*Guide to Private Manuscript Collections in the North Carolina State Archives* May 28 2023

"This third edition describes collections received through December 31, 1978, and includes 1,640 collections of private papers; 186 collections of private papers, diaries, and account books on microfilm; and 480 account books. Additions to collections received through June 30, 1979 have been included."--Page vi.

*The Macmillan Film Bibliography* Sep 07 2021

*Eckhardt* Dec 23 2022 Renowned for his "brilliant legislative mind" and political oratory—as well as for bicycling to Congress in a rumpled white linen suit and bow tie—U.S. Congressman Bob Eckhardt was a force to reckon with in Texas and national politics from the 1940s until 1980. A liberal Democrat who successfully championed progressive causes, from workers' rights to consumer protection to environmental preservation and energy conservation, Eckhardt won the respect of opponents as well as allies. Columnist Jack Anderson praised him as one of the most effective members of Congress, where Eckhardt was a national leader and mentor to younger congressmen such as Al Gore. In this biography of Robert Christian Eckhardt (1913-2001), Gary A. Keith tells the story of Eckhardt's colorful life and career within the context of the changing political landscape of Texas and the rise of the New Right and the two-party state. He begins with Eckhardt's German-American family heritage and then traces his progression from labor lawyer, political organizer, and cofounder of the progressive Texas Observer magazine to Texas state legislator and U.S. congressman. Keith describes many of Eckhardt's legislative battles and victories, including the passage of the Open Beaches Act and the creation of the Big Thicket National Preserve, the struggle to limit presidential war-making ability through the War Powers Act, and the hard fight to shape President Carter's energy policy, as well as Eckhardt's work in Texas to tax the oil and gas industry. The only thorough recounting of the life of a memorable, important, and flamboyant man, Eckhardt also recalls the last great era of progressive politics

in the twentieth century and the key players who strove to make Texas and the United States a more just, inclusive society.

**Call Me True** Apr 26 2023 In this investigation of the life and varied careers of True Davidson, Eleanor Darke seeks to discover what can be "truly said about True" - a fascinating and contradictory woman who was always ahead of her time. "There was no quitter in her make-up and she fought like a banshee for whatever she believed in - which was people, truth, Canada. People either loved her or loathed her. None was indifferent. All her life True Davidson stood for human values. And traditions. Her courage and integrity knew no limit. She didn't make a cent from politics and scrimped and saved to make ends meet. She overflowed with opinions, ideas, even prejudices. She was as straight as they come." - The Toronto Sun "Opponents characterized her sometimes as arrogant and selfish, but she devoted her whole life to her wide interests in history, civic affairs and conservation and to her constituents. She never had an unlisted telephone number." - The Globe and Mail "Flamboyant but never frivolous, cutting but never cruel, True Davidson enlivened municipal politics during her long tenure in office. She bears ... emulating by any woman with political ambitions." - The Toronto Star

**Complementary Therapies in Nursing** Jun 24 2020 Doody's Core Selection! The ninth edition of this acclaimed resource is completely updated to deliver the newest evidence-based research and practice guidelines for commonly used complementary therapies in nursing. The book delivers new and expanded international content including information highlighting indigenous culture-based therapies and systems of care. It features many recent advances in technology including digital resources facilitating effective delivery, monitoring, and measurement of therapy outcomes. This resource presents evidence for using complementary therapies with populations experiencing health disparities and describes a new approach to use of complementary therapies for nurses' and patients' self-care. State-of-the-art information also includes expanded safety and precaution content, updated legal concerns in regulation and credentialing, a discussion of challenges and strategies for implementing therapies and programs, and a completely new chapter on Heat and Cold Therapies. The ninth edition continues to provide in-depth information about

each complementary therapy, as well as the scientific basis and current evidence for its use in specific patient populations. Consistent chapter formats promote ease of access to information, and each therapy includes instructional techniques and safety precautions. New to the Ninth Edition: Expanded information related to technology and digital resources to foster effective delivery, monitoring, and measuring therapy outcomes New and expanded international content highlighting indigenous culture-based therapies and systems of care New information on integrating therapies in practice with abundant case examples Examples of institution-wide or organization-wide complementary therapy programs New chapter on Heat and Cold Therapies All new content on the use of therapies for Self-Care Key Features: 80 prominent experts sharing perspectives on complementary therapies from over 30 countries Chapters include a practice protocol delineating basic steps of an intervention along with measuring outcomes Consistently formatted for ease of use Presents international sidebars in each chapter providing rich global perspectives

