If she can make it to her eighteenth birthday without any major mishaps, she'll be legally emancipated. Free. But if she fails, she'll become a ward of the state and be sent back to the group home. All she wants is to be left alone to spend time with her friend, Chance, the one-winged hawk at the zoo where she works. She can bide her time with him until her emancipation. Then she meets Stanley, a boy who might be even stranger than she is—a boy who walks with a cane, who turns up every day with a new injury, whose body seems as fragile as glass. Without even meaning to, she finds herself getting close to him. But Alvie remembers what happened to the last person she truly cared about. Her past stalks her with every step, and it has sharp teeth. But if she can find the strength to face the enemy inside her, maybe she'll have a chance at happiness after all. "You will laugh and cry as you read...It's that good."—Adriana Trigiani, bestselling author of Lucia, Lucia and the Valentine Series A New York Times Book Review Editors' Choice "Intelligent, honest, and full of heart," My Heart is an intimate work of autobiographical fiction by one of ex-Yugoslavia's greatest writers about his family's experience as refugees from the Bosnian war—a timeless story of love, memory, and the resilience of the human spirit that "has all the qualities one might seek in a friend" (Etgar Keret, author of The Seven Goods Years). "Today, it seems, was the day I was meant to die." When a writer suffers a heart attack at the age of fifty, he must confront his mortality in a country that is not his native home. Confined to a hospital bed and overcome by a sense of powerlessness, he reflects on the fragility of life and finds extraordinary meaning in the quotidian. In this affecting autobiographical novel, Semezdin Mehmedinovic explores the love he and his family have for one another, strengthened by trauma; their harrowing experience of the Bosnian war, which led them to flee for the United States as refugees; eerie premonitions of Donald Trump's presidency; the life and work of a writer; and the nature of memory and grief. Poetically explosive and pure to the core, My Heart serves as a kind of mirror, reflecting our human strengths and weaknesses along with the most important issues on our minds—love and death, the present and the past, sickness and health, leaving and staying. The lyrics of our favorite hymns are rich in images that can help us in our daily walk with God—they are miniature Bible studies that lead us effortlessly toward worship, testimony, exhortation, prayer, and praise.
