A rigorous, compelling and balanced examination of the British public school system and the inequalities

it entrenches. Private schools are institutions that children who are already privileged attend and have those privileges further entrenched, almost certainly for life, through a high-quality, richly-resourced education. The Engines of Privilege contends that in a society that mouths the virtues of equality of opportunity, of fairness and of social cohesion, the continuation of this educational apartheid amounts to an act of national self-harm that does all of us serious damage. Intrinsic to any vision of the future of Britain has to be the nature of our educational system. Yet the quality of conversation on the issue of private education remains surprisingly sterile, patchy and highly subjective. Accessible, evidence-based and inclusive, Engines of Privilege aims to kick-start a long overdue national debate. Clear, vigorous prose is combined with forensic analysis to compelling effect, illuminating the painful contrast between the importance of private schools in British society and the near-absence of serious, policy-

making debate, above all on the left. • Best Selling Book in English Edition for BARC Security Guard Recruitment Exam with objective-type questions as per the latest syllabus given by the BARC. • Compare your performance with other students using Smart Answer Sheets in EduGorilla's BARC Security Guard Recruitment Exam Practice Kit. • BARC Security Guard Recruitment Exam Preparation Kit comes with 19 Tests (10 Mock Tests + 9 Sectional Tests) with the best quality content. • Increase your chances of selection by 14X. • BARC Security Guard Recruitment Exam Prep Kit comes with well-structured and 100% detailed solutions for all the questions. • Clear exam with good grades using thoroughly Researched Content by experts.
