The West in the World Sep 05 2021 The West in the World, Fifth Edition, prompts students to take an active, analytical approach to understanding history and historical change. Readers will come to appreciate that history does not happen in isolation but rather is the consequence of a complex set of intersecting events, forces, and human actions among which there are cause-and-effect links that extend into the present day. As it compellingly tells the story of Western civilization, The West in the World encourages a critical examination and analysis of major events and themes. The fifth edition retains the medium length of previous editions, long enough to present a comprehensive, rich narrative but concise enough to give instructors the flexibility to supplement reading with other sources and books. The fifth edition of The West in the World includes the exciting addition of LearnSmart and SmartBook, McGraw-Hill's online adaptive learning and reading systems. LearnSmart and SmartBook are the only adaptive learning programs proven to improve performance. LearnSmart and SmartBook help students study more efficiently and retain more knowledge, allowing instructors to focus valuable class time on higher-level concepts.

Social Policy for Effective Practice Jul 23 2020 The fifth edition of Social Policy for Effective Practice offers a rich variety of resources and knowledge foundations to help social work students understand and contend with the continually evolving social policy landscape that surrounds them. The authors have continued their values-based approach and kept the focus on clients' strengths to help students position themselves for effective engagement on new fronts where policy threats and outcomes affect clients' lives in myriad ways. The new edition comprehensively covers the process of defining need, analyzing social policy, and developing policy, and each chapter builds on the practical knowledge and skills forged from previous ones. New to this edition: Thorough examination of new policies, including challenges to the Affordable Care Act, voting rights, immigration, women's rights, and LGBTQ+ rights, as well as situations involving substance use, mental health, and economic inequality. Expanded coverage of shifting demographics, including population diversity and aging. Increased connections drawn between historical, present, and potential future policy contexts Updated exercises, exhibits, and social media links in-text and an entire suite of web-based tools found through www.routledgesw.com, including complementary reading suggestions and teaching tips, a full library of lecture slides and exam questions, and EPAS guidelines. For use as a resource in foundations generalist social policy courses, either at the baccalaureate or master's levels, the new edition of Social Policy for Effective Practice will challenge students to find areas of policy practice that spark their passion and prepare them to think about and use policy practice as a tool that can lead to the changes they care about.

Great Writing 1 Feb 27 2021

Thinking Through the Past, Volume II May 21 2020 This reader for the U.S. history survey course gives students the opportunity to apply critical thinking skills to the examination of historical sources, providing pedagogy and background information to help them draw substantive conclusions. The careful organization and the context provided in each chapter make the material accessible for students, thereby assisting instructors in engaging their students in analysis and discussion. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Power of Critical Thinking Oct 06 2021 "The Power of Critical Thinking offers a comprehensive introduction to the systematic, rational evaluation of the arguments, claims, and evidence that lead to beliefs. In clear and accessible language, the authors take students through all essential components of critical analysis--from identifying premises and conclusions, to recognizing common fallacies and misrepresentations of fact, to using deductive and inductive reasoning to deconstruct arguments, to overcoming psychological, social, and philosophical impediments that can cloud clear thinking. Emphasizing the importance of critical thinking to personal development and success with expanded "Field Problems" and new "Everyday Problems and Decisions Boxes," The Power of Critical Thinking provides students with the skills they need to engage meaningfully with the world around them--both inside and outside the classroom."--

VALUE PACK Dec 08 2021

Fit To Be Well Aug 24 2020 The fifth edition of Fit to Be Well: Essential Concepts provides students with the tools they need to reach the goal of good health and fitness by delving into exercise, proper nutrition, and stress management. Its content is organized in a succinct, easy-to-navigate manner that allows students to become more aware of each aspect of a physically fit lifestyle. Using a wealth of special features and online learning tools, the text encourages students to improve their eating habits by incorporating healthier foods into their diet, increasing their level of physical activity, keeping their body composition and weight at a healthy level, increasing their self-esteem, and reducing stress. An integrated lab manual, found at the end of the text, helps students build and implement a fitness program that will work with their individual needs and schedules.

Art History Mar 31 2021 The most student-friendly, contextual, and inclusive survey is now personalized, digital, and mobile for today's students. Art History 5th edition continues to balance formal analysis with contextual art history in order to engage a diverse student audience. Authors Marilyn Stokstad and Michael Cothren- both scholars as well as teachers- share a common vision that survey courses should be filled with as much enjoyment as learning, and that they should foster an enthusiastic, as well as an educated, public for the visual arts. This revision is the strongest and most comprehensive learning program for measuring student progress and improving student success in attaining the outcomes and goals of the art history survey course. Not only does the text address four overarching goals of the survey course, the new MyArtsLab further develops and reinforces these outcomes and skills

with market-leading learning tools such as personalized study plans for each student and multimedia assets geared towards addressing different learning styles and abilities, such as chapter audio, student videos, Closer Looks, architectural panoramas and much more. The end result is a complete learning program designed to increase students' success with a personalized, digital and a highly mobile learning experience. A better teaching and learning experience This program will provide a better teaching and learning experience-for you and your students. Here's how: Personalize Learning - MyArtsLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructors gauge individual and class performance. Go Digital -- Pearson Custom eText provides instructors and students with a whole new online customizable learning experience. Go Mobile -- Make learning easy and convenient with our on-the-go eTexts and key learning applications. Improve Critical Thinking -- Key Learning Outcomes encourage students to think critically about visual arts as part of the larger world. Engage Students -- Updated scholarship, MyArtsLab, and the readability of the text provide a wonderful engaging student experience. Support Instructors -- With a wealth of online resources, instructors have videos, images, and teaching support materials to create a dynamic, engaging course. Integrative Medicine Apr 12 2022 Written by physicians who are experts in both traditional and complementary medicine, Integrative Medicine, 5th Edition, uses a clinical, disease-oriented approach to safely and effectively incorporate alternative therapies into primary care practice. Drawing on available scientific evidence and the authors' first-hand experiences, it covers therapies such as botanicals, supplements, mind-body, lifestyle choices, nutrition, exercise, spirituality, and other integrative medicine modalities. This highly regarded reference offers practical guidance for reducing costs and improving patient care while focusing on prevention and wellness for a better quality of life. Explains how to make the best use of integrative medicine and the mechanisms by which these therapeutic modalities work, keeping you at the forefront of the trend toward integrative health care. Templated chapters make it quick and easy to find key information such as dosing, pearls, the Prevention Prescription, and Therapeutic Reviews that incorporates the Evidence vs Harm Icon. Uses the reliable SORT method (Strength of Recommendation Taxonomy) to provide evidence-based ratings, grading both the evidence and the relative potential harm. Thoroughly updated, ensuring that you remain well informed regarding the latest evidence. Contains 10 new chapters covering clinician resilience, supporting immunity, NASH/fatty liver, hair loss, rethinking the movement prescription, compassion practices, prescribing low-dose naltrexone, psychedelics, tapering off PPIs and opioids, as well as an expanded osteopathy chapter. Covers timely topics aimed at reducing the epidemics of polypharmacy and opioid overuse, as well as supporting immunity in the face of infectious diseases. Provides online access to multiple-choice questions for every chapter—perfect for board exam review.
