The Beck's Experience Apr 05 2021
A Remarkable Woman Sep 30 2020 My eyes are now open to the reality of the remarkable woman that I am. When I began this journey, I was experiencing personal trauma as I suffered

from a broken heart, broken spirit and loss of direction. This journey was challenging, but the great reward was finding me again by uncovering my unique self which ultimately has forever changed my life. I have discovered my own special brand of beauty and the uniqueness of my personal blend of great qualities. I have new 'sister girl' relationships that I anticipate will last my lifetime. I thank God for ordering my steps to embark upon this journey of self-discovery and renewal of my spirit and identity. I have found freedom through setting boundaries within my life. God has given to me the strength and confidence to press forward in my life with the assurance of "Yes, I am more than a Conqueror!" I stand taller, stronger, brighter, and more capable of facing the world being my authentic self. Stephanie Coates, ARW This workbook is designed to take you on a journey of transformation to be all that God created you to be. God has so much more for you. He wants to transform you from a caterpillar into a beautiful

unique butterfly, ready to fly and soar to new heights. Using a combination of spiritual and practical applications, Rev. Valerie S. Pearson has developed a program that ministers to the heart of women. Along the journey, you will be equipped with tools in the areas of: • Self-enrichment • Relationships • Setting Boundaries • Honoring Your Temple • Money Matters • Leading with Grace This life changing journey will lead you to a deeper relationship with God. You will discover the authentic you and come to realize that you are "A Remarkable Woman". **Fish! Sticks with DVD** Jul 09 2021 In this third installment in the popular Fish! series, the authors examine change as a necessary, ongoing process that should never stop--at least not if one wants to keep the workplace vital and fully alive. Using a fictitious sushi restaurant as an example, this fable examines the three principles that Lundin, Christensen, and Paul believe are necessary for continuing success: Find It ("it" being each employee's personal vision of the

business), Live It, and Coach It. Readers of the authors' previous books--Fish! A Remarkable Way to Boost Morale and Improve Results and Fish! Tales--should find its familiarity comforting. For those new to the series, this standalone volume is easy to read and highly valuable. --David Bombeck

Remarkable Sep 10 2021 Senior pastor Brady Boyd draws parallels between the early church at Corinth and today's culture to illustrate how Christians can stay true to their beliefs and live a loving and faith-filled life—demonstrating a new way to interact with the modern world. Lead pastor of New Life Church Brady Boyd encourages us to look beyond the archetypical pitfalls Christians historically have fallen victim to: Instigators hold an “us-against-you” outlook towards anyone whose beliefs differ from theirs; Isolators go into holy hiding and choose to associate exclusively with those who think like them; and Integrators slide so seamlessly into the surrounding culture that they become

ingrained in it. Instead, as Boyd illuminates here in Remarkable, Paul the Apostle proposes a new approach, one centered on God's wisdom rather than societal temptations and popular culture. Through Paul's teachings, Boyd shows us how we can not only learn to hear the Word, but also live it, reclaiming the peace, the freedom, and the joy that we lost by imitating the modern world. Remarkable reminds us that by embracing the vision Paul held for followers of God, we can begin leading truly remarkable lives by letting love guide us every step of the way. [Atlas Japannensis: Being Remarkable Addresses by Way of Embassy ... from the East-India Company ... to the Emperor of Japan](#) Oct 31 2020

[The Remarkable Journey of Coyote Sunrise](#) Apr 25 2020 "Sometimes a story comes along that just plain makes you want to hug the world. The Remarkable Journey of Coyote Sunrise is Dan Gemeinhart's finest book yet — and that's saying something. Your heart needs this joyful miracle

of a book." — Katherine Applegate, acclaimed author of *The One and Only Ivan* and *Wishtree*

Five years. That's how long Coyote and her dad, Rodeo, have lived on the road in an old school bus, criss-crossing the nation. It's also how long ago Coyote lost her mom and two sisters in a car crash. Coyote hasn't been home in all that time, but when she learns that the park in her old neighborhood is being demolished—the very same park where she, her mom, and her sisters buried a treasured memory box—she devises an elaborate plan to get her dad to drive 3,600 miles back to Washington state in four days...without him realizing it. Along the way, they'll pick up a strange crew of misfit travelers. Lester has a lady love to meet. Salvador and his mom are looking to start over. Val needs a safe place to be herself. And then there's Gladys...

