The Little Woman Wanted Noise Jun 25 2020 A lost classic from the illustrator of The Story of Ferdinand and Mr. Popper's Penguins. CLANG! THUMP! WHOOSH! BANG! The big city is a noisy place. But the little woman doesn't mind, the big city is her home. Then one day she is given a wonderful gift, a "pleasant, peaceful farm" in the country. The farm is nearly perfect—only with all the quiet, the little woman can't relax. So she buys a cow, she buys a dog, a cat and a duck, a rooster, a pig. Now the farm is noisy indeed. Still, something's missing. She decides to return to the city for that one special thing she knows will make her farm feel just like home. And by the end of her tale the little woman is happy to find that even though she has no rest, she has peace of mind. Published only seven years after The Story of Ferdinand, The Little Woman Wanted Noise shows Robert Lawson at the peak of his talent and contains some of the most stunning and innovative black-and-white drawings in all of American picture-book history. They are the joyous accompaniment to Val Teal's story, which reminds us that a life without a little chaos is no life at all.

Hüsker Dü Jan 25 2023 Bob Mould, Grant Hart, and Greg Norton formed Hüsker Dü in 1979 as a wildly cathartic outfit fueled by a cocktail of anger, volume, and velocity. Here's the first book to dissect the trio that countless critics and musicians have cited as one of the most influential bands of the 1980s. Author Andrew Earles examines how Hüsker Dü became the first hardcore band to marry pop melodies with psychedelic influences and ear-shattering volume. Readers witness the band create the untouchable noise-pop of LPs like New Day Rising, Flip Your Wig, and Candy Apple Grey, not to mention the sprawling double-length Zen Arcade. Few bands from the original American indie movement did more to inform the alternative rock styles that breached the mainstream in the 1990s. Hüsker Dü truly were visionaries.

The Story of Never Ending Coincidences Conundrums and Encounters That Encompassed Me and Thee Sep 28 2020 What if the pieces of life's jigsaw could be rearranged in a differing pattern? How would this new mosaic appear? Could we improve the picture, or would it be distorted by Would we like what we discovered, or would it vary from our hopes and dreams? This is the saga, of the many facets of a relationship, and the ambitions of a couple engaged in their race up the corporate ladder. It is about the effect of these events, which compound their relationship. One miserable morning, when Mike is on the way to his weekly confrontation with his boss; he sees and falls for a most beautiful girl, Angie. He has never met her, yet feels that he knows her well. After a disastrous introduction, he discovers to his dismay, that they are to set up part of a new look business at Raymonds behest, the start of his scheme to become the most successful director in Norway. There is an uneasy standoff until, Angie walks in to Mikes office late one evening, and starts to talk to him. It seems as though they have been friends for many years this throws Mike completely. They form a team, and succeed in implementing Raymonds scheme, to everyones delight. Initially, as the

workplace becomes pressurised Angie seems to thrive in this atmosphere. After a euphoric start, Mike becomes more nervous and reticent. The determination of Angie intensifies his anxieties, and he seeks professional help. They delve into his earlier life, his feelings for Angie, and his aspirations. She discovers accidentally while trying hypnotherapy that Mike and Angie appear to have shared memories of a past experience. Circumstances complicate matters further. On a crucial business trip to England, Mike is hospitalized after an accident; Angie tries to piece everything together, and save the deal, but she also discovers the extent of her business talent and acumen. Mike is a disoriented person who falls in Love with Angie all over again, but has huge difficulties in trying to rebuild his mind. He is sidetracked by other affairs. His recovery is hastened in business venture by, Ibrahim, a unique friendship ensues. Angie in contrast, develops, into a powerful businesswoman. Mike, sinks to his lowest ebb and contemplates suicide, and is rescued again in a surprising fashion.

The Rattled Bones May 17 2022 Unearthing years of buried secrets, Rilla Brae is haunted by ghostly visions tied to the tainted history of a mysterious island in this haunting novel from the author of "The Girl Who Fell."

