*Handbook to Life in the Aztec World* Jan 14 2022 Describes daily life in the Aztec world, including coverage of geography, foods, trades, arts, games, wars, political systems, class structure, religious practices, trading networks, writings, architecture and science.

**Mexico** May 18 2022 An extensive update to the authoritative introduction to Mexico's ancient civilizations. "Masterly. . . . The complexities of Mexico's ancient cultures are perceptively presented and interpreted." Library Journal "A must for anyone interested in archaeology and history." —DIG Mexico arrives in its eighth edition with a new look and the most recent discoveries. This is the story of the pre-Spanish people of Mexico, who, with their neighbors the Maya, formed some of the most complex societies north of the Andes. Revised and expanded, the book is updated with the latest developments and findings in the field and current terminology. The new edition includes expanded coverage of Oaxaca, particularly Monte Albán, one of the earliest cities in Mesoamerica and the center of the Zapotec civilization. Recent research on the Olmecs and the legacy of the Maya offer a wider and more cohesive narrative of Mexico's history. And a fully revised epilogue discusses the survival of indigenous populations in Mexico from the arrival of the Spanish through to the present day. Mexico has long been recognized as the most readable and authoritative introduction to the region's ancient civilizations. Featuring up-to-date research and, for the first time, full-color illustrations throughout, this book brings to life the vibrant ancient art and architecture of Mesoamerica.

Gods & Goddesses of the Inca, Maya, and Aztec Civilizations Sep 09 2021 Sharing many common beliefs, deities, and rituals, the religion of the Maya, Aztec, and Inca was rooted in both the earth and the sky, the rhythms of the seasons, and the movements of the sun, moon, and stars. Readers will meet rain and sun gods, corn gods and fertility gods, earth mothers who are both creators and destroyers, and even a feathered serpent. Lavish primary-source images of arts and artifacts are paired with text that is both information-packed and enthralling. Readers who enter this pantheon are in for an awe-inspiring cultural journey through the divine mysteries of time and space.

The Aztecs Apr 28 2023 In this rich and surprising book, Frances F. Berdan shines fresh light on the enigmatic ancient Aztecs. She casts her net wide, covering topics as diverse as ethnicity, empire-building, palace life, etiquette, origin myths, and human sacrifice. While the Aztecs are often described as "stone age," their achievements were remarkable. They constructed lofty temples and produced fine arts in precious stones, gold, and shimmering feathers. They crafted beautiful poetry and studied the sciences. They had schools and libraries, entrepreneurs and money, and a bewildering array of deities and dramatic ceremonies. Based on the latest research and lavishly illustrated, this book reveals the Aztecs to have created a civilization of sophistication and finesse.

**Aztec History** Sep 21 2022 Did you know that the Aztecs sacrificed 500 to 700 people every year in order to satisfy Gods? For many years, the Aztecs have captured our imaginations. Stories from the original European invaders combined with unique, awe-inspiring ruins and legends that speak of palaces of gold create an image of Aztec society defined by grandeur, wealth, and splendor. But who exactly were the Aztecs? Where did they come from? How did they rise to control such a wide expanse of land? And if they were so powerful, how was it possible for them to fall from power and dominance just three years after contact was first made with the Spaniards? These are just some of the questions that this new captivating history book aims to answer. In *Aztec History: A Captivating Guide to the Aztec Empire, Mythology, and Civilization* you will discover topics such as: Where Did the Aztecs Live? The Truth About Who the Aztecs Really Were Remarkable Insights into Government, City-States, and Expansion The Arrival of the Spanish and the Decline of the Empire A Day in the Life of an Aztec Citizen The Sovereign, the Dignitaries, and the Nobles Agriculture and Diet Religion Shocking Discoveries of Human Sacrifice And much, much more! Get the book now to learn more about the Aztecs!

**The Aztec Empire: an Enthralling Overview of the History of the Aztecs, Starting with the Settlement in the Valley of Mexico** Jan 26 2023 If you are curious about how the extraordinary Aztecs lived and ran their empire, then keep reading! The remarkable Aztecs formed a vast, organized empire renown for military prowess, expansive trade, intriguing culture, and ingenious agriculture - all from an island in a swamp. But where was their mysterious homeland of Aztlan? How did they ascend to dominance in the Valley of Mexico? Explore the mesmerizing origins of the Aztecs, discover how a wandering desert tribe came to rule much of present-day Mexico, and investigate the spectacular - albeit somewhat depraved - culture that set their civilization apart. This easy-to-read, comprehensive, and engaging history of the Aztec Empire will unlock the little-known and awe-inspiring stories and culture of a legendary people. This well-researched and authoritative presentation, accompanied by striking illustrations, brings the Aztec civilization to life. Here are some of the fascinating questions you will explore: What secrets have recent archaeological finds uncovered about the Aztecs and other Mesoamerican cultures? How did the startling cultures that existed before the Aztecs influence them? What made these pre-existing cultures famous? What prophecies propelled the Mexica into their empire-building destiny and formed their self-identity? Why did the Mexica build their astonishing city on an island in the middle of a lake? How did it grow into one of the largest cities in the world at that time? Was their mysterious homeland of Aztlan a real place? If so, where was it? What's this story about an eagle on a cactus eating a rattlesnake? How did the Mexica turn the tables to rule over the tribes that once dominated them? What intrigue led to the coalition armies and the Triple Alliance? How did the Aztecs form their extensive network of power and organize their far-flung city-states? What were their mythology and religion like? Did they actually practice human sacrifice? How did they use their stunning sculptures and brilliant artwork as a type of propaganda? Were they really one of the first civilizations to require education for all classes and both boys and girls? What did they eat? Was it anything like present-day Mexican food? How did the common people live? What did they do for fun? What did the Aztecs do when the Spaniards landed in their territory? How did conquistador Hernán Cortés cunningly form alliances with the Aztecs' enemies? And much, much more! Scroll up and click the "add to cart" button to learn more about the incredible Aztecs!

