Teaching Latin: Contexts, Theories, Practices Oct 15 2022 Building on and updating some of the issues addressed in Starting to Teach Latin, Steven Hunt provides a guide for novice and more experienced teachers of Latin in schools and colleges, who work with adapted and original Latin prose texts from beginners' to advanced levels. It draws extensively on up-to-date theories of second language development and on multiple examples of the practices of real teachers and students. Hunt starts with a detailed look at deductive, inductive and active teaching methods, which support teachers in making the best choices for their students' needs and for their own personal preferences, but goes on to organise the book around the principles of listening, reading, speaking and writing Latin. It is designed to be informative, experimental and occasionally provocative. The book closes with two chapters of particular contemporary interest: 'Access, Diversity and Inclusion' investigates how the subject community is meeting the challenge of teaching Latin more equitably in today's schools; and 'The Future' offers some thoughts on lessons that have been learnt from the experiences of online teaching practices during the Covid-19 lockdowns. Practical examples, extensive references and a companion website at [www.stevenhuntclassics.com](#) are included. Teachers of Latin will find this book an invaluable tool inside and outside of the classroom.

Walter Scott Mar 28 2021 The Critical Heritage gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work, enabling students and researchers to read for themselves, for example, comments on early performances of Shakespeare's plays, or reactions to the first publication of Jane Austen's novels. The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion, and little published documentary material such as letters and diaries. Significant pieces of criticism from later periods are also included, in order to demonstrate the fluctuations in an author's reputation. Each volume contains an introduction to the writer's published works, a selected bibliography, and an index of works, authors and subjects.

HiSET Exam Prep Sep 21 2020 Kaplan's HiSET Exam Prep provides comprehensive review, online resources, and exam-like practice to help you pass the test. Our book is designed for self-study so you can prep at your own pace, on your own schedule. The new fourth edition includes an online study plan that will help you track your progress, learn more about the HiSET, and access supplemental study material. Essential Review More than 1,000 practice questions in the book and online with answers and explanations In-book diagnostic pretest to help you identify your strengths and weaknesses so you can set up a personalized study plan Essential skills you'll need to pass each of the 5 subtests: Reasoning through Language Arts—Reading, Language Arts—Writing, Mathematics, Science, and Social Studies A full-length practice test for each subject area Three chapters are now accessible in the online study plan: Earth and Space Science, Economics, and Geography Expert Guidance Online center with information about getting started, 3 digital chapters covering Science and Social Studies, and a system for marking chapters complete Expert test-taking strategies to help you face the exam with confidence Kaplan's experts make sure our practice questions and study materials are true to the test. We invented test prep—Kaplan ([www.kaptest.com](#)) has been helping students for 80 years. Our proven strategies have helped legions of students achieve their dreams. The HiSET is an alternative to the GED test and the TASC test. In some states, it is the only acceptable test for earning a high school equivalency diploma. In other states, it is just 1 test option out of 2 or 3. To find out whether your state will be using the HiSET for high school equivalency tests, visit [hiset.ets.org](#) or contact your state's department of education. The previous edition of this book was titled HiSET Exam 2017-2018 Strategies, Practice & Review.
