In his challenging exposition of Revelation 2: 2-6, Strauch examines this alarming rebuke of Jesus Christ to his church. Part I of the book reminds us that "an individual or a church can teach sound doctrine, be faithful to the gospel, be morally upright and hard-working, and yet be lacking love and therefore, be displeasing to Christ." Love can grow cold while outward religious performance appears acceptable--even praiseworthy. Part Two of Love or Die presents practical ways to cultivate love in the local church, including chapters that challenge us to Study Love, Pray for Love, Teach Love, Model Love, Guard Love and Practice Love. A five-lesson study guide is included, making this an exceptional tool for classes and small groups. The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern

translation. In his two previous books translated into English, *Patience with God* and *Night of the Confessor*, best-selling Czech author and theologian Tomáš Halík focused on the relationship between faith and hope. Now, in *I Want You to Be*, Halík examines the connection between faith and love, meditating on a statement attributed to St. Augustine—*amo, volo ut sis*, “I love you: I want you to be”—and its importance for contemporary Christian practice. Halík suggests that because God is not an object, love for him must be expressed through love of human beings. He calls for Christians to avoid isolating themselves from secular modernity and recommends instead that they embrace an active and loving engagement with nonbelievers through acts of servitude. At the same time, Halík critiques the drive for mere material success and suggests that love must become more than a private virtue in contemporary society. *I Want You to Be* considers the future of Western society, with its strong division between Christian and secular traditions, and recommends that Christians think of themselves as partners with nonbelievers. Halík’s distinctive style is to present profound insights on religious themes in an accessible way to a lay audience. As in previous books, this volume links spiritual and theological/philosophical topics with a tentative diagnosis of our times. This is theology written on one’s knees; Halík is as much a spiritual writer as a theologian. *I Want You to Be* will interest both general and scholarly readers interested in questions of secularism and Christianity in modern life. “Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all.” —David Brooks, *The New York Times Book Review*

Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer’s *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall

in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime. "A heartfelt and exciting debut...a wise and honest story of how it feels to be a young woman in search of yourself."—Taylor Jenkins Reid, New York Times bestselling author of *The Seven Husbands of Evelyn Hugo* and *Malibu Rising*

The Bookish Life of Nina Hill meets *Younger* in a heartfelt debut following a young woman who discovers she'll have to ditch the "dream job" and write her own story to find her happy ending. Meet Nora Hughes—the overworked, underpaid, last bookish assistant standing. At least for now. When Nora landed an editorial assistant position at Parsons Press, it was her first step towards The Dream Job. Because, honestly, is there anything dreamier than making books for a living? But after five years of lunch orders, finicky authors, and per my last emails, Nora has come to one grand conclusion: Dream Jobs do not exist. With her life spiraling and the Parsons staff sinking, Nora gets hit with even worse news. Parsons is cutting her already unlivable salary. Unable to afford her rent and without even the novels she once loved as a comfort, Nora decides to moonlight for a rival publisher to make ends meet...and maybe poach some Parsons' authors along the way. But when Andrew Santos, a bestselling Parsons author no one can afford to lose is thrown into the mix, Nora has to decide where her loyalties lie. Her new Dream Job, ever-optimistic Andrew, or...herself and her future. Your next book club read touching on mental health, happiness, and the peaks and perils of being a young woman just trying to figure it all out. Nora Hughes is the perfect heroine for anyone looking to get past their own chapter twenty-something and build their storybook life. "A tender reflection on finding your person while you're

still desperately searching for yourself."—KJ Dell'Antonia, New York Times bestselling author of *The Chicken Sisters* "A book for book lovers... It's impossible not to root for Nora!"—Jesse Q. Sutanto, National Bestselling author of *Dial A for Aunties* You've forgiven a thousand times. You've bent over backwards to make your partner feel loved and accepted. But the only reward for your loyalty has been anger, indifference, infidelity, or abuse. Your spouse may even be ready to walk out the door. Do you feel like all is lost? Are you ready to give up? There IS still hope. Dr. James Dobson's "tough love" principles have proven to be uniquely valuable and effective. Unlike most approaches to marriage crisis, the strategy in this groundbreaking classic does not require the willing cooperation of both spouses. *Love Must Be Tough* offers the guidance that gives you the best chance of rekindling romance, renewing your relationship, and drawing your partner back into your arms. **\*\*THE INSTANT NEW YORK TIMES BESTSELLER\*\*** "The Minimalists show you how to disconnect from our conditioned material state and reconnect to our true essence: love people and use things. This is not a book about how to live with less, but about how to live more deeply and more fully." —Jay Shetty, #1 New York Times bestselling author of *Think Like a Monk* **AS SEEN ON THE NETFLIX DOCUMENTARIES MINIMALISM & LESS IS NOW** How might your life be better with less? Imagine a life with less: less stuff, less clutter, less stress and debt and discontent—a life with fewer distractions. Now, imagine a life with more: more time, more meaningful relationships, more growth and contribution and contentment—a life of passion, unencumbered by the trappings of the chaotic world around you. What you're imagining is an intentional life. And to get there, you'll have to let go of some clutter that's in the way. In *Love People, Use Things*, Joshua Fields Millburn and Ryan Nicodemus move past simple decluttering to show how minimalism makes room to reevaluate and heal the seven essential relationships in our lives: stuff, truth, self, money, values, creativity, and people. They use their own experiences—and those of the people they have met along the minimalist journey—to provide a template for how to live a fuller, more meaningful life. Because once you have less, you can make room for the right kind of more. In this

