Thats something that will guide you to comprehend even more a propos the globe, experience, some places, like history, amusement, and a lot more?

It is your categorically own epoch to function reviewing habit. in the course of guides you could enjoy now is **Exploring American History GLOBE EXPLORING AMERICAN HISTORY Hardcover** below.

Thinking through Sources for Exploring American Histories is a two-volume primary sources reader that supplements the document projects in the textbook. Each chapter of the reader presents five carefully selected documents that connect to topics in each chapter of Exploring American Histories. New Central Questions at the beginning of each chapter provide a framework

and a focus for the documents that follow. Headnotes placed strategically before each document give students just enough context, and Interpret the Evidence and Put It in Context questions at the end of each chapter provide a starting point for classroom discussion or a written assignment. This collection of sources is available both in print and in LaunchPad with innovative auto-graded assessment. From surgery to vaccines, man has made great strides in the field of medicine. Quality of life has improved dramatically in the last few decades alone, and the future is bright. But students must not forget that God provided humans with minds and resources to bring about these advances. A biblical perspective of healing and the use of medicine provides the best foundation for treating diseases and injury. In *Exploring the World of Medicine*, author John Hudson Tiner reveals the spectacular discoveries that started with men and women who used their abilities to better mankind and give glory to God. The fascinating history of medicine comes alive in this book, providing students with a healthy dose of facts, mini-biographies, and vintage illustrations. Includes chapter tests and index. A full-color trip through the treasures of American Childhood from 1650 to today. Remember the toys you played with when you were growing up? Each of those objects has a story to tell about the history of American childhood and play. Construction toys like Lincoln Logs and Erector Set offer insight into America's booming urban infrastructure in the early 1910s and 20s, and the important role toys played in preparing children for future careers in engineering and architecture. A stuffed toy monkey from Germany tells the story of young Jewish refugees to the United States during World War II. The board game Candyland has its origins in the dreaded polio epidemic of 1950s. *Exploring Childhood and Play Through 50 Historic Treasures* brings together a collection of beloved toys and games from the last two centuries to guide readers on a journey through the history of American childhood and play, 1840-2000. Through color photographs and short essays on each object, this book examines childhood against the backdrop of culture, politics, religion, technology, gender, parenting philosophies, and more. The book features ten categories of objects including board and electronic games, dolls, action figures, art toys, optical toys, animal toys, construction sets, and sports. Each essay tells the story of the individual object its historic context, and each passage builds upon one another to create a fascinating survey of how childhood and play changed over the course of two centuries. Traces the history of the United States from the arrival of the first explorers to the present day. Traces the history of the United States from the arrival of the first explorers to the present day. *Exploring American Histories, Value Edition*, presents Nancy Hewitt and Steven Lawson's new U.S. history narrative in a two-color trade format with selected maps and images from the full-length text. The authors explore a variety of racial, ethnic, and socioeconomic perspectives and recognize the political, social, and economic contributions of both men and women in their narrative.-- Provided by publisher. *Exploring American Histories* offers an entirely new approach to teaching the U.S. survey that puts investigating sources and thinking about the many stories of American history right at the center of your course.
