Remember the Alamo! Texas Independence & the Lone Star Republic | Grade 5 Social Studies | Children's American History Jan 17 2023 It was only in 1845 that Texas became a part of the United States. Before that, it was a part of Mexico. The Battle of the Alamo was the beginning of the Texan belief that they could be free from Mexico. "Remember the Alamo" became a battle cry. In this book, you read about what happened after the Alamo defeat. You will also learn about the roles of Sam Houston and Santa Anna in gaining Texas Independence.

Lone Star Nation Feb 18 2023 The two-time Pulitzer Prize finalist, bestselling historian, and author of Our First Civil War mythologizes Texas's journey to statehood and restores the genuinely heroic spirit to a pivotal chapter in American history. • "A balanced, unromanticized account [of] America's great epic." —The New York Times Book Review From Stephen Austin, Texas's reluctant founder, to the alcoholic Sam Houston, who came to lead the Texas army in its hour of crisis and glory, to President Andrew Jackson, whose expansionist aspirations loomed large in the background, here is the story of Texas and the outsize figures who shaped its turbulent history. Beginning with its early colonization in the 1820s and taking in the shocking massacres of Texas loyalists at the Alamo and Goliad, its rough-and-tumble years as a land overrun by the Comanches, and its day of liberation as an upstart republic, Brands' lively history draws on contemporary accounts, diaries, and letters to animate a diverse cast of characters whose adventures, exploits, and ambitions live on in the very fabric of our nation.

Historical Sketch and Guide to the Alamo Apr 27 2021 Excerpt from Historical Sketch and Guide to the Alamo The history of Texas has been recorded in the blood of its martyrs. The Lexington of the American revolution had its counterpart in the Alamo; San Jacinto was the York-town of the Lone Star. Naturally, the greater American revolt was greater by virtue of the greatness of the interests involved; but the struggles, defeats and success of the Texas wars for independence are thrilling in interest and equally as illustrative of the courage, fortitude and self-denial of the American pioneer as those which characterized the contest between the American colonies and England. In that contest an Anglo-Saxon foe pursued a civilized warfare. In the Texas revolution the enemy was a Latin. Too often was his side of it waged upon the principle that "all is fair in love and war," massacre, rapine and arson weaving their red thread throughout the course of the struggle. The Gates of the Alamo Apr 08 2022 A New York Times bestselling novel, modern historical classic, and winner of the TCU Texas Book Award, The Spur Award and the Wrangler Award for Outstanding Western Novel It's 1836, and the Mexican province of Texas is in revolt. As General Santa Anna's forces move closer to the small fort that will soon be legend, three people's fates will become intrinsically tied to the coming battle: Edmund McGowan, a proud and gifted naturalist; the widowed innkeeper Mary Mott; and her sixteen-year-old son, Terrell, whose first shattering experience with love has led him into the line of fire. Filled with dramatic scenes, and abounding in fictional and historical personalities—among them James Bowie, David Crockett, William Travis, and Stephen Austin—The Gates of the Alamo is a faithful and compelling look at a riveting chapter in American history.

Forget the Alamo! Aug 24 2023 After the explosion, Will didn't expect to wake up again, especially in the past. Alive is good. Except he finds himself at the Alamo in 1836 in the body of another man doomed to die. If history repeats itself, Santa Anna is coming soon and the Alamo will fall, along with himself and 189 others. In a race against time itself, Will uses his knowledge of the future to change the past. He will use every means necessary, even if it means abandoning the fort. He is determined to forget the Alamo!