Over the course of thousands of miles, Coyote will learn that going home can sometimes be the hardest journey of all...but that with friends by her side, she just might be able to turn her "once

upon a time" into a "happily ever after."

Seeing What Others Don't Jun 27 2020

Insights—like Darwin's understanding of the way evolution actually works, and Watson and Crick's breakthrough discoveries about the structure of DNA—can change the world. We also need insights into the everyday things that frustrate and confuse us so that we can more effectively solve problems and get things done. Yet we know very little about when, why, or how insights are formed—or what blocks them. In *Seeing What Others Don't*, renowned cognitive psychologist Gary Klein unravels the mystery. Klein is a keen observer of people in their natural settings—scientists, businesspeople, firefighters, police officers, soldiers, family members, friends, himself—and uses a marvelous variety of stories to illuminate his research into what insights are and how they happen. What, for example, enabled Harry Markopolos to put the finger on Bernie Madoff? How did Dr. Michael Gottlieb make the

connections between different patients that allowed him to publish the first announcement of the AIDS epidemic? What did Admiral Yamamoto see (and what did the Americans miss) in a 1940 British attack on the Italian fleet that enabled him to develop the strategy of attack at Pearl Harbor? How did a “smokejumper” see that setting another fire would save his life, while those who ignored his insight perished? How did Martin Chalfie come up with a million-dollar idea (and a Nobel Prize) for a natural flashlight that enabled researchers to look inside living organisms to watch biological processes in action? Klein also dissects impediments to insight, such as when organizations claim to value employee creativity and to encourage breakthroughs but in reality block disruptive ideas and prioritize avoidance of mistakes. Or when information technology systems are “dumb by design” and block potential discoveries. Both scientifically sophisticated and fun to read, in *Seeing What Others Don't* insight is revealed as

not just a “eureka!” moment but a whole new way of understanding.

[Bill Bailey's Remarkable Guide to Happiness](#) Jul 29 2020 WHAT MAKES US HAPPY? BILL BAILEY PLAYS CRAZY GOLF AND HUGS TREES TO FIND OUT. 'A warm, funny read, full of personal anecdotes and love letters to things that bring Bill Bailey pleasure' Sunday Mirror 'Very thoughtful and written in a delightfully humorous and accessible way... Guaranteed to make [you] smile' Daily Express Is there a knack to being happy? From paddle-boarding down the Thames in a Santa hat, to wild swimming in a glacial river and cooking sausages on a campfire, Bill revels in the exhilaration of the outdoors, as well as the quieter pleasures of letter-writing, or of simple reflection. In this beautiful and uplifting book, Bill Bailey explores all this and more while delving into the nature of happiness, all in his own, remarkable, way. Packed with wisdom and humour, and with delightful illustrations by the comedian himself,

Bill Bailey aims for the heart of pure joy and contentment - and how we can all achieve it.

