Now you can get the wisdom of one full year of "Consumer Reports" in one place. We've assembled all twelve 2006 issues of "Consumer Reports" magazine and put them in a single bound collection. "Consumer Reports" magazine is the source you can trust for ratings and recommendations of consumer products and services. Whether you're buying a car, a TV, or a new cell phone plan, our unbiased reports will help you get the best value for your money. Buy fewer (and better) things. Store like with like. Get rid of the plastic. Display—don't stash—your belongings. Let go of your inner perfectionist and remember that rooms are for living. These are a few of the central principles behind Remodelista: The Organized Home, the new book from the team behind the inspirational design site Remodelista.com. Whether you're a minimalist or someone who takes pleasure in her collections, we all yearn for an unencumbered life in a home that makes us happy. This compact tome shows us how, with more than 100 simple and stylish tips, each clearly presented and accompanied by full-color photographs that are sure to inspire. Readers will learn strategies for conquering their homes' problem zones (from the medicine cabinet to the bedroom closet) and organizing tricks and tools that can be deployed in every room (embrace trays; hunt for unused spaces overhead; decant everything). Interviews with experts, ranging from kindergarten teachers to hoteliers, offer even more ingenious ideas to steal. It all adds up to the ultimate home organizing manual. The birth of rock 'n roll ignited a firestorm of controversy--one critic called it "musical riots put to a switchblade beat"--but if it generated much sound and fury, what, if anything, did it signify? As Glenn Altschuler reveals in All Shook Up, the rise of rock 'n roll--and the outraged reception to it--in fact can tell us a lot about the values of the United States in the 1950s, a decade that saw a great struggle for the control of popular culture. Altschuler shows, in particular, how rock's "switchblade beat" opened up wide fissures in American society along the fault-lines of family, sexuality, and race. For instance, the birth of rock coincided with the Civil Rights movement and brought "race music" into many white homes for the first time. Elvis freely credited blacks with originating the music he sang and some of the great early rockers were African American, most notably, Little Richard and Chuck Berry. In addition, rock celebrated romance and sex, rattled the reticent by pushing sexuality into the public arena, and mocked deferred gratification and the obsession with work of men in gray flannel suits. And it delighted in the separate world of the teenager and deepened the divide between the generations, helping teenagers differentiate themselves from others. Altschuler includes vivid biographical sketches of the great rock 'n rollers, including Elvis Presley, Fats Domino, Chuck Berry, Little Richard, Jerry Lee Lewis, and Buddy Holly--plus their white-bread doppelgangers such as Pat Boone. Rock 'n roll seemed to be everywhere during the decade, exhilarating, influential, and an outrage to those Americans intent on wishing away all forms of dissent and conflict. As vibrant as the music itself, All Shook Up reveals how rock 'n roll challenged and changed American culture and laid the foundation for the social upheaval of the sixties. This is the definitive consumer reference book for diagnosing and solving the many problems that can crop up in your home, from a driveway that is flaking to a toilet that won't stop running. Why spend hundreds of dollars on outside help when all you really need is a little advice on home maintenance and repair? The solutions are simple and this handy, all-purpose manual guides you through them step by step. And when you've got a really difficult problem, The Home Ranger tells you which professionals to call to get the job done right. Industry experts Roger Peugeot and Tim Carter, with their characteristic wit and straight-to-the-point style, address more than 200 of the most commonly asked questions, from shingles and studs to garage doors and landscaping. In addition, they provide a comprehensive library of trouble-shooting guides for many household appliances and fixtures, plus a complete listing of telephone numbers and websites of major manufacturers. This is today's most comprehensive, current, and practical overview of foodservice operations and the business principles needed to manage them successfully. The book covers all core topics, including food safety, organizational design, human resources, performance improvement, finance, equipment, design, layout, and marketing. Sixteen innovators, creatives, and thought leaders—Austin Channing Brown, Sue Monk Kidd, and Luvvie Ajayi Jones, among others—share intimate stories of uncovering beauty and potential through moments of fear, loss, heartbreak, and uncertainty. “You’ll find kindred spirits in these tales of resilience, transformation, and joy.”—Time Over the course of four years, the traveling love rally called Together Live brought together diverse storytellers for epic evenings of laughter, music, and hard-won wisdom to huge audiences across the country. Well-known womxn (and the occasional man) from all walks of life shared their most vulnerable truths in a radical act of love, paving the way for healing in the face of adversity. Now, off the stage and on the pages of Hungry Hearts, sixteen of these beloved speakers offer moving, inspiring, deeply personal essays as a reminder that we can heal from grief and that divisions can be repaired. Bozoma Saint John opens herself up to love after loss; Cameron Esposito confronts the limits of self-reliance in the wake of divorce; Ashley C. Ford learns to trust herself for the first time. A heartfelt anthology of transformation, self-discovery, and courage that also includes essays by Luvvie Ajayi Jones, Amena Brown, Austin Channing Brown, Natalie Guerrero, Sue Monk Kidd, Connie Lim (MILCK), Nkosingiphile Mabaso, Jillian Mercado, Priya Parker, Geena Rocero, Michael Trotter and Tanya-Blount Trotter of The War and Treaty, and Maysoon Zayid, Hungry Hearts shows how reconnecting with our own burning, undeniable intuition points us toward our unique purpose and the communities where we most belong. The illustrated manual of acupuncture points. Horace Bell (1830-1918) left Indiana to seek gold in California. In 1852, he moved to Los Angeles and later became involved in American filibustering in Latin America and saw service in the Union Army before returning to Los Angeles after the Civil War to become a lawyer and newspaper publisher. Reminiscences of a ranger (1881) includes anecdotes of Bell's experiences as a Los Angeles Ranger pursuing Joaquin Murietta in 1853, a soldier of fortune in Latin America, a Union officer in the Civil War, and a Los Angeles newspaper editor. He provides lively anecdotes of Los Angeles and its residents under Mexican and American rule, emphasizing cowboys and criminals and native Americans. Throughout, Bell gives special attention to the fate of Hispanic Californians and Native Americans under the United States regime. For another collection of Bell's reminiscences, see On the old west coast (1930). The Competency Based Fieldwork Evaluation for Occupational Therapists (CBFE) is a measure designed for faculty of fieldwork courses responsible for deciding methods of student evaluation. The CBFE allows therapists and students to evaluate the fieldwork experience in a variety of settings. It provides faculty members with a cumulative record of student competency acquisitions ensuring readiness for entry to practice. The CBFE captures current thinking in evaluation by basing student assessment on seven competency areas rather than a long list of skills. The competencies include: practice knowledge, clinical reasoning, facilitating change, professional interactions, communication, professional development, and performance management. The package contains a manual and two 16-page evaluation forms. The Cinema of Urban Crisis explores the relationships between cinema and urban crises in the United States and Europe in the 1970s. Discussing films by Robert Altman, Stanley Kubrick, and Jean-Luc Godard, among others, Lawrence Webb reflects on processes of globalization and urban change that were beginning to transform cities like New York, London, and Berlin. Throughout, the 1970s are conceptualized as a historically distinctive period of crisis in capitalism, which reorganized urban landscapes and produced cultural innovation, technological change, and new configurations of power and resistance. Addressing themes of interest for film, cultural, and urban studies, this book is a compelling take on cinema from both sides of the Atlantic.