Rattle Jun 05 2021 The No.1 Bestseller by debut author Fiona Cummins A serial killer to chill your bones A psychopath more frightening than Hannibal Lecter. He has planned well. He leads two lives. In one he's just like anyone else. But in the other he is the caretaker of his family's macabre museum. Now the time has come to add to his collection. He is ready to feed his obsession, and he is on the hunt. Jakey Frith and Clara Foyle have something in common. They have what he needs. What begins is a terrifying cat-and-mouse game between the sinister collector, Jakey's father and Etta Fitzroy, a troubled detective investigating a spate of abductions. Set in London's Blackheath, Rattle by Fiona Cummins explores the seam of darkness that runs through us all; the struggle between light and shadow, redemption and revenge. It is a glimpse into the mind of a sinister psychopath. And it's also a story about not giving up hope when it seems that all hope is already lost.

Rattle and Rap Nov 22 2022 Rattle and Rap, Clickety-clack! Follow a family on their train journey to the sea, passing cars on the level crossing, boats on the river, and people walking in the countryside.

Bone Rattle Jan 13 2022 A thrilling new crime novel from the author of Tom Clancy: Shadow of the Dragon, perfect for fans of the electrifying novels of Lee Child, Jeffery Deaver, and C.J. Box.

"Cameron's books are riveting page-turners." —Mark Greaney, #1 New York Times bestselling author In the icy heart of Alaska, a series of gruesome murders leads Deputy US Marshal Arliss Cutter into a firestorm of searing corruption, clashing cultures, and bone-chilling fear... In Juneau, a young Native archeologist is sent to protect the ancient burial sites uncovered by an Alaskan gold mining company. He never returns. In Anchorage, a female torso—minus head, hands, and feet—is washed ashore near a jogging trail by the airport. It is not the first. At Alaska's Fugitive Task Force, Arliss Cutter and deputy Lola Teariki are pulled from their duties and sent to a federal court in Juneau. Instead of tracking dangerous fugitives, Cutter and Lola will be keeping track of sequestered jurors in a high-profile trial. The case involves a massive drug conspiracy with ties to a mining company, a lobbyist, and two state senators. When a prosecuting attorney is murdered—and a reporter viciously attacked—Cutter realizes they're dealing with something much bigger, and darker, than a simple drug trial. The truth lies deep within the ancient sites and precious mines of this isolated land—and inside the cold hearts of those would kill to hide its secrets... What's buried in Alaska stays in Alaska. "A double-barreled blast of action, narrative, and impossible-to-fake authenticity with a great sense of place and a terrific protagonist." —C.J. Box, #1 New York Times bestselling author on Open Carry

Decadent Short Story Apr 23 2020 This wide-ranging anthology showcases for the first time the short story as the most attractive genre for British writers who experimented with Decadent themes and styles. The selections represent the important role that magazine culture played in th

Battle Rattle Feb 23 2023 "The war has changed me in ways that will take the better part of my life to understand, let alone make peace with," begins Roger Boas in his thoughtful, compelling account of World War II. As part of the Fourth Armored Division, he found himself at the spearhead of the

Allied thrust into Europe. His memoir re-creates both the tension of the battlefield and the camaraderie behind the front line. It also relates his harrowing experience as a Jew of being one of the first American soldiers to discover a Nazi concentration camp. Boas reveals the powerful impact of war on those who fight.

Noise Jul 07 2021 From the Nobel Prize-winning author of Thinking, Fast and Slow and the coauthor of Nudge, a revolutionary exploration of why people make bad judgments and how to make better ones—"a tour de force" (New York Times). Imagine that two doctors in the same city give different diagnoses to identical patients—or that two judges in the same courthouse give markedly different sentences to people who have committed the same crime. Suppose that different interviewers at the same firm make different decisions about indistinguishable job applicants—or that when a company is handling customer complaints, the resolution depends on who happens to answer the phone. Now imagine that the same doctor, the same judge, the same interviewer, or the same customer service agent makes different decisions depending on whether it is morning or afternoon, or Monday rather than Wednesday. These are examples of noise: variability in judgments that should be identical. In Noise, Daniel Kahneman, Olivier Sibony, and Cass R. Sunstein show the detrimental effects of noise in many fields, including medicine, law, economic forecasting, forensic science, bail, child protection, strategy, performance reviews, and personnel selection. Wherever there is judgment, there is noise. Yet, most of the time, individuals and organizations alike are unaware of it. They neglect noise. With a few simple remedies, people can reduce both noise and bias, and so make far better decisions. Packed with original ideas, and offering the same kinds of research-based insights that made Thinking, Fast and Slow and Nudge groundbreaking New York Times bestsellers, Noise explains how and why humans are so susceptible to noise in judgment—and what we can do about it.