Bill Bailey will be dancing on Strictly Come Dancing from 17th October 2020

Imagine a workplace where everyone chooses to bring energy, passion, and a positive attitude to the job every day. A powerful parable that will help you see your life and work in a new way. It's a rainy day in Seattle, and on the third floor of First Guarantee Financial, people have stopped believing they can make a difference. To new manager Mary Jane Ramirez, the challenge of bringing life back to her unenthusiastic and unmotivated team seems impossible, until she discovers an incredibly successful workplace down the street where the employees are so alive and passionate that people stop just to watch them work! FISH! is the remarkable story of what happens when Mary Jane seeks the help of these unlikely business "experts" and learns their secret: four simple practices that, when

applied daily, help anyone to be more energized, effective, and fulfilled. Filled with inspiration and timeless wisdom that will resonate with anyone in any field or career level, it's easy to see why FISH! is one of the most popular business parables of all time. People in organizations around the world use its practical lessons to improve customer service, build trust and teamwork, bolster leadership, and increase employee satisfaction. They also use the lessons to strengthen personal relationships, fulfill lifelong dreams, and realize their ambitions. FISH! will help you discover the amazing power that is already inside you to make a positive difference-wherever you are in life. Based on a bestselling ChartHouse training video which has been adopted by corporations including Southwest Airlines, Sprint, and Nordstrom. *The Beck's Experience* Oct 24 2022 Beck's History Book (Hard Cover)

Effortless Reading Dec 02 2020 In our overloaded lives, finding time to read is a true

challenge. Yet, we occasionally hear great people, like Bill Gates, Warren Buffet, or Elon Musk, talk about how they maintain their reading routines or how their dedication to reading helps differentiate them from the crowd. You might have already read other self-development books on how to increase your reading speed. The problem, though, is that they all tend to offer pretty much the same advice: Expand your vision, stop your vocals, scan, skim, and so on. It's all good advice but is no longer applicable in the new digital world. This book is aimed at nonfiction readers who read under 50 books every year and want to up their game. Avid readers will also enjoy the book, as it provides a new perspective about reading habits. For entrepreneurs who are very tight on learning time, this book could be the remedy for your thirst for knowledge, helping you to keep your innovation-ball rolling on the industry's edge. Effortless Reading provides a new approach to reading that once again puts you in

control of the exponentially growing knowledge stream, supporting you in achieving the level of success that you desire. Even if you are a slow reader, you can still apply the technique proposed in Effortless Reading. If you have never read any book before, following the formula in Effortless Reading will save you months of wasteful reading effort. The best part—you can spend as few as 15 minutes a day and still be able to build a sustainable and beneficial reading practice. In this book, you'll come across the following: Fundamentals of the reading mindset that distinguish a smart reader from a regular one. Pitfalls that stop people from building healthy reading habits. The recommended reading approach and the four elements those make it efficient and effortless. You might have realized that with today's deluge of information, you have to do something different to keep up. What stopping you from making every minute of your reading time counted?

Hey, I Love You May 26 2020 From the author and illustrator behind the perennial bestseller **SAFE BABY HANDLING TIPS** comes this cleverly-designed book that helps couples express their affection and vulnerability in a fun way. Despite all the modern ways we have to communicate, why is it still so tough to talk to each other sometimes? **Hey, I Love You** shares ten principles to creating a loving, lasting relationship. But more importantly, it's a device for implementing those principles, each and every day. The book is a conversation. Simply place the bookmark on the page that expresses what you want to say, or speaks the words you wish you had the courage to. Then leave the book in an obvious place for your partner to discover. With dozens of thoughtfully written expressions, you can say just about anything your heart desires: whether that's a compliment, something to cheer them up, apologize, or flag an issue you've been avoiding. In our hectic and distracted world, sometimes we need a simple,

dare we say analog way to help us communicate. **Hey, I Love You** can be that delightfully unexpected conduit that can get you really talking again and on the way to a more loving, happy marriage.

Fish! Mar 17 2022 Imagine a workplace where everyone chooses to bring energy, passion, and a positive attitude every day. Imagine a place in which people are connected to their work, colleagues and customers. In this parable, a manager must transform a chronically unenthusiastic department into an effective team.

