Through the Fire (First Responders Book #1) Sep 03 2023 Firefighting burns in Aidan O'Neill's blood. The son of a fireman, O'Neill has a sixth sense about fire and often takes dangerous risks. When one act of disobedience nearly gets a rookie killed, O'Neill is suspended. His weeks off are supposed to be a time to reflect but instead he escapes to Mexico, where another rash act of bravery actually kills him. But only for a few minutes. Called back to Reno, he's now haunted by visions of hell and paralyzed in the face of fire. And at the worst time, because an arsonist is targeting Reno. With a growing love interest with one of the investigators complicating everything, Aidan must discover where his trust rests as the fires creep ever closer.

Passing Through the Fire Mar 05 2021 The ideas presented within these pages can help the reader focus on improving self and community through imagination and thinking. There is hope for change when the inspiration comes from within. When it comes to freedom of thought, it is easier to change one mind at a time than entire cultures. As long as there are individuals who express optimism for such change, there is hope for all of us. The topics cover common themes that people and society come across while passing through the fire of daily life. These themes are about all of us. They are about time, space, matter, spirit, humanism, and universalism. They attempt to explain by seeding the complex with the simple. There are no endings, only beginnings in awareness when its purpose is to unify consciousness on Earth with universal life. When this occurs rightly, our perceptions will move us into that next stage of being: universal inclusiveness and its eternal expansion.

Facing the Fire Nov 24 2022 Decades fighting other people's fires prepared Kelvin Cochran to face his own fiery trial. He overcame poverty, prejudice, and pain to fulfill a childhood dream of helping others, rising to the top of firefighting's professional ladder in Atlanta, Georgia. At one time nationally recognized as "America's fire chief," Kelvin unexpectedly found himself caught in a fireball of controversy over his orthodox Christian beliefs, for which he ultimately was fired by the city—making him a focal point in a national battle over religious freedom. Misrepresented by activists and the media, Kelvin relied on his faith to bring him through. In due course he emerged from the flames of scandal unscathed, like the friends of the prophet Daniel who were thrown into the burning furnace. Kelvin's story is a sobering warning of how Christians faithful to biblical teachings are increasingly at risk of persecution in today's culture. It is also an inspiring example of overcoming racial prejudice and adversity, and finding the courage to take the heat and stand for the truth.

Walking Through the Fire Dec 26 2022 Just two weeks after winning reelection to his ninth term in Congress, Steve King was stunned to learn the "Swamp" was poised to unleash a treacherous media blitzkrieg designed to kill his Congressional political career on the spot. The words, "They believe they can force you to resign" ring in his ears yet today. He knew Democrats and the media would pile on. Unfortunately, the threat was from within his party and it was far more dangerous. The Republican establishment, RINOs, elitists, globalists, and NeverTrumpers needed him out of the way. This is the full story.

Through the Fire Jun 07 2021 Growing up in a single parent home, Joey Floretti has watched his father struggle all his life as the owner of a small-town garage. His mother, who left when he was young, has built a new life with little time to maintain a relationship with him. When an opportunity appears to make his dreams come true, Joey jumps at it even though it goes against everything he thought he believed in. It is only when faced with a disaster of his own making that Joey sees how faith might offer him the answers he's been searching for.

Through the Fire Dec 14 2021 Imagine what it would be like to walk in freedom, to break through past pain and trauma, to become whole and healed? What if your broken marriage could find strength for tomorrow, hope and healing like never before? Lucy shares her own broken journey, traveling through the pain and trauma of some of life's most difficult trials - persevering through sexual and verbal abuse, bullying, chronic illness and pain, a marriage torn apart, a life and death diagnosis, and even terrifying natural disasters. This book was written for those who are seeking to become whole again, longing for restoration and clarity, ready to break free and find healing. Is this you? What do you do with your broken heart? Through Lucy's story, you will discover hope and witness the healing power of God's love through Jesus that she experienced exploring her own broken road and path to restoration. Lucy set out to write her story, isolated in the woods at her cabin, when a forest fire broke out. The fire raged closer and closer as she alternated between fire updates and her writing. Who knew this was supposed to be about the past and the here and now? God knew...he had a plan. After a terrifying night with the wind howling and shaking the windows, the smell of smoke filling the house, she was evacuated with the fire just a half mile away. The title to the book emerged; *Through the Fire, Traveling the Broken Road to Hope and Healing*. Let Lucy's inspiring story open your heart and eyes to the healing power of grace and redemption through walking hand in hand with Christ. Rejoice with Lucy at the healing and wholeness found in Him alone. In Him all is made new, in Him nothing is impossible, in Him we find healing and wholeness. Praise for *Through the Fire* "As a pastor, one of my greatest joys is to watch God change lives. Lucy is one of those people who became completely changed when she reached the end of herself and found God waiting there for her. She and her husband, Richard, became solid leaders in the church and their testimony has been an inspiration to so many others. I