Rattle His Bones Dec 24 2022 In the summer of 1923, the Honourable Daisy Dalrymple makes what should be an uneventful research trip to the Museum of Natural History with her nephew Derek and her soon-to-be step-daughter Belinda in tow. But as she interviews the various curators for her article on the museums of London, she soon discovers that the Museum of Natural History is a hothouse of professional rivalry and jealousy, particularly between Dr. Smith Woodward, the Keeper of Geology - responsible for the fossil collection, and Dr. Pettigrew, the Keeper of Mineralogy - responsible for the Museum's fabulous gem collection. On a later trip, as closing time nears, Daisy hears two voices followed by a tremendous crash and rushes into the next hall to discover Dr. Pettigrew dead - murdered amidst a pile of dinosaur bones. Daisy's fiancé, Detective Chief Inspector Alec Fletcher of Scotland Yard, is assigned to investigate and together they must unravel a most baffling case of missing gems, dispossessed European royalty, professional rivalry and murder most foul.

Amelia Dyer, Angel Maker Dec 12 2021 "Amelia Dyer: Angel Maker tells the true story of a "kind", "homely" and "motherly" nurse who made a living by strangling unwanted babies to death. Born into a respectable working-class family, Amelia joined a nationwide network of women who pursued an "occupation which shuns the light". Amelia became adept at her trade, sidestepping the authorities for almost three decades and even initiating her own daughter into her nefarious profession." "Using hospital, prison and police archives, census records, contemporary newspaper reports and Dyer's own correspondence, authors Alison Rattle and Allison Vale reconstruct her life. Here, for the first time, is the full story of this ordinary woman who became a monster."--BOOK JACKET.

Rattle Me (Ravage MC Novella) Aug 27 2020 GT and Casey's story is far from over... Separately, they suffered devastating loss; together, their hope and love continue to grow. Now they're embarking on one hell of a wild ride, with test upon test at each turn. Can Casey relax and have faith enough in their relationship to ignore outside stressors? Will GT be able to handle having zero control, especially where his Angel is concerned? Emotions and pain run deep for this Ravage MC couple, and it'll take more than plus signs and permanent marker to calm their fears.

Rattle Up, My Boys Jul 27 2020

Too Much Noise Mar 15 2022 Old Peter is irritated by the noise in his house so he seeks the advice of the village wiseman.

The Noise of Time Jul 19 2022 From the bestselling, Booker Prize-winning author of *The Sense of an Ending* comes an extraordinary fictional portrait of the relentlessly fascinating Russian musician and composer Dmitri Shostakovich and a stunning meditation on the meaning of art and its place in society. • “Brilliant.... As elegantly constructed as a concerto.” —NPR 1936: Dmitri Shostakovich, just thirty years old, reckons with the first of three conversations with power that will irrevocably shape his life. Stalin, hitherto a distant figure, has suddenly denounced the young composer’s latest opera. Certain he will be exiled to Siberia (or, more likely, shot dead on the spot), Shostakovich reflects on his predicament, his personal history, his parents, his daughter—all of those hanging in the balance of his fate. And though a stroke of luck prevents him from becoming yet another casualty of the Great Terror, he will twice more be swept up by the forces of despotism: coerced into praising the Soviet state at a cultural conference in New York in 1948, and finally bullied into joining the Party in 1960. All the while, he is compelled to constantly weigh the specter of power against the integrity of his music.

