The Chilling Stars Nov 30 2020 Scientists agree that over the last century the earth has become warmer. But do we really know why this has happened? A deftly written and enjoyable read, "The Chilling Stars" outlines a brilliant, daring and undoubtedly controversial new theory that will provoke fresh thinking about global warming. As prize-winning science writer, Nigel Calder and climate physicist Henrik Svensmark explain, an interplay of the clouds, the Sun and cosmic rays - sub-atomic particles from exploded stars - seems to have more effect on the climate than manmade carbon dioxide. This conclusion stems from Svensmark's research at the Danish National Space Center which has recently shown that cosmic rays play an unsuspected role in making our everyday clouds. And during the last 100 years cosmic rays became scarcer because unusually vigorous action by the Sun batted many of them away. Fewer cosmic rays meant fewer clouds and a warmer world. The theory, simply put here but explained in fascinating detail in the book, emerges at a time of intense public and political concern about climate change. Motivated only by their concern that science must be trustworthy, Svensmark and Calder invite their readers to put aside their preconceptions about manmade global warming and look afresh at the role of Nature in this hottest of world issues.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The Children's Story Aug 08 2021 It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was —any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children's Story keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will...."

Perilous Last-Minute Christmas Shopping Sep 28 2020 CHRISSIE, a young London office manager, finds her life taking a completely new course on Christmas Eve. A last-minute Christmas shopping and she is first mugged, abducted and dumped in the countryside by a man disguised as Santa Claus and then 'rescued' by serial killer JOE, an otherwise cheerful but moody carpenter who keeps his son RICK and wife LOUISE virtual prisoners at a remote house. The second part of the novel begins on Christmas day, a year later, after Chrissie could escape from the remote house of the psychopathic and murderous poisoner Joe. Now he is the grandfather of her three-month-old baby PHOEBE. Many years later in part three of the novel, Joe is released from prison and the Christmas season arrives. Chrissie, who is a London property investor is happy with her boyfriend TERRY, but is haunted by nightmares of her, now fourteen years of age, daughter Phoebe, being abducted by her paternal grandfather Joe. In this fast-paced contemporary and chilling psychological THRILLER there are many themes. [Bring the War Home](#) Dec 24 2022 The white power movement in America wants a revolution. It has declared all-out war against the federal government and its agents, and has carried out—with military precision—an escalating campaign of terror against the American public. Its soldiers are not lone wolves but are highly organized cadres motivated by a coherent and deeply troubling worldview of white supremacy, anticommunism, and apocalypse. In *Bring the War Home*, Kathleen Belew gives us the first full history of the movement that consolidated in the 1970s and 1980s around a potent sense of betrayal in the Vietnam War and made tragic headlines in the 1995 bombing of the Oklahoma City federal building. Returning to an America ripped apart by a war that, in their view, they were not allowed to win, a small but driven group of veterans, active-duty personnel, and civilian supporters concluded that waging war on their own country was justified. They unified people from a variety of militant groups, including Klansmen, neo-Nazis, skinheads, radical tax protestors, and white separatists. The white power movement operated with discipline and clarity, undertaking assassinations, mercenary soldiering, armed robbery, counterfeiting, and weapons trafficking. Its command structure gave women a prominent place in brokering intergroup alliances and giving birth to future recruits. Belew's disturbing history reveals how war cannot be contained in time and space. In its wake, grievances intensify and violence becomes a logical course of action for some. *Bring the War Home* argues for awareness of the heightened potential for paramilitarism in a present defined by ongoing war.

Spine-Chilling Murders in Iowa Dec 12 2021 Ever wonder what evil lurks in your hometown? *Spine-Chilling Murders in Iowa* takes you behind the scenes of some old-time killings in Iowa. Nettie Schwab married Jerome Hoot in Kansas City in 1899. When she woke up on the second day of her honeymoon, she found him bending over her, holding a handkerchief laced with chloroform close to her face. Another time, Hoot tried to drug her with a tablet, but she spit it out when he wasn't watching. Not long after that, she received an infernal machine in the mail. The Saturday Night Murderer butchered eight people overnight in the sleepy little town of Villisca in June 1912. Investigators believed the killer rode the rails into town, then once his bloody work was done, hopped back on the train. "Tonight, I'm going to hold up the Handy Store," bragged Floyd Sheets. "If there is any resistance, someone is going to be filled with lead. So, watch tomorrow evening's papers if you think I'm kidding." Sure enough, he killed the owner's son at the Davenport, Iowa grocery store. No one was particularly surprised when they learned Earl Throst killed schoolmarm Inga Magnusson near Dorchester, Iowa, in 1921. When captured, Throst told detectives he planned to marry Magnusson the following week even though she was engaged to another man. Myrtle Cook's death contained all the elements of a good murder mystery—rum runners, and an estranged husband who fumbled some of the details of his alibi. [Dead Like You](#) Jun 05 2021 When unsolved crimes resurface, Detective Superintendent Roy Grace faces a possible copycat killing in *Dead Like You*, by award winning crime author Peter James. The Metropole Hotel, Brighton. After a heady New Year's Eve ball, a woman is attacked as she returns to her room. A week later, another woman is assaulted. Both victims' shoes are taken by the offender . . . Roy Grace soon realizes that these new cases bear remarkable similarities to an unsolved series of crimes in the city back in 1997. Dubbed 'Shoe Man', the perpetrator was believed to have attacked five women before murdering his sixth victim and vanishing. Could this be a copycat, or has Shoe Man resurfaced? When more women are assaulted, Grace and his team find themselves in a desperate race against the clock to identify and save the life of the new sixth victim . . . Although the Roy Grace novels can be read in any order, *Dead Like You* is the sixth gripping title in the bestselling series. Enjoy more of the Brighton detective's investigations with *Dead Man's Grip* and *Not Dead Yet*. Now a major ITV series, *Grace*, starring John Simm.
