Sin, and The Princess Saves Herself in this One by Amanda Lovelace will love The Boyfriend Book by Michael E. Reid. No more boyfriends: 300 women sat down with Mike, and after three hours, 299 of them agreed that they never wanted a boyfriend again. The Boyfriend Book tells you why. Modern love poems and philosophy: When entrusting her heart to somebody, a woman doesn't want to worry about the

bad and the ugly, such as disloyalty and disrespect, indifference and contempt, micro-aggression and outright violence. In a perfect world, every guy would be a "good guy," and every guy would have her best interest at heart. Unfortunately, the real world is a dangerous place, particularly when women have to let strangers in. And while some women are decent judges of character, others don't see the train coming until it hits them. Not only does this book serve as a cautionary tale, it also offers an important perspective on modern love and equips women with strategies to effectively change their love life and, most importantly, their inner lives. Transform your life with this powerful poetry book: Before you open this book, ask yourself: Where am I now? What are my struggles? What sort of pain do I carry? What parts of myself have I lost? Then, figure out where you want to be. This book will get you there. The possibilities for rebirth and reinvention are endless - but it's ultimately up to you to make it all happen. This book will help you find a way to go forward that does not involve sideways. Read it slow. Plant the seed. Let it grow. The Boyfriend Book is a gripping collection of short stories, thoughts and poems from Just Mike The Poet.

The Curse of the Boyfriend Sweater Nov 11 2021 Every knitter knows that as soon as you start making your boyfriend a sweater, he will be out the door before you're done. But as Alanna Okun has learned, these life lessons are not limited to the curse of the boyfriend sweater. Like millions of women, Okun finds joy and solace in crafting. And she has also found some essential truths. Starting from when her grandmother first taught her to knit, crafting has been a part of her life, and her family's. Some people like to fish. Some like to play music. Or run. Okun likes to make things. Knitting, crocheting, sewing, decoupage — you name it, Okun has tried it, and even if she turned out to be not very good at it, she found it was good for her. In a world that shows itself impervious to our need for order and logic, crafting allows Okun to feel a sense of control — even if it's simply by making a piece of felt do what she wants it to. Crafting has helped keep her severe anxiety at bay, made a scary first apartment more hospitable, helped her heal from a broken heart. When Okun has two good friends die within a year of each other, it is crafting that helps her find hope again. The art and physicality of making things, whether it's nerdy embroidery or warm mittens, has helped her cope with life's internal

trauma. In beautiful prose that belies her youth, Okun's essays about art, craft, and mental health will resonate with creative people no matter their medium, and no matter the troubles in their hearts. We can all relate to the need to fix what's inside by keeping our hands busy.

How to Move in with Your Boyfriend (and Not Break Up with Him)

After hurried sex, he gets rid of the boy, afraid that he may be a hustler. There is nothing to set this brief encounter apart from numerous others, and Yudi returns to his bachelor's flat and sex with strangers. Months pass. But when riots break out in Mumbai, Yudi finds himself worrying about the boy from Churchgate station. He is in love. Chance brings the two together again, and this time they spend a week as a married couple in Yudi's flat, take a holiday, and meet for beer every Friday, till the boy, Milind Mahadik, disappears (he has been hired by a modelling-cum-call-boy agency owned by the Bollywood star Ajay Kapur, a closet bisexual). Desolate, Yudi finds solace in the company of the middle-aged painter Gauri, a highly-strung woman madly in love with him, whose advances he has consistently rejected. When Milind resurfaces, it is only to marry a girl chosen by his parents, for he has had it with Yudi and his kind. Yudi is heartbroken. But all is not lost: in straitened circumstances after marriage, Milind pays his gentleman friend a visit and stays the night. Henceforth, mutual need - Yudi's for love and Milind's for money - will keep bringing them together. In the final analysis, as Yudi tells Gauri - now the mistress of an ageing businessman - everything works out, and 'life is beautiful'. In his first novel, R. Raj Rao brings us a tragi-comic love story from the jumbled up heart of Mumbai.

The Golden Age of Promiscuity Jul 08 2021 The author of *Scary Kisses* delivers a shocking and powerful novel about the gay club scene in New York in the 1970s. Sean Devlin leaves Columbia University to pursue the downtown life of an avant-garde filmmaker, in the tradition of Warhol. As Sean slowly becomes a famous filmmaker, readers pass through an erotic, decadent, lost world of drugs, dim lights, and strange rooms.

Scary Kisses Jul 28 2020 From the lost generation of Andy Warhol's New York to the cocaine-fuelled runways of the top fashion houses of Paris and Milan, *Scary Kisses* captures the tenderness and cruelty of the beautiful people circa 1980. As a *menage a trois* drifts listlessly into a spiral of cynicism and nihilistic gratification, Gooch's raw, voyeuristic eye for detail and precise, snapshot prose recreates a time unlike any other, and characters that flash with stark, bright realism. On a par with *The Bonfire of the Vanities*, this is a classic portrait of Manhattan nightlife and decadence.

