*Will Nov 30 2020 The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller The Subtle Art of Not Giving a F*ck, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.*

Lessons for a Happy Marriage Aug 08 2021 Through his own family's experiences, Paul Friedman discovered how dangerous modern western psychology has been to relationships and families. The current divorce rate (the same for psychologists and the general population) is a clear testimony to the fact that western psychologists' principles are simply incorrect. As a successful pragmatist, Paul decided to skip the psychobabble and self-serving excuses for poorly working marriages. He found scientific explanations that could be communicated in simple language for dealing directly with the root causes of failing relationships. Paul does not believe therapy is the answer for the vast majority of individuals in unhappy marriages. In fact, he believes all married couples need to know what thoughts and actions will cause what results and why. The behaviors and thinking that cause the trend of an unhappy marriage need to be stopped. Then, new and correct thinking and effort needs to be exercised to move the marriage in the beneficial direction of happiness. *Lessons For A Happy Marriage* explains the science of marriage. It is written as a step by step format to guide each reader to guaranteed success and happiness. Paul thoroughly explains the steps so you can put them into practice with foundational knowledge instead of blind faith. He also prioritizes which things need to be done to turn your marriage around quickly. It is all common sense and immediately usable. Utilizing this book is no different than using a manual to get the most out of a computer program; it covers everything. Paul states, "An epiphany is the collapse of bad habits under the weight of accumulated wisdom." This book shares wisdom accumulated over 15 years of experience.

Love Yourself Like Your Life Depends on It May 24 2020 **THE SELF-PUBLISHED PHENOMENON —NOW FULLY REVISED AND EXPANDED** I almost didn't publish *Love Yourself Like Your Life Depends on It*. But I stepped through the fears and shared my truth with the world. The book went viral. Amazing people all over bought copies for friends and family. For some, this book saved their lives. For others, it was the first time they ever loved themselves. Many readers reached out and asked questions. This taught me that, to create lasting impact, I had to go deeper. So, seven years later, here it is. All the questions I received, resolved. My intention is that by the time you finish this new edition, not only will you be committed to loving yourself, you'll know exactly how to do it. And, most importantly, how to make it last.

Love is a Verb Nov 22 2022 Dr. Gary Chapman has spent his life helping people communicate love more effectively

and in turn build more satisfying and lasting relationships. His book *The Five Love Languages* is a regular on the *New York Times Best Sellers* list--even after being in print for fifteen years--and has made the term "love language" a part of everyday speech. *Love Is a Verb* takes his teaching to the next level. Rather than a typical marriage self-help book filled with lengthy explanations of principles and techniques, it is a compilation of true stories displaying love in action. These stories--written by everyday people--go straight to the hearts of readers, who often say that illustrations are the most effective parts of a book. Gary Chapman adds a "Love Lesson" to each story, showing readers how they can apply the same principles to their own relationships.