*The Story of the First Civilizations from Mesopotamia to the Aztecs* Sep 29 2020 Description Did you know... The Chinese were the first civilization to introduce the concept of exams? **The Greatest Civilizations of the Americas** Aug 09 2021 \*Includes over 50 pictures of the civilizations' art, ruins, architecture, and more. \*Describes everyday life for the Maya, Inca and Aztecs, from language to diet. \*Comprehensively covers the civilizations' most famous characteristics, including Mayan astronomy, the Aztecs' infamous human sacrifice rituals, and the Inca's Macchu Picchu. When the Spanish arrived in the New World, men like Columbus, Cortes, and Pizarro came into contact with a vast array of different Native American settlements. Though the Spanish mercilessly conquered their way through the Americas and aimed to convert the peoples they considered savages, the unique culture, architecture and aspects of the indigenous tribes fascinated even the conquistadors, who brought the accounts back to Europe and fascinated millions across the Atlantic. 500 years later, the world is more fascinated than ever by the American civilizations, particularly the Aztecs, Maya and Inca. Of all the world's civilizations, none have intrigued people more than the Mayans, whose culture, astronomy, language, and mysterious disappearance all continue to captivate people. In 2012 especially, there has been a renewed focus on the Mayans, whose advanced calendar has led many to speculate the world will end on the same date the Mayan calendar ends. The focus on the "doomsday" scenario, however, has overshadowed the Mayans' true contribution to astronomy, language, sports, and art. From the moment Spanish conquistador Hernan Cortes first found and confronted them, the Aztecs have fascinated the world, and they continue to hold a unique place both culturally and in pop culture. Nearly 500 years after the Spanish conquered their mighty empire, the Aztecs are often remembered today for their major capital, Tenochtitlan, as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals. Ironically, and unlike the Mayans, the Aztecs are not widely viewed or remembered with nuance, in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire's dominance less than a century before the Spanish arrived. Naturally, Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism. While the Mayans are remembered for their astronomy, numeral system, and calendar, the Aztecs have primarily been remembered in a far narrower way, despite continuing to be a source of pride to Mexicans through the centuries. The Inca Empire, which flourished in modern day Peru and along the west coast of South America, was the largest Native American empire in pre-Columbian America until Pizarro and the Spanish conquistadors conquered them in the 16th century. Though the Spanish physically conquered them in quick fashion, the culture and legacy of the Inca Empire has continued to endure throughout the centuries in both Europe and South America, due in no small part to the fact they were one of the most advanced and sophisticated cultures on the continent. Like the Aztecs, the Spanish burned much of the Inca's extant writings, but it is estimated that as many as 35 million once fell under their banner, and the empire's administrative skills were so sharp that they kept accurate census records. *The Greatest Civilizations of the Americas* presents a comprehensive and entertaining overview of the cultures and empires of these 3 amazing civilizations, from describing their technology to explaining what everyday life was like in their capital cities. Along with dozens of pictures of important people, places, events, art, and ruins, you will learn about the Maya, Aztec, and Inca like you never have before.

**The Aztecs** Mar 28 2023 "In only two centuries, the Aztecs conquered an area from the present location of Mexico City to both coasts of Mexico. They built a city that inspired awe in the Spanish invaders; built irrigation canals, aqueducts, and roads; developed productive agricultural techniques; produced art and architecture that is still admired; had one of the few writing systems in pre-Columbian America; and were accomplished mathematicians and astronomers. *The Aztecs* details not just the well-known aspects of war and empire, but also the whole of Aztec life. It draws on a wealth of information to present the first balanced and complete account of one of the great New World cultures."--BOOK JACKET.

**The Aztecs** Jun 30 2023 Discusses the Aztec civilization including daily life, customs, societal structure, art, religion, and conquest by the Spanish.

