Duncan Bannatyne reveals how to set up a business and make it a great success. Having started out with ice cream van, he knows exactly how it can be done - and how to avoid the pitfalls along the way. In a series of clear and easy-to-follow chapters, Duncan removes the barriers to getting started as an entrepreneur, and helps to plan a way forward through those potentially difficult early days. He shows that there is no substitute for hard work, and insists that you must be completely honest with yourself about your own strengths and weaknesses if you are to succeed. He outlines the key attributes you will need and how you can develop them to achieve your dreams. Backed with fascinating examples from his own career and case studies from a wide range of other entrepreneurs, this book provides the perfect wake-up call for you to change your life for the better. How smart companies are opening up strategic initiatives to involve front-line employees, experts, suppliers, customers, entrepreneurs, and even competitors. Why are some of the world's most successful companies able to stay ahead of disruption, adopting and implementing innovative strategies, while others struggle? It's not because they hire a new CEO or expensive consultants but rather because these pioneering companies have adopted a new way of strategizing. Instead of keeping strategic deliberations within the C-Suite, they open up strategic initiatives to a diverse group of stakeholders—front-line employees, experts, suppliers, customers, entrepreneurs, and even competitors. Open Strategy presents a new philosophy, key tools, step-by-step advice, and fascinating case studies—from companies that range from Barclays to Adidas—to guide business leaders in this groundbreaking approach to strategy. The authors—business-strategy experts from both academia and management consulting—introduce tools for each of the three stages of strategy-making: idea generation, plan formulation, and implementation. These are digital tools (including strategy contests), which allow the widest participation; hybrid digital/in-person tools (including a “nightmare competitor challenge”); a workshop tool that gamifies the business model development process; and tools that help companies implement and sustain open strategy efforts. Open strategy has an astonishing track record: a survey of 200 business leaders shows that although open-strategy techniques were deployed for only 30 percent of their initiatives, those same initiatives generated 50 percent of their revenues and profits. This book offers a roadmap for this kind of success. Tom R. Harper gathers and expounds on 66 business principles—one from each book of the Bible—that have inspired best-practice leadership for thousands of

years. For readers of *THE VIRGIN SUICIDES* or *THE GIRLS*, a story of two extraordinary, magnetic women and their disappearances - a hundred years apart - from the small New England town they call home. Henrietta and Jane are growing up in a farmhouse on the outskirts of town, their mother a remote artist, their father in thrall to the folklore and legend of their corner of New England. When Henrietta falls under the spell of Kaus, an outsider and petty criminal, Jane takes to trailing the couple, spying on their trysts, until one night, Henrietta vanishes into the woods. Elspeth and Claire are sisters separated by an ocean. Elspeth's pregnancy at seventeen meant she was quickly married and sent away from her Scottish village to make a new life in America. When she comes to the attention of the local mill owner, a series of wrenching and violent events unfolds, culminating in her disappearance. As Jane and Claire search in their own times for their missing sisters, each uncovers the strange legend of Cold Thursday, and of a family apparently transformed into coyotes. But what does his myth really mean? Are their sisters dead, destroyed by the men who desired them? Or have they made new lives, elsewhere, beyond the watchful eyes of the community they longed to escape? "[A] future cult classic." —The New York Times Book Review "There's Borges and Bolaño, Kafka and Cortázar, Modiano and Murakami, and now Laura van den Berg." —The Washington Post Finalist for the NYPL Young Lions Award. Named a Best Book of 2018 by The Boston Globe, Huffington Post, Electric Literature and Lit Hub. An August 2018 IndieNext Selection. Named a Summer 2018 Read by The Washington Post, Vulture, Nylon, Elle, BBC, InStyle, Refinery29, Bustle, O, the Oprah Magazine, Entertainment Weekly, Harper's Bazaar, Conde Nast Traveler, Southern Living, Lit Hub, and Vol. 1 Brooklyn.

