Jesus Manifesto presents a fresh unveiling of Jesus, seeking to restore the supremacy and sovereignty of Christ in a world—and a church—that

has lost sight of Him. Christians have made the gospel about so many things—things other than Christ. Religious concepts, ideas, doctrines, strategies, and methods that begin to eclipse the beauty, the glory, and the reality of the Lord Jesus Himself. We know a lot about our Lord, but we don't know Him very well. We know a lot about trying to be like Jesus, but very little about living by His indwelling life. Jesus Manifesto provides clarity on the most important points of our faith. It is a prophetic call to restore the supremacy and sovereignty of Christ in a world and church that has lost sight of Him. This manifesto emphasizes ten crucial areas of restoring the supremacy of Jesus Christ, noting: Christians don't follow Christianity; they follow Christ Christians don't proclaim themselves; they proclaim Christ Christians don't point people to core values; they point people to the Cross Christians don't preach about Christ; they preach Christ Read this book to see your Lord like you've never seen Him before and restore the sovereignty of Jesus in your life. 120 daily readings encompass many topics, from personal concerns to public and cultural issues, rooted in the Scriptures. The Bible promises a wealth of facts concerning the resurrection blessings. Realizing these blessings leads to a more spiritually powerful life. McCarrell lays out a treasure of information in short, easy-to-understand essays. Believers who wish to thrive in a postmodern world must cling to the joy, truth, and love that comes only from understanding Christ and his ultimate purpose in this world. John Piper's bestselling book on missions draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defense of God's supremacy in all things, providing readers with a sound theological foundation for missions. This 30th anniversary edition of a contemporary classic, now in paperback, incorporates insights from the author's refined thinking over the past 10 years. Used extensively as a textbook for missions courses and a resource for ministries, Let the Nations Be Glad! provides a

passionate plea for God-centeredness in the whole enterprise of world evangelization and explores the role of prayer and spiritual warfare. The book is essential reading for those involved in or preparing for missions work. It also offers enlightenment for students, pastors, youth workers, campus ministers, and all who want to connect their labors to God's global purposes. Excerpt from The Supremacy of the Laws And my remark now is, that if the laws are to be obeyed in this community, the mild and peaceful influence of religion must spread over the land. Religion would prevent any tumultuous assemblage; would produce a sacred regard for the rights of all; and would secure what no arm of the magistrate, and no bayonets, and no vigilant police can do - universal order, industry, temperance, peace; the universal fear of God, and a sacred regard every where for the rights of man. Psalm 119 is the longest chapter in God's Word and is filled with encouragement to rejoice in the good times and persevere during difficult times. For twenty-two days, you can take a journey with the psalmist and learn how to live life in God's strength. The transformation in your life will make the journey worth it. Psalm 119 is broken out into twenty-two

sections with eight verses each. This book uses these sections as daily devotions/meditations/thoughts to highlight one specific theme. The intent is for the reader to use this as a daily quiet time while staying within the context of the entire psalm for one month of working days. This will help ignite the discipline of reading and studying God's Word daily and meditating upon its meaning. Regardless of who the original author of this psalm was, it is quite apparent that he was very passionate about God's Word. He was not interested in robotic religion or mechanical obedience. Rather, he surrendered his whole heart and soul to God, the one who made heaven and earth and gave humanity the perfect law to follow. May this book be used as a tool for you to attain a delight in knowing, loving and serving the Lord with all of your heart, soul, mind, and strength. The Bible has a way of shocking us. If Americans could still blush, we might blush at the words, "Rejoice in the wife of your youth, a lovely deer, a graceful doe. Let her breasts fill you at all times with delight; be intoxicated always in her love" (Proverbs 5:18-19). But, of course, sin always tries to trash God's gifts. So we can't just celebrate sex for what God made it to be; we have to fight what sin turned it into. The contributors to this unique volume encourage you to

