The Illustrated Hitchhiker's Guide to the Galaxy Apr 17 2020

Narrative of the Life of Frederick Douglass Mar 29 2021 Frederick Douglass was born in slavery as Frederick Augustus Washington Bailey near Easton in Talbot County, Maryland. He was not sure of the exact year of his birth, but he knew that it was 1817 or 1818. As a young boy he was sent to Baltimore, to be a house servant, where he learned to read and write, with the assistance of his master's wife. In 1838 he escaped from slavery and went to New York City, where he married Anna Murray, a free colored woman whom he had met in Baltimore. Soon thereafter he changed his name to Frederick Douglass. In 1841 he addressed a convention of the Massachusetts Anti-Slavery Society in Nantucket and so greatly impressed the group that they immediately employed him as an agent. He was such an impressive orator that numerous persons doubted if he had ever been a slave, so he wrote Narrative Of The Life Of Frederick Douglass. During the Civil War he assisted in the recruiting of colored men for the 54th and 55th Massachusetts Regiments and consistently argued for the emancipation of slaves. After the war he was active in securing and protecting the rights of the freemen. In his later years, at different times, he was secretary of the Santo Domingo Commission, marshal and recorder of deeds of the District of Columbia, and United States Minister to Haiti. His other autobiographical works are My Bondage And My Freedom and Life And Times Of Frederick Douglass, published in 1855 and 1881 respectively. He died in 1895. TABLE OF CONTENTS Preface Letter from Wendell Phillips Frederick Douglass Chapter 1 Chapter 2 Chapter 3 Chapter 4 Chapter 5 Chapter 6 Chapter 7 Chapter 8 Chapter 9 Chapter 10 Chapter 11 Appendix A Parody

The Zealot and the Emancipator Feb 08 2022 From the acclaimed historian and bestselling author: a page-turning account of the epic struggle over slavery as embodied by John Brown and Abraham Lincoln—two men moved to radically different acts to confront our nation's gravest sin. John Brown was a charismatic and deeply religious man who heard the God of the Old Testament speaking to him, telling him to destroy slavery by any means. When Congress opened Kansas territory to slavery in 1854, Brown raised a band of followers to wage war. His men tore pro-slavery settlers from their homes and hacked them to death with broadswords. Three years later, Brown and his men assaulted the federal arsenal at Harpers Ferry, Virginia, hoping to arm slaves with weapons for a race war that would cleanse the nation of slavery. Brown's violence pointed ambitious Illinois lawyer and former officeholder Abraham Lincoln toward a different solution to slavery: politics. Lincoln spoke cautiously and dreamed big, plotting his path back to Washington and perhaps to the White House. Yet his caution could not protect him from the vortex of violence Brown had set in motion. After Brown's arrest, his righteous dignity on the way to the gallows led many in the North to see him as a martyr to liberty. Southerners responded with anger and horror to a terrorist being made into a saint. Lincoln shrewdly threaded the needle between the opposing voices of the fractured nation and won election as president. But the time for moderation had passed, and Lincoln's fervent belief that democracy could resolve its moral crises peacefully faced its ultimate test. *The Zealot and the Emancipator* is the thrilling account of how two American giants shaped the war for freedom.

A Political Companion to Frederick Douglass Aug 14 2022 Frederick Douglass (1818--1895) was a prolific writer and public speaker whose impact on American literature and history has been long studied by historians and literary critics. Yet as political theorists have focused on the legacies of such notables as W. E. B. Du Bois and Booker T. Washington, Douglass's profound influence on Afro-modern and American political thought has often been undervalued. In an effort to fill this gap in the scholarship on Douglass, editor Neil Roberts and an exciting group of established and rising scholars examine the author's autobiographies, essays, speeches, and novella. Together, they illuminate his genius for analyzing and articulating core American ideals such as independence, liberation, individualism, and freedom, particularly in the context of slavery. The contributors explore Douglass's understanding of the self-made American and the way in which he expanded the notion of individual potential by arguing that citizens had a responsibility to improve not only their own situations but also those of their communities. *A Political Companion to Frederick Douglass* also considers the idea of agency, investigating Douglass's passionate insistence that every person in a democracy, even a slave, possesses an innate ability to act. Various essays illuminate Douglass's complex racial politics, deconstructing what seems at first to be his surprising aversion to racial pride, and others explore and critique concepts of masculinity, gender, and judgment in his oeuvre. The volume concludes with a discussion of Douglass's contributions to pre-- and post--Civil War jurisprudence.

