Always wanted to go to the USA and buy an old classic or muscle car (or even a new car!) and do a road trip? Then ship it

home to New Zealand and drive it on sunny days? Maybe you've looked at motorhomes/caravans/5th wheels in New Zealand and have seen what you get for \$150,000 - surely in the USA, you can get a lot more for your money? Have you thought about: Right-hand drive conversion - do you have to? Sales tax in the USA - do you have to pay it? How do you get your money to the US to buy a car? Duty, Customs, Shipping, Car insurance, registration and titles in the USA. Documentation you need to get your car on the road. How do you get your car on the road in New

Zealand. Lots more you probably don't even know about. Many of these questions put people off - New Zealand government websites that show the rules, customs, regulations and duty aren't that easy to follow. USA2NZ: Buy It, Drive It, Ship It is the book you need to save you the headaches and heartache of buying and importing a vehicle from the USA. USA2NZ is here to help you. We will guide you through the maze of rules and regulations on just what car or RV you can bring back home, and how to get it on the road. We make it easy to follow, and we've done it. We've

imported both an RV and brand-new American muscle car. Let us show you the way! Introducing the wide range of motorhomes and campervans available, this book helps you to make a choice that suits both your budget and your needs. Covering new and used markets, written in plain English, and with full colour photographs throughout, the book explains all you need to know for safe, happy motorcaravanning. In 1964 Pontiac set the table for a high performance feast, the main course was the first true factory built muscle car - the GTO. It would be the model that every

manufacture would chase after and soon there would be a full-blown muscle car banquet. But Pontiac was not satisfied with just a mundane one-course meal they wanted to serve up a full line a full line muscle car smorgasbord. Added to the menu was the big and beautiful 2+2 and the Firebird and for sweet desserts the Grand Prix. During the muscle car rein of 1964-1972 Pontiac guaranteed any muscle car fan would not come away from the table hungry. Pontiac Muscle Cars is the ultimate guide in selecting and buying used Pontiac parts. Not only is this guide a how to identifying and

inspecting mechanical parts. It also lists the interchangeable parts that Pontiac used on the Firebird, Grand Prix, Tempest and 2+2 line. Provides consumers with a step-by-step method for calculating how much insurance coverage they need and how much it will cost. Examples of common consumer situations show how brokers and agents evaluate necessary coverage. Case studies provide valuable tips for getting the coverage they need at prices they can afford. Includes worksheets. If you're a beginner photographer, this book can save you hundreds of dollars. If you're a seasoned

pro, it can save you thousands. With access to over 16 HOURS of online video, this book helps you choose the best equipment for your budget and style of photography. In this book, award-winning author and photographer Tony Northrup explains what all your camera, flash, lens, and tripod features do, as well as which are worth paying for and which you can simply skip. Tony provides information specific to your style of photography, whether you're a casual photographer or you're serious about portraits, landscapes, sports, wildlife, weddings, or even macro. For

the casual reader, Tony provides quick recommendations to allow you to get the best gear for your budget, without spending days researching. If you love camera gear, you'll be able to dive into 200 pages of detailed information covering Nikon, Canon, Sony, Micro Four-Thirds, Olympus, Samsung, Leica, Mamiya, Hasselblad, Fuji, Pentax, Tamron, Sigma, Yongnuo, PocketWizard, Phottix, Pixel King, and many other manufacturers. Camera technology changes fast, and this book keeps up. Tony updates this book several times per year, and buying the book gives you a lifetime subscription to the

updated content. You'll always have an up-to-date reference on camera gear right at your fingertips. Here are just some of the topics covered in the book: What should my first camera be? Which lens should I buy? Should I buy Canon, Nikon, or Sony? Is a mirrorless camera or a DSLR better for me? Do I need a full frame camera? Is it safe to buy generic lenses and flashes? What's the best landscape photography gear? Which portrait lens and flash should I buy? What gear do I need to photograph a wedding? How can I get great wildlife shots on a budget? Which

sports photography equipment should I purchase? Should I buy zooms or primes? Is image stabilization worth the extra cost? Which type of tripod should I buy? Which wireless flash system is the best for my budget? How can I save money by buying used? What kind of computer should I get for photo editing? What studio lighting equipment should I buy? Buying a used car is a huge decision, and you will probably need to live with that decision for several years. Fortunately, your friendly, helpful Uncle Wally is here to guide you through the process! Buying a Used Car - Uncle Wally's Guide, is your complete handbook for the used-car buying

process. Written by a car shopper with 40 years of experience, and packed with over 175 pages of useful information, this book will help you find affordable, reliable transportation. Part textbook, part buying guide, and part "red-flag detector," Buying a Used Car moves you to the head of the car-buying class. Here's what you'll learn. Chapter 1 - Big Ideas provides ten important car-buying concepts to help you get mentally ready for success. In Chapter 2 - Setting the Target, you'll narrow your shopping experience to help you get the car you want and need.

Chapter 3 - Paying for Your Used Car explains credit scores, financing options, and payment structures. You'll learn how to determine your monthly payment before you go shopping. In Chapter 4 - Visiting a Car Lot, your Uncle Wally will tell you what to expect when you start looking at cars. Chapter 5 - Selecting a Used-Car Dealer guides you through this critical choice. Chapter 6 - Let's Go Shopping gives you the skills to make you a confident car shopper! In Chapter 7 - Selecting Your Car, you'll narrow down the choices and select the car that fulfills your needs and your wants. Most car

shoppers take a test drive. Do you know how to use four of your senses - hearing, sight, touch, and smell - to eliminate a "problem car?" Uncle Wally walks you through this critical step in Chapter 8 - Taking the Test Drive. You will learn how to determine a car's history and its current condition in Chapter 9 - Exploring a Car's Past and Present. Chapter 10 - Arriving at a Price helps you make the best deal on your used-car purchase. Chapter 11 - The Business Office teaches you the language and techniques used after the sale that can inflate your car payment. This chapter alone is

worth the price of the book! A car is stolen. A tree falls on another car. A driver gets in an accident with someone who doesn't have insurance. Quick - are you covered? Chapter 12- Car Insurance explains the types of coverage you need, and the best way to buy it. Chapter 13 - After the Purchase helps you take care of your new investment. From the author So, you're ready to buy a used car? Or at least you're thinking about it. Well, I'm your Uncle Wally, and I'm here to help. I've bought over a dozen cars over the last 40 years. Most people decide to buy a car, walk onto a car lot, and leave

a few hours later with a huge debt and a vehicle that may or may not suit their needs. In *Buying a Used Car - Uncle Wally's Guide*, you'll walk a different path. Your car expenses - payments, maintenance, and insurance - will likely represent a significant monthly commitment. Buying a car is a major purchase for most of us, and we don't need to make a mistake. If we buy a bad meal, we just don't go back to the restaurant. If our vacation choice isn't fulfilling, we can make different plans next year. But when we buy a car, we're committing to a longer time frame. Because cars depreciate in value, mistakes can

be expensive. Returning a car after two months because it doesn't fit your needs can result in a real financial blow. I wish I could be there to help you in person. Because I can't, I decided to write this book. Drive safely, and be well, my friends. The practice of WarDriving is a unique combination of hobby, sociological research, and security assessment.
