Diana and Paul von Welanetz were a storybook couple. Their courtship was a transcontinental whirlwind. The enchantment of their first days together seemed to grow richer through twenty-five years of marriage. Regarded by friends as a perfect match, they were even named "One of L.A.'s Most Romantic Couples" by Los Angeles magazine. But one day, Paul was diagnosed with cancer. Diana was devastated. Soon afterward, in rapidly declining health, Paul told her, "I don't want you to be alone." She replied, "Then send me someone!" He responded, "I will." That promise is at the heart of the extraordinary story told in *Send Me Someone*. It is both a romantic love story and a credible account of communication with someone from "the other side": an engaging, real-life tale that proves that true love never really dies. Is there something holding you back from becoming the person you want to be? Fear is all around us, from having a tricky talk with your boss to facing up to a problem at home. Everyone has worries and fears that can stop them progressing and reaching for the things that they really want in life. The simple, life-changing exercises in *Feel the Fear & do it anyway* will teach you how to turn anger into love and uncertainty into action. The keys to real success in travel writing and blogging. A psychotherapist and motivational speaker's "powerful and practical" guide to overcoming negativity and self-sabotage—with a foreword by Anthony Robbins (Publisher's Weekly). "This book will show you how to move beyond your limitations and begin to experience and share your gifts at the highest level. . . . Read this book in its entirety, follow the lessons closely, and watch as your life transforms into a masterpiece filled with an abundance of bliss, passion, and gratitude." —From the Foreword by Anthony Robbins In addition to presenting Sean Stephenson's unbelievable life story, Get

Off Your "But," offers anyone who needs to conquer fears and insecurities a hands-on guide for overcoming the forces of negativity and self-sabotage. Sean—a successful psychotherapist—shows what it takes to overcome the big bumps in the road, eliminate excuses, end insecurities, and ultimately stand up for happiness and success in life. As Sean explains, anyone can fall victim to the "Buts": "But" Fears (BUT what if I fail . . .) "But" Insecurities (BUT I'm not good enough . . .) "But" Excuses (BUT there's no time . . .) Get Off Your "But" offers a practical guide for putting fear behind you and building the inner resources to become self-confident at work and at home. It's time to get off your "but" and start leading the life you dream. Strobel and her husband are living the voluntary downsizingNor smart-sizingNdream and here she combines research on well-being with numerous real world examples to offer practical inspiration. The classic bestseller that has inspired millions to face their fears once and for all is newly revised with an updated version. Are you afraid of making decisions . . . asking your boss for a raise . . . leaving a relationship . . . facing the future? The world is a scary place right now—day to day stress and worry is at an all-time high—but the hard truth is that fear won't just go away on its own. The only way to get rid of fear is to approach it, and this book is your essential guide to connecting with your inner power in order to do just that. In this enduring work of self-empowerment, now updated for the post-pandemic new normal, Dr. Susan Jeffers shares dynamic techniques and profound concepts that have helped countless people grab hold of their fears and move forward with their lives. You'll discover: · How to raise your self-esteem · How to become more assertive · How to connect to the powerhouse within · How to create more meaning in your life · How to experience more enjoyment With warmth, insight and humor, Dr. Jeffers shows you how to become powerful in the face of your fears—and enjoy the elation of living a creative, joyous, loving life. Whatever your fear, here is your chance to push through it and find true and lasting fulfillment on the other side. Anger is like fire. Sometimes it can be useful, sometimes it can be destructive, sometimes it can feel that we just can't get a spark started although we feel like we're sitting on a powder keg. We're all human and we all have anger, whether others see us as angry and bitter or smiling and carefree. This book is written to help you understand your own anger, whether it stems from fear, sadness, resentment, control, self-blame or holding on to old pain. It's written to help those who feel burdened with anger that they just can't express, those who feel the pain of almost overwhelming anger or those who find it difficult to get through the day without one really good tantrum. "To me, you are a hero... You have learned to take something negative in your life and make it a positive... a gift to others. It doesn't get any better than that." Susan Jeffers, Ph.D. author of *Feel the Fear and Do It Anyway* and *Embracing Uncertainty* Internationally renowned author,