do both: celebrate and struggle. This book has something for all-men and women, married and single-from contributors like John Piper, C. J. and Carolyn Mahaney, Mark Dever, Al Mohler, Carolyn McCulley, and others. The supremacy of the Holy Spirit helps you discover hidden truth about life. There is owner of life, who has the key to life. No man can discover the real truth about life without the Holy Spirit. The key to life, especially the true life is in His hand. This book will help you to know and discover mysteries about your life, also help you discover your destiny. According to Ross, the goal of student ministry is students who spend a lifetime embracing the full supremacy of the Son, responding to His majesty in all of life, inviting Christ to live His life through them, and joining Him in making disciples among all peoples. Ross notes, Student ministry that does not matter for a lifetime does not matter much. For the past 50 years, most churches approached student ministry as: 1. students primarily relating to one youth leader, 2. students experiencing church almost exclusively with people their same age, and 3. parents outsourcing the spiritual leadership of their teenagers to the youth leader. The result? The great majority of youth who were faithful to youth programs now have walked away from the faith. Now

there is broad agreement that this approach to student ministry has been a failed experiment. Student Ministry and the Supremacy of Christ proposes a model of student ministry that is far different from the past. This approach calls for: 1. immersing teenagers in life-on-life, transformational relationships with several godly adults, 2. drawing teenagers into a web of rich, intergenerational relationships in the congregation, and According to Warren Wiersbe, The Supremacy of God in Preaching "calls us back to a biblical standard for preaching, a standard exemplified by many of the pulpit giants of the past, especially Jonathan Edwards and Charles Spurgeon." This newly revised edition is an essential guide for preachers who want to stir the embers of revival. Piper focuses his study on the example of Jonathan Edwards as an illustration of a leader who submitted to God. This book presents the first modern in-depth study of the theology of one of the most influential figures in post-Reformation Scotland, Samuel Rutherford (c. 1600-1661). Although much has been written over the years about Rutherford's political thought or about his nearly mystical piety, very little actually has appeared in print about his theology. Among those hwo have written Rutherford's theology in the past, none have done so in a comprehensive,

systematic manner, and none have devoted any attention at all to examining Rutherford's Latin treatises. The current work seeks to fill both lacunae, by presenting Rutherford's theology, beginning with the doctrine of assurance, and by drawing chiefly upon what is arguably his magnum opus theologiae, the Examen Arminianismi. The Examen, which consists of lectures Rutherford delivered to his divinity students at St. Andrews University, is the closest thing he has to a proper systematic theology text. But because it is also a polemical treatise, aimed primarily against the Arminians, the Examen provides a context for us to engage not only with the seventeenth-century dispute over Arminianism, but also with the more contemporary debate of Calvin vs. the Calvinists. Born and raised in Ghana but currently residing in the USA, Prophet Jacob Nana Essandoh also known as 'THE FIRE PROPHET' grew up in a Muslim home but later converted to Christianity and gave his life to JESUS CHRIST. Ever since then, his life has been filled with great blessings of God. He is the founder, president and senior pastor of Gloryland Evangelist Ministries and Fire Gate Chapel International. He also runs a prophetic FGCI prayer line with an outreach of over 1000 people across the globe. He has been in the ministry for over 18 years as a

sound teacher, prophet and deliverance minister; a powerful and anointed man of God, who preaches, motivates and inspires. 'The Supremacy of God's Mercy' talks about a caring, loving and merciful God who is always there for us at all times. This book will greatly enrich and mentor you spiritually according to God's standards. Through this book you will begin to understand God's mercy and His noble character, which is portrayed as loving, caring and always merciful during the storms of life. Offers solid answers that validate the Christian faith and the supremacy of Christ in the face of contemporary religions and pervasive ideologies such as pluralism. I am the Alpha and the Omega, saith the Lord God, who is and who was and who is to come the Almighty. Revelation 1:8 When the word of God is devalued, when the word of God is made to be insignificant, when the word of God just becomes dry and dusty ancient literature, nothing happens. But whenever the word of God is recognized for what it is, then it becomes what it is—alive and active. Men and women are born through the word of God. It is common for Christians to make two crucial mistakes when trying to understand the end times. The first is placing the "millennium" at the center of their end times thinking. The millennium refers to a thousand-year period referenced six times in seven verses in chapter 20 of Revelation and nowhere else in the Bible. Open almost any book about the end times and it will immediately begin framing the whole discussion in terms of the millennium. This approach to end times thinking is a grave error. Christians don't build the foundation of any other

