... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the Gita. According to him, the Gita was 'practical Vedanta'. He demonstrated this through his life. Reading through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him always, one cannot do better than carry a copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441

published by Sri Ramakrishna Math, Chennai. As of February 2017, the print book has undergone seven reprints and more than 27,000 copies have been sold.

outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence. First published in 1932, this slim volume of short stories created a firestorm of public outrage for its bold attack on the hypocrisy of conservative Islam and British colonialism. Inspired by British modernists like Woolf and Joyce as well as the Indian independence movement, the four young trailblazers who penned this collection were eager to revolutionize Urdu literature. Instead, they invited the wrath of the establishment: the book was burned in protest and then banned by the British authorities. Nevertheless, Angaaray spawned a new generation of Urdu writers and gave birth to the Progressive Writers' Association, whose members included, among others, stalwarts like Chughtai, Manto, Premchand and Faiz. This edition also provides a compelling account of the furore surrounding this explosive collection.

Master MongoDB - The widely used modern database in a step-by-step, practical, and easy-to-understand approach covering all major topics

KEY FEATURES

- In-depth practical demonstration of MongoDB concepts with numerous examples.
- Includes graphical illustrations and visual explanations for MongoDB commands and methods.
- Covers advanced topics such as MongoDB Compass, MongoDB Security, Backup and Restore, and Replication and Sharding.

DESCRIPTION MongoDB Complete Guide book starts with the basics of MongoDB, what exactly is MongoDB, and how to use it practically. You will understand how MongoDB is different from the traditional RDBMS. Topics such as installation and configuration of the MongoDB server, MongoDB commands, MongoDB Shell methods, and data types in MongoDB are covered in detail. You will practice how to perform MongoDB CRUD operations, indexing, MongoDB query selectors, projection in MongoDB and projection operators as well as aggregation in a very detailed and step-by-step manner. You learn how to work with MongoDB Compass and some of the advanced MongoDB topics like managing and administering MongoDB, managing the MongoDB process, monitoring and diagnosing MongoDB, backup and restore, MongoDB security, replication and sharding.

WHAT YOU WILL LEARN

- Perform write operations, search documents, and define complex queries in MongoDB.
- Perform indexing, aggregation, and data replication.
- End-to-end MongoDB administration along with authentication and authorization.
- Running backups, restoring, and monitoring of MongoDB database enterprise-wide.

WHO THIS BOOK IS FOR This book is designed for software developers and server administrators who want to quickly learn MongoDB basics and start applying the knowledge of MongoDB in their business systems.

TABLE OF CONTENTS

MongoDB Basics

1. Introduction to MongoDB
2. MongoDB Installation and Setup on Windows
3. MongoDB Installation and Setup on Linux (Ubuntu)
4. MongoDB Installation and Setup on macOS
5. Getting started with MongoDB
6. Storage Engines in MongoDB
7. Managing and Administering MongoDB
8. MongoDB Shell Methods
9. Data Types in MongoDB

MongoDB Intermediate Level Topics

10. Introduction to MongoDB CRUD Operations
11. MongoDB Intermediate Concepts
12. Introduction to MongoDB Indexes
13. MongoDB Query Selectors
14. Projection in MongoDB and Projection Operators
15. Aggregation in MongoDB
16. MongoDB Data Manipulations Using MongoDB Compass

MongoDB Advanced Level Topics

17. Managing and Administering MongoDB (Advanced Level)
18. Replication in MongoDB
19. Sharding in MongoDB

Biographical novel on the life of Lord Krishna (Hindu mythology). Set of 8 vols. Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of

successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai. Krishan Chander is a stalwart of the Progressive Writers' Movement and a venerable name in Urdu and Hindi short story writing. His timeless stories astound both in terms of quality and sheer volume, yet he remains under-read outside his own languages. With simplicity and stylistic flair, this much-awaited volume brings together a novella and three stories that represent the best of his oeuvre. In 'The Dark River', a gothic tale of love and murder unfurls amidst great beauty. It will take all of Lata's strength to navigate the underbelly of Mumbai with nothing but a vermillion dream in 'Same Old Desire'. In 'Plums', the narrator realizes that there are things that time cannot touch: the citrus mischief of love, memories and plums. Even the most hardened criminal cowers before the silence of those who have nothing more to lose in 'Breaking the Strike'. Varied and evocative stories that carry the delicate essence of Urdu and Hindi into another language. The Story Of My Experiments With Truth is a bestseller which describes the ups and downs of the author's life. This book is about the author's experiments in his life, and how he developed himself as a person. This book instead of explaining Gandhi as a perfectionist, instead describes his many flaws and how he defeats his problems with his enormous willpower. The Story Of My Experiments With Truth is the story of a simple, immoral man who eventually transforms into a great freedom fighter. This book contains various incidents in this author's life from his birth to 1920s. His time in South Africa as an anti-apartheid activist is also looked into. This autobiography begins when he was a common man and ends right around the time he became an international figure. How he became Gandhi is quite fascinating to read. His philosophies of simplicity, nonviolence, and truth are comprehensively explored. This book is easy to read as it has good translation. The Story Of My Experiments With Truth was published by Om Books in 2010, and is available in the form of a paperback. 'Sisters in the struggle': Women of Indian Origin in South Africa's Liberation Struggle 1900-1994 unveils an uncharted historical terrain, highlighting the contributions of Indian women towards non-racialism and equality and their experiences within diverse political parties; therefore, shifting the post-apartheid liberation stories which have been dominated by the journey of the ANC to other political organisations who collectively played a significant role in South Africa's road to democracy. In this book, Hiralal presents a refreshing perspective of Indians, particularly women, as contributors and activists in the struggle. The book elucidates that the struggle against apartheid was a collective endeavour among the oppressed races and not a one-sided endeavour by the ANC. The book, thus, examines the participation of Indian women against apartheid and colonialism within gendered and political frameworks. On the life of Arjuna, Hindu mythological character from Mahābhārata, classical epic. You are holding in your hands the first book containing an authentic biography of two greatest divinities of this country about which people are not well acquainted. It contains a unique account not found elsewhere about the actual meetings of Bhaijee—Shri Hanuman Prasad Poddar with Lord Vishnu in 1927 at Jasidih in front of several gentlemen and again in Gorakhpur. Second important event is the exclusive appearance of saint Narad and great sage Angira in front of Bhaijee in 1936. Conversation of Bhaijee with a Parsee ghost would certainly convince readers about the importance of Shraddh to be performed after one's death. Bhaijee was not only a true saint and social reformer but was also involved in independence movement of India. Founder editor of famous 'Kalyan'; Bhaijee did herculean efforts to translate rare and ancient scriptures like Ramayana & Mahabharat from Sanskrit to Hindi and made them available to everyone at very nominal price. Bhaijee showed an evidence for a brightest identity of the sweet love towards Radha-Krishna and explored its feasibility to achieve it with an utmost simplicity through his discourses and texts. He did an extraordinary

campaign for divine name and religious devotion (Bhakti) amidst general public. Inclusion of a short biography of another divinity—Sethji Shri Jaidayal Goyandka is another feature of this seminal book. The credit for establishment of Gita Press in Gorakhpur; Govind Bhawan in Kolkata; Gita Bhawan of Swargashram at Rishikesh and Rishikul Ashram in Churu including a unique; authentic and excellent commentary on Gita goes to him only.

When it was first published (in 1991), Political Agenda of Education was hailed as an outstanding contribution to educational theory. This thoroughly revised edition sharpens the focus and explanatory range of the original framework. In particular, the author has incorporated the complex terrain of gender and girls' education while bringing in a more nuanced discussion of caste as a factor of equality in educational opportunity. The book is divided into two parts. Part I analyzes the circumstances surrounding the establishment of a colonial system of educational administration and the implications it had for both teaching and curriculum. Part II locates educational reform within the dynamics of the three major quests of the freedom struggle: the demand for equal participation in education by the lower castes; the quest for self-identity; and the idea of progress. Krishna Kumar uses the history of ideas to develop insights which are highly relevant for the challenges facing the system of education in India and the rest of South Asia today.

The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it was published by All India Radio, New Delhi. From July 3, 1949, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener as a Bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation.

... Hinduism has an extraordinary wealth of scriptures but people have no time to read the religious books like Vedas; Puranas; Upanishads etc. Therefore; an attempt has been made to have a single volume that forms the foundation of our civilisation's heritage to seek inspiration and a sense of direction in our lives. The Vedas prescribe some regulations and if someone follows them; one will be free from material entanglement. The Puranas; each named after a deity Brahma; Vishnu and Shiva; are the post vedic texts which contain a complete narrative of the history on the Universe from creation to destruction. The Upanishads represent the essence of the Vedas. The Smritis explain and elaborate the Vedas; making them understandable and more meaningful to the general population. The Bhagwad Gita is in the form of a dialogue between Arjuna and Lord Krishna who teaches him to do his duty. The Mahabharata is not only an epic but tells the tale of heroic people; containing a code of life; a philosophy of social and ethical relations. The Ramcharitamanas provides the guidelines for an ideal family; an ideal king and an ideal mother. This book gives a brief about holy books of Hinduism must read for every Hindu and Bharatiya.
