Hotbed Aug 12 2022 The dazzling story of the Greenwich Village feminists who blazed the trail for the movement's most radical ideas On a Saturday in New York City in 1912, around the wooden tables of a popular Greenwich Village restaurant, a group of women gathered, all of them convinced that they were going to change the world. It was the first meeting of "Heterodoxy," a secret social club. Its members were passionate advocates of free love, equal marriage, and easier divorce. They were socialites and socialists; reformers and revolutionaries; artists, writers, and scientists. Their club, at the heart of America's bohemia, was a springboard for parties, performances, and radical politics. But it was the women's extraordinary friendships that made their unconventional lives possible, as they supported each other in pushing for a better world. Hotbed is the never-before-told story of the bold women whose audacious ideas and unruly acts transformed a feminist agenda into a modern way of life.

Red Clay, 1835 Jan 25 2021 A new way to learn history--by living it

The Women's March Nov 15 2022 New York Times bestselling author Jennifer Chiaverini returns with The Women's March, an enthralling historical novel of the women's suffrage movement inspired by

three courageous women who bravely risked their lives and liberty in the fight to win the vote. Twenty-five-year-old Alice Paul returns to her native New Jersey after several years on the front lines of the suffrage movement in Great Britain. Weakened from imprisonment and hunger strikes, she is nevertheless determined to invigorate the stagnant suffrage movement in her homeland. Nine states have already granted women voting rights, but only a constitutional amendment will secure the vote for all. To inspire support for the campaign, Alice organizes a magnificent procession down Pennsylvania Avenue in Washington, DC, the day before the inauguration of President-elect Woodrow Wilson, a firm antisuffragist. Joining the march is thirty-nine-year-old New Yorker Maud Malone, librarian and advocate for women's and workers' rights. The daughter of Irish immigrants, Maud has acquired a reputation—and a criminal record—for interrupting politicians' speeches with pointed questions they'd rather ignore. Civil rights activist and journalist Ida B. Wells-Barnett resolves that women of color must also be included in the march—and the proposed amendment. Born into slavery in Mississippi, Ida worries that white suffragists may exclude Black women if it serves their own interests. On March 3, 1913, the glorious

march commences, but negligent police allow vast crowds of belligerent men to block the parade route—jeering, shouting threats, assaulting the marchers—endangering not only the success of the demonstration but the women’s very lives. Inspired by actual events, *The Women’s March* offers a fascinating account of a crucial but little-remembered moment in American history, a turning point in the struggle for women’s rights.

The Age of Jim Crow Jul 11 2022 America's racial history has been marked by both hard-won progress and sudden reversals of fortune. In *The Age of Jim Crow*, Jane Dailey introduces readers to a fascinating collection of documents on race and segregation in America that were created between the end of the Civil War and the emergence of the Civil Rights Movement a century later. Organized around two themes, Dailey highlights the role of law in creating, maintaining, and -- ultimately -- helping to undo segregation. She also traces the effects of interracial sex and marriage as they shaped the era of Jim Crow. *The Age of Jim Crow* focuses throughout on sexuality and gender politics as they play out across the legal, social and economic, political, and cultural arenas.

The Literature of Australia May 17 2020

"Unprecedented in the breadth of what it offers from

both the ancient and the recent literature of my country."--Thomas Keneally, from the foreword
Finding Faith, Losing Faith Mar 07 2022 However, the book's sensitive detailing of the stories themselves makes conversion more than a theoretical occurrence; it makes the immediacy, and often the difficulty, of conversion both real and moving.

***How Women Won the Vote* Oct 22 2020** This is how history should be told to kids—with photos, illustrations, and captivating storytelling. From Newbery Honor medalist Susan Campbell Bartoletti and in time to celebrate the 100th anniversary of women's suffrage in America comes the page-turning, stunningly illustrated, and tirelessly researched story of the little-known DC Women's March of 1913. Bartoletti spins a story like few others—deftly taking readers by the hand and introducing them to suffragists Alice Paul and Lucy Burns. Paul and Burns met in a London jail and fought their way through hunger strikes, jail time, and much more to win a long, difficult victory for America and its women. Includes extensive back matter and dozens of archival images to evoke the time period between 1909 and 1920.

Changing the Game Dec 24 2020 Changing the Game is set at a fictional university in the mid-1990s.

A debate over the role of athletics quickly expands to encompass demands that women's sports and athletes receive more resources and opportunities. The result is a firestorm of controversy on and off campus. Drawing on congressional testimonies from the Title IX hearings, players advance their views in student government meetings, talk radio shows, town meetings, and impromptu rallies. As students wrestle with questions of gender parity and the place of athletics in higher education, they learn about the implementation—and implications—of legal change in the United States.