Gardens of the Alamo Aug 12 2022

A Line in the Sand Jul 23 2023 In late February and early March of 1836, the Mexican Army under the command of General Antonio López de Santa Anna besieged a small force of Anglo and Tejano rebels at a mission known as the Alamo. The defenders of the Alamo were in an impossible situation. They knew very little of the events taking place outside the mission walls. They did not have much of an understanding of Santa Anna or of his government in Mexico City. They sent out contradictory messages, they received contradictory communications, they moved blindly and planned in the dark. And in the dark early morning of March 6, they died. In that brief, confusing, and deadly encounter, one of America's most potent symbols was born. The story of the last stand at the Alamo grew from a Texas rallying cry, to a national slogan, to a phenomenon of popular culture and presidential politics. Yet it has been a hotly contested symbol from the first. Questions remain about what really happened: Did William Travis really draw a line in the sand? Did Davy Crockett die fighting, surrounded by the bodies of two dozen of the enemy? And what of the participants' motives and purposes? Were the Texans justified in their rebellion? Were they sincere patriots making a last stand for freedom and liberty, or were they a ragtag collection of greedy men-on-the-make, washed-up politicians, and backwoods bullies, Americans bent on extending American slavery into a foreign land? The full story of the Alamo -- from the weeks and months that led up to the fateful encounter to the movies and speeches that continue to remember it today -- is a quintessential story of America's past and a fascinating window into our collective memory. In *A Line in the Sand*, acclaimed historians Randy Roberts and James Olson use a wealth of archival sources, including the diary of José Enrique de la Peña, along with important and little-used Mexican documents, to retell the story of the Alamo for a new generation of Americans. They explain what happened from the perspective of all parties, not just Anglo and Mexican soldiers, but also Tejano allies and bystanders. They delve anew into the mysteries of Crockett's final hours and Travis's famous rhetoric. Finally, they show how preservationists, television and movie producers, historians, and politicians have become the Alamo's major interpreters. Walt Disney, John Wayne, and scores of

journalists and cultural critics have used the Alamo to contest the very meaning of America, and thereby helped us all to "remember the Alamo."

A Line in the Sand Jul 11 2022 In the journal she receives for her twelfth birthday in 1835, Lucinda Lawrence describes the hardships her family and other residents of the "Texas colonies" endure when they decide to face the Mexicans in a fight for their freedom.

Branding Texas Dec 24 2020 Ask anyone to name an archetypal Texan, and you're likely to get a larger-than-life character from film or television (say John Wayne's Davy Crockett or J. R. Ewing of TV's Dallas) or a politician with that certain swagger (think LBJ or George W. Bush). That all of these figures are white and male and bursting with self-confidence is no accident, asserts Leigh Clemons. In this thoughtful study of what makes a "Texan," she reveals how Texan identity grew out of the history—and, even more, the myth—of the heroic deeds performed by Anglo men during the Texas Revolution and the years of the Republic and how this identity is constructed and maintained by theatre and other representational practices. Clemons looks at a wide range of venues in which "Texanness" is performed, including historic sites such as the Alamo, the battlefield at Goliad, and the San Jacinto Monument; museums such as the Bob Bullock Texas State History Museum; seasonal outdoor dramas such as Texas! at Palo Duro Canyon; films such as John Wayne's The Alamo and the IMAX's Alamo: The Price of Freedom; plays and TV shows such as the Tuna trilogy, Dallas, and King of the Hill; and the Cavalcade of Texas performance at the 1936 Texas Centennial. She persuasively demonstrates that these performances have created a Texan identity that has become a brand, a commodity that can be sold to the public and even manipulated for political purposes.

The Legend of the Alamo Dec 04 2021 The battle for the Alamo has become one of the most famous conflicts in American history. In 1836, General Santa Ana led troops in a battle to defend the Alamo, a Spanish-built mission in San Antonio. This battle escalated between American pioneers and Mexican troops into a fight for Texan Independence from Mexico. Author Roy Sorrels narrates the battle for control between Texans and Mexicans.