Susan Jeffers, has helped millions of people round the globe to overcome their fears and heal the pain in their lives. Her now classic work, *Feel the Fear and Do It Anyway*, has been a huge worldwide success and continues to ride high in the bestseller charts because it showed us all, in simple terms, how to transform our anxieties into confidence, action and love. *Feel the Fear...and Beyond* is a practical companion to this important book - yet it also stands alone as a must-have for facing life and facing fears in the twenty-first century. Filled with valuable exercises, it is designed to teach us that we can handle whatever life brings us in a powerful and life-affirming way. Susan Jeffers encourages us to make full use of these valuable tools when we are fearful of making changes or confronting new situations in our lives. In this empowering book, Susan Jeffers reveals to us the heart and soul of connection. We all want to be loved by our partners, and to have good relationships with friends and colleagues. What we don't always know is how to make that special sense of connection happen. In *Dare to Connect*, Susan gives us the insights and tools we need to create a sense of belonging everywhere we go. We learn that this is a world where there are no strangers and we never need to feel alone. *Dare to Connect* is for everyone who has ever asked: Why do I feel so nervous when I walk into a room full of strangers? Why do I feel lonely, even though I'm surrounded by people? Why do I feel so alienated from my husband/wife/lover? Why is it so hard to approach the person I am most interested in meeting? With wisdom and humour, Susan Jeffers shows you how to enjoy the wonderful relationships you deserve. Fear, the most powerful force in our life, is the least understood. Every one of us experiences it. Many arrange their lives to avoid it. Yet nearly every one of us needs to find more fear. Most of us know fear as the unwanted force that drives phobias, anxieties, unhappiness, and inhibits self-actualization. Ironically, fear is the underlying phenomenon that heightens awareness and optimizes physical performance, and can drive ambition, courage, and success. Harnessing fear can heighten emotional intelligence and bring success to every aspect of your life. Neuroscience and current research on how the brain processes and uses fear have torn the lid off the possibilities of human performance; yet most people are not reaching their complete potential because of a psychological roadblock Sweeney calls the Fear Frontier. Identifying your Fear Frontier and addressing it, Sweeney illustrates in these pages, is the path to success, happiness and fulfillment in almost all aspects of your life. He also provides the most effective steps toward rewiring your mind for a healthier longer life based on courage. *Fear is Fuel* is a practical guide that instructs everyday readers, business & military leaders, activists, humanitarians, and educators on a unique path toward translating fear into optimal living. By facing fears, and challenging new ones, readers can harness the power of unique motivations to achieve more, experience more, and enjoy more. The path to a fulfilling life is not to avoid fear but to recognize it, understand it, harness it, and unleash its power. *365 Days of Angel Prayers* What if every day you could encounter the divine? What if you could regularly know the

