*Google Home Mini and Max: Learning the Essentials* Apr 14 2020 Google unveiled their Google Home Mini device when they had a hardware centric event that was held in

October 2017. It is a variation of the Google Home device so essentially it has the same functionality. However, it is noticeably smaller with a form factor of around 4 inches (diameter) with a fabric top. There are some other differences it has such as a mute switch instead of a mute button and it gets power from using a micro USB connection for power. There are some different color options that include Coral, Charcoal and Chalk. Some persons have compared this device to the Amazon Echo Dot which has many similarities. This book will review many of the features of the device to explain what benefit it can be to the owner.

It's Not Easy Being Green Jan 24 2021 A collection of wise and witty quotes from and inspired by Jim Henson similar in format to The World According to Mister

Rogers. "When I was young, it was my ambition to be one of the people who made a difference in this world. My hope is to leave the world a little better for my having been there. It's a wonderful life and I love it." -Jim Henson "Yeah, well, I've got a dream too. But it's about singing and dancing and making people happy. That's the kind of dream that gets better the more people you share it with. And, well, I've found a whole bunch of friends who have the same dream. And, it kind of makes us like a family." -Kermit the Frog, *The Muppet Movie*