Lone Star Rising May 21 2023 All Americans, not just Texans, remember the Alamo. But the siege and brief battle at that abandoned church in February and March 1836 were just one chapter in a much larger story -- larger even than the seven months of armed struggle that surrounded it. Indeed, three separate revolutionary traditions stretching back nearly a century came together in Texas in the 1830s in one of the great struggles of American history and the last great revolution of the hemisphere. Anglos steeped in 1776 fervor and the American revolution came seeking land, Hispanic and native Americans joined the explosion of republican uprisings in Mexico and Latin America, and the native tejanos seized on a chance for independence. As William C. Davis brilliantly depicts in Lone Star Rising, the result was an epic clash filled not just with heroism but also with ignominy, greed, and petty and grand politics. In Lone Star Rising, Davis deftly combines the latest scholarship on the military battles of the revolution, including research in seldom used Mexican archives, with an absorbing examination of the politics on all sides. His stirring narrative features a rich cast of characters that includes such familiar names as Stephen Austin, Sam Houston, and Antonio Santa Anna, along with tejano leader Juan Seguín and behind-the-scenes players like Andrew Jackson. From the earliest adventures of freebooters, who stirred up trouble for Spain, Mexico, and the United States, to the crucial showdown at the San Jacinto River between Houston and Santa Anna there were massacres, misunderstandings, miscalculations, and many heroic men. The rules of war are rarely stable and they were in danger of complete disintegration at times in Texas. The Mexican army often massacred its Anglo prisoners, and the Anglos retaliated when they had the chance after the battle of San Jacinto. The rules of politics, however, proved remarkably stable: The American soldiers were democrats who had a hard time sustaining campaigns if they didn't

agree to them, and their leaders were as given to maneuvering and infighting as they were to the larger struggle. Yet in the end Lone Star Rising is not a myth-destroying history as much as an enlarging one, the full story behind the slogans of the Alamo and of Texas lore, a human drama in which the forces of independence, republicanism, and economics were made manifest in an unforgettable group of men and women.

The Alamo May 17 2020 In 1836, a small group of rebels inside the Alamo stood up against a Mexican army. The rebels, including Davey Crockett, Jim Bowie, and William Travis, were fighting for Texas independence. Would you or would you not join the rebels? What would your readers do?

Forget the Alamo Sep 13 2022 A New York Times bestseller! "Lively and absorbing. . ." - The New York Times Book Review "Engrossing." -Wall Street Journal "Entertaining and well-researched . . ." -Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as *Forget the Alamo* definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. *Forget the Alamo* provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

Flags of Texas Nov 15 2022

The Alamo in American History Aug 20 2020 The settling of the untamed Texas frontier under Stephen Austin and the bloody conflicts with the Comanches and Apaches are provided as a backdrop for this exciting account of the battle for control of this mission-turned-fort. Also discussed are the events which led up to the fight, reasons for the American defeat, and key players in this important piece of Texas history. Many famous and brave heroes, including Davy Crockett, William Travis, and Jim Bowie, lost their lives at the Alamo.

Lone Star Nation Feb 06 2022 A richly textured history of one of the most fascinating and colorful eras in American history - the Texas Revolution - and its bloody and precarious journey to statehood, written by bestselling historian H. W. Brands.

Alamo All-Stars Jul 31 2021 Shares the Lone Star State's bloody fight for independence from the Mexican government and features the exploits of historical legends, Jim Bowie and Davy Crockett.

Remember the Alamo! Mar 19 2023 A thirteen-year-old girl keeps a diary of events during the Texas Revolution, as her life changes from dances and picnics to flight from Santa Anna's army after the fall of the Alamo.

Tejanos in the 1835 Texas Revolution Nov 22 2020 A Texas historian presents a vividly detailed account of the 1835-36 battle for independence, shining new light on the experiences of Tejano rebels. In the 1820s and '30s, thousands of settlers from the United States migrated to Mexican Texas, lured by Mexico's promise of freedom. But when President Antonio Lopez de Santa Anna came to power, he discarded the constitution and established a new centralized government. In 1835 and '36, Mexican-born Tejanos and Anglo-born Texans fought side by side to defend their rights against this authoritarian power grab. After Santa Anna silenced dissent across Mexico, Texas emerged as the lone province to gain independence. Offering a unique study of the role the Mexican-born revolutionaries played in Texas's battle for independence, this account examines Mexico from the fifteenth century through the birth of the sovereign nation of Texas in 1836. Drawing heavily on first-person accounts, this detailed history sheds light on the stories and experiences of Tejanos and Texans who endured the fight for liberty. Enhanced by maps and illustrations handcrafted by the author, this volume contributes an important perspective to the ongoing scholarship and debate surrounding the Alamo generation of the 1830s.