The Threshold of Democracy Apr 27 2021 Part of the Reacting to the Past series, The Threshold of Democracy re-creates the intellectual dynamics of one of the most formative periods in the human experience.

The Music of Black Americans Jun 10 2022 A narrative history of the music of African-Americans with emphasis on the folk music genres.

"The Blue Book" Sep 13 2022 Maule, sympathetic to women's suffrage, analyzes the arguments for and against the reform.

No Surrender Oct 02 2021

***Paterson, 1913* May 21 2023 "A title in the Flashpoints series from Reacting to the Past, Paterson, 1913: A Labor Strike in the Progressive**

Era is designed to be played during the time typically devoted to teaching the Progressive Era in U.S. History II. Set in America's "Silk City," Paterson, New Jersey, the game pits manufacturers, who try to keep Paterson's key economic engine running, against labor leaders, who demand a general strike to achieve better working conditions across the silk industry. In the middle of this conflict are townspeople, who must decide whom to support and how to survive a labor struggle that seems to have no end in sight"--

Anthology of Music for Analysis Jan 05 2022
Drawing on Timothy Cutler's extensive pedagogical experience, this anthology provides ideal examples for any theory class. Consisting of excerpts organized by topic, the anthology is designed to support any theory text and contains the perfect examples to illustrate every theoretical concept. The Anthology of Music for Analysis is part of Norton's suite of resources for the theory curriculum and offers students substantial savings when packaged with a Norton theory text.

Rousseau, Burke, and Revolution in France, 1791 Sep 01 2021
Rousseau, Burke, and Revolution in France, 1791 plunges students into the intellectual and political currents that surged through revolutionary Paris in the summer of 1791. As

members of the National Assembly gather to craft a constitution for a new France, students wrestle with the threat of foreign invasion, political and religious power struggles, and questions of liberty and citizenship.

History of Woman Suffrage: 1883-1900 May 09 2022

Drawing Suffrage for The Masses, 1911-1917 Oct 14

2022 Abstract: During its seven year run from 1911 to 1917, The Masses, a radical socialist magazine published out of Greenwich Village, addressed almost every contemporary controversial social issue on its pages, from socialism to sexual liberation and pacifism. The magazine was committed to feminist ideals and as such, The Masses dedicated articles and cartoons to women's issue such as birth control, prostitution, worker's rights, and women's social, political, and economic emancipation. As a central issue of the time and as a key fight for the liberty The Masses' socialists valued, The Masses gave the campaign for women's enfranchisement attention -- from 1913 to 1916, cartoons about or related to woman suffrage maintained a regular presence on the pages of The Masses. In their style and in their approach to the

subject, the cartoons dealing with woman suffrage reflect *The Masses'* pictorial policy of art dedicated to radicalism and free expression. The drawings range in tone from pointed satire to direct editorializing, but on the whole, emphasize a feminist conception of the modern woman and advocate the extension of women's rights beyond the political sphere. In this thesis, I argue that the cartoons of *The Masses*, though displaying a fervent support of women's rights as defined by feminism, curiously exhibit ambivalence toward the subject of woman suffrage in its graphics. This ambivalence resulted from the magazine's socialist viewpoint which championed revolutionary societal change that would establish liberty and total political, social, and economic emancipation for all humankind, both men and women. The magazine advocated the vote for women as one of the many steps needed for women's total emancipation, but in socialist opinion, the ballot was only a reform measure. In addition, *The Masses* offered only moderate support of the national suffrage movement due to its narrow middle-class focus on achieving the vote. Employing campaign tactics that emphasized expediency, the suffrage movement largely ignored the working-class woman, the woman that *The Masses* identified as most in need of a political voice.

Can You Beat Churchill? Dec 04 2021 How do you get students to engage in a historical episode or era? How do you bring the immediacy and contingency of history to life? Michael A. Barnhart shares the secret to his award-winning success in the classroom with *Can You Beat Churchill?*, which encourages role-playing for immersive teaching and learning. Combating the declining enrollment in humanities classes, this innovative approach reminds us how critical learning skills are transmitted to students: by reactivating their curiosity and problem-solving abilities. Barnhart provides advice and procedures, both for the use of off-the-shelf commercial simulations and for the instructor who wishes to custom design a simulation from scratch. These reenactments allow students to step into the past, requiring them to think and act in ways historical figures might have. Students must make crucial or dramatic decisions, though these decisions need not align with the historical record. In doing so, they learn, through action and strategic consideration, the impact of real individuals and groups of people on the course of history. There is a quiet revolution underway in how history is taught to undergraduates. *Can You Beat Churchill?* hopes to make it a noisy one.