theological doctrine on such scant and cryptic biblical evidence, yet for some reason, many people don't think twice about doing it for the consummation of all things. The second mistake is failing to recognize that the Bible talks extensively about two different ages that come to earth-shattering ends. The conclusion of God's Old Covenant brought with it the total dismantling of the Jewish priestly and sacrificial system as the New Covenant was ushered in. This was not a quiet or inconsequential transition, but one so cataclysmic that the Bible describes it with cosmic-shaking imagery often thought to attend the end of the world. In fact, Scripture speaks of the end of the Old Covenant age as much or more than the end of the world, but many readers fail to make this critical distinction or consider the impacts. The result is confusing one end with the other as if they were one event. Taking a preterist, amillennial approach, Rethinking Revelation places these two error-prone issues into proper biblical perspective. The end of biblical Judaism is so critically important that understanding it correctly must be central to the end time discussion. And the nature and timing of the rather obscure millennium is a secondary matter that should be considered only after laying the foundation of the end times from the plentiful main

and plain sections of Scripture. A Godward Life is the first of three devotional volumes by John Piper, each feature 120 vignettes that focus on the radical difference it makes when we choose to live with God at the center of all that we do. Scripture-soaked and touching on the issues which most affect our lives today, A Godward Life is a passionate, moving, and articulate call for all believers to live their lives in conscious and glad submission to the sovereignty and glory of God. In the latest in this New York Times bestselling series, San Francisco book-restoration expert Brooklyn Wainwright investigates a mysterious spy novel linked to a string of murders... Newlyweds Brooklyn and Derek are enjoying the final days of their honeymoon in Paris. As they're browsing the book stalls along the Seine, Brooklyn finds the perfect gift for Derek, a first edition James Bond novel, The Spy Who Loved Me. When they bump into Ned, an old friend from Derek's spy days, Brooklyn shows him her latest treasure. Once they're back home in San Francisco, they visit a spy shop Ned mentioned. The owner begs them to let him display the book Brooklyn found in Paris as part of the shop's first anniversary celebration. Before they agree, Derek makes sure the security is up to snuff—turns out, the unassuming book is worth a great deal more than

sentimental value. Soon after, Derek is dismayed when he receives a mysterious letter from Paris announcing Ned's death. Then late one night, someone is killed inside the spy shop. Are the murders connected to Brooklyn's rare, pricey book? Is there something even more sinister afoot? Brooklyn and the spy who loves her will have to delve into the darkest parts of Derek's past to unmask an enemy who's been waiting for the chance to destroy everything they hold dear. "May these meditations become in your life the living embodiment of God's Word and penetrate to the deep places of your soul. God has a good work to do there." –John Piper ONLY GOD CAN SATISFY YOUR SOUL. Every day, the world takes another step away from God's truth and into greater moral and spiritual relativism. If your view of life is fed by a steady diet of television news and popular opinion, you'll find yourself starved, parched, and confused. But there is a way for your soul to be satisfied and at peace during these turbulent times. The answer is to turn those hungers, questions, and desires towards God. These meditations offer a daily serving of God's Word along with practical insights from beloved pastor and author John Piper. Each reading reorients you to the eternal rather than the popular. In a world where ephemeral feelings are valued more

than firm facts and eternal joys, each selection will awaken you to the truth of who God is—and who you are. These 120 devotional readings celebrate God’s sovereignty in every aspect of our world, from how to feed our soul, the danger of hero worship, and loving our enemies, to suffering, having a passion for purity, and ways we can be a refuge for our children. This collection offers a daily feast of truth and wisdom that places God right where He belongs—at the center of our lives. These meditations originally appeared in John Piper’s *Pierced by the Word, Life as a Vapor, and A Godward Heart*. YOU ARE INVITED TO ENJOY THE RAREST OF TREASURES... The world tries to distract our minds. Deaden our hearts. Water down our beliefs. If there are no absolutes, then we can pursue whatever tickles our fancy. We are the captain of our destiny. But, sadly, the result is that we remain hopelessly adrift in a constantly changing sea of confusion. There is a better answer: Rather than numb our soul, we can fully satisfy it. Instead of letting the world squeeze us into its mold, we can be molded into sons and daughters of God. The solution is to feast on God’s Word and drink deep from His river of life. These daily meditations invite us into this central promise about God: You are good and do good; Teach me your statutes. –Psalm