Line of Glory Jan 25 2021 The final 13 hours at the Alamo began around 5 o'clock on the afternoon of March 5, 1836. Colonel William Barrett Travis drew a line in the dirt and asked all those who would stay and fight to cross it. Destinies played out that night for four people. Susannah Dickinson, a woman of surprising gumption. Young James Taylor who came to the Alamo to free Texas from the tyrannical rule of General Santa Anna. "Moses" Rose who refused to cross Travis's line because he "wasn't prepared to die." Colonel Juan Morales, ordered to assault Crockett and his men at the south palisade, believed attacking the fort was foolhardy. But his real disgust was for Santa Anna, a man who allowed whims to dictate his decisions.

The Alamo 1836 Jan 05 2022 Osprey's examination of the Battle of Alamo (1836), which was the decisive battle of the Texas Revolution (1835-1836). On the morning of 6 March 1836 around 1,100 Mexican soldiers under Generalissimo Santa Anna stormed a small mission outside San Antonio, Texas, and slaughtered the garrison of around 200 Texans. It was not a large battle but its significance vastly outweighed its size for the name of the mission was the Alamo. Less than two months later Santa Anna's force was smashed at San Jacinto by a volunteer army whose battle cry was "Remember the Alamo". Stephen L Hardin details the climactic 1836 campaign which won Texas her independence.

Texas Mar 27 2021 Texas is known for cowboys and chili, rodeos and ten-gallon hats, but the Lone Star State also has a rich history and holds an important place in the development of the United States. Filled with photographs and fascinating facts, this book provides a perfect introduction to the history, geography, and culture of Texas. It features information about the origins of the nation's second-largest state, the people who live there, and the government that makes Texas run. From Sam Houston to the Houston Astros, this book showcases Texas from every angle.

A Line in the Sand Oct 02 2021

Sam Houston and the Alamo Avengers Sep 01 2021 The New York Times bestseller now in paperback with a new epilogue. In March 1836, the Mexican army led by General Santa Anna massacred more than two hundred Texians who had been trapped in the Alamo. After thirteen days of fighting, American legends Jim Bowie and Davey Crockett died there, along with other Americans who had moved to Texas looking for a fresh start. It was a crushing blow to Texas's fight for freedom. But the story doesn't end there. The defeat galvanized the Texian settlers, and under General Sam Houston's leadership they rallied. Six weeks after the Alamo, Houston and his band of settlers defeated Santa Anna's army in a shocking victory, winning the independence for which so many had died. *Sam Houston and the Alamo Avengers* recaptures this pivotal war that changed America forever, and sheds light on the tightrope all war heroes walk between courage and calculation. Thanks to Kilmeade's storytelling, a new generation

of readers will remember the Alamo—and recognize the lesser known heroes who snatched victory from the jaws of defeat.

Ladies at the Alamo Feb 23 2021 THE STORY: The setting is the lavish reception room of the new multi-million-dollar Alamo Theatre, a regional theatre complex that has grown from a small operation in a converted church to one of the glories of Texas culture. As the action begins w

The Battle of the Alamo Jun 17 2020 Dramatic and defining moments in American history come vividly the life in the Cornerstones of Freedom series.

Historical Sketch and Guide to the Alamo Dec 16 2022

The Alamo Mar 07 2022 Fresh off a "too close" encounter with the terrorist group, the Ghost Cell, in Kitty Hawk, North Carolina, Q and Angela head to San Antonio, Texas. As their parents' band, Match, prepares for a concert at the Alamo, the two discover that the Ghost Cell has its tentacles everywhere, including the Lone Star State. With each passing hour, Q and Angela uncover more clues and discover more leads. And the mysterious Boone and his SOS group leave them with more questions than answers, for there is much more to Boone than meets the eye. With time running out to stop another Ghost Cell attack, Angela and Q and the others begin to wonder. Are they following the Ghost Cell or is the Ghost Cell following them?