100 Boyfriends Jan 14 2022 An irreverent, sensitive, and inimitable look at gay dysfunction through the eyes of a cult hero "It's like that saying, 'Where god closes a door, he opens a window,' but in this particular case the window was on the fifth floor and the house was on fire." Transgressive, foulmouthed, and devastatingly funny, Brontez Purnell's 100 Boyfriends is a revelatory spiral into the imperfect lives of queer men desperately fighting—and often losing—the urge to self-sabotage. His characters solicit sex on their lunch breaks, expose themselves to racist neighbors, sleep with their coworker's husbands, rub Preparation H on their hungover eyes, and, in an uproarious epilogue, take a punk band on a disastrous tour of Europe. They also travel to claim inheritances, push past personal trauma, and cultivate community while living on the margins of a white supremacist, heteronormative society. Armed with a deadpan wit that finds humor in even the lowest of nadirs, Brontez Purnell—a widely acclaimed underground writer, filmmaker, musician, and performance artist—writes with the peerless zeal, insight, and horniness of a gay punk messiah. From dirty warehouses and gentrified bars in Oakland to desolate farm towns in Alabama, Purnell indexes desire, desperation, race, and loneliness with a startling blend of levity and vulnerability. Together, the slice-of-life tales that writhe within 100 Boyfriends are a singular and uncompromising vision of an unexposed queer underbelly. Holding them together is the vision of an iconoclastic storyteller, as fearless as he is human.

Dating the Greek Gods Jun 18 2022 From the author of the highly successful and influential *Finding the Boyfriend Within* comes an inspirational guide for gay men seeking spiritual fulfillment. When Brad Gooch began promoting his self-help book *Finding the Boyfriend Within*, the first of its kind directed toward a gay readership, he was overwhelmed by the response it generated. Thousands of gay men embraced the book's message of looking into themselves to find comfort and purpose in life. So enthusiastic was the response to the book that Gooch began conducting

workshops and, in the process, conceived *Dating the Greek Gods* as both a follow-up and a companion to the earlier book -- a self-help book designed as a sort of "advanced class" for readers of *Finding the Boyfriend Within*. Because of the conflicted reaction many gay men have to any discussion of religious spirituality, Gooch hit upon the idea of drawing on an older spiritual base -- that of Ancient Greece -- for examining and explaining his approach to achieving a higher understanding of self through spirituality. The stories of the Greek gods have inspired human consciousness for more than thirty centuries, the outgrowth of a society in which homosexuality was an accepted aspect of human behavior. *Dating the Greek Gods* explores these stories as well as the dominant characteristics of those Greek deities, tying the spirituality of being a gay male to the inner patterns -- or archetypes -- that shape men's personalities and personal relationships. Gooch organizes the book into a series of meditations and personal exercises shaped around the characters, stories, and dominant traits of the deities. For example, in chapter one, Apollo addresses wisdom; chapter two concerns Dionysus and deals with sexuality and disco nights; chapter three is about Hermes and concerns communication, and so on, from Hephaestus and Eros (creativity and romance) to Zeus (independence and freedom). Gooch delves into these enduring archetypes to show men how, by understanding the philosophy behind these gods, they can come to better understand themselves and, in the process, enrich their lives. Unique in its approach and totally accessible in its realization, *Dating the Greek Gods* is an enlightened and literary self-help book that encourages readers to turn to their own inner oracle -- the inner voice that prompted them to "come out" in the first place -- and in the process to revitalize themselves through viewing the world's spiritual traditions in a more inclusive and caring fashion.

City Poet Jun 06 2021 The definitive biography of Frank O'Hara, one of the greatest American poets of the twentieth century, the magnetic literary figure at the center of New York's cultural life during the 1950s and 1960s. City Poet captures the excitement and promise of mid-twentieth-century New York in the years when it became the epicenter of the art world, and illuminates the poet and artist at its heart. Brad Gooch traces Frank O'Hara's life from his parochial Catholic childhood to World War II, through his years at Harvard and New York. He brilliantly portrays O'Hara in his element, surrounded by a circle of writers and artists who would transform America's

cultural landscape: Willem de Kooning, Franz Kline, Helen Frankenthaler, Jackson Pollock, Gregory Corso, Jack Kerouac, Allen Ginsberg, LeRoi Jones, and John Ashbery. Gooch brings into focus the artistry and influence of a life "of guts and wit and style and passion" (Luc Sante) that was tragically abbreviated in 1966 when O'Hara, just forty and at the height of his creativity, was hit and killed by a jeep on the beach at Fire Island—a death that marked the end of an exceptional career and a remarkable era. *City Poet* is illustrated with 55 black and white photographs.