blessing of deep peace and abiding joy? What if you could talk to angels? Great news-you can! *365 Days of Angel Prayers* is a multi-author anthology of daily readings written to inspire and guide you to experience a rich and continuous communion with the angelic realm. Whether you choose to read that day's entry or take a more spirit-led approach, these prayers, blessings, invocations, and essays will help you learn how to communicate with angels. And as you allow the words to wash over your mind and heart, receiving the healing inherent within them, you will begin to see that there is no one way to pray for divine blessing or assistance. Soon, you may even find your own unique words pouring out-embrace them. Remember, this book is a collaboration, one you are warmly invited to join. Soak in the deep peace, love, and joy of the angels. Through your daily connection, you will begin to shine their heavenly light and share their divine love with everyone you encounter. This revamped second edition features Sunny Dawn Johnston, best-selling author of *Invoking the Archangels*, Kimberly Marooney, Karen Paolino Correia, Roland Comtois and 148 angel messengers from across the globe! Franklin Roosevelt told us that what we most have to fear is fear itself. Forrest Church shows that we can start to overcome it. He begins by identifying the five kinds we face in life: fright, worry, guilt, insecurity, and dread. Each has its own logic, but their effect singly or collectively is paralysis. Conquering fear requires courage-to love, to act, and to be. *Feel the Fear and Do It Anyway* has sold a million copies round the world since 1987, and is still one of the top ten bestsellers in the category of personal development. In this book, Susan Jeffers takes the approach and practical strategies that made her first such a success and applies them to the subject that is closest to all our hearts: Love. The author explains that, although most people desire a wonderful relationship, too many of us don't really understand what love truly means. We say we love people in our lives yet, too often, we don't act very lovingly. Nor do we choose our partners wisely. This lack of understanding about love is reflected in the ever-increasing divorce rate and the huge number of people who ask with a deep yearning in their hearts: Why is love so hard? *The Feel The Fear Guide To... Lasting Love* shows what real love actually looks like, how to learn the essentials for finding it - and how to make it last a lifetime. It also lays out solutions to common problems and explains the destructive power of fear. Full of Jeffers' own experiences, humour and down-to-earth techniques, as well as the wisdom of others, this book will show us all how to enjoy the delight, satisfaction, peace and caring that true love can bring us. I want a pony./DIVDIV I want a pony more than anything in the world. A little girl who longs for a pony draws pictures of a dappled mare she names Silver, then rides her through a magical countryside in her dreams. At the heart of Susan Jeffers's exquisite picture book lies the idea that in her imagination, a child can journey anywhere and do anything— even fly through the stars on her very own pony... Can serious poetry be funny? Chaucer and Shakespeare would say yes, and so do the authors of these 187 poems that address timeless concerns but that also include comic elements. Beginning

with the Beats and the New York School and continuing with both marquee-name poets and newcomers, *Seriously Funny* ranges from poems that are capsized by their own tomfoolery to those that glow with quiet wit to ones in which a laugh erupts in the midst of terrible darkness. Most of the selections were made in the editors' battered compact car, otherwise known as the *Seriously Funny Mobile Unit*. During the two years in which Barbara Hamby and David Kirby made their choices, they'd set out with a couple of boxes of books in the back seat, and whoever wasn't driving read to the other. When they found that a poem made both of them think but laugh as well, they earmarked it. Readers will find a true generosity in these poems, an eagerness to share ideas and emotions and also to entertain. The singer Ali Farka Tour said that honey is never good when it's only in one mouth, and the editors of *Seriously Funny* hope its readers find much to share with others. Details just how difficult parenting can be, questioning the myths and half-truths that make some parents feel inadequate and offering valuable survival tools. A positive psychology expert's approachable and game-changing guide to wiring your brain for a more action-oriented kind of confidence that boosts your courage to act, even when you're feeling afraid. **NEW YORK TIMES BESTSELLER • A Times (UK) Best Book of the Year • From the author of the million-copy-selling *Essentialism* comes an empowering guide to achieving your goals. It all starts with a simple principle: Not everything has to be so hard. "In a world beset by burnout, Greg McKeown's work is essential."—Daniel H. Pink, author of *When, Drive, and To Sell Is Human* "At a time when fear, uncertainty, and our ever-growing list of responsibilities have come to feel like much too much to handle, *Effortless* couldn't be timelier, or more necessary."—Eve Rodsky, author of *Fair Play* Do you ever feel like:**