Hugo, the Texan, Or, The Demons of the Alamo May 09 2022

To the Last Man Jul 19 2020 "Examines the Battle of the Alamo, including its causes, leaders, and results"--

Eyewitness to the Alamo Jun 22 2023 Eyewitness to the Alamo is the actual account of the siege and Battle of the Alamo by those who were present during the attack. This book is the first complete accounting of the Battle of the Alamo by one of our country's foremost authorities on the event.

Flat Stanley's Worldwide Adventures #10: Showdown at the Alamo Jun 10 2022 Just in time to celebrate the 50th anniversary of Flat Stanley, our favorite flat hero, Stanley Lambchop, heads to Texas, where a showdown at the Alamo will make this the most exciting of all his Worldwide Adventures! In this tenth installment of Jeff Brown's humorous Flat Stanley's Worldwide Adventures series, readers will soar through unforgettable adventure, witness friendship at its best, and learn tons of fun facts about the Lone Star State! And for parents and teachers, each Flat Stanley book is aligned to the Common Core State Standards, like multicultural adventure, plot and character development story elements, and compare and contrast. In this easy-to-read and incredibly hilarious chapter book, Stanley and his friends head to the big state of Texas to visit their pal Eduardo. From rocking out onstage at a music festival, to riding a horse, to parasailing in the desert, Stanley is having the time of his life! But when a mysterious truck starts following the friends, tensions run high. Who could it be? And what do they want? A suspenseful and surprising showdown at Texas's historic Alamo will reveal all . . . including Stanley's courageous inner cowboy. Supports the Common Core State Standards

The Alamo May 29 2021 Although The Alamo fell in the early morning of March 6, 1836, the death of the Alamo defenders has come to symbolize courage and sacrifice for the cause of liberty. The memories of James Bowie, Davy Crockett, and William B. Travis are as powerful today as when the Texan Army routed Santa Anna to the cry "Remember the Alamo!" This book is more than a tribute to those who fell defending the mission. It is a thoroughly researched, vividly illustrated, objective description of the circumstances building up to and leading from that stand. By using contemporary writings, this history describes the political and military organizations of both sides, the weapons and equipment available to them, and the enduringly famous personalities involved, creating a vivid picture of this dramatic battle and the period in which it was fought.

Remember the Alamo! Texas Independence & the Lone Star Republic | Grade 5 Social Studies | Children's American History Apr 20 2023 It was only in 1845 that Texas became a part of the United States. Before that, it was a part of Mexico. The Battle

of the Alamo was the beginning of the Texan belief that they could be free from Mexico. "Remember the Alamo" became a battle cry. In this book, you read about what happened after the Alamo defeat. You will also learn about the roles of Sam Houston and Santa Anna in gaining Texas Independence.

Texas Rising Nov 03 2021 The official nonfiction companion to HISTORY's dramatic series Texas Rising (created by the same team that made the ratings record-breaker Hatfields & McCoys): a thrilling new narrative history of the Texas Revolution and the rise of the legendary Texas Rangers who patrolled the violent western frontier March 1836: The Republic of Texas, just weeks old, is already near collapse. William Barret Travis and his brave defenders of the Alamo in San Antonio have been slaughtered. Hundreds more Texan soldiers have surrendered at Goliad, only to be marched outside the fortress and executed by order of the ruthless Mexican general Santa Anna, a dictator denying Texans their freedom and liberty. General Sam Houston—a hard-drinking, hot-tempered opportunist—remains in command of a small band of volunteer colonists, mercenaries, and the newly organized Texas Rangers. They are the last hope for Texas to challenge the relentless advance of Santa Anna's much larger Mexican Army—yet many of them curse Houston, enraged by his decision to retreat across Texas before the advancing enemy. The exhausted, outnumbered rebels will meet their destiny on an empty plain near the Gulf Coast next to the San Jacinto River—and make a stand that determines the fate of the young nation. "Remember the Alamo!" and "Remember Goliad!" will be the battle cries, and the order of the day will echo Travis's at the Alamo: Victory or death. Acclaimed Texas historian Stephen L. Moore's new narrative history tells the full, thrilling story of the Texas Revolution from its humble beginnings to its dramatic conclusion, and reveals the contributions of the fabled Texas Rangers—both during the revolution and in the frontier Indian wars that followed.