Fish! Apr 29 2023 Imagine a workplace where everyone chooses to bring energy, passion and a positive attitude to the job every day. In this engrossing parable, a fictional manager has the responsibility of turning a chronically unenthusiastic and unhelpful department into an effective team. Seattle's Pike Place Fish is a world famous market that is wildly successful thanks to its fun, bustling, joyful atmosphere and

great customer service. By applying ingeniously simple lessons learned from the Pike Place, our manager discovers how to energise and transform her workplace. Addressing today's most pressing work issues with an engaging metaphor and an appealing message, Fish! offers wisdom that is easy to grasp, instantly applicable, and profound.

Remarkable Retail Aug 22 2022 Physical retail isn't dead—but boring retail is! Remarkable Retail equips the savvy retailer with eight essential strategies to deliver a powerful customer experience. Despite the clickbait headlines that warn of a “retail apocalypse,” many brick and mortar retail brands are enjoying strong growth and profits. Others, however, are destined to become obsolete because they offer merely convenience, decent prices, or an okay shopping experience. In Remarkable Retail, industry thought leader Steve Dennis argues that retailers can no longer count on scarcity to drive sales, or settle for

providing indifferent in-store experiences, because customers live online and have a wealth of choice and information at their fingertips. In the book, Dennis unpacks the trends that are squeezing traditional stores and presents eight essential strategies for visionary retail leaders who are prepared to reimagine the customer experience in the age of digital disruption. A remarkable retailer is digitally enabled, human centered, harmonized, mobile, personal, connected, memorable, and radical. In most retail categories, digital channels are now central to the consumer's journey, but that doesn't mean people aren't also shopping in stores. Packed with illuminating case studies from some of modern retail's biggest success stories, Remarkable Retail shows retailers and those in adjunct industries such as manufacturing, marketing, and tech, what it takes to create big buzz around the in-store experience. In an age where consumers have short attention spans and myriad options,

Remarkable Retail is your crucial roadmap to creating a powerful retail experience that keeps your customers coming back for more.

Fish! For Life with DVD Jul 01 2023 A guide to improving the atmosphere at work, given in the format of a novel: a fictional manager learns how to improve her co-workers' morale and production by following the lead of the remarkably energetic Pike Place Fish market in Seattle.

Seeing What Others Don't Mar 29 2023 A renowned cognitive psychologist reveals the science behind achieving breakthrough discoveries, allowing readers to confidently solve problems, improve decision-making, and achieve success. Insights-like Darwin's understanding of the way evolution actually works, and Watson and Crick's breakthrough discoveries about the structure of DNA-can change the world. Yet we know very little about when, why, or how insights are formed-or what blocks them. In *Seeing What Others Don't*, Gary Klein unravels

the mystery. Klein is a keen observer of people in their natural settings-scientists, businesspeople, firefighters, police officers, soldiers, family members, friends, himself-and uses a marvelous variety of stories to illuminate his research into what insights are and how they happen. What, for example, enabled Harry Markopolos to put the finger on Bernie Madoff? How did Dr. Michael Gottlieb make the connections between different patients that allowed him to publish the first announcement of the AIDS epidemic? How did Martin Chalfie come up with a million-dollar idea (and a Nobel Prize) for a natural flashlight that enabled researchers to look inside living organisms to watch biological processes in action? Klein also dissects impediments to insight, such as when organizations claim to value employee creativity and to encourage breakthroughs but in reality block disruptive ideas and prioritize avoidance of mistakes. Or when information technology systems are "dumb by design" and block

potential discoveries. Both scientifically sophisticated and fun to read, *Seeing What Others Don't* shows that insight is not just a "eureka!" moment but a whole new way of understanding.

Fish! Sep 03 2023 Addressing today's most pressing work issues with an engaging metaphor and an appealing message that applies to anyone in any sector of any organization, *Fish!* offers wisdom that is easy to grasp, instantly applicable, and profound -- the hallmarks of a true business classic. Imagine a workplace where everyone chooses to bring energy, passion, and a positive attitude to the job everyday. Imagine an environment in which people are truly connected to their work, to their colleagues, and to their customers. This engrossing parable applies ingeniously simple lessons learned from the actual Pike Place fishmongers and addresses today's most pressing work issues with an appealing message that applies to anyone in any sector in any

organization.