have full assurance that as her story unfolds, her readers will be encouraged to overcome their own hardships by partnering with a God who specializes in making the impossible possible.” —Dr Don Wilson, founder of Accelerate Group and founding Pastor of Christ Church of the Valley (CCV) “What if the pain from your past is actually a springboard for God’s greatest purpose in your future? That’s what you’ll find from Lucy’s story. What she endured is unthinkable, but how God used it is unimaginable. This just might be the book God uses to change the trajectory of your life.” —Ashley Wooldridge, Senior Pastor of Christ Church of the Valley (CCV) “Through the Fire is Lucy’s story. Well, actually, Lucy is God’s story of taking the tatters of abuse and making a tapestry of love. Her hope is that this becomes your story too. For all who have been abused, dispossessed, discarded, or shattered, Through the Fire is your path to making meaning out of the pain and beauty from the ashes.” —Mark E. Moore, PhD, Author of Core 52 “From riveting stories to life giving truth Lucy invites us into the most intimate places of her journey. With people chasing every way imaginable through the fire, God has given us a gift with this book. Lucy points us to the true healer - to the only one who can restore - to the only one who can give us the peace we all so desperately seek - Jesus.” —Rodney Cox - Founder, Ministry Insights International “Lucy Dickens walked through a devastating forest fire, protected only by God’s guidance and love, in order to bring her vulnerable story of surrender to life. On one level, her book is a page-turner about all the ways she was brought to her knees by heartbreaking emotional and sexual abuse; mental and physical illness; betrayal and abandonment; and even a horrific hurricane! But the truly compelling narrative is the one about Lucy’s growth as a spiritual warrior, during which she found the courage to face her brokenness hand-in-hand with Jesus, focusing her efforts on addressing her own issues and entrusting everything and everyone else to God’s care. Taking this unflinchingly honest and inspirational journey with Lucy will likely lead readers to strengthen their faith in God’s abiding love and to experience the hope, joy and peace that passes understanding. Christians need the message that it’s healthy to be honest, transparent, and vulnerable, to let our own darkness become visible, because whoever thinks that Christians are supposed to be perfect and without a history doesn’t know Jesus!” —Wendy Boorn, M.C., L.P.C. Licensed Professional Counselor and Author, “I Thought I’d Be Done by Now: Hope and Help for Mothers of Adult Children Searching for Peace”

Into the Fire May 31 2023 “The story of what Dakota did . . . will be told for generations.”—President Barack Obama, from remarks given at Meyer’s Medal of Honor ceremony In the fall of 2009, Taliban insurgents ambushed a patrol of Afghan soldiers and Marine advisors in a mountain village called Ganjigal. Firing from entrenched positions, the enemy was positioned to wipe out one hundred men who were pinned down and were repeatedly refused artillery support. Ordered to remain behind with the vehicles, twenty-one year-old Marine corporal Dakota Meyer disobeyed orders and attacked to rescue his comrades. With a brave driver at the wheel, Meyer stood in the gun turret exposed to withering fire, rallying Afghan troops to follow. Over the course of the five hours, he charged into the valley time and again. Employing a variety of machine guns, rifles, grenade launchers, and even a rock, Meyer repeatedly repulsed enemy attackers, carried wounded Afghan soldiers to safety, and provided cover for dozens of others to escape—supreme acts of valor and determination. In the end, Meyer and four stalwart comrades—an Army captain, an Afghan sergeant major, and two Marines—cleared the battlefield and came to grips with a tragedy they knew could have been avoided. For his actions on that day, Meyer became the first living Marine in three decades to be awarded the Medal of Honor. *Into the Fire* tells the full story of the chaotic battle of Ganjigal for the first time, in a compelling, human way that reveals it as a microcosm of our recent wars. Meyer takes us from his upbringing on a farm in Kentucky, through his Marine and sniper training, onto the battlefield, and into the vexed aftermath of his harrowing exploits in a battle that has become the stuff of legend. Investigations ensued, even as he was pitched back into battle alongside U.S. Army soldiers who embraced him as a fellow grunt. When it was over, he returned to the States to confront living with the loss of his closest friends. This is a tale of American values and upbringing, of stunning heroism, and of adjusting to loss and to civilian life. We see it all through Meyer’s eyes, bullet by bullet, with raw honesty in telling of both the errors that resulted in tragedy and the resolve of American soldiers, U.S. Marines, and Afghan soldiers who’d been abandoned and faced certain death. Meticulously researched and thrillingly told, with nonstop pace and vivid detail, *Into the Fire* is the unvarnished story of a modern American hero. Praise for *Into the Fire* “A story of men at their best and at their worst . . . leaves you gaping in admiration at Medal of Honor winner Dakota Meyer’s courage.”—National Review “Meyer’s dazzling bravery wasn’t momentary or impulsive but deliberate and sustained.”—The Wall Street Journal “[A] cathartic, heartfelt account . . . Combat memoirs don’t get any more personal.”—Kirkus Reviews “A great contribution to the discussion of an agonizingly complex subject.”—The Virginian-Pilot “Black Hawk Down meets Lone Survivor.”—Library Journal

