Golden Son Jul 14 2022 NEW YORK TIMES BESTSELLER • Red Rising hit the ground running and wasted no time becoming a sensation. Golden Son continues the stunning saga of Darrow, a rebel forged by tragedy, battling to lead his oppressed people to freedom. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR, BUZZFEED, AND BOOKLIST • “Gripping . . . On virtually every level, this is a sequel that hates sequels—a perfect fit for a hero who already defies the tropes. [Grade:] A”—Entertainment Weekly As a Red, Darrow grew up working the mines deep beneath the surface of Mars, enduring backbreaking labor while dreaming of the better future he was building for his descendants. But the Society he faithfully served was built on lies. Darrow’s kind have been betrayed and denied by their elitist masters, the Golds—and their only path to liberation is revolution. And so Darrow sacrifices himself in the name of the greater good for which Eo, his true love and inspiration, laid down her own life. He becomes a Gold, infiltrating their privileged realm so that he can destroy it from within. A lamb among wolves in a cruel world, Darrow finds friendship, respect, and even love—but also the wrath of powerful rivals. To wage and win the war that will change humankind’s destiny, Darrow must confront the treachery arrayed against him, overcome his all-too-human desire for retribution—and strive not for violent revolt but a hopeful rebirth. Though the road ahead is fraught with danger and deceit, Darrow must choose to follow Eo’s principles of love and justice to free his people. He must live for more. Praise for Golden Son “Stirring . . . Comparisons to The Hunger Games and Game of Thrones series are inevitable, for this tale has elements of both.”—Kirkus Reviews “Brown writes layered, flawed characters . . . but plot is his most breathtaking strength. . . . The Adventurer's Son Jan 28 2021 NATIONAL BESTSELLER "Destined to become an adventure classic." —Anchorage Daily News Hailed as "gripping" (New York Times) and "beautiful" (Washington Post), The Adventurer's Son is Roman Dial’s extraordinary and widely acclaimed account of his two-year quest to unravel the mystery of his son’s disappearance in the jungles of Costa Rica. In the predawn hours of July 10, 2014, the twenty-seven-year-old son of preeminent Alaskan scientist and National Geographic Explorer Roman Dial, walked alone into Corcovado National Park, an untracked rainforest along Costa Rica’s remote Pacific Coast that shelters miners, poachers, and drug smugglers. He carried a light backpack and machete. Before he left, Cody Roman Dial emailed his father: “I am not sure how long it will take me, but I’m planning on doing 4 days in the jungle and a day to walk out. I’ll be bounded by a trail to the west and the coast everywhere else, so it should be difficult to get lost forever.” They were the last words Dial received from his son. As soon as he realized Cody Roman’s return date had passed, Dial set off for Costa Rica. As he trekked through the dense jungle, interviewing locals and searching for clues—the authorities suspected murder—the desperate father was forced to confront the deepest questions about himself and his own role in the events. Roman had raised his son to be fearless, to be at home in earth’s wildest places, travelling together through rugged Alaska to remote Borneo and Bhutan. Was he responsible for his son’s fate? Or, as he hoped, was Cody Roman safe and using his wilderness skills on a solo adventure from which he would emerge at any moment? Part detective story set in the most beautiful yet dangerous reaches of the planet, The Adventurer’s Son emerges as a far deeper tale of discovery—a journey to understand the truth about those we love the most. The Adventurer’s Son includes fifty black-and-white photographs.