Goliad: The Other Alamo Jun 29 2021 The Alamo fell in thirteen days, with all its defenders killed. One hundred miles away, Goliad surrendered after a single day's battle, with the prisoners then executed by firing squad. Only twenty escaped by flinging themselves into the San Antonio River. Historians note that the Alamo was a fortress that should not have been defended and was, while Goliad was a fortress that could have been defended but was not. After the fall of Goliad and the Alamo, Sam Houston retreated to east Texas. His army grew, as the struggle was now for independence and survival. Houston caught Santa Anna at San Jacinto, defeating his army in an eighteen-minute battle. The battle cry of the Texans was "Remember the Alamo! Remember Goliad!" Everyone knows the Alamo, but the story of Goliad has been forgotten, until now. The tragic events at Goliad shaped Texas as much as those at the Alamo, and William Bradle reminds us of the horror, charity, bravery, and mercy endured there. This fast-moving narrative presents the struggles of the participants, both Texan and Mexican, and reveals the overriding egos and bad planning on both sides of the war. It is historically accurate, based on actual documents and the many books, both scholarly and popular, written on the Texas revolution.

The Women and Children of the Alamo Sep 20 2020 The riveting story of the Alamo ends in tragedy with no brave defender left alive to tell his tale, but there were others who did survive the final massacre—more than a dozen women and children. The thirteen days of the siege and fall of the Alamo have been studied, examined, probed, and researched by students and historians for over 150 years, but here is the Alamo's story by the ones who were there.

San Antonio Beer: Oct 22 2020 Brewing history and beer culture permeate San Antonio. The Menger Hotel and its bar notoriously frequented by Teddy Roosevelt and his Rough Riders began as the city's first brewery in 1855. The establishment of San Antonio Brewing Association and Lone Star Brewery at the close of the nineteenth century began the city's golden age of brewing. Decades later, the Volstead Act decimated the city's brewing community. Only one brewery survived Prohibition. Those

that bounced back were run out of business by imports coming in on the new railroad. The 1990s saw a craft comeback with the opening of the oldest existing brewpub, Blue Star Brewing Company. Today, San Antonio boasts a bevy of new breweries and celebrates its brewing heritage. Grab a pint and join authors Jeremy Banas and Travis E. Poling for a taste of Alamo City's hoppy history.

With Crockett and Bowie Oct 14 2022 The story is of the Texas revolution in 1835, when American Texans under Sam Houston, Bowie, Crockett, and Travis, fought for relief from the intolerable tyranny of the Mexican Santa Anna. The hero, Rex Hardin, son of a Texas ranchman, and graduate of an American military school, takes a prominent part in the heroic defense of the Alamo, the terrible scenes at Goliad, and the final triumph at San Jacinto. (Publisher)

Lone Star Scouts Apr 15 2020 Governor Smith and the General Council ordered Neill, Bowie, and Travis to hold the fort until support arrived. Despite all the "victory or death" hyperbole, they were not suicidal. Throughout the thirteen-day siege, Travis never stopped calling on the government for the promised support. But, like today the government did not respond. The defenders of the Alamo willingly placed themselves in harm's way to protect their country. Death was a risk they accepted, but it was never their aim. Torn by internal discord, the provisional government failed to deliver on its promise to provide relief, and Travis and his command paid the cost of that dereliction. As Travis predicted, his bones did reproach the factious politicians and the parade ground patriots for their neglect. Even stripped of exaggeration, however, the battle of the Alamo remains an inspiring moment in Texas history. The sacrifice of Travis and his command animated the rest of Texas and kindled a righteous wrath that swept the Mexicans off the field at San Jacinto. Since 1836, Americans on battlefields over the globe have responded to the exhortation, "Remember the Alamo".