Words Set Me Free Sep 15 2022 The inspirational, true story of how Frederick Douglass found his way to freedom one word at a time. This picture book biography chronicles the youth of Frederick Douglass, one of the most prominent African American figures in American history. Douglass spent his life advocating for the equality of all, and it was through reading that he was able to stand up for himself and others. Award-winning husband-wife team Lesa Cline-Ransome and James E. Ransome present a moving and captivating look at the young life of the inspirational man who said, "I would unite with anybody to do right and with nobody to do wrong."

Frederick Douglass in Brooklyn Mar 09 2022 "Persuasively and passionately makes the case that the borough (and former city) became a powerful forum for Douglass's abolitionist agenda." —The New York Times This volume compiles original source material that illustrates the complex relationship between Frederick Douglass, who escaped bondage, wrote a bestselling autobiography, and advised a US president, and the city of Brooklyn. Most prominent are the speeches the abolitionist gave at the Brooklyn Academy of Music, Plymouth Church, and other leading Brooklyn institutions. Whether discussing the politics of the Civil War or recounting his relationships with Abraham Lincoln and John Brown, Douglass's towering voice sounds anything but dated. An introductory essay examines the intricate ties between Douglass and Brooklyn abolitionists, while brief chapter introductions and annotations fill in the historical context. "Insight into the remarkable life of a remarkable man . . . shows how the great author and agitator associated with radicals—and he associated with the president of the United States. A fine book." —Errol Louis, host of NY1's Road to City Hall "A collection of rousing 19th-century speeches on freedom and humanity . . . Proof that Douglass' speeches, responding to the historical exigencies of his time, amply bear rereading today." —Kirkus Reviews "Although he never lived in Brooklyn, the great abolitionist Frederick Douglass had many friends and allies who did. Hamm has collected Douglass's searing antislavery speeches (and denunciations of him by the pro-slavery newspaper the Brooklyn Eagle) delivered at Brooklyn locales during the mid-19th century." —Publishers Weekly "This timely volume [presents] Douglass' towering voice in a way that sounds anything but dated." —Philadelphia Tribune "Though he never lived there, Frederick Douglass and the city of Brooklyn engaged in a profound repartee in the decades leading up to the Civil War, the disagreements between the two parties revealing the backward views of a borough that was much less progressive than it liked to think . . . Hamm [illuminates] the complexities of a city and a figure at the vanguard of change." —The Village Voice

Game Theory and Minorities in American Literature Dec 06 2021 This interdisciplinary monograph applies the theory of games of strategy (or game theory) to an important subset of American literature: minoritarian texts. Fittingly, John von Neumann's game theory, as a mathematical subdiscipline practically abandoned by its founder after the publication of 'Zur Theorie der Gesellschaftsspiele' (1928), but purposefully reengaged with on his permanent relocation to America in 1938, carries the minoritarian credentials of a Hungarian-born national of Jewish descent. The state of international politics in the late 1930s certainly contributed to von Neumann's renewed interest in his theory, but a socioeconomic environment built on the legacy of slavery focused a reengagement with coordination problems that would last until his death. In these strategic situations, people must make choices in the knowledge that other people face the same options and that the outcome for each person will result from everybody's decisions. The four most frequently encountered coordination problems are the Stag Hunt, the Prisoner's Dilemma, Chicken, and Deadlock. Minoritarians find majoritarian attempts to control these social dilemmas particularly challenging. Hence, a game-theoretically inflected hermeneutic that identifies the logical, rational, and strategic state of human interrelations not only helps to categorize, but also to analyze minoritarian texts. The authors under detailed consideration are Benjamin Franklin, Frederick Douglass, Harriet A. Jacobs, Zora Neale Hurston, William Faulkner, Toni Morrison, and Mohsin Hamid.

Women in the World of Frederick Douglass Nov 17 2022 "This biography of the circle of women around Frederick Douglass [examines] the connections between his public and private life [and reveals] connections among enslaved women, free black women, abolitionist circles, and nineteenth-century politics and culture in the North and South before and after the Civil War"--

Abraham Lincoln and Frederick Douglass Apr 10 2022 Recounts Abraham Lincoln's brief friendship with African American leader Frederick Douglass before and during the Civil War, narrated against the backdrop of the race relations and politics of the time.

Narrative of the Life of Frederick Douglass, an American Slave, Written by Himself Oct 04 2021 This revision of the acclaimed and widely assigned Norton Critical Edition of Frederick Douglass's great autobiography *Narrative of the Life of Frederick Douglass, an American Slave, Written by Himself* includes key examples of literary and cultural analyses that have engaged scholars over the last three decades.

