The Fall May 12 2022 "All happy families are alike; each unhappy family is unhappy in

its own way.” —Leo Tolstoy, *Anna Karenina* “Michael Wolff’s books were my foundation and port of entry for working on *Succession*.” —Jeremy Strong (“Kendall Roy”) Meet the Murdochs and the disastrously dysfunctional family of Fox News. Until recently, they formed the most powerful media and political force in the land, for better or worse. Now their empire is cracking up and crashing down. For almost three decades, Fox News has not only made political careers (see: President Donald J. Trump) but also fundamentally altered the political landscape of the United States. It is a truism: as Fox goes, so goes the nation—into further divisiveness and awash in fake news, a gleefully polarizing company. But just as Fox has pushed America apart, now it too is coming apart. As is the family dynasty behind it. In his irresistible trilogy on the chaotic presidency of Donald Trump—*Fire and Fury*, *Siege*, and *Landslide*—the gadfly journalist Michael Wolff led readers deep into the twisted corridors of the White House. Now, drawing on years of unprecedented access to the Murdoch family and key players in the world of Fox, he plunges us behind the scenes of another empire of influence, and the result is astonishing and unforgettable. Here is Rupert Murdoch, the ninety-two-year-old Australian billionaire—a fading titan, concerned about his legacy but more concerned about profits. Here are his contentious progeny, jockeying to take over when the old man is gone. Here is star anchor Tucker Carlson, hiding out in his island homes, considering a run for the presidency while his bosses have other plans for him. Sean Hannity, the richest man in television, has his own plans: to put the former POTUS back in office, against the bosses’ wishes. Meanwhile, Laura Ingraham is just trying to survive in the last man’s man’s world. Empires fall. Kingdoms come to an end. As lawsuits pummel the financial bedrock and reputation of the network, anchors scramble, and the battling Murdoch heirs make the Roys of TV’s *Succession* seem downright *Brady Bunch*, Michael Wolff documents, in riveting and revelatory real time, the final days of Fox News.

Patriot Act Jun 25 2023 When knowledge is power, every bit of information can be a lethal weapon. September 11th changed everything. The US Patriot Act has given the UK/USA treaty countries free reign to use their echelon surveillance program to monitor every spoken or written word transmitted throughout the world. In the wrong hands it could bring down governments and threaten the safety of millions. Ex-navy operative and investigative journalist Lachlan Fox has information hinting at the true reach of echelon, and he is starting to suspect someone is ruthlessly trying to access its power. Can he uncover the answers before the course of history is altered forever?

Seekers of the Fox Sep 04 2021 A dying friend, a terrible bargain, an underwater quest, and dangerous magic . . . the adventure continues in this sequel to *CHILDREN OF THE FOX*. Fans of twisty, clever stories like *The False Prince* and *Ocean's Eleven* will love this newest series from Kevin Sands, author of the bestselling *Blackthorn Key*. Rule number one: Never mess with magic. Even so, a life-or-death situation calls for Callan

and his criminal friends to make a deal with the Eye—the sinister, sentient artifact they stole from a sorcerer. It's Lachlan's life in exchange for a future task, and the gang has no choice but to agree. But even as Lachlan is resurrected, it's not without cost. Through the Eye, Callan can see a tiny purple stain inside Lachlan's soul, which will eventually consume him. The cure—and their part of the deal—lies with the Dragon's Teeth, a pair of swords with extraordinary powers, and the search for them leads the thieves on a quest that will unravel the mystery of the Eye. Old friends, new betrayals, and an even more daring break-in than the last culminate in a confrontation that will take all the gang's skill and power to resist—or they'll die trying.