Remarkable Nov 24 2022 Ten-year-old Jane Doe, the only student average enough to be excluded from the town of Remarkable's School for the Remarkably Gifted, is joined at her public school by the trouble-making Grimlet twins, who lead her on a series of adventures.

Remarkable Leadership Dec 14 2021 Remarkable Leadership is a practical handbook written for anyone who wants to hone the skills they need to become an outstanding leader. In this groundbreaking book, Kevin Eikenberry outlines a framework and a mechanism for both learning new things and applying current knowledge in a thoughtful and practical way. Eikenberry provides a guide through the most important leadership competencies, offers a proven method for learning leadership skills, and shows approaches for applying these skills in today's multitasking and overloaded world of work. The book explores real-world concerns such as focus, limited time, incremental

improvement, and how we learn.

The Remarkable Effect Jun 19 2022 The Remarkable Effect was written to help tech-entrepreneurs-on-a-mission shape the software business they've always aspired to run. This is a highly effective process for start-ups, underdogs, established market leaders, small companies, large companies and everything in between.

Fish! Aug 10 2021

Do Scale Dec 26 2022 Scaling up is something most founders aspire to, especially once the tricky start-up phase has been navigated. It can increase your reach and future proof your business. But how do you scale? And how does it differ from flipping for a quick profit or slower organic growth? Les McKeown advises industry leaders on how to achieve scalable, sustainable growth. In Do Scale, he draws from his decades of experience to provide a clear understanding of what's involved, and the strategies needed to take your business (or not-for-profit) to the next level. You'll find out: What it means to scale and

if now is the right time; Why founders need to get out of their own way; How to develop winning teams; Your secret weapon for decision making. With practical advice and clear guidance, Do Scale is an essential manual for anyone looking to grow a successful and sustainable organisation and turn it into something truly remarkable.

Her Way Oct 12 2021 Before there was a Woman's Missionary Union, there was Hephzibah Jenkins Townsend, a determined and courageous woman who transcended the societal constraints of the antebellum South to found a missionary society that would become the model for hundreds of others to follow. Hephzibah, mistress of a large plantation on South Carolina's Edisto Island, gave birth to fifteen children. Her passion was missions, and in order to fund missions and to found a church, Hephzibah and her beloved servant Bella started a baking business. Force of character and a profound sense of justice were the hallmarks of

Hephzibah's life. This is her remarkable story. Rosalie Hall Hunt is an avid historian, especially of the women who have shaped missions. She is the daughter of missionaries, and she and her husband, Bob, served for thirty years as missionaries in eight Asian countries. She is the author of "Bless God and Take Courage: The Judson History and Legacy," "We've a Story to Tell: 125 Years of WMU," and other books and articles. She speaks at churches, retreats and conferences. Hunt and her husband live in Guntersville, Alabama. "In the story of Hephzibah Jenkins Townsend, we see the true meaning of sacrificial giving and the power of one voice to change our culture and world." - Wanda Lee, Executive Director, Woman's Missionary Union, Southern Baptist Convention "The wonderful research and the intriguing way Rosalie Hall Hunt shares Hephzibah's story will encourage you in your service. May we all be found as faithful as Hephzibah." - Linda Cooper, President, Woman's Missionary Union, Southern

Baptist Convention "There is no way to overestimate the importance of Hephzibah to the history of Baptist women in missions, and there is no way to really understand Hephzibah's story without the master storyteller Rosalie Hall Hunt." - Ruby Fulbright, Vice President, North American Baptist Women's Union [Hey, I Love You](#) Jun 07 2021 From the author and illustrator behind the perennial bestseller SAFE BABY HANDLING TIPS comes this cleverly-designed book that helps couples express their affection and vulnerability in a fun way. Despite all the modern ways we have to communicate, why is it still so tough to talk to each other sometimes? Hey, I Love You shares ten principles to creating a loving, lasting relationship. But more importantly, it's a device for implementing those principles, each and every day. The book is a conversation. Simply place the bookmark on the page that expresses what you want to say, or speaks the words you wish you had the courage to. Then leave the

becoming a better negotiator, employer, and company leader. With his extensive guidance, you'll learn how to accelerate your career and powerfully impact your effectiveness and career trajectory.