Some Through the Fire Jul 01 2023 Just as it seems life is opening before Violet with unlimited possibilities for her future, her hometown of Atlanta is devastated by a citywide fire, and her idolized older brother heads off to France as an officer in the Great War. Violet’s safe, tight-knit family is about to be tested beyond anything they have ever experienced, and her dreams for the future keep colliding with forces outside her control and a rapidly changing culture. While she tries to rebuild her life from loss after loss, two very different young ministers both profess her place in their own dreams for the future. As her childhood faith is shaken to its very core, Violet must determine who she truly is, what she most wants, and what it means to love.

Walking Through The Fire Apr 29 2023 for Walking Through the Fire What happens as a Christian when your life doesn't turn out as planned? When tragedy strikes teenager Addison McNeely and her faith is tested, she faces the toughest challenges of her life. If only she had listened to her best friend and not attended that party, a party that changed her life forever. With her faith wavering and struggling to forgive those who have caused her to suffer a devastating personal loss, she wonders where God is in all of this. Where is He when her life is falling apart? Why didn't He stop the tragedy that has forever changed her life? Why her? These are the questions that have her struggling to forgive and to forgive God, most of all. Her father, a Christian and her hero, died four years earlier. Her mother, who is not a Christian, is busy fighting demons of her own. So who can help her make sense of everything that is happening to her—her best friend, Alayna? Addison wonders if they even have anything in common anymore. To complicate things further, she has fallen in love with the handsome Wyatt Kingsley, who once referred to her as "a friend." As if things couldn't get any worse, she must also contend with Karlie Adams, her archenemy. Will Addison continue in bitterness and anger or listen to the voice of the Holy Spirit, a voice she has ignored so many times? Will she be able to find her way back to God? Will she come to the realization that Jesus really does love her and that He will always be with her and walk with her, even when she walks through the fire?

Through the Fire Feb 25 2023 A childhood tragedy cost her more than she could've imagined, but it also gave a gift far worth more than she could've hoped for. Unabashed, deeply personal, and thoroughly captivating, *Through the Fire* is a story of pain, despair, courage, hope and redemption. This inspirational story will stay with you long after you've turned the last page.

Through the Fire To Be On Fire Aug 02 2023 There is not much that I can't relate to in this life. I have been through abuse, divorce, betrayal, financial difficulties, military deployments, being fired, heartbreaks, death, suicidal thoughts, insecurity, anxiety, and temptations I have overcome and those I have failed. God has allowed me to be thrown into the fires of life several times. I never understood why when I was younger. I always felt that God hated me, or He was punishing me, or that I was less than other people. It wasn't until I broke free from going through religious motions and entering into a relationship with Jesus that I started to understand why I had to go through the fires I went through in this life. There is a reason you are going through the things you are going through. You are not just incurring pain for no reason. There is a story being written, there is a testimony being formed, and the difference between success or failure is learning how to get comfortable inside the fire. You must learn how to survive the fires of life. The only way to do this is by having the proper mind-set. Being victorious in the fire is a choice!