- You're teetering right on the edge of burnout?
- You want to make a higher contribution, but lack the energy?
- You're running faster but not moving closer to your goals?
- Everything is so much harder than it used to be? As high achievers, we've been conditioned to believe that the path to success is paved with relentless work. That if we want to overachieve, we have to overexert, overthink, and overdo. That if we aren't perpetually exhausted, we're not doing enough. But lately, working hard is more exhausting than ever. And the more depleted we get, the more effort it takes to make progress. Stuck in an endless loop of "Zoom, eat, sleep, repeat," we're often working twice as hard to achieve half as much. Getting ahead doesn't have to be as hard as we make it. No matter what challenges or obstacles we face, there is a better way: instead of pushing ourselves harder, we can find an easier path. *Effortless* offers actionable advice for making the most essential activities the easiest ones, so you can achieve the results you want, without burning out. *Effortless* teaches you how to:

- Turn tedious tasks into enjoyable rituals
- Prevent frustration by solving problems before they arise
- Set a sustainable pace instead of powering through
- Make one-time choices that eliminate many future decisions
- Simplify your processes by removing unnecessary steps
- Make relationships easier to maintain and

manage • And much more The effortless way isn't the lazy way. It's the smart way. It may even be the only way. Not every hard thing in life can be made easy. But we can make it easier to do more of what matters most. Heal the aloneness, emptiness, and false beliefs that lead to addictive behavior. With this six-step Bonding(R) process, you can heal past wounds by re-parenting the Inner Child and overcome obstacles that prevent you from progressing in life. Based on the pioneering principles featured in *Healing Your Aloneness and Inner Bonding*, this easy-to-use workbook gently guides you through a powerful spiritual healing process. Whether you use it in conjunction with aforementioned books or on its own, this guide can connect us with our Inner Child, our loving Adult, and our Higher Power ultimately to create loving relationships with others. Through dynamic exercises, guided visualizations, and inner dialogues with both the Inner Child and Higher Power, Chopich and Paul give us the tools to create a powerful, spiritually connected inner loving Adult. It is a lack of a loving Adult that leads to aloneness, alienation, emptiness, and resulting addictions to substances, processes, and people. This process allows an integrated self to emerge, one that combines the playfulness, creativity, and intuition of a child with the wisdom, strength, and nurture of a loving Adult. The *Healing Your Aloneness Workbook* demonstrates how you can connect with your essence to help cultivate personal empowerment and loving relationships. Erika J. Chopich, PhD, has been a psychotherapist, noted speaker, and workshop leader. She is the co-creator of the Inner Bonding Process and co-author of *Healing Your Aloneness*. She has appeared on numerous radio and television shows. Margaret Paul, PhD, is a noted public speaker, workshop leader, educator, consultant, minister, best-selling author, and Inner Bonding therapist. She is the author of *Inner Bonding* and co-author of numerous books, including *Healing Your Aloneness*. An alphabetical tour through the coolest jobs you can imagine—and some you might never have heard of! With a sophisticated, minimalist design and visual jokes to interpret on every page, *Work: An Occupational ABC* introduces children both to the alphabet and to a range of alternative careers. The ideal reader for this book is the child (or adult) who is interested in exploring all manner of professions through original and inspired illustrations. Must be open to adventure. Knowledge of the alphabet is desirable but not required, since successful applicants will receive training from A to Z. Sold in financial desperation to a wealthy duke, a collie undertakes a 1000-mile journey in order to be reunited with her former master in Yorkshire. New York Times bestselling artist and Caldecott Honor winner Susan Jeffers has created a *Nutcracker* as only she can—with lavish illustrations, magnificent detail, and enchanting holiday scenes on every page. This is *The Nutcracker* as you've never seen it before! Join Marie, Fritz, and the intriguing *Nutcracker* himself on a magical Christmas Eve adventure. Behold the frightful Mouse King, the elegant Sugar Plum fairies, and the entire Land of Sweets in this dazzling, gorgeously illustrated holiday classic. With spare text based on the story in the ballet, this book offers