Trading in the Zone Jul 13 2022 Douglas uncovers the underlying reasons for lack of consistency and helps traders overcome the ingrained mental habits that cost them money. He takes on the myths of the market and exposes them one by one teaching traders to look beyond random outcomes, to understand the true realities of risk, and to be comfortable with the "probabilities" of market movement that governs all market speculation.

My Escape from Slavery Jun 24 2023 Frederick Douglass was born a slave in Maryland around February 1818. He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

The Slaves May 23 2023 "The Slaves" is nothing but Frederick Douglass's groundbreaking autobiography and his first book "Narrative of the Life of Frederick Douglass, An American Slave, written by Himself". We have renamed the title here as "The Slaves" to keep the title short as well as to establish that Frederick Douglass is no longer a name of a particular slave born in nineteenth-century America, but a name that represents slaves of the entire world and of all time. Even though, we do not wish anyone to be born into slavery anymore like Frederick was, we have taken him as a symbol of all the slaves as a wish that all who are still in slavery may have the spirit of Frederick Douglass and fight their ways to the freedom and work to free other slaves to make the slavery history. The life of Frederick, is in one way or another, is the lives of all other slaves. Hence, we have named this version of his book "The Slaves".

Frederick Douglass Mar 21 2023 **Winner of the Pulitzer Prize in History** "Extraordinary...a great American biography" (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818–1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this "cinematic and deeply engaging" (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass's newspapers. "Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass's" (The Wall Street Journal), Blight's biography tells the fascinating story of Douglass's two marriages and his complex extended family. "David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century" (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

In the Words of Frederick Douglass Jun 12 2022 "No people are more talked about and no people seem more imperfectly understood. Those who see us every day seem not to know us."—Frederick Douglass on African Americans "There is no negro problem. The problem is whether the American people have loyalty enough, honor enough, patriotism enough, to live up to their own constitution."—on civil rights "Woman should have justice as well as praise, and if she is to dispense with either, she can better afford to part with the latter than the former."—on women "The thing worse than rebellion is the thing that causes rebellion."—on rebellion "A man is never lost while he still earnestly thinks himself worth saving; and as with a man, so with a nation."—on perseverance "I am ever pleased to see a man rise from among the people. Every such man is prophetic of the good time coming."—on Lincoln Frederick Douglass, a runaway Maryland slave, was witness to and participant in some of the most important events in the history of the American Republic between the years of 1818 and 1895. Beginning his long public career in 1841 as an agent of the Massachusetts Anti-Slavery Society, Douglass subsequently edited four newspapers and championed many reform movements. An advocate of morality, economic accumulation, self-help, and equality, Douglass supported racial pride, constant agitation against racial discrimination, vocational education for blacks, and nonviolent passive resistance. He was the only man who played a prominent role at the 1848 meeting in Seneca Falls that formally launched the women's rights movement. He was a temperance advocate and opposed capital punishment, lynching, debt peonage, and the convict lease system. A staunch defender of the Liberty and Republican

parties, Douglass held several political appointments, frequently corresponded with leading politicians, and advised Presidents Lincoln, Grant, Hayes, Garfield, and Harrison. He met with John Brown before his abortive raid on Harpers Ferry, helped to recruit African American troops during the Civil War, attended most national black conventions held between 1840 and 1895, and served as U.S. ambassador to Haiti. Frederick Douglass has left one of the most extensive bodies of significant and quotable public statements of any figure in American history. In the Words of Frederick Douglass is a rich trove of quotations from Douglass. The editors have compiled nearly seven hundred quotations by Douglass that demonstrate the breadth and strength of his intellect as well as the eloquence with which he expressed his political and ethical principles.

