2023 Playing video
games, why just
shoot and fight for
time pass and
entertainment?
Why can't it be
learning about our
culture, digging the
details from the
past along with
entertainment,
which we have
forgotten from
previous
generations and not

being able to explain about it clearly to our next generation? Yes, our history is vast and it contains every tiny detail, which we are using in our daily life, yet forgot about it in the present high-speed robotic life. It just needs a little time to think about it, to recall it, to apply it both in personal and professional life. In this book, you will experience our previous and present culture along with our present lifestyle and struggles.

Kamalahasan, the Consummate Actor

Mar 15 2023
Kamalahasan began his journey as a child artist in Kalathur Kunnamma. Since then, he has worked over two hundred films and won umpteen awards. In spite of having been exposed to formal education only till standard IX, Kama! is a creative genius. A superb dancer, a brilliant actor, and an original writer cum director, Kama! excels in all aspects of filmmaking. Fiercely proud of his Tamil identity, and extremely protective of his colourful personal life, Kamal knows how to put in that extra bit in order to give a stellar performance and make even the most

insipid characters come alive. Lights, camera, action — presenting the inimitable Kamaiahasan

He is reached by a deity who says that he will be with him

to give his help. Ari tries to find what is needed in his life and what will make him live a better life. He comes to know about the saint who sent him to find all those things. On his way he finds the Saint reaching for him. Read this fiction to know what Ari gives to the Saint while he sees him.