**The Aztecs** Jun 06 2021 Examines the history, work, family life, and culture of the Aztecs.

**LOST KINGDOMS OF CENTRAL AMERICA** Dec 01 2020 Thousands of years ago, people settled in the part of the world called Mesoamerica. This region consists of southern Mexico and most of Central America as it stretches between what is now called the Gulf of Mexico and the Pacific Ocean. Although many different countries now exist within this space, it was the original home to just

one civilisation: the Olmec. As time advanced, other well-known groups became dominant in the area. These were primarily the Aztecs and the Mayan. All these early civilizations that existed from approximately 1200 BCE to 900 CE were steeped with culture, tradition, commerce, and conflict. They also offer many mysteries and enigmas to modern understanding. These are the things that make people wonder about how the civilisations arose, gained such power, and why they disappeared. Travel back in time to the first days to discover the questions that still exist in the minds of archaeologists, historians, and others who strive to understand the ancient mysteries of Mesoamerica.

The World's Greatest Civilizations: the History and Culture of the Aztec Jul 28 2020 \*Includes over 20 pictures of Aztec art, ruins, and more. \*Describes daily life for the Aztecs, including their infamous human sacrifice rituals. From the moment Spanish conquistador Hernan Cortes first found and confronted them, the Aztecs have fascinated the world, and they continue to hold a unique place both culturally and in pop culture. Nearly 500 years after the Spanish conquered their mighty empire, the Aztecs are often remembered today for their major capital, Tenochtitlan, as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals. Ironically, and unlike the Mayans, the Aztecs are not widely viewed or remembered with nuance, in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire's dominance less than a century before the Spanish arrived. Naturally, Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism. While the Mayans are remembered for their astronomy, numeral system, and calendar, the Aztecs have primarily been remembered in a far narrower way, despite continuing to be a source of pride to Mexicans through the centuries. As a result, even though the Aztecs continue to interest people across the world centuries after their demise, it has fallen on archaeologists and historians to try to determine the actual history, culture, and lives of the Aztecs from the beginning to the end, relying on excavations, primary accounts, and more. The World's Greatest Civilizations: The History and Culture of the Aztecs looks at this whole story, in an attempt to portray the Aztecs as they actually were. Along with pictures of Aztec art and ruins, this book describes the Aztecs' lives, religion, art, cities, and empire, in an attempt to better understand the once dominant

The Aztecs Oct 30 2020 The native people known as the Aztec ruled a large empire in what is now Mexico. They created an amazing capital city called Tenochtitlán, where Mexico City is now located. This advanced civilization amazed Spanish explorers when they arrived in the 1500s, and it continues to captivate people today. This notable volume presents the most essential and intriguing facets of the ancient Aztec culture, including their games, arts, economy, myths—and even rites of human sacrifice! Impressive artwork and artifacts displayed on each page offer scenes of Aztec life, further educating and fascinating readers.

**Aztec History and Culture** Aug 28 2020 Traces the history of the Aztecs in North America, describing the traditions and culture of the Native American group, examining their interactions with other groups of Native Americans, European settlers, and explorers, and discussing their lives in the early twenty-first century.

**Ancient Civilizations** Nov 23 2022 Three captivating manuscripts in one book: *Maya Civilization: A Captivating Guide to Maya History and Maya Mythology* *Aztec: A Captivating Guide to Aztec History and the Triple Alliance of Tenochtitlan, Tetzaco, and Tlacopan* *Incas: A Captivating Guide to the History of the Inca Empire and Civilization*

Aztec Civilization Jan 02 2021 Discover the remarkable history of the Aztec Civilization...The Aztec Empire dominated Mesoamerica for a relatively short time-less than one hundred years-but it is remembered today more than other ancient cultures in the region which sustained for much longer. Partly that is because this was a relatively recent culture which was widely reported by the first Europeans to make contact with it. Another one of the reasons is because the Aztecs have become indelibly associated with human sacrifice. The sheer scale of these rituals caused horror and fascination in the first Europeans to encounter it. Anything up to eighty thousand victims may have been brutally killed during a single religious festival, and up to a quarter of a million people may have been sacrificed each year of Aztec rule. The seemingly insatiable need for victims to placate the Aztec gods even led to wars whose purpose was not conquest or plunder but obtaining sacrificial victims. Yet there was a great deal more to the Aztecs than human sacrifice. These people created a complex society and one of the largest cities in the world. They developed a sophisticated set of laws and made notable advances in astronomy and agriculture. In the course of less than one hundred years, the Aztecs came to dominate Mesoamerica and created an empire which looked set to continue for a very long time indeed. Then the first Spanish conquistadors arrived, and within less than two years, the Aztec Empire had been completely destroyed. This is the story of the rise and fall of the Aztec Empire. Discover a plethora of topics such as Origins The Creation of Tenochtitlan Aztec Weapons and Warfare The Triple Alliance The City of Tenochtitlan The Spanish Conquest And much more! So if you want a concise and informative book on the Aztec Civilization, simply scroll up and click the "Buy now" button for instant access!

*Mexico* Oct 23 2022 Masterly....The complexities of Mexico's ancient cultures are perceptively presented and interpreted.--Library Journal
