosis, her ambition, and her faith as she tries to come to terms with her limitations in a culture that says anything is possible. She finds that we need one another if we're going to tell the truth: Life is beautiful and terrible, full of hope and despair and everything in between—and there's no cure for being human. Experience peace in the presence of the Savior who is closer than you can imagine with the *Jesus Calling® Discussion Guide for Seniors* This discussion guide will help you learn how to dialogue with those who share common doubts and objections to Christianity. In the video sessions (DVD/digital video sold separately), Timothy Keller and six panelists hold candid and unscripted discussions about the broad scope of people's discomforts with God, the Bible, and Christianity in general:

Discussion 1: Is the Bible a myth? Has science disproved Christianity? Discussion 2: Is there only one way to God? Are other religions as valid? Discussion 3: Clashes with Christian morality and ethics – why are there so many rules? Discussion 4: Why would God allow suffering and evil. Discussion 5: Injustice and hypocrisy in the church. Discussion 6: Objections to God's wrath and judgement. The Reason for God small group discussion guide can be

used individually or in a group setting by anyone engaging with friends who don't share his or her beliefs. For each discussion, the study guide includes: An opening thought on the topic. A summary of the objection to the topic. Related Bible verses. Space for notetaking. Questions for group discussion. In his New York Times bestselling book, *The Reason for God*, Timothy Keller established himself as a modern-day C. S. Lewis who brings together faith and intellect, theology and popular culture, modern-day objections and historic Christian beliefs. Using literature, philosophy, and Scripture, Keller explores the truth and challenge of Christianity in this six-session small group conversation starter. You and your group will be challenged to wrestle with your friends' and neighbors' hardest questions and engage those questions in ways that will spark honest, enriching, and humbling dialogue. Designed for use with *Reason for God Video Study* (sold separately). The classic, bestselling book on the psychology of racism -- now fully revised and updated *Walk into any racially mixed high school and you will see Black, White, and Latino youth clustered in their own groups. Is this self-segregation a problem to address or a coping strategy?* Beverly Daniel Tatum, a renowned authority on the psychology of racism, argues that straight talk about our racial identities is essential if we are serious about enabling communication across racial and ethnic divides. These topics have only become more urgent as the national conversation about race is increasingly acrimonious. This fully revised edition is essential reading for anyone seeking to understand the dynamics of race in

America.