Through the Fire Oct 12 2021 TO: AL_CRANE@CSSENTINEL.ORG FROM: COLLEEN_MONTGOMERY@CSSENTINEL.ORG Boss, I'm finishing my article about the Vance Memorial Hospital fire. No fatalities, although several people, including firefighter Lucia Vance and visiting wildfire expert Raphael Wright, were treated for smoke inhalation. I'm trying to stay unbiased—Lucia's a friend—but she's under investigation for disobeying orders, and I think Chief O'Brien is casting suspicion on her to cover himself. Word is he has some hefty debts. Raphael is only too willing to help clear Lucia's name—romance is brewing. It seems as if the Vances are being targeted...but by whom, and why?

Through the Fire Aug 10 2021 The book of poetry *Through the Fire* is about going through life's fire and making it through. Being in love, lust, and breaking up to make up. Having money to being almost homeless, facing life's challenges of death, and grieving. Being on this rollercoaster that some call life has made me take pen to hand and let the expressions flow.

Passing Through the Fire Oct 24 2022 This Civil War biography "draw[s] upon fresh material . . . to offer some important new insights. . . . An outstanding addition." (NYMAS Book Review) As the brigade he commanded attacked a Confederate battery on a hill outside Petersburg in July 1864, a bursting shell blew Col. Joshua L. Chamberlain from the saddle and wounded his horse. After the enemy battery skedaddled, the brigade took the hill and dug in, and up came supporting Union guns. Chamberlain figured the

day's fighting ended. Then an unidentified senior officer ordered his brigade to charge and capture the heavily defended main Confederate line. Chamberlain protested the order, then complied, taking his men forward—until a bullet slammed through his groin and left him mortally wounded. Miraculously surviving a battlefield surgery, he returned home to convalesce. Struggling with pain and multiple surgeries, Chamberlain debated leaving the army or returning to the fight. His decision affected upcoming battles, his family, and the rest of his life. *Passing Through the Fire: Joshua Lawrence Chamberlain in the Civil War* chronicles Chamberlain's swift transition from college professor and family man to regimental and brigade commander. Drawing on Chamberlain's extensive memoirs and writings and multiple period sources, historian Brian F. Swartz follows Chamberlain across Maryland, Pennsylvania, and Virginia while examining the determined warrior who let nothing prevent him from helping save the United States. "Swartz writes eloquently and well. This book is suitable for students and for those readers with little prior background in the Civil War as well as for readers with a strong interest in the subject." —Midwest Book Review

Through the Fire Apr 05 2021 "Exciting and intense finale!" Damian Cavallo finally has the love of his life back in his arms after a very close call. There's only one problem; their enemies are still at large — and they're wreaking havoc on New York. Forced to enlist the assistance of a rebellious Syndicate ally, Damian finds himself back in Greece, this time to hunt Stefano Anastos. But when Aria insists on playing a part, Damian must find a way to balance his desire to protect her against her fiery will. Aria Fiore has a secret — one she doesn't dare share with Damian until their opponents are vanquished. Determined to fight alongside Damian for their future, she holds the secret close, knowing he would never allow her to be in harm's way if he knew. When they find out where their final enemy is hiding, Aria is more determined than ever to eliminate him — even if it means putting her future with Damian at risk. Their mission takes them to an exotic country, pitting them against the one man who has cost Aria everything — and forcing them to test the theory that love conquers all. _____ "My favorite mob series out of all of them." "I'm so happy with this ending!" "Anyone have a good cure for a book hangover? This one is particularly strong!" "What a perfect ending to a perfect story!" "Lots of drama and lots of steamy sexy scenes!" "A journey of love and determination and thrills that you just won't be able to put down." "I read it straight from start to finish."