In Havana, Cuba, a widow tries to come to terms with her husband's death—and the truth about their marriage—in Laura van den Berg's surreal, mystifying story of psychological reflection and metaphysical mystery. Shortly after Clare arrives in Havana, Cuba, to attend the annual Festival of New Latin American Cinema, she finds her husband, Richard, standing outside a museum. He's wearing a white linen suit she's never seen before, and he's supposed to be dead. Grief-stricken and baffled, Clare tails Richard, a horror film scholar, through the newly tourist-filled streets of Havana, clocking his every move. As the distinction between reality and fantasy blurs, Clare finds grounding in memories of her childhood in Florida and of her marriage to Richard, revealing her role in his death and reappearance along the way. *The Third Hotel* is a propulsive, brilliantly shape-shifting novel from an inventive author at the height of her narrative powers. Deep in the den, ten sleepy, cuddly animals snuggle up together for the night. But as the animal friends roll over to make more room, one animal after another gently tumbles out of the cozy den until Little Mouse is left all alone. But Little Mouse m

From New York Times bestselling author Barbara Taylor Bradford comes the highly anticipated second book in the House of Falconer saga. James Lionel Falconer has risen quickly from a mere shop worker to being the right-hand man of Henry Malvern, head of the most prestigious shipping company in London. With Malvern's daughter Alexis running away to the country after a terrible tragedy and refusing to return, James' ascent to head of the company seems inevitable. But even a charmed life like James' is not without its setbacks. A terrible fire threatens to end his merchant career before it's had a chance to truly begin. Mrs. Ward, James' former paramour, has a secret that could change his life forever. And his distaste for Alexis Malvern is slowly growing into feelings of quite a different sort. Can James continue to be the master of his own fate, or will all of his charm, intelligence, and wit finally fail him when he has to enter the lion's den? Spanning the years from 1889 to 1892, *In the Lion's Den* is Barbara Taylor Bradford at her historical storytelling best. An easy reader, which is part of a series intended to cover the three main methods of teaching reading. Its publication coincides with the launch of the new phonic scheme *Say the Sounds* and has a simplified message to parents. *You Can Get It If You Really Want*, by Levi Roots, the man behind the Reggae Reggae Sauce empire and hero of BBC's 'Dragons' Den', is a business book brimming with positivity. In this inspirational and upbeat book, Levi provides essential tips and advice for successful business start-ups whatever your idea and wherever your starting point might be. This book includes informative and practical advice as well as Levi's personal anecdotes of his success and the lessons he learned from his mistakes. Levi's experience and passion for his message shines through every chapter. Additionally, the

book includes personal insights from Peter Jones (Levi's own Dragon) and many other entrepreneurs and captains of industry. You Can Get It If You Really Want also includes Levi's Top 10 Rules for the Roots of Business Success - together with an array of business tools to slay the dragons waiting in the world of start-ups. The mountain lion came out of nowhere, grabbed the little girl by the head, and they were gone."Out of the Lion's Den" is the true story of five- year- old Laura Small's attack in an Orange County, California park. But it's not only the story of Laura's long recovery from brain injuries. Her parents soon realized that the attack wasn't just the result of a lone mountain lion. Early morning anonymous phone calls, erasures on police reports, and a California moratorium on killing lions, led a persistent investigator and a brilliant lawyer all the way to a trial against Orange County for negligence. And for Laura's mother, who believed in God and had been a nun for six years, one question still haunted her. How could a loving God allow such suffering? Please visit [outofthelionsden.net](http://outofthelionsden.net) for more information about the book and the author. Many of us dream of running our own business, but lack of experience and entrepreneurial skills often prevent people from making that first step. For those with the nous, confidence and, crucially, vision it should be easy - but a great idea doesn't mean investors will be queuing up at your door. In the BBC TV series Dragons' Den, entrepreneurs were put on the spot in front of a panel of potential investors. Given only minutes to pitch their idea, the pressure was on - some simply frazzled in the fiery breath of the dragons, others sweated it out, made it through and saw the money on the other side. Using case studies from the series, updates on the progress of the successes and failures - here's one of the successes, but who got the best deal? Tracie Herrtage wanted GBP 54,000 for her suspendable Le Beanock - think the bean bag meets the hammock suspended from high ceilings and lofts to replace your sofa at a price of around GBP 900! The male dominion of Dragons mocked the idea and thought the prices swung too high, the concept ungrounded and it wasn't an interesting proposition for their equity. Rachel Elnaugh wasn't put off and agreed that Tracie's vision hit a niche market. the tightest deal yet, buying 49 per cent of Tracie's company as sole investor. The done deal: 49 per cent company shares for GBP 54,000 investment. With essential insider advice and tips from the dragons themselves, this handbook will guide you through the hazardous process of finding your product, identifying your market, developing and maximising your business acumen, honing your presentation skills and finding the right partner. And most importantly, how to close the deal when you do find it. Economics, finance, business and industry. Bears need a place for shelter and warmth during the winter. Although most people assume bears make their dens in caves, the dens can actually be quite small and built in a number of places, including in hillsides or trees. Come spring, there might be cubs inside a den. In this book, kids will learn facts about how bears spend their winters. The official book on the Rust programming language, written by the Rust development team at the Mozilla Foundation, fully updated for Rust 2018. The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features--from installation to creating robust and scalable programs. You'll begin with basics like creating functions, choosing data types, and binding variables and then move on to more advanced concepts, such as: Ownership and borrowing, lifetimes, and traits Using Rust's memory safety guarantees to build fast, safe programs Testing, error handling, and effective refactoring Generics, smart pointers, multithreading, trait objects, and advanced pattern matching Using Cargo, Rust's built-in package manager, to build, test, and document your code and manage dependencies How best to use Rust's advanced compiler with compiler-led programming techniques You'll find plenty of code examples throughout the book, as well as three chapters dedicated to building complete projects to test your learning: a number guessing game, a Rust implementation of a command line tool, and a multithreaded server. New to this edition: An extended section on Rust macros, an expanded chapter on modules, and appendixes on Rust development tools and editions. Packed with practical