Damn the Machine - The Story of Noise Records Apr 15 2022 *Damn the Machine - The Story of Noise Records* is the tale of Europe’s most groundbreaking-and important-heavy metal record company of the 1980s. Founded in the shadow of the Berlin Wall by self-proclaimed anarchist Karl-Ulrich Walterbach, Noise’s key bands-Celtic Frost, Coroner, Gamma Ray, Grave Digger, Hellhammer, Helloween, Kreator, Running Wild, Sabbath, Stratovarius, Tankard, and Voivod-were brash, innovative, and highly influential, helping shape the global metal scene as we know today. With first-hand accounts from Walterbach, his bands, employees, and fellow music industry comrades, *Damn the Machine* provides an unflinching look at the tumultuous history of Noise Records. Amidst the classic albums and legendary bands came court battles, contract squabbles, botched tours, disastrous shifts in sound, and complicated, sometimes strained relationships between Walterbach and the bands he was responsible for. *Damn the Machine* shows few metal record companies have a legacy comparable to Noise’s.

Does the Noise in My Head Bother You? (Enhanced Edition) Nov 10 2021 “Steven Tyler is one of the giants of American music, who’s been influential for a whole generation of Rock ‘n’ Roll fans around the world. Long May He Rock!” —Sir Paul McCartney *Does the Noise in My Head Bother You?* is the rock memoir to end all rock memoirs — the straight-up, no-holds-barred story of Grammy Award-winning, Rock ‘n’ Roll Hall of Fame inductee, and all around superstar legend Steven Tyler, lead singer of Aerosmith (and celebrity judge on *American Idol*). The rock and roll epic that is Tyler’s life begins with Tyler’s youth in the Bronx, tracing his early music career and influences, his legendary partnership with Joe Perry, the meteoric rise, fall, and rise of Aerosmith over the last three decades, their music, Tyler’s battles with substance abuse, his epic romantic life, his relationship with his four children (including actress Liv Tyler), life on the road and in the spotlight, the economics of the rock star business --and all the sex, drugs, and rock and roll that anyone could ask for. In Tyler’s own words: “I’ve been mythicized, Mick-icized, eulogized and fooligized, I’ve been Cole-Portered and farmer’s-daughtered, I’ve been Led Zepped and 12-stepped. I’m a rhyming fool and so cool that me, Fritz the Cat, and Mohair Sam are the baddest cats that am. I have so many outrageous stories, too many, and I’m gonna tell ‘em all. All the unexpurgated, brain-jangling tales of debauchery, sex & drugs, transcendence & chemical dependence you will ever want to hear. And this is not just my take, this is the unbridled truth, the in-your-face, up-close and prodigious tale of Steven Tyler straight from the horse’s lips.”

Queens of Noise Mar 27 2023 The first narrative biography of the Runaways, told with the participation of many of the band’s surviving members.

V for Violet Feb 11 2022 Battersea, 1961. London is just beginning to enter the swinging sixties. The world is changing - but not for sixteen-year-old Violet. She was born at the exact moment Winston Churchill announced Victory in Europe - an auspicious start, but now she’s just stuck in her family’s fish and chip shop dreaming of greatness. And it doesn’t look like fame and fortune are going to come calling anytime soon. Then she meets Beau. Beau’s a rocker - a motorcycle boy who arrives in

an explosion of passion and rebellion. He blows up Violet's grey little life, and she can't believe her luck. But things don't go her way for long. Joseph, her long-lost brother, comes home. Then young girls start going missing, and turning up murdered. And then Violet's best friend disappears too. Suddenly life is horrifyingly much more interesting. Violet can't believe its coincidence that Joseph turns up just as girls start getting murdered. He's weird, and she feels sure he's hiding something. He's got a secret, and Violet's got a dreadful feeling it might be the worst kind of secret of all . . .