Chaka! Through the Fire Sep 30 2020 Rolling Stone compared it to melted caramel, and Miles Davis compared it to his horn. Chaka Khan's scorchingly soulful voice first dazzled most of us back in 1974 with Rufus and "Tell Me Something Good," and most recently in her Grammy Award-winning performance in *Standing in the Shadows of Motown*, singing "What's Going On?" with the Funk Brothers. Over the years, she's had twelve number-one hits and nine number-one albums. Over one hundred appearances on the Billboard charts. Nineteen Grammy nominations and eight Grammy wins. Her achievements in the music industry are legendary, and like her twenty albums, they're well-known to the public. But the private side of Chaka, the story of what fame and fortune have cost her-- and taught her-- hasn't been told before. In *Chaka! Through the Fire*, Chaka Khan gives us the whole story of the woman behind the diva and reveals her high and low points. A happy early childhood in a loving, creative home was shattered by escalating fights between her parents. When they finally split, Chaka's father disappeared without even a goodbye, leaving Chaka bewildered, bereft, and blaming her mother. She reconnected with her dad in her teens, finding that he was as liberal and permissive a parent as her mother was strict. Chaka started experimenting with drugs and joined the Black Panthers. Soon after, she fronted for a band called Rufus. They hit it big with "Tell Me Something Good," and Chaka's stardom was launched. But life on the road was grueling, and as the years went by, the pressures grew. Chaka turned to alcohol and drugs to numb the pain of failed relationships, the guilt of leaving her kids to be raised by Grandma, the resentment she felt about the exhausting demands of her career. It wasn't until things got very bad that she started to see the patterns. All the things she had suffered through in her childhood and swore never to do to her kids-- well, she was doing them. That's when she began the work of turning it all around. These days, she's still a musical powerhouse, but she's making sure there's time for family, too. She's drug-free. She's started her own record label and has also started a foundation to help women and children in need. Remarkably, Chaka has remained a true wild child despite all the changes: a fiercely independent woman who never compromised her spirit.

Through The Fire Apr 17 2022 After being thrown out of a Las Vegas hotel in a drunken haze, jeopardizing his career and relationships, Nick Klingensmith had to make a change. A 4-time cancer survivor, type-1 diabetic, recovering alcoholic with 4 herniated discs, nerve damage and sleep apnea, he defies it all when he finds Obstacle Course Racing. Refusing to accept his circumstances, he finishes numerous obstacle races, the Boston and Chicago Marathons, and the Spartan Ultra, culminating in 127 miles of endurance racing in 6 weeks. This isn't just a story about a drunk, diabetic cancer patient who overcomes adversity to become a mediocre, middle-aged athlete. His story focuses less on physical achievements and more on his mental and spiritual approach to overcoming life's challenges. Nick is a raw and passionate storyteller who holds nothing back when revealing who he used to be and the person he is now. The circumstances he faces show others that they are not alone, and that they too can defy their limitations.

Through the Fire Jul 21 2022 Over a decade ago Gerald Crabb sat down at a piano in his home and began to play and sing a few lines of a song that was going over and over in his mind. "He never promised that the cross would not be heavy and the hill would not be hard to climb, He never offered our victories without fighting but he said Help will always come in time." He knew at that moment that God had put something very special in his spirit. He didn't know at the time how special it really was, and he had no idea that it would reach out to the masses. Now, after ten years of hearing so many stories and the testimonies relating to the song, he stands amazed. He feels very honored to have held the pen as God gave the Message of hope and encouragement to his children. These stories will amaze you and challenge your faith. Throughout the sickness, pain, suffering, frustration, and even death, their faith and trust in their Lord never wavered. Step by step, holding to the unseen hand of God he led them, *Through the Fire*.

Chaka Through the Fire -OSI Aug 22 2022 An exuberant, no-holds-barred account of the amazing life of music icon ChakaKhan.

Over the River and through the Fire Apr 25 2020 Heartache and brokenness are universal. When our lives are thrown into the fire, it will either make us or break us. In her memoir, author Sherry Lewton recounts events from her past that ignited her own fires, throwing her life into a blaze of secrecy, shame, despair, and devastation. Throughout those tumultuous years of painful experiences, roadblocks springing up to hinder recovery are labeled and defined. Of all the roadblocks, she acknowledges that it was her own self that was often the greatest obstacle preventing recovery. But Sherry unashamedly proclaims how choosing to focus on God alone as

the only answer, and the only one who could heal her broken heart, led her to find her way to the path that could lead her out of the fire and into triumphant living. With no desire for platitudes, pat answers, or shaming techniques to infiltrate her message, she seeks to tenderly offer hope to her readers through an unwavering and passionate desire to inspire those who find themselves engulfed in fiery trials to let go of selfish motives and desires. In doing so, roadblocks that hinder recovery are removed, and we can then gain freedom to reach out our hearts and hands to a broken and hurting world. No other way will satisfy.