Remarkable Road Trips Aug 29 2020 A superbly photographed collection of more than 50 of the most spectacular, dangerous, and thoroughly memorable road trips from around the world. Remarkable Road Trips continues the format established in the bestselling "Remarkable" series, which combines spectacular photography of popular and niche sporting venues from around the world. This break-out title features more than 50 of the world's most impressive and exciting drives, from the shortest, the Guoliang Tunnel hewn into the side of a cliff face in China, to the longest, the Dempster Highway in desolate stretches of Arctic Canada. Some can be driven in a day or less, others may take four or five; the variety of landscapes and terrain and even latitudes is huge. For the adrenaline rush,

the old Nürburgring race circuit in Germany is included. Common to all the routes is a gallery of stunning photographs making them bucket-list destinations of not just petrolheads but those wishing to seek jaw-dropping scenery without packing hiking boots and a cagoule. They are all driveable--from the heartstopping Yungas "Road of Death" in Bolivia to the much more relaxing Route des Vins d'Alsace in eastern France--and each entry includes distances, start and finish locations, and recommended highlights and stopping off points along the way.

Fish! Tales May 07 2021 Fish! told the story of a fictional company which transformed itself by applying lessons learned from Seattle's famous Pike Place Fish market. Now, with Fish! Tales, readers can learn how real-life businesses and individuals energized their workplaces--and their lives--by implementing the lessons from Fish! Best of all, the book stands on its own for newcomers to the Fish! philosophy. Fish! Tales focuses on diverse companies, such as a bustling

Sprint regional customer service center, a quiet neuro-surgical unit at a major hospital, and a brilliant car dealership. It features dozens of short takes quick and easy ways to apply the Fish! philosophy right now. And it includes a detailed program with specific steps and action plans.

Atomic Habits Jan 03 2021 The #1 New York Times bestseller. Over 10 million copies sold! Tiny Changes, Remarkable Results No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to

the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the

tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Fish! For Life Aug 02 2023 There's a new FISH! in the pond! Here's a brilliant parable for everyone who wants to lead a fuller, happier life. Millions of business people have already used the bestselling FISH! books to improve the way they work. Now, the authors turn their attention to life's daily personal challenges, helping readers deal with them simply and effectively. By applying the FISH! principles of Play, Make Their Day, Choose Your Attitude, and Be Present, FISH! for Life shows readers how to confront life's issues and to reach their full potential. With advice on such life issues as weight loss, personal finance, and relationships, the book is a road map for achieving personal happiness and well-being in all areas of life.

After all, life shouldn't be work.

The Brain's Way of Healing Feb 01 2021 NEW YORK TIMES BESTSELLER The New York Times--bestselling author of *The Brain That Changes Itself* presents astounding advances in the treatment of brain injury and illness. Now in an updated and expanded paperback edition. Winner of the 2015 Gold Nautilus Book Award in Science & Cosmology In his groundbreaking work *The Brain That Changes Itself*, Norman Doidge introduced readers to neuroplasticity—the brain's ability to change its own structure and function in response to activity and mental experience. Now his revolutionary new book shows how the amazing process of neuroplastic healing really works. *The Brain's Way of Healing* describes natural, noninvasive avenues into the brain provided by the energy around us—in light, sound, vibration, and movement—that can awaken the brain's own healing capacities without producing unpleasant side effects. Doidge explores cases where