Facing Frederick Jan 07 2022 The fascinating biography of one of America's most influential African American voices from the award-winning author of *Speak Up, Speak Out!* Teacher. Self-emancipator. Orator. Author. Man. Frederick Douglass (1818–1895) is one of the most important African American figures in US history, best known, perhaps, for his own emancipation. But there is much more to Douglass's story than his time spent in slavery and his famous autobiography. Delving into his family life and travel abroad, this book captures the whole complicated, and at times perplexing, person that he was. As a statesman, suffragist, writer, newspaperman, and lover of the arts, Douglass the man, rather than the historical icon, is the focus in *Facing Frederick*. "Most folks know Frederick Douglass as an escaped slave turned abolitionist. Bolden's insightful, and impeccably researched, biography reveals, instead, a multifaceted man who would travel many paths and constantly redefine himself . . . Bolden's beautiful, sophisticated narrative demonstrates that throughout all of his responsibilities, Douglass never lost sight of his biggest role—humanitarian." —Booklist (starred review) "This narrative about a well-known figure feels fresh due to Bolden's skilled storytelling . . . A spirited biography that fully honors its redoubtable subject." —Kirkus Reviews (starred review) "Bolden successfully demonstrates in this biography how monumental a figure Frederick Douglass is in U.S. history . . . Bolden adroitly demonstrates the wealth of Douglass's life and accomplishments with this stellar biography. A must for all nonfiction collections." —School Library Journal (starred review) "An excellent biography." —School Library Connection

Frederick Douglass May 11 2022 Amidst the degradation and wearisome labor of a slave's life, Frederick Douglass met Jesus Christ. That relationship would sustain him through many hardships and undergird his life's work: the abolition of the soul-crushing system of human bondage. God blessed Douglass with a keen mind and a strong, melodious voice. After gaining his own freedom, he used those gifts in the noble cause of freedom for all slaves, challenging Christians who supported slavery. Douglass saw the end of slavery in America: the man who began life in plantation slave quarters lived to become a guest at the White House.

My Bondage and My Freedom Jan 19 2023 "My Bondage and My Freedom" is the second of three autobiographies written by Frederick Douglass. It is mainly an expansion of his first autobiography, "Narrative of the Life of Frederick Douglass", discussing in greater detail his transition from bondage to liberty. Frederick Douglass (1818 – 1895) was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings. Contents: Childhood Removed From My First Home Parentage A General Survey of the Slave Plantation Gradual Initiation to the Mysteries of Slavery Treatment of Slaves on Lloyd's Plantation Life in the Great House A Chapter of Horrors Personal Treatment Life in Baltimore "A Change Came O'er the Spirit of My Dream" Religious Nature Awakened The Vicissitudes of Slave Life Experience in St. Michael's Covey, the Negro Breaker Another Pressure of the Tyrant's Vice The Last Flogging New Relations and Duties The Run-away Plot Apprenticeship Life My Escape From Slavery Liberty Attained Introduced to the Abolitionists Twenty-One Months in Great Britain Various Incidents Reception Speech Dr. Campbell's Reply Letter to His Old Master to My Old Master, Thomas Auld The Nature of Slavery Inhumanity of Slavery What to the Slave Is the Fourth of July? My Bondage and My Freedom May 19 2020 "My Bondage and My Freedom, besides giving a fresh impulse to antislavery literature, [shows] upon its pages the untiring industry of the ripe scholar."-William Wells Brown Born into slavery in 1818, Frederick Douglass escaped to freedom and became a passionate advocate for abolition and social change and the foremost spokesperson for the nation's enslaved African American population in the years preceding the Civil War. My Bondage and My Freedom is Douglass's masterful recounting of his remarkable life and a fiery condemnation of a political and social system that would reduce people to property and keep an entire race in chains. The classic "My Bondage and My Freedom" signifies Douglass as a mature, confident, powerful writer who invoked some of the most unforgettable metaphors of slavery and freedom—indeed of basic human universal aspirations for freedom-anywhere in the English language. Harriet Tubman Feb 20 2023 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an “underground railroad” that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “well-written and moving life of the ‘Moses of her people’” (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, *Harriet Tubman: Conductor on the Underground Railroad* was also selected as an American Library Association Notable Book.

Notes from a Small Island Aug 02 2021 Before New York Times bestselling author Bill Bryson wrote *The Road to Little Dribbling*, he took this delightfully irreverent jaunt around the unparalleled floating nation of Great Britain, which has produced zebra crossings, Shakespeare, Twiggie Winkie's Farm, and places with names like Farleigh Wallop and Titsey.

Reconstruction (Illustrated) May 31 2021 "It is easier to build strong children than to repair broken men." ? Frederick Douglass - An American Classic! - Includes Images of Frederick Douglass and His Life

The Color of Money Jul 01 2021 In 1863 black communities owned less than 1 percent of total U.S. wealth. Today that number has barely budged. Mehrsa Baradaran pursues this wealth gap by focusing on black banks. She challenges the myth that black banking is the solution to the racial wealth gap and argues that black communities can never accumulate wealth in a segregated economy.

Biology 2e Dec 26 2020

Life and Times of Frederick Douglass Apr 29 2021 Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such as Lincoln, Grant, and Garfield.

