Code Talker Mar 11 2022 "Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to find."—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults "Nonsensational and accurate, Bruchac's tale is quietly inspiring..."—School Library Journal

Teaching and Learning Vocabulary Nov 26 2020 Although proficiency in vocabulary has long been recognized as basic to reading proficiency, there has been a paucity of research on vocabulary teaching and learning over the last two decades. Recognizing this, the U.S. Department of Education recently sponsored a Focus on Vocabulary conference that attracted the best-known and most active researchers in the vocabulary field. This book is the outgrowth of that conference. It presents scientific evidence from leading research programs that address persistent issues regarding the role of vocabulary in text comprehension. Part I examines how vocabulary is learned; Part II presents instructional interventions that enhance vocabulary; and Part III looks at which words to choose for vocabulary instruction. Other key features of this timely new book include: *Broad Coverage. The book addresses the full range of students populating current classrooms--young children, English Language Learners, and young

adolescents. *Issues Focus. By focusing on persistent issues from the perspective of critical school populations, this volume provides a rich, scientific foundation for effective vocabulary instruction and policy. *Author Expertise. Few volumes can boast of a more luminous cast of contributing authors (see table of contents). This book is suitable for anyone (graduate students, in-service reading specialists and curriculum directors, college faculty, and researchers) who deals with vocabulary learning and instruction as a vital component of reading proficiency.

—Entertainment Weekly Bijan Majidi is: Shy around girls Really into comics Decent at basketball Bijan Majidi is not: A terrorist What happens when a kid who's flown under the radar for most of high school gets pulled off the bench to make the winning basket in a varsity playoff game? If his name is Bijan Majidi, life is suddenly high fives in the hallways and invitations to exclusive parties—along with an anonymous photo sent by a school cyberbully that makes Bijan look like a terrorist. The administration says they'll find and punish the culprit. Bijan wants to pretend it never happened. This book for young readers explores in riveting detail the false panic created by the famous War of the Worlds radio broadcast from 1938—as well as the repercussions of "fake news" today. On the night of October 30, 1938, thousands of Americans panicked when they believed that Martians had invaded Earth. What appeared to be breaking news about an alien invasion was in fact a radio drama based on H. G. Wells's War of the Worlds, performed by Orson Welles and his Mercury Theatre players. Some listeners became angry once they realized they had been tricked, and the reaction to the broadcast sparked a national discussion about fake news, propaganda, and the role of radio. In this compelling nonfiction chapter book, Gail Jarrow explores the production of the broadcast, the aftermath, and the concept of "fake news" in the media.