patients alleviated chronic pain; recovered from debilitating strokes, brain injuries, and learning disorders; overcame attention deficit and learning disorders; and found relief from symptoms of autism, multiple sclerosis, Parkinson's disease, and cerebral palsy. And we learn how to vastly reduce the risk of dementia, with simple approaches anyone can use. For centuries it was believed that the brain's complexity prevented recovery from damage or disease. The Brain's Way of Healing shows that this very sophistication is the source of a unique kind of healing. As he did so lucidly in *The Brain That Changes Itself*, Doidge uses stories to present cutting-edge science with practical real-world applications, and principles that everyone can apply to improve their brain's performance and health.

Remarkable! Apr 17 2022 When it comes to qualities such as passion, enthusiasm, energy, and creativity, the majority of the American workforce could be described as "severely

lacking." Too many people just go through the motions, viewing work as something they have to do rather than something they love to do. This translates into lackluster performance, lost opportunities, and a staggering loss of profits. So how does a team leader turn a business-as-usual team into a remarkable one? Remarkable! is an entertaining and enlightening business parable that has the power to turn any team around. Through the humorous and eye-opening story of Dusty, leaders will discover how to build a culture that inspires team members to bring the best of who they are to the table every day. Addressing the three dimensions of culture--values, beliefs, and behaviors--Remarkable! introduces readers to the Four Maxims of Value Creation: creativity, positivity, sustainability, and responsibility. It shows leaders the most effective ways to cultivate these qualities in their team members and how to craft a corporate culture where people can thrive.

Fish! Sep 22 2022

Fish! Sticks May 19 2022 The phenomenal international bestseller FISH! told the story of a fictional company that transformed itself by applying lessons learned from Seattle's Pike Place Fish Market. The follow-up FISH! TALES told of real-life companies that boosted morale and improved results by implementing these same principles. Now, following the huge success of these motivational titles, comes the latest inspiring addition to the series: FISH! STICKS. In this new, stimulating volume, the authors teach us how to effect change in our business and make it stick through tough and changing times such as turnover in management and staff. With the appealing, readable style which makes the FISH philosophy so accessible, FISH! STICKS shows us how to keep our work vital, alive and fresh, while maintaining those innovations that really work for your company. *An Absolutely Remarkable Thing* Feb 13 2022 THE INSTANT #1 NEW YORK TIMES BESTSELLER "Sparkling with mystery, humor

and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play." —San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of Crash Course, Vlogbrothers, and SciShow—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and her best friend, Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian,

finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable Thing* is a bold and insightful novel of now.

Everything Counts Jul 21 2022 *Everything Counts!* is an execution strategy for inspiring excellence and driving exceptional results. Too

many people and organizations are mired in a mediocrity of their own making. They focus their attention and efforts on getting the big things right, but they ignore the little things that often make a big difference. As a result, reputations are damaged, brands diluted, and loyalty is lost by blatant disregard for the small stuff which negatively impacts the customer experience. For years, we've been taught not to sweat the small stuff, but in the real world of business, *Everything Counts*. *Everything Counts* is a call to greater awareness and with awareness comes a responsibility to raise the performance bar. It offers a powerful operating philosophy that will steer your organization to reach higher levels of growth, productivity, and performance. From the smallest customer contact to the most minute details of product quality, the little things add up to a pretty big deal. Serving as the definitive guide on organizational and personal mastery, this book gives you a foundation for unparalleled customer service, superior quality, and

consistent performance. A proven system for organizing, aligning, and improving all your efforts in sales, service, and performance improvement Shows how concentrating on the small things leads to growth, productivity, personal success, and business greatness Helps you motivate your people and teams to achieve better results on both the personal and organizational level Everything Counts reminds us that seemingly small things can make tremendous differences. The purpose of this book is to help you internally define and take ownership of the most fundamental principle behind achieving results beyond your expectations-a single idea with an actionable focus-Everything Counts!
