House of Leaves Sep 08 2021 **"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times** **Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.**

Dragon Ball Full Color Freeza Arc Jul 19 2022 **Captain Ginyu has exchanged bodies with Goku, and Gohan and Kuririn must use the seven Dragon Balls of Namek to summon the mighty Dragon Lord, who can grant any three wishes. But if they do summon the Dragon Lord, can they prevent Vegeta and Freeza from wishing for immortality for themselves? -- VIZ Media**

That is, until Future Trunks suddenly appears to warn everyone of a new threat—Goku Black, a mysterious warrior who looks like Goku, but isn't him! He's a monster who has wiped out most of Earth and all of the Gods of Destruction and Lords of Lords from all twelve universes.