a front-row seat to the enthralling tale that is a perennial favorite of adults and children alike. And for Susan Jeffers fans looking for extra content, an author's note is included at the end of the book, in which she explains what inspired her to turn this holiday tradition into a show-stopping picture book. In this inspiring collection of essays, self-help author Susan Jeffers captures the experiences, situations and emotions that make up all our lives. The essays all stand on their own and are deliberately presented in a random fashion - so that, as in life, you never know what's coming next. Originally published: 2004. I highly recommend it." -- Dr. Susan Forward, author of *Toxic Parents, Men Who Hate Women and the Women Who Love Them and Emotional Blackmail* "A book that we can all benefit from." -- Louise L. Hay Susan Jeffers, an internationally-known author and lecturer, helps people overcome their fears and heal pain in all areas of their lives - particularly relationships. But there was a time, many years ago, when her own life was in turmoil. Before and after the breakup of her marriage, she was confronted with intense feelings of emptiness, anger, blame, loneliness, hurt, and even despair. Thus began her search for the source of all these negative feelings, and her discoveries are chronicled in this book, which provides insights for anyone who has ever experienced the loss of a relationship. Susan Jeffers explains that life doesn't have to be one of one worry after the next, a steady stream of what if's, and a constant attempt to create a secure haven for ourselves. In this book she aims to show that an unknown future doesn't prevent a rich and abundant life. In fact by enjoying life's unpredictability we transform ourselves from a position of fear to one filled with excitement and potential. With humour, insight and exercises, she aims to convince the reader that life is exhilarating because of, not in spite of uncertainty. Indie Book Awards Winner A deeply affirming exploration of the unknown—with meditations and exercises for transforming the fear and uncertainty of 'not knowing' into a sense of openness, curiosity,

and bravery For most of us, the unknown is both friend and foe. At times, it can be a source of paralyzing fear and uncertainty. At other times, it can be a starting point for transformation, creativity, and growth. The unknown is a deep current that runs throughout all religions and mystical traditions, plays an important role in contemporary psychotherapeutic thought and practice, and is essential to personal growth and healing. In *The Wisdom of Not Knowing*, psychotherapist Estelle Frankel shows us that our psychological, emotional, and spiritual health is radically influenced by how comfortable we are with navigating the unknown and uncertain dimensions of our lives. Drawing on insights from Kabbalah, depth psychology, Buddhism, Christianity, Hinduism, and ancient myth, Frankel explores how we can grow our souls by tapping into the wisdom of not knowing. She also includes case studies of individuals who have grappled with fears of the unknown and, as a result, come out wiser, stronger, and more resilient. Each chapter includes experiential exercises and meditations for befriending the unknown, conveying how embracing a state of "not knowing" is the key to gaining new knowledge, learning to bear uncertainty, and enjoying a healthy sense of adventure and curiosity. 'Susan Jeffers' wisdom feels like a precious gift. Her counsel is profound and meaningful in such challenging times.' MARIANNE WILLIAMSON 'Original, courageous and brilliant!' WARREN FARRELL * * * * * Nobody knows what will happen in the next moment of our lives. Whatever is in store for us, the only thing we CAN be sure of is that nothing in life is certain. And since we all fear the unknown, life's uncertainty can be a constant source of worry to us. But, as bestselling author Susan Jeffers explains, life doesn't have to be one worry after the next, a steady stream of 'what if's', and a constant attempt to create a secure haven for ourselves. In *EMBRACING UNCERTAINTY* she emphasises that an unknown future doesn't prevent a rich and abundant life, and shows how by enjoying life's unpredictability we transform ourselves from a position of fear to one filled with excitement and potential. Through invaluable case-studies, exercises and her pragmatic wisdom, Susan convinces us, above all, that life is exhilarating because of, not in spite of the uncertainty. This guide teaches readers how to hone their receptivity to intuitive messages by listening to their bodies, dreams, visions, emotional reactions and memories. It contains case studies of intuitive healing and perspectives on scientific research into the power of mind and cellular memories. Helps you take charge of your life, respect who you are, and create a love that works. This audio cassette presents a self-affirming way for women to take charge of their lives, respect who they are, and begin attracting a healthy kind of love. It discusses: the four biggest barriers to love and how to break through them; a five-step programme for dealing with anger; how to become more trusting; why there is no such thing as a bad relationship; and how to create a love that works. Susan Jeffers, author of the world-renowned classic of personal development *Feel the Fear and Do It Anyway*, along with Donna Gradstein, now show parents and care-givers a very effective way of