tips, proven strategies, and inspiring stories, this book is your ultimate guide to unlocking your full potential and achieving the success you deserve. Whether you're looking to advance your career, start your own business, or simply live your best life, this book will help you get there faster and more effectively than ever before. With a focus on actionable steps and real-world examples, this book is designed to help you overcome any obstacle and reach your goals. From mastering your mindset to building your network, we'll teach you the skills and strategies you need to succeed in any situation. So why wait? Whether you're just starting out or looking to take your success to the next level, this book is your ultimate tool for achieving your personal brand of success. Don't settle for anything less - order your copy today and start living your best life!

Though she was once a happy teenager with a wonderful family and a full life, Turquoise Draka is now a hunter, committed to no higher purpose than making money and staying alive. In a deadly world of vampires, shape-shifters, and powerful mercenaries, she'll track any prey if the price is right. Her current assignment: to assassinate Jeshikah, one of the cruelest vampires in history. Her employer: an unknown contact who wants the job done fast. Her major obstacle: she'll have to mask her strength and enter Midnight, a fabled Vampire realm, as a human slave. Vulnerable and defenseless, she faces her greatest challenge ever. A SUNDAY TIMES BESTSELLER! 'Determined, focused and full of heart - this book encapsulates all that has made Sara Davies the powerhouse she is.' Giovanna Fletcher From student halls to Dragons Den (and now Strictly Come Dancing!), this is Sara Davies MBE's story of building her multi-million-pound business from scratch and why we can all make it big. ----- Sara Davies is the queen of crafts. Whilst working as an intern in a small company, Sara noticed a gap in the industry and decided to pursue it. By the time she left university, she was running a business with a half million-pound turnover from her student bedroom. When she became the youngest of BBC 1's iconic Dragons, that turnover was £25 million. Today, she is one of Britain's biggest business names. In her first book - as full of warmth, wit and wisdom as she is - Sara shares what it took to get there: from manning factories overnight with her mam and dad to hitting the trade shows of Las Vegas alone, armed with little more than ambition and passion. We Can All Make It chronicles everything from what she looks for in a business investment to how she manages to find time to enjoy family life while running an empire. From the buzz of witnessing your latest product sell out, dancing the cha cha as you broadcast live to 96 million American homes, thriving after lockdown to being at the head of the biggest tables, Sara's unique storytelling answers all the questions for women in business today. Praise for Sara Davies 'A business whizz' - Radio Times 'A brilliant read.' Steph McGovern 'Page-turning, inspiring' - Gethin Jones 'She is amazing!' - Alison Hammond 'Energy, focus, commitment: she's relentless!' - Peter Jones