***Treacherous Texts* Nov 22 2020 Treacherous Texts**

collects more than sixty literary texts written by smart, savvy writers who experimented with genre, aesthetics, humor, and sex appeal in an effort to persuade American readers to support woman suffrage. Although the suffrage campaign is often associated in popular memory with oratory, this anthology affirms that suffragists recognized early on that literature could also exert a power to move readers to imagine new roles for women in the public sphere. Uncovering startling affinities between popular literature and propaganda, Treacherous Texts samples a rich, decades-long tradition of suffrage literature created by writers from diverse racial, class, and regional backgrounds. Beginning with sentimental fiction and polemic, progressing through modernist and middlebrow experiments, and concluding with post-ratification memoirs and tributes, this anthology showcases lost and neglected fiction, poetry, drama, literary journalism, and autobiography; it also samples innovative print cultural forms devised for the campaign, such as valentines, banners, and cartoons. Featured writers include canonical figures such as Stowe, Fern, Alcott, Gilman, Djuna Barnes, Marianne Moore, Millay, Sui Sin Far, and Gertrude Stein, as well as writers popular in their day but, until now, lost to ours.

***A Midsummer Night's Dream* Nov 03 2021 "In the pure poetry and intoxication of words, Shakespeare never rose higher than he rises in this play." --G. K. Chesterton**

**Barefoot Dreams of Petra Luna Apr 15 2020 2022
Pura Belpré Honor Book NYPL Best Book of 2021
Texas Bluebonnet Master List Selection NPR Best Book of 2021** Based on a true story, the tale of one girl's perilous journey to cross the U.S. border and lead her family to safety during the Mexican Revolution. "Wrenching debut about family, loss, and finding the strength to carry on."—Booklist, starred review "Blazes bright, gripping readers until the novel's last page."—Publishers Weekly, starred review "Vital and perilous and hopeful."—Alan Gatz, New York Times bestselling author of *Refugee* It is 1913, and twelve-year-old Petra Luna's mama has died while the Revolution rages in Mexico. Before her papa is dragged away by soldiers, Petra vows to him that she will care for the family she has left—her abuelita, little sister Amelia, and baby brother Luisito—until they can be reunited. They flee north through the unforgiving desert as their town burns, searching for safe harbor in a world that offers none. Each night when Petra closes her eyes, she holds her dreams close, especially her long-held desire to learn to read. Abuelita calls these barefoot dreams:

"They're like us barefoot peasants and indios—they're not meant to go far." But Petra refuses to listen. Through battlefields and deserts, hunger and fear, Petra will stop at nothing to keep her family safe and lead them to a better life across the U.S. border—a life where her barefoot dreams could finally become reality. "Dobbs' wrenching debut, about family, loss, and finding the strength to carry on, illuminates the harsh realities of war, the heartbreaking disparities between the poor and the rich, and the racism faced by Petra and her family. Readers will love Petra, who is as strong as the black-coal rock she carries with her and as beautiful as the diamond hidden within it."—Booklist, starred review

Women Will Vote Dec 16 2022 Women Will Vote celebrates the 2017 centenary of women's right to full suffrage in New York State. Susan Goodier and Karen Pastorello highlight the activism of rural, urban, African American, Jewish, immigrant, and European American women, as well as male suffragists, both upstate and downstate, that led to the positive outcome of the 1917 referendum. Goodier and Pastorello argue that the popular nature of the women's suffrage movement in New York State and the resounding success of the referendum at the polls relaunched suffrage as a national issue.

If women had failed to gain the vote in New York, Goodier and Pastorello claim, there is good reason to believe that the passage and ratification of the Nineteenth Amendment would have been delayed. *Women Will Vote* makes clear how actions of New York's patchwork of suffrage advocates heralded a gigantic political, social, and legal shift in the United States. Readers will discover that although these groups did not always collaborate, by working in their own ways toward the goal of enfranchising women they essentially formed a coalition. Together, they created a diverse social and political movement that did not rely solely on the motivating force of white elites and a leadership based in New York City. Goodier and Pastorello convincingly argue that the agitation and organization that led to New York women's victory in 1917 changed the course of American history.

The Empire State Jan 17 2023 Readers from the Big Apple to Buffalo and beyond will find "The Empire State"--which provides equal coverage to "upstate" and "downstate" events and people--satisfying and informative reading. A rich resource, it chronicles the state through centuries of change.

