Single White Vampire Feb 22 2023 “[Sands’s] trademark humor and genuine characters...keep her series fresh and her readers hooked.” —Publishers Weekly The third book in her phenomenal Argeneau vampire series, *Single White Vampire* by the incomparable Lynsay Sands is an unadulterated delight! This paranormal romance classic follows the romantic adventures of a dark and handsome immortal who writes paranormal romances, and who’d love to sink his teeth into his sexy new editor. When it comes to red hot vampire love stories, New York Times and USA Today bestseller Lynsay Sands is Queen of the Night!

Violent Triumphs May 25 2023 The “heartstopping” conclusion to the USA Today bestselling *White Monarch* series. I’ve become a queen to the forsaken, a leader to thieves,

and the wife of a man who instills fear in all who cross his path. He was the husband I didn't want. Now, I can't fathom life without my king. I should've been ready for anything. Like the caterpillar that feeds on poison during metamorphosis, I was raised in the dangerous world of cartel crime. But nothing could've prepared me for Cristiano de la Rosa, his brother's poison, or the Calavera cartel. This is still a story about a love strong enough to topple households, unite enemies, and divide brothers. Resilient enough to bring down those who would try to destroy it . . . and selfless enough to make the ultimate sacrifice. But I was warned, and so were you. Death's day always comes. This time, it will find what was once a caterpillar is now a butterfly—and hell hath no fury like the White Monarch.

The Strangers on Montagu Street Dec 20 2022 Charleston psychic Melanie Middleton

discovers the past isn't finished revealing unsettling secrets in the third novel in the New York Times bestselling Tradd Street series. With her relationship with writer Jack Treholm as shaky as the foundation of her family home, Melanie's juggling a number of problems. Like restoring her Tradd Street house...and resisting her mother's pressure to 'go public' with her talent—a sixth sense that unites them to the lost souls of the dead. But Melanie never anticipated her new problem. Her name is Nola, Jack's estranged young daughter who appears on their doorstep, damaged, lonely and defiantly immune to her father's attempts to reconnect. Melanie understands the emotional chasm all too well. As a special, bonding gift Jack's mother buys Nola an antique dollhouse—a precious tableaux of a perfect Victorian family. Melanie hopes the gift will help thaw Nola's reserve and draw her into the family she's never known. At first, Nola is charmed, and Melanie is delighted—until night falls, and

the most unnerving shadows are cast within its miniature rooms. By the time Melanie senses a malevolent presence she fears it may already be too late. A new family has accepted her unwitting invitation to move in—with their own secrets, their own personal demons, and a past that's drawing Nola into their own inescapable darkness...

Violent Ends May 13 2022
The devil has a name, and it's Cristiano de la Rosa. On my wedding day, he was the last man I expected to see standing at the altar. He wants to make me his queen. His brother wants to rescue his princess. Getting Cristiano to lose control becomes the name of the game, and the stakes are life and death. But as truth and lies blur, loyalty is tested, and our chemistry threatens to reach the melting point, the prize grows less clear. Either

freedom no longer means what I think it does, or Cristiano is as devious as everyone says, and he's mastered the art of playing my mind. All I know for certain is that nothing is certain. And all you need to know? This is a love story. But even love stories have to end. EROS 3 - Black and White

Edition Oct 18 2022 Eroticism is a state of mind. Photography is a language. Join them together to tell stories. The path that has been underway for some time now leads me to present you *Eros 3*, still in that spasmodic need to exalt ideas, smells, sounds, visions, perceptions. Eroticism as a concept, not material, eroticism as a perceptive emotion, it does not form. Eroticism as a mental state, not flesh. However, in this third volume (the black and white edition), I wanted to abandon the color to devote myself to black and white, well aware of not knowing how to speak without colors. Regarding the diatribe between color and

black and white in photography, someone once reminded me that between white and black there are tens of thousands of shades of gray, colors in their way. With black and white, the language becomes drier, more aware, if you want more direct and outspoken. The color softens, the black and white slams you in the face the idea, straight in the belly. It leaves to the mind of the viewer less interpretative space, while opening up infinite dream variations. For people like me who have always done their favorite language with color photography, telling stories in black and white images has been a difficult and difficult task. However, mindful of what I had been told, I used as many times as I could the tens of thousands of colors between black and white.

The American Short-horn Herd Book ... Feb 27 2021

Uprooted Sep 24 2020 Far from being a dull list of "begats," these volumes are a lively romp through history, highlighting both the good and the not-so-good discovered about the family surnames that make up this truly American family. The author, through careful observation and analysis, debunks misconceptions found in

previous research by others and exposes the fallacies circulating on the internet. She has also been able to confirm unsubstantiated stories with documentation or by the gathering of a "preponderance of evidence." Y-DNA evidence has been introduced to trace the deep ethnic origin of the surname lines. Ms. Boyett highlights her specialty in adding valuable historical context that makes the stories come alive for the reader.

Written in an easy, conversational style and infused with subtle humor, these volumes are a pleasure to read, all the while providing the reader with documented, factual information. Some of the characters you will encounter in these volumes include: a real-live Pirate of the Caribbean; President George Washington - a friend of the family; a man accused of high treason; a knight who invaded with William the Conqueror; a Hessian soldier who deserted in America; those who perished in a Shawnee raid in the wilderness of Virginia; a family

with an ancient Y-DNA signature; a mother lost on a wagon train journey; a Civil War POW; a Lord Mayor of London; a family stripped of their citizenship and deported; a man gunned down by a deputy Sheriff; a Tudor loan shark who had men afraid to come to London; the victim of a frontier lynching; the man who "shot it out" in Arizona against an Earp brother; early settlers in the Republic of Texas; a Confederate spy; and royal connections back to Charlemagne. These stories and many more make up the sweeping saga of a truly American family. Enjoy the journey! Surnames included in this volume include Deans, Gresham, Henden, Herrin, Hill, Tobler, Vaught, Winder.