building confidence in children. They present 50 heart-warming stories showing children ages 3 to 7 "handling" many difficult situations that confront children today - such as teasing by other children...or losing a favorite toy...or fear of the dark...or upset about a parent's divorce...and much more. "No matter what happens, I can handle it!" is the powerful phrase that is repeated throughout. Ultimately, as the various stories unfold, the child learns that ALL difficulties in life can be handled in a powerful and loving way. The I Can Handle It lesson is made even more effective by the excellent guide for parents that Susan presents at the beginning of the book. She demonstrates how the stories can provide a wonderful springboard for creating meaningful communication with our children. At a time when parents are often inundated with contradictory information about what we should or should not be doing, I Can Handle It provides a refreshingly easy way to engage with and empower our kids. And, as an added benefit, as we teach our children they can handle anything that comes their way, we teach ourselves as well. A wonderful lesson to learn at any age! Author of *Feel The Fear And Do It Anyway* From the multi-million bestselling author of *Feel the Fear and Do It Anyway* comes a powerful and healing book designed to offer a safety net in a world of never-ending change. It may be one of the most comforting and life-affirming books you will ever read. With her invaluable insights and exercises, Susan Jeffers gives you the tools you need to deal with all the uncertainty in your life with a sense of peace and possibility. You will learn: - Forty-two exercises to help make your life an exciting adventure instead of a continuous worry - How to lighten up and put problems into a life-affirming perspective - The amazing power of the word "maybe" - And much more. You will discover that there is a wondrous, joyous, and abundant life that can exist in the presence of uncertainty. The question is, "What do you need to do to reach this wonderful state?" And the answers abound in *Embracing Uncertainty*. Those who have read the incredible worldwide bestsellers, *Feel the Fear and Do It Anyway* and *Feel the Fear and Beyond* will recognise Susan Jeffers' brilliant idea of the 'Power Planner'. This is a step-by-step guide for incorporating all her strategies for developing a fuller, richer life in one, easy-to-use, simple chart. Each day, for three months, you write down things to be grateful for - and also give yourself tasks to fulfil that you find particularly difficult. These may be in the fields of relationships, friends, family, work, time off or spirituality. By risking small steps at a time, supporting and encouraging yourself,

you can certainly learn to enjoy your life in a more conscious, loving, giving and powerful way. And this book will help you do so. Every business leader and entrepreneur should strive for success as well as deep fulfilment and happiness. Few, however, if they are being honest, actually achieve their goals. This causes great disappointment and disillusionment. Many decide they must make a choice between these seemingly opposing states. Is it even possible to be spiritual, incredibly happy and fulfilled and wealthy - all at the same time? Entrepreneur Pauline Nguyen has achieved this in *The Way of the Spiritual Entrepreneur*, her path to transform your life from existence and struggle to peace, harmony, joy, fulfilment and lasting happiness, without sacrificing your business, your relationships or your health. Entrepreneurs live in the real world where 'happiness' alone won't cut it. 'Calm courage' is what must also be cultivated in order to overcome the natural vicissitudes of life. *The Way of the Spiritual Entrepreneur* provides the tools and strategies you need to become fearless, stress free and unshakable - in business and in life. Through its unique combination of science and spirituality, this powerful book provides seven secrets to give you the competitive edge and the unfair advantage in your daily life - and to discover the source of your own confidence, inspiration and fulfilment. *The Way of the Spiritual Entrepreneur* is about getting good at Life. *The Way of the Spiritual Entrepreneur* is the proud winner for Best Entrepreneurship and Small Business Book of the Year at the Australian Business Book Awards.