White Noise Aug 20 2022 A brilliant satire of mass culture and the numbing effects of technology, White Noise tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babbette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

The Rest Is Noise Aug 08 2021 Winner of the 2007 National Book Critics Circle Award for Criticism A New York Times Book Review Top Ten Book of the Year Time magazine Top Ten Nonfiction Book of 2007 Newsweek Favorite Books of 2007 A Washington Post Book World Best Book of 2007 In this sweeping and dramatic narrative, Alex Ross, music critic for The New Yorker, weaves together the histories of the twentieth century and its music, from Vienna before the First World War to Paris in the twenties; from Hitler's Germany and Stalin's Russia to downtown New York in the sixties and seventies up to the present. Taking readers into the labyrinth of modern style, Ross draws revelatory connections between the century's most influential composers and the wider culture. The Rest Is Noise is an astonishing history of the twentieth century as told through its music.

Shake, Rattle & Turn That Noise Down!: How Elvis Shook Up Music, Me & Mom Nov 30 2020 FOR HIS EIGHTH birthday, Mark Alan Stamaty's parents gave him his very own radio. Little did his mother realize that that innocent-looking plastic box would one day be the gateway for a new kind of sound that would "rock" her nearly out of her mind. . . . Mark first heard the howling thunder of Elvis Presley singing "Hound Dog" on the radio one lazy day and his life was forever changed. Soon he was styling his hair like the King and practicing his dance moves with a tennis racket as his pretend guitar in front of the mirror. But his mother lived in constant fear that her son's new love of rock 'n' roll would turn him into a juvenile delinquent. Could Mark's performance at his Cub Scout talent show change her mind?

The Infinite Noise Oct 22 2022 Lauren Shippen's The Infinite Noise is a stunning, original debut novel based on her wildly popular and award-winning podcast The Bright Sessions. Caleb Michaels is a sixteen-year-old champion running back. Other than that his life is pretty normal. But when Caleb starts experiencing mood swings that are out of the ordinary for even a teenager, his life moves beyond "typical." Caleb is an Atypical, an individual with enhanced abilities. Which sounds pretty cool except Caleb's ability is extreme empathy—he feels the emotions of everyone around him. Being an empath in high school would be hard enough, but Caleb's life becomes even more complicated when he keeps getting pulled into the emotional orbit of one of his classmates, Adam. Adam's feelings are big and all-consuming, but they fit together with Caleb's feelings in a way that he can't quite understand. Caleb's therapist, Dr. Bright, encourages Caleb to explore this connection by befriending Adam. As he and Adam grow closer, Caleb learns more about his ability, himself, his therapist—who seems to know a lot more than she lets on—and just how dangerous being an Atypical can be. "What if the X-Men, instead of becoming superheroes, decided to spend some time in therapy?" (Vox on The Bright Sessions) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Red Noise May 05 2021 Caught up in a space station turf war between gangs and corrupt law, a lone asteroid miner decides to take them all down. When an asteroid miner comes to Station 35 looking to sell her cargo and get back to the solitude she craves, she gets swept up in a three-way

standoff with gangs and crooked cops. Faced with either taking sides or cleaning out the Augean Stables, she breaks out the flamethrower.

A Dumb's Story May 24 2020 This is a story of a man named Nairit who lost his tongue due to cancer at the very peak of his career. He almost believed that he had lost his life after losing his speech, but then, he found a new light of hope to survive with a strange desire to join politics, parenthetically where speaking is the first and foremost criterion. The story tells of his journey on how he makes his wildly weird wish into reality, and what changes he brings as a politician, in fact, as a 'dumb' politician. Will he succeed?

Battle Rattle Jul 31 2023 The slosh of water in a canteen, the rustle of a uniform, the jangle of extra clips of ammo, all the clinks and clanks of jostling packs of equipment—this is the soundtrack that accompanies fully loaded soldiers humping through the bush to their next assignment. Battle rattle is the stuff a soldier carries to get through the day, from mission-specific gear to general supplies. In short, what the soldiers on the ground affectionately call “our crap.” This book takes a close look at the commercial revolution in military clothing, packs, and equipment—soldiers buying from civilian companies instead of settling for government issue, customizing their gear to perfectly fit their needs and preferences. From boots and gloves to helmets and eyewear, from ponchos and packs to knives and rifles, *Battle Rattle* shows what the modern warfighter is using to fight the fight.