Expedition Nov 05 2021 In 2358 Wayne Douglas Barlowe joined the first manned flight to Darwin IV, a newly discovered world beyond our solar system. Here he provides naturalistic paintings that vividly capture the alien creatures he encountered. Illustrations, full-color paintings, and maps.

No Compromise with Slavery Jan 27 2021 Ladies and Gentlemen: An earnest espousal of the Anti-Slavery cause for a quarter of a century, under circumstances which have served in a special manner to identify my name and

labours with it, will shield me from the charge of egotism, in assuming to be its exponent—at least for myself—on this occasion. All that I can compress within the limits of a single lecture, by way of its elucidation, it shall be my aim to accomplish. I will make a clean breast of it. You shall know all that is in my heart pertaining to Slavery, its supporters, and apologists.

Narrative of the Life of Frederick Douglass Jul 21 2020 This Prestwick House Literary Touchstone Edition includes a glossary and reader's notes to help the modern reader contend with Douglass' nineteenth-century style and vocabulary. Born into a family of slaves, Frederick Douglass educated himself through sheer determination. His unconquered will to triumph over his circumstances makes his one of America's best and most unlikely success stories. Douglass' own account of his journey from slave to one of America's great statesmen, writers, and orators is as fascinating as it is inspiring.

Narrative of the Life of Frederick Douglass (Original ... Aug 26 2023

Give Me Liberty Or Give Me Death (Annotated) Feb 25 2021 "'Give me Liberty, or give me Death!'" is a famous quotation attributed to Patrick Henry from a speech he made to the Virginia Convention. It was given March 23, 1775, at St. John's Church in Richmond, Virginia, ..

The Adventures of Huckleberry Finn (Annotated) Jun 19 2020 Adventures of Huckleberry Finn is a novel by Mark Twain, first published in the United Kingdom in December 1884 and in the United States in February 1885.

Commonly named among the Great American Novels, the work is among the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer and narrator of two other Twain novels (Tom Sawyer Abroad and Tom Sawyer, Detective). It is a direct sequel to The Adventures of Tom Sawyer. The book is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist about twenty years before the work was published, Adventures of Huckleberry Finn is an often scathing satire on entrenched attitudes, particularly racism

The Life of Frederick Douglass Oct 16 2022 Frederick Douglass's dramatic autobiographical account of his early life as a slave in America. Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. With an Introduction by Peter J. Gomes and an Afterword by Gregory Stephens

Hands-On Machine Learning with Scikit-Learn, Keras, and TensorFlow Sep 03 2021 Through a series of recent breakthroughs, deep learning has boosted the entire field of machine learning. Now, even programmers who know close to nothing about this technology can use simple, efficient tools to implement programs capable of learning from data. This practical book shows you how. By using concrete examples, minimal theory, and two production-ready Python frameworks—Scikit-Learn and TensorFlow—author Aurélien Géron helps you gain an intuitive understanding of the concepts and tools for building intelligent systems. You'll learn a range of techniques, starting with simple linear regression and progressing to deep neural networks. With exercises in each chapter to help you apply what you've learned, all you need is programming experience to get started. Explore the machine learning landscape, particularly neural nets Use Scikit-Learn to track an example machine-learning project end-to-end Explore several training models, including support vector machines, decision trees, random forests, and ensemble methods Use the TensorFlow library to build and train neural nets Dive into neural net architectures, including convolutional nets, recurrent nets, and deep reinforcement learning Learn techniques for training and scaling deep neural nets

Credence Sep 22 2020 Tiernan grew up with wealth and privilege, but not love or guidance. After her parents' deaths, she goes to live with her father's stepbrother and his two sons. As the three of them take her under their wing, teach her to work and survive in the remote woods, she slowly finds her place among them. And she realizes that lines blur and rules become easy to break when no one is watching.

Frederick Douglass in Context Apr 22 2023 Frederick Douglass in Context provides an in-depth introduction to the multifaceted life and times of Frederick Douglass, the nineteenth-century's leading black activist and one of the most celebrated American writers. An international team of scholars sheds new light on the environments and communities that shaped Douglass's career. The book challenges the myth of Douglass as a heroic individualist who towered over family, friends, and colleagues, and reveals instead a man who relied on others and drew strength from a variety of personal and professional relations and networks. This volume offers both a comprehensive representation of Douglass and a series of concentrated studies of specific aspects of his work. It will be a key resource for students, scholars, teachers, and general readers interested in Douglass and his tireless fight for freedom, justice, and equality for all.