booklet entitled "The Only Solution is Love," international best-selling author, spiritual teacher, humanitarian and artist, Supreme Master Ching Hai, elucidates on the current situation in the world with regards to pandemics, climate change, conflicts and natural disasters. Furthermore, she explains the causes as well as the solutions. Through love for the animals, love for nature, each other, our families and even our enemies, we can create an Eden on Earth. The energy of LOVE will have a protective effect that will not only heal the planet but also elevate its inhabitants to higher state of consciousness. She goes on to urge us to turn our love into action to protect the meek, voiceless animals as well as all those who are in need. "Love can flourish or be destroyed even, though the essence of love can never be destroyed. There are deeds that can nourish love, there are deeds that can make love wither and die. I mean physical love. I mean the love in this realm. There are deeds that can make love grow, there are deeds that can make love diminish. We must cherish, treasure love if we find it. Support it. We have to support it with our thoughts and speech and actions." God is Love... "Let Love Lead" is thought-provoking, spiritually enlightening and hopefully encouraging. While written during a time of political chaos and civil unrest, the title could have easily been no love, no justice, no peace. If the opposite of love is hate, then the absence of God can produce the same. In summary, the book embraces the all-encompassing meaning of the phrase "God is love." God Is Love will never be just another feel-good slogan despite how hearing it makes us feel good. The pages contained within demonstrate how God's love must be applied to every area of our lives, especially marriage and family, which is the foundation of our existence. God's love must be extended to our neighbor, coworker, customer, and enemy, which produces the basic concept of who God is. Mark 12:30-31 tells us to "Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength, love your neighbor as yourself. There are no commandments greater than these" (NIV). When we allow God to lead, his love is manifested in everything we do, every conversation, every action, and every reaction. God's love is never based on skin color, material possessions, money, educational status, job title,

physical features, fraternity or sorority, political or professional affiliation, or talent. Hate is so prevalent in the world today; only love (God) can conquer hate. A revelation of who God is and who he created humanity to be versus what it has become is crystal clear from the cover to the last chapter. Every human being is born with the capacity to both experience and extend love, but sympathy, concern, hunger for life, lusting, wanting, and needing are emotions that have always been confused with real love, which must begin with God. The ability to love like God loves comes when a spiritual relationship is established with the creator. God's love is the picture of a Shepherd's love; it commits, provides for, takes care of, communicates to listen, seeks to understand, and never ends. The Bible assures us that "God's love bears all things, believes all things, hopes all things, endures all things" (1 Corinthians 13:7 KJV). Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God. Anyone who does not love does not know God, because God is love. In this, the love of God was made manifest among us, that God sent his only Son into the world, so that we might live through him" (1 John 4:7-9 ESV). God is love... Let Love Lead. For years, Christians have argued, debated, and fought one another while "speaking the truth in love," yet we are no closer to the grace-filled life Jesus modeled. Biblical scholar and popular podcast host of The Bible for Normal People, Jared Byas casts a new vision for the Christian life that's built not on certainty, but on the risk of love. A biblically-based Christian life is not grounded in having all the answers but in a living relationship. This ultimately shifts our focus from collecting the "right" answers to loving others deeply and authentically. With stories and insights drawn from his years as a pastor, professor, and podcast host, Jared Byas calls us back to the heart of the Bible: that truth is only true when it's lived out in love. In a refreshing voice that's both witty and profoundly revelatory, Jared unpacks the concept of truth, its meaning, and why we so often fight over it. He makes a compelling case for how what we believe is less important than how we believe it and that, more than anything else, telling the truth in love is about following Jesus. For anyone who has ever felt forced to choose between truth and love, acceptance and rightness, this book