Power Born of Dreams Sep 20 2022 What does freedom look like from inside an Israeli prison? The walls of the cell are etched with the names of the prisoners who came before. A bird perches on the cell window and offers a deal: “You bring the pencil, and I will bring the stories,” stories of family, of community, of Gaza, of Palestine. Mohammad Sabaaneh brings uses his striking linocut artwork to help the world see Palestinian people as human, not as superheroes or political symbols.

Teeny, Tiny Baby Fits Rattle Jenny's Baby Wits Apr 03 2021 *Teeny, Tiny Baby Fits Rattle Jenny's Baby Wits* features Jenny C2, a *My Story Keepsake* character. U2 Mar 03 2021 Tells the behind the scenes story of an Irish rock and roll band in America.

Full Battle Rattle Sep 01 2023 Over 100 combat missions, 24 years as a Green Beret—*Full Battle Rattle* tells the legend of a soldier who served America in every war since Vietnam. Master Sergeant Changiz Lahidji served on Special Forces A teams longer than anyone in history, completing over a hundred combat missions in Afghanistan. Changiz is a Special Forces legend. He also happens to be the first Muslim Green Beret. Changiz served this country starting with Operation Eagle Claw in 1980, when he entered Tehran on a one-man mission to spy on Iranian soldiers guarding the US Embassy where 52 US diplomats were being held hostage. Three years later, he was in Beirut, Lebanon when a suicide car bomb exploded in front of the US Embassy killing 83 people. Weeks after that, he was shot by Hezbollah terrorists on a night mission. In Operation Iraqi Freedom, he led a convoy that was ambushed on its way to Fallujah. He was clearing houses in Mogadishu, Somalia on October, 1993 when a US Black Hawk helicopter was shot down 50 feet away from him in the incident that inspired *Black Hawk Down*. In 2002, he dressed as a farmer and snuck into Eastern Afghanistan and located Osama Bin Laden for the CIA. Along the way, Changiz earned numerous commendations, including the Special Forces Legion of Merit, Purple Hearts, and many others. Last year he was nominated for induction in Military Intelligence Hall of Fame and cited as “the finest noncommissioned officer to

ever serve in Special Forces." His story is an amazing tale of perseverance and courage, of combat and one man's love of his adopted country.

Our Noise Jun 29 2023 In celebration of the 20th anniversary of Merge Records, founders Mac and Laura offer first-person accounts--with the help of their colleagues and Merge artists--of their work, their lives, and the culture of making music. Hundreds of personal photos of the bands, along with album cover art, concert posters, and other memorabilia are included.

Baby Rattlesnake Jan 01 2021 Willful Baby Rattlesnake throws tantrums to get his rattle before he's ready, but he misuses it and learns a lesson. Adapted by Lynn Moroney.

Diamond Rattle Loves to Tattle Apr 27 2023 She's proud to be the school's biggest tattler, always slithering up to the teacher to rat out anyone who makes a mistake or acts a little mischievous. One minute she's outing Opal the Octopus for doodling, and the next minute she's calling out Casey the Cow for blowing bubbles. Is Diamond just a snake in the grass who can't be trusted? The class busybody who likes getting her classmates into trouble? Or does she tattle because she thinks it's the only right thing to do? *Diamond Rattle Loves to Tattle* is a cutely illustrated tale about figuring out when the right thing to do means telling an adult and when the best thing to do is figuring it out on your own. A great lesson on developing problem-solving skills for young readers in grades K through 5. Tips for parents and educators are included at the end of the story to help children learn other options besides tattling and getting to know the difference between trying to HELP someone in trouble and trying to GET someone in trouble.

