when it comes to creating and keeping the suspense at an all-time high. His characters are captivating. Well-rendered dialogue keeps the pace moving quickly to its logical and deadly conclusion... A real gripper with an intricate and refreshing twist on an old theme." Feathered Quill Book Awards Judges' Comments: "The Circle is creepy... action-packed and very mysterious... not a story to forget." H.P. Waite - Author of Band of Shadows: The Scarlet Onyx Saga "As a novel it has everything a reader could want: deeply developed characters you fall in love with (and characters you hate), a rapidly advancing plot that leaves you on the edge of your seat, and a jaw-dropping twist that even the most seasoned of thriller lovers won't see coming. I enjoyed every minute of it and can't wait to see what's next - a sequel cannot come soon enough!" - Shanna O'Mara - The Navesink Journal "The Circle has the rapid progression and intense appeal of the ever-popular Divergent and The Hunger Games, but is laced with enough realism to plant the seed of fear -- or at the very least, mild suspicion -- in any reader now overanalyzing the world outside the book. Galgon brings to life a protagonist we can all root for and pity, a man whose background we can relate to but whose future we can only pray we never see. Highly recommend for any thrill-seeker or mystery lover! IMAGINE YOU HAD ALL THE MONEY YOU EVER WANTED at the push of a button. The power to control law enforcement, politicians at the highest levels, the judicial system as a whole. To have what you want when you want it, whatever it is. All you have to do is kill someone . . . before someone kills you. MEMBERS of THE CIRCLE don't have to imagine such a life. They live it. The liberation of being both hunter and hunted. The salvation that comes with such freedom. A chance to feel truly alive. A chance to savor each precious moment. Because in THE CIRCLE any moment could be your last. DOUGLAS GOODWIN isn't rich. He isn't powerful. What could the sacred society of THE CIRCLE possibly want with him—just a regular guy with a regular job leading a regular life? What would drive them to coerce a young man who has always valued integrity over hedonism into their midst? And why would Doug agree to submersion in a world of secrecy and murder? It's unthinkable. THE

HARSH REALITY? Doug has been inducted into an institution where friends become enemies overnight, loyalty is a nothing more than a punchline, and conscience is a burden. Where he will be hunted and expected to hunt other members to their death. With no escape from THE CIRCLE's ubiquitous influence and domination. HOW FAR WILL DOUG GO? How much will he sacrifice to preserve his way of life? Will he be swayed by the money, the women, the power? Or will THE CIRCLE consume him, as it has hundreds of others before him, and leave nothing but another nameless corpse in its wake? "Hawking's parting gift to humanity . . . a book every thinking person worried about humanity's future should read."—NPR NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Forbes • The Guardian • Wired Stephen Hawking was the most renowned scientist since Einstein, known both for his groundbreaking work in physics and cosmology and for his mischievous sense of humor. He educated millions of readers about the origins of the universe and the nature of black holes, and inspired millions more by defying a terrifying early prognosis of ALS, which originally gave him only two years to live. In later life he could communicate only by using a few facial muscles, but he continued to advance his field and serve as a revered voice on social and humanitarian issues. Hawking not only unraveled some of the universe's greatest mysteries but also believed science plays a critical role in fixing problems here on Earth. Now, as we face immense challenges on our planet—including climate change, the threat of nuclear war, and the development of artificial intelligence—he turns his attention to the most urgent issues facing us. Will humanity survive? Should we colonize space? Does God exist? These are just a few of the questions Hawking addresses in this wide-ranging, passionately argued final book from one of the greatest minds in history. Featuring a foreword by Eddie Redmayne, who won an Oscar playing Stephen Hawking, an introduction by Nobel Laureate Kip Thorne, and an afterword from Hawking's daughter, Lucy, Brief Answers to the Big Questions is a brilliant last message to the world. Praise for Brief Answers to the Big Questions "[Hawking is] a symbol of the soaring power of the human mind."—The Washington