offers a path forward beyond truth wars and legalistic religion to a love that matters more. *People of God* is a brand new series of inspiring biographies for the general reader. Each volume offers a compelling and honest narrative of the life of an important twentieth or twenty-first century Catholic. Some living and some now deceased, each of these women and men have known challenges and weaknesses familiar to most of us, but responded to them in ways that call us to our own forms of heroism. Each of them offers a credible and concrete witness of faith, hope, and love to people of our own day. With the cause for his beatification reportedly moving along rapidly now at the Vatican, this biography of a people's saint traces the events leading up to the assassination of Archbishop Oscar Romero at a chapel altar in San Salvador and the reverberations of that day in El Salvador and beyond. This in-depth look at Archbishop Romero, the pastor-defender of the poor and great witness of the faith, offers a prism through which to view a Catholic understanding of liberation and how to be a church of the poor, for the poor, as Pope Francis calls us to be. As Little Cub and Grampa Bear's fishing adventure is interrupted by mischievous otters, the young polar bear begins to question why we must love others... even the seemingly unlovable. In answering her questions, Grampa Bear gives tender explanations that teach Little Cub about the different kinds of love that is shared between families, friends, and mamas and papas. Grampa explains that all these kinds of love come from God and that it is important to love others because... "Any time we show love, Little Cub, we're sharing a bit of his love." This sweet tale will warm the hearts of young children as they learn about all the different sorts of love, while the gentle explanations of each provide a valuable opportunity to encourage children to share with others a "God-sized love." "When truth teller and careful writer bell hooks offers a book, I like to be standing at the bookshop when it opens." –Maya Angelou Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every

woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help, and reveals how women of all ages can bring love into every aspect of their lives, for all the years of their lives. Communion is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have. A deeply-reported examination of why "doing what you love" is a recipe for exploitation, creating a new tyranny of work in which we cheerily acquiesce to doing jobs that take over our lives. You're told that if you "do what you love, you'll never work a day in your life." Whether it's working for "exposure" and "experience," or enduring poor treatment in the name of "being part of the family," all employees are pushed to make sacrifices for the privilege of being able to do what we love. In *Work Won't Love You Back*, Sarah Jaffe, a preeminent voice on labor, inequality, and social movements, examines this "labor of love" myth—the idea that certain work is not really work, and therefore should be done out of passion instead of pay. Told through the lives and experiences of workers in various industries—from the unpaid intern, to the overworked teacher, to the nonprofit worker and even the professional athlete—Jaffe reveals how all of us have been tricked into buying into a new tyranny of work. As Jaffe argues, understanding the trap of the labor of love will empower us to work less and demand what our work is worth. And once freed from those binds, we can finally figure out what actually gives us joy, pleasure, and satisfaction. This is a laugh-out-loud exploration of sexuality, family, female friendship, grief, and community. With the heart and hilarity of Netflix's critically-acclaimed *Sex Education*, Wibke Brueggemann's sex positive debut *Love Is for Losers* is required reading for Generation Z teens. Did you know you can marry yourself? How strange / brilliant is that? Fifteen-year-old Phoebe thinks falling in love is vile and degrading, and vows never to do it. Then, due to circumstances not entirely in her control, she finds herself volunteering at a local thrift shop. There she meets Emma . . . who might unwittingly upend her whole theory on life. A New York Times bestseller and enduring classic, *All About Love*

is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better. A little hedgehog asks his mother about the nature of love and realizes that it is the biggest thing in the universe. On board pages. This is a book you will want to revisit time and time again. Why? Each time you read and meditate on what this work reveals about the subject, its revelations will pull you into new statures of faith. You will discover new thresholds of awareness and assurance of Gods Love, what Love is, and how that same Love is reflected in daily life. Amazing and impactful Read! Filled with provocative truths. I found myself drawn to deeper spiritual meditation with each reading. Dr. Timothy Freeman FP Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before--for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world. Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative

teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins. #1 NEW YORK TIMES BESTSELLER "[A] poetic reckoning of the importance of love in a child's life . . . eloquent and moving."—People "Everything that can be called love -- from shared joy to comfort in the darkness -- is gathered in the pages of this reassuring, refreshingly honest picture book."—The New York Times Book Review, Editors' Choice / Staff Picks From the Book Review "Lyrical and sensitive, 'Love' is the sort of book likely to leave readers of all ages a little tremulous, and brimming with feeling."—The Wall Street Journal From Newbery Medal-winning author Matt de la Peña and bestselling illustrator Loren Long comes a story about the strongest bond there is and the diverse and powerful ways it connects us all. "In the beginning there is light and two wide-eyed figures standing near the foot of your bed and the sound of their voices is love. ... A cab driver plays love softly on his radio while you bounce in back with the bumps of the city and everything smells new, and it smells like life." In this heartfelt celebration of love, Newbery Medal-winning author Matt de la Peña and bestselling illustrator Loren Long depict the many ways we experience this universal bond, which carries us from the day we are born throughout the years of our childhood and beyond. With a lyrical text that's soothing and inspiring, this tender tale is a needed comfort and a new classic that will resonate with readers of every age. The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change. A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.
