This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "No Key Stage 1 classroom should be without the whole set." - The Bookseller Find the Easter eggs hidden by the Easter Bunny in this lift-the-flap book. This fun book is a perfect way for young children to practise pen control, one of a few indispensable skills that will give children a head start at school. Like other wipe-clean books from Usborne, it comes with a special wipe-clean pen which is really satisfying to write with, yet easy to wipe off the shiny pages. Dot-to-Dot, spotting, line tracing and drawing activities are combined in this multi-themed wipe-clean book. Read and find out all about eggs -- and how baby chicks grow inside of them. Learn how chicks develop, how they get the food they need to grow, and how a mother hen helps keep them safe in this simple introduction to the life cycle of a baby chick. An illustrated introduction to outer space and astronomy for children. Peep inside a bird's nest to see her precious eggs nestled there. Lift a flap to see them hatch, and find out how a bird takes care of its young. Discover all kinds of different nests and chicks, from teeny-tiny humming birds nests to great big muddy flamingo nests, and even learn how penguins take care of their eggs in the snow without a nest at all. A simple, illustrated description of flowers and how and why they grow. The classic bilingual Spanish/English word book, featuring 1000 everyday words illustrated with busy scenes and labelled pictures to help children learn key Spanish vocabulary. A told B, and B told C, "I'll meet you at the top of the coconut tree" Countless children

-- and there parents -- can joyfully recite the familiar words of this beloved alphabet chant. The perfect pairing of Bill Martin Jr and John Archambault's lively rhymes, and Caldecott Honor artist Lois Ehlert's bright, bold, cheerful pictures made Chicka Chicka Boom Boom an instant hit and a perennial favorite. This full-sized, quality paperback edition will bring even more fans to this endearing, enduring classic. Chicka chicka boom boom will there be enough room? There will always be room for Chicka Chicka boom Boom on every child's bookshelf! Synopsis coming soon..... Have you ever wondered what makes the colors in a rainbow, how a hot air balloon stays afloat, and why you zing after getting an electrical shock? You'll find out when you take your first steps into the world of science with this exciting series that takes a fun hands-on approach to unlocking the mysteries of the world around you. Your senses will have a field day as they explore the whys and hows of gravity, sound, motion, light, energy, and more! Hello Reader! Science. Discover the amazing adaptations that animals have made to survive in some of the harshest places on Earth. Readers can also uncover weird and wonderful plants and find out about the traditions of people from all over our world. Examines the physical characteristics, behavior, habitat, nutritional needs, and life cycle of penguins and lists websites where readers can find more information. Help your little one to develop their first number and counting skills with this big, bright and bold board book. Inside, first numbers are represented by crisp, clear photographs of familiar animals, objects, food and more, so that as well as helping children to learn their 123, they will also build their daily vocabulary and start to develop word and picture association skills. With sturdy, durable card pages, this is an essential first numbers book for every child's library. A beautiful pop-up celebration of the seasons! From a nestful of spring

chicks and a summer meadow, to the whirling leaves of autumn and a snowy forest, children will love poring over the 3D scenes and exploring the four seasons in this wonderful pop-up book. As well as four seasonal scenes, there's an amazing pop-up four-season tree at the end! With stunning illustrations and simple text, this is a delightful book to share with little children. With free online audio to listen to. This book is packed with fun, creative ideas for things to make and do for Easter. What is the surface of Mars like? Why does Venus glow in the dark? How do scientists explore faraway planets? In this book, you'll find out the answers and lots more fascinating facts about the Solar System. Peep under flaps and through holes to explore the snowiest places on Earth in this little wintry book. Peep under the snow to see polar bear cubs coming out of their den, seals and narwhals in the icy sea, peep behind penguins near the South Pole to meet their fluffy chicks, and peep behind the clouds to see the Northern Lights glowing in the sky. Another, very topical addition to add to the award-winning peep inside series. Sweet first discovery of Arctic/polar animals encourages young children to have a love of nature and snowy places - vital to the environmental concerns of today. Simple child-friendly text and irresistibly designed flaps encourage children to actively engage with the subject, building their learning confidence. This leafy flapbook lets readers admire and explore the life of trees. What kind of tree grows in the sea? How tall are the tallest trees? Which tree can change how its leaves taste? This flap book holds the answers, along with masses of other amazing tree facts, and can tell you why we need trees - and why they need our help. A fantastic brand new addition to the Beginners series, each of which is designed to provide an informative introduction to non-fiction subjects for young readers. Terrific reading practice for children who prefer fact to fiction. A

charming new addition to the best-selling 'That's Not My'... series. Babies and toddlers will love turning the pages and touching the feely patches as they try to find their fluffy friend. Part of an internationally bestselling series, which includes over fifty titles and has sold over 5 million copies in the UK alone. With simple, repetitive text, tactile patches and bold illustrations suitable for babies and toddlers. A little, white mouse appears on every page, for children to spot. A hilarious novelty book for little children featuring magical animals that make noises when you tickle the touchy-feely patches. You'd better not tickle the unicorn... because it just might neigh if you do! This delightful interactive book combines touchy-feely patches with sounds: as well as the unicorn, little children will enjoy tickling the dragon, phoenix and yeti to find out what noises they make. At the end of the book, all of the animals make their noises at the same time, along with a bouncy tune guaranteed to get everyone dancing. True account of the training and early work experiences of the German shepherd which became the first seeing eye dog in America. This book is an introduction to dinosaurs and the conditions on Earth millions of years ago. Can you guess what is hatching from this egg? It's a chick! You will learn all about a chick's life cycle in this book. From the bestselling and award-winning A.M. Howell, author of The Garden of Lost Secrets and The House of One Hundred Clocks, comes a brand-new thrilling historical mystery of stolen treasure, friendship and deep courage set in the immediate aftermath of the Second World War. February 1948. Ruth has been whisked off to the lonely Rook Farm to investigate the discovery of long-buried treasure with her mother. But at the farmhouse, she finds secrets lurk around every corner. Joe, the farmer's son, is hiding something about the treasure, while land girl Audrey watches their every move. But before Ruth can

find out more, the treasure is stolen... With a storm coming, Ruth must race to uncover the secrets of the treasure keepers before all of their lives are changed forever. Praise for A.M. Howell WINNER OF THE MAL PEET CHILDREN'S AWARD WINNER OF THE EAST ANGLIAN BOOK OF THE YEAR A SUNDAY TIMES CHILDREN'S BOOK OF THE WEEK "Howell is a hypnotically readable writer, who keeps the pulse racing, while allowing every character slowly to unravel." The Telegraph "Gripping plot as well as authentic historical detail." The Daily Mail "Fans of Emma Carroll will adore this historical tale of derring-do and righted wrongs." The Times "Atmospheric, full of period detail, and most importantly, thrilling." The i