Son: A Psychopath and his Victims Jun 13 2022 A classic from “the dean of true crime” (The Washington Post)—now with a new foreword—this 1983 masterpiece tells the incredible story of a Spokane, Washington serial rapist who was exposed as the handsome, privileged son of one of the city’s most elite families. For more than two years, a rapist prowled the night streets of the homey, All-American city of Spokane, Washington, terrorizing women, sparking a run on gun stores, and finally causing one newspaper to offer a reward—the calls taken by the distinguished managing editor himself, Gordon Coe. In March 1981, luck and inspired police work at last produced an arrest, and Spokane shuddered. The suspect was clean cut and conservative...and Gordon Coe’s son. For eighteen months, Jack Olsen researched the cases of Fred and Ruth Coe to try to learn not only what happened within that family, but how and why. He interviewed more than 150 people and built up a portrait not only of that extraordinary family, but of the mind of a psychopath. And searching the memories of the women in Fred Coe’s life, he unearthed a most horrifying question: What is it like to love and live with a man for years—and then discover he is a psychopathic criminal? In this “gruesomely spellbinding” (Glamour) examination of the mind of a psychopath and of the women—and men—who were his victims, Olsen delivers “a harrowing portrait...It has become fashionable with books about vicious crimes to compare them to Truman Capote’s In Cold Blood. Finally there is a book that deserves the comparison” (Richmond Times-Dispatch).

In the Long Run Feb 26 2021 It's 2008. Jim Axelrod—once among the most watched correspondents on network news and the first television reporter to broadcast from Saddam International Airport in 2003—is covering the final stages of the race for the Democratic presidential nomination. He's forty-five years old and thirty pounds overweight. He's drinking too much, sleeping too little, and scarcely seeing his family. He's just figured out that the industry that pulled him up the corporate ladder is imploding as he's reaching for its final rungs. Then, out of the blue, Jim discovers his late father's decades-old New York Marathon finish times. At forty-six, Bob Axelrod ran a 3:29:58. With everything else going on in his life, Jim sets himself a defining challenge: "Can I beat him?" So begins a deeply felt, often hilarious, quixotic effort to run the 2009 New York Marathon. Along the way, Jim confronts his listing marriage, a career upset by the seismic changes going on throughout the television news industry, excruciatingly painful shin splints, and the worst-timed kidney stone possible. Looming over it all is the shadow of a loving father, who repeatedly lost his way in life but still has a lesson to impart. This is a book about a dead father's challenge to a son at a crossroads, but, more than that, it is about the personal costs paid when ambition and talent are not enough to ensure success. Most fundamentally, though, it is a book about learning what it takes to be happy in your own skin.

Out of the Darkness into the Son's Light Oct 17 2022 Imagine a little girl that lived for many years in terror and fear. She would experience sexual abuse, rape and other forms of abuse. The word normal was not in her vocabulary. Therefore she ultimately began to make unhealthy choices for herself and her children. Feeling as though she had inflicted her trauma on her children seemed to worsen the guilt. Mavis seemed to function in crisis. She would live many years before finding the Truth. Eventually Mavis would find forgiveness and learn how to forgive others. Through this forgiveness the Lord would restore relationships and show her the meaning of complete joy. Only He can restore abuse to preservation and respect, terror to joy and happiness, fear to courage and bravery, trauma to healing, crisis to peace, guilt to innocence, shame to honor and respect, and turn your sorrow to joy. The past does not define who we are or our destiny for the present or future. The abuse is what happened to me, but it is not who I am. I have finally found my true identity.

The Son Jun 25 2023 THE NEW YORK TIMES BESTSELLER NOW A MAJOR TV SERIES starring Pierce Brosnan and co-written by Philipp Meyer The critically acclaimed, New York Times-bestselling epic, a saga of land, blood and power, follows the rise of one unforgettable Texas family from the Comanche raids of the 1800s to the oil booms of the 20th century. Eli McCullough is just twelve years old when a marauding band of Comanche storm his Texas homestead, brutally murder his mother and sister and take him captive. Despite their torture and cruelty, Eli - against all odds - adapts to life with the Comanche, learning their ways and language, taking on a new name, finding a place as the adopted son of the band's chief and fighting their wars against not only other Indians but white men too, which complicates his sense of loyalty, his promised vengeance and his very understanding of self. But when disease, starvation and westward expansion finally decimate the Comanche, Eli is left alone in a world in which he belongs nowhere, neither white nor Indian, civilized nor fully wild. Deftly interweaving Eli's story with those of his son Peter and his great-granddaughter JA, The Son maps the legacy of Eli's ruthlessness, his drive to power and his lifelong status as an outsider, even as the McCullough family rises to become one of the richest in Texas, a ranching and oil dynasty that is as resilient and dangerous as the land they claim. Yet, like all empires, the McCulloughs must eventually face the consequences of their choices. Panoramic, deeply evocative and utterly transporting, The Son is a masterpiece American novel - part epic of Texas, part classic coming-of-age story - that combines the narrative prowess of Larry McMurtry with the knife-edge sharpness of Cormac McCarthy. 'Stunning ... a book that for once really does deserve to be called a masterpiece' Kate Atkinson 'Magnificent ... McCarthy's Border Trilogy is a point of reference, as is There Will Be Blood, but it is not fanciful to be reminded of certain passages from Moby-Dick - it's that good'The Times 'Brilliant ... a wonderful novel' Lionel Shriver