Battle Rattle and Other Stories May 29 2023 *Battle Rattle and Other Stories* combines the grittiness of Dennis Johnson's *Jesus' Son* with the deep meditation on war and memory found in Tim O'Brien's *The Things They Carried*. Derrick Vezchek joined the USAF to escape a dead end life with his listless friends in the Mojave Desert. What he couldn't predict was that he was signing up for a life in Special Operations that would leave him the sole survivor of his original squad. Can telling his story save him, his wife and his daughter, or is the truth so ugly that he cannot be redeemed? *High Desert Rats: In the summer of 2000, Sean doesn't want Derrick to join the USAF and leave him in the Mojave Desert. But it seems there's nothing Sean can do to change Derrick's mind, and what's worse, is that the one thing Sean desperately wants to tell Derrick is exactly the thing that Sean fears will end their friendship forever.*

Let's Go to Mass (Rattle Book) Jun 17 2022 Full-color rattle board book that explains the mass to young children

The Silent History Oct 29 2020 A generation of children forced to live without words. It begins as a statistical oddity: a spike in children born with acute speech delays. Physically normal in every way, these children never speak and do not respond to speech; they don't learn to read, don't learn to write. As the number of cases grows to an epidemic level, theories spread. Maybe it's related to a popular antidepressant; maybe it's environmental. Or maybe these children have special skills all their own. *The Silent History* unfolds in a series of brief testimonials from parents, teachers, friends, doctors, cult leaders, profiteers, and impostors (everyone except, of course, the children themselves), documenting the growth of the so-called silent community into an elusive, enigmatic force in itself—alluring to some, threatening to others. Both a bold storytelling experiment and a propulsive reading experience, Eli Horowitz, Matthew Derby, and Kevin Moffett's *The Silent History* is at once thrilling, timely, and timeless.

Hipster Death Rattle Jan 30 2021 Murder is trending... Hipsters are getting slashed to pieces in the hippest neighborhood in New York City: Williamsburg, Brooklyn. As fear and tension rise in the summer heat, police detectives Petrosino and Hadid eye local gangbangers for the crimes. Meanwhile, slacker reporter Tony Moran and his ex-girlfriend Magaly Fernandez pursue a cold case involving an old woman who mysteriously disappeared a year before. But the closer they all get to the truth, the closer they get to losing their heads. Filled with a broad cast of local characters and told with sardonic wit, this fast-moving, intricately plotted story plays out against a backdrop of rapid gentrification, skyrocketing rents, and class tension, written like only a true native could. Praise for

HIPSTER DEATH RATTLE: "Richie Narvaez has created something that's been missing from recent fiction: a vivid, loving look at city living from the street view." —Sara Paretsky, award-winning author of Shell Game "Hipster Death Rattle is a smart piece of work featuring the unlikely yet likeable hero Tony 'Chino' Moran. Fierce and funny...with a light touch that masks Narvaez's biting social commentary." —Reed Farrel Coleman, New York Times bestselling author of What You Break "[Narvaez] has one of the most compelling writing styles I've come across in years." —Lawrence Kelter, author of Back to Brooklyn "Hipster Death Rattle is a debut bursting with verve and personality, loaded with memorable characters and a clear, distinctive voice—courtesy of Richie Narvaez's knack for sly wit and a crackling plot. A love letter to a forgotten slice of New York that manages to also evoke classic mystery novels of years past, Hipster Death Rattle is both of the moment and evergreen. Not an easy feat, but Narvaez does it with panache. I couldn't put this book down." —Alex Segura, author of Blackout and Dangerous Ends "Edgy and wildly entertaining, with a colorful cast of characters and a sweep reminiscent of Tom Wolfe, Hipster Death Rattle is the slasher novel you need in your life right now." —Michele Campbell, international bestselling author of It's Always the Husband "Narvaez has some brutal points to make about gentrification...that give the text a crackling fission you don't find in a typical mystery." —Mystery Tribune

The Rattle of Theta Chi Sep 08 2021

RATTLE OF BONES Oct 10 2021 Two men stood in front of the forest tavern. The building was low, long and rambling, built of heavy logs. Its small windows were heavily barred and the door was closed. Above the door its sinister sign showed faintly—a cleft skull