There are tremendous personal benefits to realizing and integrating the shadow part of the personality. When we can look at the "disowned parts of ourselves," we release a great deal of energy that can be used for creative expression. Dancing in the Dragon's Den is a practical self-help book that can open up your life in ways you have not yet dreamed of. Bane talks to you directly-she is warm, friendly, and supportive as she outlines the process. The world ended and with it so did the rules. I was stolen from my family and raised in the Wastelands to the North. I did what I had to ensure my survival. I became The Champion, with my history carved into my skin for all to see. Now I spend my days drinking and hiding from my past until four newcomers offer me a job I can't refuse. When my past and future mix I must once again rise and fight. This time it's not for my freedom, it's for my happiness. Contains mature themes. As legal systems differ throughout the world there are significant differences in how Free and Open Source Software licenses are treated in different countries, and it can be difficult to obtain reliable information on national interpretations. The International Free and Open Source Software Law Book engages with this by providing a clear yet thorough analysis of Free and Open Source legal matters written and maintained by local experts. The publication is targeted towards lawyers, jurists and academics, and positioned as an international bench mark reference work. It provides an introduction to software protection, a general analysis of FOSS under local legislation and an overview of local FOSS cases (if any) for each country covered. The 2nd edition of the book features both new and updated chapters to ensure professionals remain abreast

of the latest developments and market growth of Open Source. The experts from the Dragons' Den show entrepreneurs how to match their product or service with the right business model. It takes much more to start a successful business than just a great idea for a new product or service. As contestants on the show regularly find out the hard way, the wrong business model can sink even the best new idea. In *The Dragons' Den Guide to Real-World Business Models*, potential entrepreneurs and small business owners will learn how to turn their product or service idea into a profitable business in the real world. These days, you have to be creative not just in what you sell, but in how you sell it. Your business model has to take advantage of the technology and constant connectivity that pervades modern life. *The Dragons' Den Guide to Real-World Business Models* shows entrepreneurs how to pick the right business model, integrate it with the Internet, and launch quickly. And for those who don't yet have a business idea, the book offers great advice on coming up with one. Features practical, applicable advice for entrepreneurs who need to find a profitable, effective business model for their idea. Ideal for aspiring entrepreneurs who don't want to repeat the same mistakes they see on the Dragons' Den each week. Written by John Vyge, a business plan analyst who advises entrepreneurs and investors on how to create winning business concepts. If you have a great idea for a new business but don't know where to start or how to get your business off the ground, *The Dragons' Den Guide to Real-World Business Models* is the perfect gateway to small business success. Over 1 million sold in series!

When they step into the Imagination Station, kids experience an unforgettable journey filled with action-packed adventure. With each book, readers are whisked away with cousins Patrick and Beth to embark on a new journey around the world and back in time. This easy-to-read adventure is number 19 in the successful series that has now sold over 1 million books. The Imagination Station has been acting wonky for several adventures now, handing out the wrong gifts and traveling unexpected paths. Patrick and Beth must call upon their courage, strength, and resilience in order to help others and survive real dangers that threaten them as they travel through time and space to encounter the prophet Daniel and the deadly lions' den. Giant Green Iguanas have become a very popular pet in recent years. Unfortunately, too many people who own iguanas either don't have the right care information or are given the wrong information, and many of these iguanas do not make it to adulthood. *The Iguana Den's Care and Keeping of Giant Green Iguanas* provides tested, true, and up to date methods of iguana husbandry that have been developed from years of rescuing and rehabbing iguanas. This book is a must-have for both new and experienced iguana keepers. The book is based on the original Iguana Den website: [www.iguanaden.com](http://www.iguanaden.com), and all proceeds from the sale benefit the shelter animals at Scales and Tails Rescue, Inc., a non-profit organization. Without a word, *The Wanderer* presents one little paper boat's journey across the ocean, past reefs and between icebergs, through schools of fish, swaying water plants, and terrifying sea monsters. The little boat is all alone, and while its aloneness gives it the chance to wonder at the fairy-tale world above and below the waves, that also means it must save itself when it storms. And so it does. Readers young and old will find the strength and inspiration in this quietly powerful story about growing, learning, and life's ups and downs. Sex, betrayal, and intrigue: A dream vacation on a luxurious yacht turns deadly in this pulse-pounding beach read "chock full of delicious characters who flaunt their sins . . . like the latest Birkin bag" (Adriana Trigiani). Belle likes to think herself immune to the dizzying effects of fabulous wealth. But when her best friend, Summer, invites her on a glamorous getaway to the Mediterranean aboard her billionaire boyfriend's yacht, the only sensible answer is yes. Belle hopes the trip will be a much-needed break from her stalled acting career and uniquely humiliating waitressing job, but once she's aboard the

