A handy 3-in-1

French study book: grammar, verbs and vocabulary in one volume, ideal for beginners who need a clear and easy-to-understand French reference and revision guide. George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership.

In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can - and must - be rediscovered with every age.' — Irish Times The Grammar Made Easy series is ideal for complete beginners as

well as for those non-linguists who have some knowledge of the language but need to know the basics of grammar to progress beyond phrasebook level. The books consist of seven units that present basic grammar topics in an accessible and non-patronising manner. The interactive CD-ROM provides extensive interactive grammar practice, it contains around 220 activities (those included in the book plus extra ones) covering all the language in Italian Grammar Made Easy. Learners work at their own pace and move through the different sections with ease. Numerous grammar tips are at hand if needed. All the correct answers

will be recorded so that learners can practise their listening and pronunciation skills. The CD-ROM can be used with the book or on its own as a revision tool. Reviews parts of speech, pronunciation, conversation techniques, sentence structure, punctuation, idioms, and verb charts. 'Basic Italian' provides readers with the basic tools to express themselves in a wide variety of situations. The book contains 23 individual grammar points in lively and realistic contexts. Language learning requires retraining your brain and any form of training requires focus, constant practice and especially support. This durable and

handy support tool can easily come with you anywhere for reference in an instant to review or use while practicing speaking with others. In 6 laminated pages the coverage is so succinct that our author fit the essentials of the Italian language into a complete and compact reference with the need-to-know details you would find on an Italian language final exam. This inexpensive and expertly written tool is a must have for repetition, review, and practice on your road to better grades, language fluency or as preparation for your summer trip to Italy. 6-page laminated guide includes: Numbers The Italian Alphabet & Pronunciation Articles

"A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller Guitar Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in

school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition

techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day. PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 Italian words - five words a day. Over the course of a year, Italian for Everyone Junior: Five Words a Day teaches new vocabulary to children who are starting to learn Italian. Presenting 20 new words

between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. A mix of nouns and verbs are taught through beautifully illustrated scenes, with each new word clearly labeled. Five Words a Day first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their Italian pronunciation as many times as they want. With over 1,000 Italian words, Five Words a Day is a colorful, clear, and comprehensive workbook that will lay the

foundations for your child's journey in learning and understanding Italian, at school or at home. Pocket-sized and packed with helpful instruction, this portable book provides a concise yet comprehensive guide to Italian grammar. Barron's Pocket Italian Grammar covers parts of speech, sentence structure, punctuation, pronunciation advice, verb charts, and more.