Into the Fire Jan 27 2023 * A Wall Street Journal, Washington Post, USA Today, and Publishers Weekly Bestseller * “Read the Orphan X series. You’ll thank me later.” —David Baldacci The New York Times bestselling Orphan X returns - just when Evan Smoak thinks he’s done, his deadliest job yet pulls him back Into The Fire... Evan Smoak lives by his own code. Once he was known as Orphan X. Trained as an off-the-books government assassin and spoken about only in whispers, Evan Smoak was one of the most talented – and most feared – men in the Program. But he broke free and reinvented himself as The Nowhere Man, a figure shrouded in mystery, known for helping the truly desperate. If anyone is truly desperate, it’s Max Merriweather. Max is at the end of his rope. His cousin has been brutally murdered, leaving Max an envelope that contains nothing but a mysterious key. However, someone really wants that key, badly enough that Max – and anyone he turns to – is in deadly danger. What seems like a simple job for The Nowhere Man turns out to be anything but. Behind every threat he takes out, a deadlier one emerges and Evan Smoak must put himself in greater danger than ever before as he heads once more Into The Fire.

Faith Through the Fire Aug 29 2020 A miraculous story of how Frank Grimes survived a chemical explosion that left him with life-threatening burns.

Through the Fire Sep 10 2021 The title of this book has been hard-won. Having gone through the deaths of two husbands within the span of eight years, all before the age of forty-six, created the need to either heavily lean into God or choose to walk away in unbelief. Choosing to lean into God created many questions and did not allow denial or avoidance to rule the days. This book became a reality as I walked through the valley of the shadow of death and came out with a deeper understanding of God’s goodness in the valleys. It is my prayer that when you, as the reader, wrestle with questions of pain and loss in this life, you will be able to answer yes to the question asked in Luke 18:8, “When the Son of Man comes, will he find faith on the earth?” May your faith also rise from the ashes, through the love of God, the help of others, and your faithful pressing into God’s goodness.

Through the Fire May 07 2021 After a devastating tragedy left her convinced she’d never love again, successful songwriter Rae Lindsay sought refuge in the only thing that still brought her comfort—her music. But when Quinten Parker walked into her life, Rae suddenly found her peaceful solitude threatened—along with her heart. Now, torn between desire and painful memories, she must search the deepest part of herself to overcome the past and take a second chance at love—the chance of a lifetime.

Ordered to remain behind with the vehicles, twenty-one year-old Marine corporal Dakota Meyer disobeyed orders and attacked to rescue his comrades. With a brave driver at the wheel, Meyer stood in the gun turret exposed to withering fire, rallying Afghan troops to follow. Over the course of the five hours, he charged into the valley time and again. Employing a variety of machine guns, rifles, grenade launchers, and even a rock, Meyer repeatedly repulsed enemy attackers, carried wounded Afghan soldiers to safety, and provided cover for dozens of others to escape—supreme acts of valor and determination. In the end, Meyer and four stalwart comrades—an Army captain, an Afghan sergeant major, and two Marines—cleared the battlefield and came to grips with a tragedy they knew could have been avoided. For his actions on that day, Meyer became the first living Marine in three decades to be awarded the Medal of Honor. Into the Fire tells the full story of the chaotic battle of Ganjigal for the first time, in a compelling, human way that reveals it as a microcosm of our recent wars. Meyer takes us from his upbringing on a farm in Kentucky, through his Marine and sniper training, onto the battlefield, and into the vexed aftermath of his harrowing exploits in a battle that has become the stuff of legend. Investigations ensued, even as he was pitched back into battle alongside U.S. Army soldiers who embraced him as a fellow grunt. When it was over, he returned to the States to confront living with the loss of his closest friends. This is a tale of American values and upbringing, of stunning heroism, and of adjusting to loss and to civilian life. We see it all through Meyer’s eyes, bullet by bullet, with raw honesty in telling of both the errors that resulted in tragedy and the resolve of American soldiers, U.S. Marines, and Afghan soldiers who’d been abandoned and faced certain death. Meticulously researched and thrillingly told, with nonstop pace and vivid detail, Into the Fire is the unvarnished story of a modern American hero. Praise for Into the Fire “A story of men at their best and at their worst . . . leaves you gaping in admiration at Medal of Honor winner Dakota Meyer’s courage.”—National Review “Meyer’s dazzling bravery wasn’t momentary or impulsive but deliberate and sustained.”—The Wall Street Journal “[A] cathartic, heartfelt account . . . Combat memoirs don’t get any more personal.”—Kirkus Reviews “A great contribution to the discussion of an agonizingly complex subject.”—The Virginian-Pilot “Black Hawk Down meets Lone Survivor.”—Library Journal