The Suffragents Feb 23 2021 The story of how and why a group of prominent and influential men in New York City and beyond came together to help women

gain the right to vote. Finalist for the 2018 Sally and Morris Lasky Prize presented by the Center for Political History at Lebanon Valley College *The Suffragents* is the untold story of how some of New York's most powerful men formed the Men's League for Woman Suffrage, which grew between 1909 and 1917 from 150 founding members into a force of thousands across thirty-five states. Brooke Kroeger explores the formation of the League and the men who instigated it to involve themselves with the suffrage campaign, what they did at the behest of the movement's female leadership, and why. She details the National American Woman Suffrage Association's strategic decision to accept their organized help and then to deploy these influential new allies as suffrage foot soldiers, a role they accepted with uncommon grace. Led by such luminaries as Oswald Garrison Villard, John Dewey, Max Eastman, Rabbi Stephen S. Wise, and George Foster Peabody, members of the League worked the streets, the stage, the press, and the legislative and executive branches of government. In the process, they helped convince waffling politicians, a dismissive public, and a largely hostile press to support the women's demand. Together, they swayed the course of history. Brooke Kroeger is Professor at the New York University Arthur L.

Carter Journalism Institute. Her books include *Nellie Bly: Daredevil, Reporter, Feminist* and *Fannie: The Talent for Success of Writer Fannie Hurst*.

***Chicago, 1968* Jul 31 2021 In August 1968, Democrats gather at their National Convention in Chicago to debate a platform for a deeply divided party. Factions are split over issues such as civil rights, infrastructure, and the war on poverty—not to mention the war in Vietnam. Meanwhile, crowds of protesters descend upon the city. Impassioned antiwar demonstrators plan sit-ins and marches, while the absurdist Yippies, determined to make a mockery of the convention, intend to nominate a pig for president. Journalists flood the area to cover the stories of the delegates and protesters. Over the course of this game, players will develop a better understanding of the complexities of the social and cultural tumult that has come to be known as "the Sixties."**

Radical Fights of Forty Years Jun 29 2021 This the autobiographical work of Howard Evans (1839–1915) who was a British Radical and Nonconformist journalist. The book paints a vivid picture of conditions in the 19th century and how courageous reformers like John Stuart Mill, himself and his associate W. Randal Cremer stood for human rights and the beginnings of the Labour and Peace

Movements. Evans wrote in 1878, "I believe firmly that in politics as well as religion God has his own elect chosen out from the rest of the world to be the pioneers of progress". Together with Cremer he formed the Inter Parliamentary Union and the International Arbitration League and laid the foundations for the International Court of Justice in the passionate search for an alternative to war as a solution for international disputes.

***American Women* Mar 27 2021 "American Women: A Concise History offers the most accessible and engaging introduction to the history of American women"--**

Greenwich Village, 1913, Second Edition Jul 23 2023
The second edition of Greenwich Village, 1913: Suffrage, Labor, and the New Woman transports students into the bohemian section of New York City known as an epicenter of rebels, artists, and seekers of personal transformation. Assuming roles as residents of "the Village," students gather at Polly's restaurant to re-create discussions about feminism, marriage, family, work, and community. A faction of students in suffragist roles seek the community's support for extending the franchise to women, while others in roles as labor organizers appeal to the community for help raising funds to support an ongoing strike. Students in this game must clarify

their beliefs and make their choices through a vote. Will they prioritize gender or social class, political or economic change, or reform or revolution? Will they use their talents to support a suffrage parade or to create a pageant for the silk workers of Paterson, New Jersey? Or will they reject both factions and continue to work toward a new America through the transformation of the self?

***Vanguard* Aug 20 2020 The epic history of African American women's pursuit of political power -- and how it transformed America. In the standard story, the suffrage crusade began in Seneca Falls in 1848 and ended with the ratification of the Nineteenth Amendment in 1920. But this overwhelmingly white women's movement did not win the vote for most black women. Securing their rights required a movement of their own. In *Vanguard*, acclaimed historian Martha S. Jones offers a new history of African American women's political lives in America. She recounts how they defied both racism and sexism to fight for the ballot, and how they wielded political power to secure the equality and dignity of all persons. From the earliest days of the republic to the passage of the 1965 Voting Rights Act and beyond, Jones excavates the lives and work of black women -- Maria Stewart, Frances Ellen Watkins Harper, Fannie Lou Hamer, and more -- who were the**

vanguard of women's rights, calling on America to realize its best ideals.