Post "Hawking's final message to readers . . . is a hopeful one."—CNN "Brisk, lucid peeks into the future of science and of humanity."—The Wall Street Journal "Hawking pulls no punches on subjects like machines taking over, the biggest threat to Earth, and the possibilities of intelligent life in space."—Quartz "Effortlessly instructive, absorbing, up to the minute and—where it matters—witty."—The Guardian "This beautiful little book is a fitting last twinkle from a new star in the firmament above."—The Telegraph The #1 New York Times bestseller about a famous novelist held hostage in a remote location by his "number one fan." One of "Stephen King's best...genuinely scary" (USA TODAY). Paul Sheldon is a bestselling novelist who has finally met his number one fan. Her name is Annie Wilkes, and she is more than a rabid reader--she is Paul's nurse, tending his shattered body after an automobile accident. But she is also furious that the author has killed off her favorite character in his latest book. Annie becomes his captor, keeping him prisoner in her isolated house. Annie wants Paul to write a book that brings Misery back to life--just for her. She has a lot of ways to spur him on. One is a needle. Another is an axe. And if they don't work, she can get really nasty. "Terrifying" (San Francisco Chronicle), "dazzlingly well-written" (The Indianapolis Star), and "truly gripping" (Publishers Weekly), Misery is "classic Stephen King...full of twists and turns and mounting suspense" (The Boston Globe). Five interconnected, sequential tales set in the years between 1960 and 1999 center around the Vietnam War and weave together innocence, experience, truth, deceit, loss, and recovery. The Kindle Pocket Guide covers all facets of the Kindle. Everything readers need to know about the device and the software and what's possible. The Kindle for iPhone app for iPhone and iPod Touch are also covered. "A blissful treasure trove of gossipy insider details that Dolls fans will swiftly devour." --Kirkus Reviews The unbelievable-but-true, inside story of Jacqueline Susann's pop culture icon Valley of the Dolls--the landmark novel and publishing phenomenon, the infamous smash hit film ("the best worst movie ever made"), and Dolls's thriving legacy today Since its publication in 1966, Jacqueline Susann's Valley of the Dolls has reigned as one

of the most influential and beloved pieces of commercial fiction. Selling over thirty-one million copies worldwide, it revolutionized overnight the way books got sold, thanks to the tireless and canny self-promoting Susann. It also generated endless speculation about the author's real-life models for its larger-than-life characters. Turned in 1967 into an international box-office sensation and morphing into a much-beloved cult film, its influence endures today in everything from films and TV shows to fashion and cosmetics tributes and tie-ins. Susann's compulsive readable exposé of three female friends finding success in New York City and Hollywood was a scandalous eye-opener for its candid treatment of sex, naked ambition, ageism, and pill-popping, and the big screen version was one of the most-seen and talked-about movies of the time. Dolls! Dolls! Dolls! digs deep into the creation of that hugely successful film--a journey nearly as cut-throat, sexually-charged, tragic, and revelatory as Susann's novel itself--and uncovers how the movie has become a cherished, widely imitated camp classic, thanks to its over-the-top performances, endlessly quotable absurd dialogue, outré costumes and hairdos, despite the high aspirations, money, and talent lavished on it. Screenwriter-journalist-film historian Stephen Rebello has conducted archival research and new interviews to draw back the velvet curtain on the behind-the-scenes intrigue, feuds and machinations that marked the film's production. In doing so, he unveils a rich, detailed history of fast-changing, late 1960s Hollywood, on screen and off. Do you love to read? Do you want to get your books free? The No. 1 bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist - originally published in the acclaimed short story collection *Skeleton Crew* and made into a feature film by Frank Darabont - is now available as a stand-alone publication. A man staggered into the market . . . 'Something in the fog!' he screamed Following a freak summer storm, David Drayton, his son Billy, and their neighbour Brent Norton join dozens of others and head to the local grocery store to replenish supplies. Once there, they become trapped by a strange mist that has enveloped the town. Violent forces concealed in the mist are starting to emerge. And there is another shocking threat from within - one group of survivors, led by a religious zealot, is calling for a sacrifice. Now David and his son must try to escape. But what's outside may be even more dangerous. This exhilarating novella explores the horror in both the enemy you know - and the one you can only imagine. Roland, the Last Gunslinger, and his companions - Eddie Dean and Susannah - cross the desert of damnation, drawing ever closer to the Dark Tower, a legion of fiendish foes, and revelations that could alter the world. **KINDLE FREE FOR ALL: How to Get Millions of Free Kindle Books and Other Free Content With or Without an Amazon Kindle**, by Stephen Windwalker, editor of the #1 blog and newsletter for Kindle owners, *Kindle Nation Daily* Published for the first time in paperback in February 2011 This is the most complete and up-to-date resource yet for getting free content for your Kindle. An eleven-year-old boy's violated corpse is discovered in a town park. Eyewitnesses and fingerprints point unmistakably to one of Flint City's most popular citizens—Terry Maitland, Little League coach, English teacher, husband, and father of two girls. Detective Ralph Anderson, whose son Maitland once coached, orders a quick and very public arrest. Maitland has an alibi, but Anderson and the district attorney soon have DNA evidence to go with the fingerprints and witnesses. Their case seems ironclad. As the investigation expands and horrifying details

begin to emerge, King's story kicks into high gear, generating strong tension and almost unbearable suspense. Terry Maitland seems like a nice guy, but is he wearing another face? When the answer comes, it will shock you as only Stephen King can.