Walking Through Fire Feb 13 2022 The astonishing, Job-like story of how an existence filled with loss, suffering, questioning, and anger became a life filled with shocking and incomprehensible peace and joy. Vaneetha Risner contracted polio as an infant, was misdiagnosed, and lived with widespread paralysis. She lived in and out of the hospital for ten years and, after each stay, would return to a life filled with bullying. When she became a Christian, though, she thought things would get easier, and they did: carefree college days, a dream job in Boston, and an MBA from Stanford where she met and married a classmate. But life unraveled. Again. She had four miscarriages. Her son died because of a doctor's mistake. And Vaneetha was diagnosed with post-polio syndrome, meaning she would likely become a quadriplegic. And then her husband betrayed her and moved out, leaving her to raise two adolescent daughters alone. This was not the abundant life she thought God had promised her. But, as Vaneetha discovered, everything she experienced was

designed to draw her closer to Christ as she discovered "that intimacy with God in suffering can be breathtakingly beautiful."

Through the Fire Feb 01 2021 Julianne, a firefighter investigator, and Aidan, a firefighter, investigate a serial arsonist who is setting fires in Reno, and the possible connections to the fire department and the death of Aidan's father.

Safely Through the Fire Jul 29 2020 "Life's most difficult lessons never seem to wait until you are ready for them. Anna thought that they did until one dreaded Labor Day, when the sky fell, the sun grew dark, and she embarked upon a journey from which she would emerge completely altered (STF - Chapter One)." Anna's faith is no match for the inconceivable news that her brother Billy, the most stable presence in her young life, is dying of AIDS. Author Claire Anderson, whose own brother died in 1992, draws upon personal experience to build a poignant, yet thoughtful story of a young woman's reluctant initiation into the world of loss and grief. With her brother gone, and her faith utterly destroyed, a miraculous message from beyond the grave, sets her on a path of self-discovery that leads her into a gradual rebirth of hope and faith.

Hold Fast Through the Fire Sep 22 2022 The Near-Earth Orbital Guard (Neo-G)—inspired by the real-life mission of the Coast Guard—patrols and protects the solar system. Now the crew of Zuma's Ghost must contend with personnel changes and a powerful cabal hellbent on dominating the trade lanes in this fast-paced, action-packed follow-up to *A Pale Light in the Black*. Zuma's Ghost has won the Boarding Games for the second straight year. The crew—led by the unparalleled ability of Jenks in the cage, the brilliant pairing of Ma and Max in the pilot seats, the technical savvy of Sapphi, and the sword skills of Tamago and Rosa—has all come together to form an unstoppable team. Until it all comes apart. Their commander and Master Chief are both retiring. Which means Jenks is getting promoted, a new commander is joining them, and a fresh-faced spacer is arriving to shake up their perfect dynamics. And while not being able to threepat is on their minds, the more important thing is how they're going to fulfill their mission in the black. After a plea deal transforms a twenty-year ore-mining sentence into NeoG service, Spacer Chae Ho-ki earns a spot on the team. But there's more to Chae that the crew doesn't know, and they must hide a secret that could endanger everyone they love—as well as their new teammates—if it got out. At the same time, a seemingly untouchable coalition is attempting to take over trade with the Trappist colonies and start a war with the NeoG. When the crew of Zuma's Ghost gets involved, they end up as targets of this ruthless enemy. With new members aboard, will the team grow stronger this time around? Will they be able to win the games? And, more important, will they be able to surmount threats from both without and within?

Through the Fire Nov 12 2021 Detective Daniel Hartman lives in a three-story condo in the Montrose section of Houston that he rents from his twin brother, Dr. David Hartman. When Daniel wakes up to discover a woman, naked and recovering from a savage attack, his first instincts are those of a detective. The woman is not a stranger, however. His life will change as the woman becomes entwined not only with his life but also with his heart. The woman, Michael Braun, is scared, homeless, and unsure of what is happening. Daniel Hartman is an intimately familiar stranger, who, without hesitation, wraps her in his protective arms and steals her heart. Can she be sure that this vicious attack was a random act when she remembers nothing of the episode itself? Has Michael's past, a past she struggled to escape from, found her? Can she keep herself and the man she loves safe without losing more than her soul? Will Detective Hartman become a pawn in a killer's twisted game of revenge? Will he become his lover's dagger, or will he go through the fire to save what he has found?