***Women, Politics, and Power* Sep 20 2020** *Women, Politics, and Power* provides a clear and detailed introduction to women's political participation and representation across a wide range of countries and regions. Using broad statistical overviews and detailed case-study accounts, authors Pamela Paxton and Melanie Hughes document both historical trends and the contemporary state of women's political strength across diverse countries. In addition to describing worldwide themes, the book acknowledges differences among women through attention to intersectionality and heterogeneity among women. Dedicated chapters on six geographic regions highlight the distinct paths women may take to political power in different parts of the world. There is simply no other book that offers such a thorough and multidisciplinary synthesis of research on women's political power around the world.

***The Story of the Woman's Party* May 29 2021**

***Inez* Feb 06 2022** Inez Milholland was the most glamorous suffragist of the 1910s and a fearless crusader for women's rights. Moving in radical circles, she agitated for social change in the prewar years, and she epitomized the independent New

Woman of the time. Her death at age 30 while stumping for suffrage in California in 1916 made her the sole martyr of the American suffrage movement. Her death helped inspire two years of militant protests by the National Woman's Party, including the picketing of the White House, which led in 1920 to ratification of the 19th Amendment granting women the right to vote. Lumsden's study of this colorful and influential figure restores to history an important link between the homebound women of the 19th century and the iconoclastic feminists of the 1970s.

***Greenwich Village, 1913, Second Edition* Jun 22 2023** The second edition of *Greenwich Village, 1913: Suffrage, Labor, and the New Woman* transports students into the bohemian section of New York City known as an epicenter of rebels, artists, and seekers of personal transformation. Assuming roles as residents of "the Village," students gather at Polly's restaurant to re-create discussions about feminism, marriage, family, work, and community. Curriculum Internationalization and the Future of Education Jul 19 2020 In an effort to enhance the quality of education, universities and colleges are developing programs that help faculty and staff internationalize curriculum. These programs will purposefully develop the intercultural perspectives of students. Curriculum Internationalization and the Future of Education is a critical scholarly resource that examines the steps taken to diversify a number of courses from various disciplines and addresses the challenges with curriculum internationalization. Featuring coverage on a broad range of topics, such as active learning, student engagement, and grounded globalism, this book is geared towards academics, upper-level students, educators, professionals, and practitioners seeking current research on curriculum internalization.

Greenwich Village, 1913 Aug 24 2023 Greenwich Village, 1913 immerses students in the radical possibilities unlocked by the modern age. Exposed

to ideas like women's suffrage, socialism, birth control, and anarchism, students experiment with forms of political participation and bohemian self-discovery.

Inside Greenwich Village Apr 08 2022 A vibrant portrait of a celebrated urban enclave at the turn of the twentieth century.

Methods of Discovery Apr 20 2023 Abbott helps social science students discover what questions to ask. This exciting book is not about habits and the mechanics of doing social science research, but about habits of thinking that enable students to use those mechanics in new ways, by coming up with new ideas and combining them more effectively with old ones. Abbott organizes his book around general methodological moves, and uses examples from throughout the social sciences to show how these moves can open new lines of thinking. In each chapter, he covers several moves and their reverses (if these exist), discussing particular examples of the move as well as its logical and theoretical structure. Often he goes on to propose applications of the move in a wide variety of empirical settings. The basic aim of *Methods of Discovery* is to offer readers a new way of thinking about directions for their research and new ways to imagine information relevant to their research problems. *Methods of*

Discovery is part of the Contemporary Societies series.

The Encyclopedia of Strikes in American History
Jun 17 2020 Strikes have been part of American labor relations from colonial days to the present, reflecting the widespread class conflict that has run throughout the nation's history. Against employers and their goons, against the police, the National Guard, local, state, and national officials, against racist vigilantes, against their union leaders, and against each other, American workers have walked off the job for higher wages, better benefits, bargaining rights, legislation, job control, and just plain dignity. At times, their actions have motivated groundbreaking legislation, defining new rights for all citizens; at other times they have led to loss of workers' lives. This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America. To provide the analytical tools for understanding strikes, the volume includes two types of essays - those focused on an industry or economic sector, and those focused on a theme. Each industry essay introduces a group of workers and their employers and places them in their economic, political, and community contexts. The essay then describes the industry's various strikes, including the main issues involved and outcomes

achieved, and assesses the impact of the strikes on the industry over time. Thematic essays address questions that can only be answered by looking at a variety of strikes across industries, groups of workers, and time, such as, why the number of strikes has declined since the 1970s, or why there was a strike wave in 1946. The contributors include historians, sociologists, anthropologists, and philosophers, as well as current and past activists from unions and other social movement organizations. Photos, a Topic Finder, a bibliography, and name and subject indexes add to the works appeal.