luxurious Lion's Den, it soon becomes clear this jet-setting holiday is not as advertised. Belle's dream vacation quickly devolves into a nightmare as she and the handful of other girls Summer invited are treated more like prisoners than guests by their controlling host—and in one terrifying moment, Belle comes to see Summer for who she truly is: a vicious gold digger who will stop at nothing to get what she wants. Belle realizes she's going to have to keep her wits about her—and her own big secret closely hidden—if she wants to make it off the yacht alive. Work for yourself in just one week with Britain's most dynamic entrepreneur 'Everybody wants to be an entrepreneur. Every single day of my life I am bombarded by people with pitches. But 90% of new businesses fail, because their founders failed to ask themselves the simplest of questions. I can save you years of wasted time and thousands of pounds of wasted money by giving you the ammunition to ask the right questions, and helping you make the decision that is right for you. I will show you how to spend a maximum of seven days deciding if your idea is workable and bankable. How to say 'I'm in', but equally importantly, to have the courage to say 'I'm out'. How to become your own Dragon. Each piece of advice in this book is based on my thirty years of starting businesses. You will find all the fundamental ingredients for any new company, whatever sector you want to be in, whatever size of business you have in mind, along with the tools to make it work. Answer all the tough questions I am going to get you to ask yourself and you will have a business that genuinely has a chance of success. You can be one of the 10% of businesses that do make it.' - James Caan. James Caan is one of the UK's most successful and dynamic entrepreneurs, having built and sold businesses since 1985. After dropping out of school at sixteen and starting his first business in a Pall Mall broom cupboard - armed with little more than charm and his father's advice - Caan went on to make his fortune in the recruitment industry, founding the Alexander Mann Group, a company with a turnover of £130m. A 2003 graduate of Harvard Business School, Caan's most recent endeavour has been to set up private equity firm Hamilton Bradshaw. Caan hit our screens when he joined the panel of the BBC's Dragons' Den in 2007. He is a regular in the national and business press, advises on various Government programmes, and initiates numerous philanthropic projects via the James Caan Foundation. Jessica isn't your average teenager. Though nobody at her high school knows it, she's a published author. Her vampire novel Tiger, Tiger has just come out under the pen name Ash Night. Jessica often wishes she felt as comfortable with her classmates as she does among the vampires and witches of her fiction. She has always been treated as an outsider at Ramsa High. But two new students have just arrived in Ramsa, and both want Jessica's attention. She has no patience with overly friendly Caryn, but she's instantly drawn to handsome Alex, a cocky, mysterious boy who seems surprisingly familiar. If she didn't know better, she'd think Aubrey, the alluring villain from Tiger, Tiger had just sprung to life. That's impossible, of course; Aubrey is a figment of her imagination. Or is he? Nail-bitingly suspenseful, here is the deliciously eerie follow-up to *In the Forests of the Night*, by the remarkable fifteen-year-old novelist Amelia Atwater-Rhodes. A step-by-step approach to winning over investors with a solid business plan A comprehensive business plan, based on a concept that has been feasibility tested and for which a sales and marketing strategy is in place, is where the rubber meets the road for the entrepreneur and the investor. The Dragons' Den Guide to Investor-Ready Business Plans is designed to show the entrepreneur how to create a business plan that will get an investor's attention—and money. Case studies from Canadian and US businesses and stories of entrepreneurs who appeared on the Dragons' Den illustrate the key ideas and themes. Helps entrepreneurs face the reality of what they are trying to achieve Encourages readers to focus heavily on testing their business concept first, before they invest valuable time and resources in a slow-growth or no-growth business idea The current economic environment is forcing many people to start businesses to supplement their income or replace a lost job. But don't let emotion trump method. The Dragon's Den Guide offers your step-by-step approach to preparing yourself for the harsh but rewarding world of small business ownership. A #1 bestseller from coast to coast, *Den of Thieves* tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice. Pulitzer Prize-winner James B. Stewart shows for the first time how four of the eighties'

biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine—created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. Based on secret grand jury transcripts, interviews, and actual trading records, and containing explosive new revelations about Michael Milken and Ivan Boesky, *Den of Thieves* weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

How to assess your business concept's potential to win customers  
*The Dragons' Den Guide to Assessing Your Business Concept* is designed to help entrepreneurs assess whether they actually have a market for their business concept. Before anyone invests valuable time and resources to a slow-growth or no-growth business idea, this step-by-step approach will allow entrepreneurs to test an idea in an unflinching, reality-based way. Case studies sourced from Canada and the US and stories from entrepreneurs who appeared on the *Dragons' Den* TV show, where entrepreneurs pitch their ideas to millionaires willing to invest their cash, will illustrate the key ideas and themes. Helps entrepreneurs face reality before they let their dreams lead them into a losing battle for market share. Encourages readers to focus heavily on assessing their market first, before they invest valuable time and resources in a slow-growth or no-growth business idea. Prepare yourself to do battle in a difficult marketplace. Assess your potential customers and measure your concept against reality. *The Dragon's Den Guide* shows you the way.

Bear loves to get things done. He can make just about anything! He even builds a wonderful den. But something is missing. What could it be? From this talented trio comes a warm, playful picture book about what truly makes a home. Provides a rare glimpse into the machinations of one of the world's most baffling political systems, examining what has gone wrong and how Washington should deal with this volatile Middle Eastern nation -- Publisher.

Learn how to be a success from the business lessons of the *Dragons* and the financial advice of Evan Davis.

Britain's best loved business brains—Duncan Bannatyne, Deborah Meaden, Peter Jones, Theo Paphitis, and Richard Farleigh along with economics expert Evan Davis—divulge the secrets of their success in this essential read. Joining them is James Caan, the new Dragon who will be part of the team in the new season of the television show. James is a multi-millionaire businessman and entrepreneur. *Dragons' Den* is packed with advice, whether you want to perfect your pitching skills, develop an idea or make more money. The *Dragons* will look at what's become of the entrepreneurs who entered the *Dragons' Den*. Some went away emptyhanded but have since become successful. Others won the backing of the *Dragons* but failed to make their dream come true. The *Dragons* will show you what should have been done, what should have happened next, and how you too could win their backing and become a business success. This is much more than a TV series companion. It is a solid business read with never-before-heard advice and experiences from the

Dragons own business ventures. At last, we'll find out how they became millionaires and their rules for success. This is a unique, accessible ,and useful business read straight from the Dragons' Den. Let the Dragons show you how to turn your pipe dream into an income stream. This book shows you everything you need to know to: create new ideas and find market niches, develop a business plan to suit your lifestyle, find funding from banks and investors, and how to deal with the practicalities of company registration. Watch out, Nancy Drew—Devlin Quick is smart, strong, and she will DEFINITELY close the case in this thrilling new mystery series for girls and boys from New York Times bestselling author Linda Fairstein Someone has stolen a page from a rare book in the New York Public Library. At least, that's what Devlin's friend Liza thinks she's seen, but she can't be sure. Any other kid might not see a crime here, but Devlin Quick is courageous and confident, and she knows she has to bring this man to justice—even if it means breathlessly racing around the city to collect evidence. But who is this thief? And what could the page—an old map—possibly lead to? With her wits, persistence, and the help of New York City's finest (and, okay, a little bit of help from her police commissioner mother, too), Dev and her friends piece the clues together to uncover a mystery that's bigger than anyone expected—and more fun, too. With all of the heart-pounding excitement that made her internationally bestselling Alexandra Cooper series a hit, Linda Fairstein paves the way for another unstoppable heroine . . . even if she is only twelve.
