Aleister Crowley's Four Books of Magick Jan 05 2022 This is the masterpiece of occultist, magician and philosopher Aleister Crowley, introduced for the first time by one of the world's leading experts on Western esoteric traditions, Stephen Skinner. "Do what thou wilt." Written in the early twentieth century, the four books contained within this collection make up one of the most complete and groundbreaking works on the practice of magick ever written. They are considered to be the masterpiece of occultist, magician and philosopher Aleister Crowley and the core texts for the religion of Thelema. Their influence on alternative western thought and philosophy cannot be exaggerated. Also known as Book Four, or Liber ABA, the four parts bring together many rituals, received texts, theorems and unequalled insights into the practice of magick, culminating in *The Book of the Law*, the central, sacred text dictated to Crowley by a preternatural entity. Anyone interested in yoga, ceremonial magic, esoteric thought, invocation, divination and beyond, or those looking to delve into the fascinating, playful and illuminating writings of a unique man, will find inspiration. For the first time, one of the world's leading experts on Western esoteric traditions and magic, Dr. Stephen Skinner, introduces the text, sharing his insights into Crowley's take on yoga, ceremonial magick and Thelema. His long involvement with magick, both as an academic and as a practitioner, enabled Dr. Skinner to highlight the differences between the psychological and the spirit-orientated approaches to magick, and to show how that dilemma shaped Crowley's practice and his founding of Thelema, enlightening the reader to many previously unknown connections.

The New Hermetics Dec 24 2020 *The New Hermetics* is a powerful spiritual technology of the mind. It is a course of study and practice that teaches the science of illumination and the ability to alter reality. The ancient Egyptian form of Hermetic philosophy was that the mind shapes reality. *The New Hermetics* extends that philosophy - the universe is a great mind or consciousness, and we are a part of that consciousness; therefore by learning to control the mind, we learn to control our part of the universe. With updated versions of the ancient Rosicrucian brotherhood's 10 levels of initiation, combined with ancient and modern mind-expanding techniques such as visualization and NLP (neuro-linguistic programming), *The New Hermetics* progressively gives initiates power over their minds and world. Practicing these elements simultaneously makes it possible to undergo initiation into the mysteries of consciousness in a fraction of the time it was ever before possible. The course offered in the book lets practitioners master their minds in such a way that they will be able to achieve anything and everything they want in life, spiritually and physically. *The New Hermetics* offers 10 levels of instruction to control the mind and control reality: Level 1-The Initiate teaches mastery over behavior and visualization in the Ether. Level 2-The Zealot bestows mastery over emotions, breathing, and Etheric energy. Level 3-The Practitioner gives mastery over mind, beliefs, and the ability to project Etheric energy. Level 4-The Philosopher masters creativity, values, and the ability to direct Etheric energy. Level 5-The Adept develops relationship with cosmic consciousness. Level 6-The Advanced Adept offers the power to direct the forces of cosmic consciousness. Level 7-The Perfect Adept gives wisdom and the ability to share these forces with others. Level 8-The Master bestows mastery of cosmic consciousness. Level 9-The Mage gains mastery of universal power. Level 10-The Ultimate Master obtains mastery over the universal self. *The New Hermetics* is a powerful course of instruction that can help anyone master themselves to rule their world.