The Son Who Never Left Home Dec 07 2021 Warren Hahn inherited his family’s German work ethic. He knows the meaning of grueling farm labor, the sweat and toil that come from tilling the land, and the endless hours of work that life on an old homestead demands. He’s seen many changes in his life, but at the root of everything are the precious seeds of family and history. In this autobiographical work, Warren honors his family and the many hardships they endured to start a new life in America in the mid-1800s. His family grew from hardy and hardworking German people who risked everything to create a better future for their children. Warren grew up on tales of the difficult and dangerous ocean crossings, love, adventure, ambition, death, disaster, hardship, and hope; he knew that these stories needed to be preserved and celebrated. His ancestors settled in the harsh frontier lands of Texas and scrambled to create a future in a hostile, unforgiving environment and time. Now younger generations can come to know the price these strong-willed settlers paid for their family. Offering more than just a family history, he shares the story of his own life in modern-day Gillespie County, Texas. Every person has a story worth telling. In honor of his family’s rich history, Warren has gathered many lifetimes of those stories to inspire future generations.

The Son of God Beyond the Flesh Mar 22 2023 The so-called extra Calvinisticum-the doctrine that the incarnate Son of God continued to exist beyond the flesh-was not invented by John Calvin or Reformed theologians. If this is true, as is almost universally acknowledged today, then why do scholars continue to fixate almost exclusively on Calvin when they discuss this doctrine? The answer to the “why” of this scholarly trend, however, is not as important as correcting the trend. This volume expands our vision of the historical functions and christological significance of this doctrine by expounding its uses in Cyril of Alexandria, Thomas Aquinas, Zacharias Ursinus, and in theologians from the Reformation to the present. Despite its relative obscurity, the doctrine that came to be known as the “Calvinist extra” is a possession of the church catholic and a feature of Christology that ought to be carefully appropriated in contemporary reflection on the Incarnation.

Sins of the Son Mar 10 2022 An acclaimed true-crime author takes on his toughest project of all-- writing about a murderer who happens to be his son. When a hideous murder makes the headlines, a barrage of questions usually appears in its wake: Why did this happen? Could it have been prevented? What kind of family was the criminal from? Are his parents in some way to blame? Any crime writer worth his salt would attempt to answer these questions-- but how do you address such questions when the killer is your own son? As a single father raising two sons, Carlton Stowers did his best to instill in his boys a healthy sense of right and wrong. But with Anson, his oldest, it would prove to be an ongoing uphill battle. At a young age, Anson began to angrily shun authority, and soon became involved with a number of illicit activities, including drugs, forgery, and theft. After each jail stay, Anson would vow to get clean and start anew. It became a revolving door for both father and son, until Anson, twenty-five years old and strung-out on amphetamines, brutally murdered his young ex-wife. In a brave, honest, and moving work, bestselling true-crime writer Carlton Stowers examines the downfall of his eldest son, once a happy child full of promise, now a convicted murderer serving a sixty-year sentence. With a reporter's shrewdness and a father's heart, Stowers presents a true story of two lives irrevocably lost, and of one man struggling to both understand-- and move beyond-- the...Sins of the Son.

The arm of the rider cradled the youngster against the lurches of the pony's gait. The owner of the arm looked down at the tired little bundle it was supporting.