**Western States Jewish Historical Quarterly** Jul 06 2021

*Georgia Civil War Manuscript Collections* Oct 09 2021 This book provides historians and genealogists with a one-stop guide to every Civil War-related manuscript collection stored in Georgia's many repositories. With this guide in hand, researchers will no longer spend countless hours pouring through online catalogs, emailing archivists, and wondering if they have exhausted every lead in their pursuit of firsthand information about the war and the experiences of those who lived through and were impacted by it. In assembling the first state-specific bibliography to be compiled since the Indiana and Illinois bibliographies were assembled for the Civil War Centennial in the 1960s, David Slay has expanded the scope of this survey to include works relating to women, African Americans, and social history, as well as the letters and diaries of soldiers who fought in the war, reflecting society's evolving understanding and interest in this defining period of American life. In addition, this compilation is not confined to material produced from 1861 to 1865, but also includes collections spanning the lives of prominent Civil War figures, making it an invaluable source for biographers. Organized by institution, Georgia Civil War Manuscript Collections has many time-saving features, all designed to increase efficiency of research. Each collection description contains the title and catalog number used in the holding institution. Where possible, collection descriptions have been improved upon, providing the researcher with information beyond what is listed in the holding institution's card catalog and finding aid. It also cross-references duplicate collections that are held in two or more institutions as microfilm or photocopies. Simply put, Georgia Civil War Manuscript Collections takes the mystery out of Civil War research in Georgia.

[The Harley-Davidson Story](#) Aug 26 2020 The Harley-Davidson Story: Tales from the Archives is a fascinating, visually driven overview of the motor company's rich story, created in cooperation with the Harley-Davidson Museum. The story of Harley-Davidson is a classic American tale of spirit, invention, and the right idea at the right time. From its beginning in a small Milwaukee shed in 1903, William Harley and his cousins, the Davidson brothers, set in motion what would eventually become the world's most iconic motorcycle company. While other motorcycle companies rose and fell through the teens and 1920s, Harley went from strength to strength, whether introducing its first V-twin motor or dominating race tracks across America. The Milwaukee Miracle even prospered during WWII, building war bikes for the armed forces. By the 1950s, they'd buried their last American-built competitor, Indian, and gained a hold over the US market that they maintain to this day. A remarkable story deserves a remarkable space to recount it. Such is the Harley-Davidson Museum in Milwaukee, which opened in 2009. Harley-Davidson partnered with Motorbooks to create this book relaying Harley-Davidson's story, as told through the museum's displays and archive assets.

**Fierce and Fearless** Jul 18 2022 2023 Mary Nickliss Prize in U.S. Women's and/or Gender History Winner The first biography of trailblazing legislator Patsy Takemoto Mink, best known as the legislative champion of Title IX "Every girl in Little League, every woman playing college sports, and every parent—including Michelle and myself—who watches their daughter on a field or in the classroom is forever grateful to the late Patsy Takemoto Mink."—President Barack Obama, on posthumously awarding Mink the Presidential Medal of Freedom in 2014 Patsy Takemoto Mink was the first woman of color and the first Asian American woman elected to Congress. *Fierce and Fearless* is the first biography of this remarkable woman, who first won election to Congress in 1964 and went on to serve in the House for twenty-four years, her final term ending with her death in 2002. Mink was an advocate for girls and women, best known for her work shepherding and defending Title IX, the legislation that changed the face of education in America, making it possible for girls and women to participate in school sports, and in education more broadly, at the same level as boys and men. Mink's life is wonderfully chronicled by eminent historian Judy Tzu-Chun Wu and Gwendolyn Mink, Patsy's daughter, a noted political science scholar and first-hand witness to the many political struggles that her mother had to overcome. Featuring family anecdotes, vignettes, and photographs, *Fierce and Fearless* offers new insight into who Mink was, and the progressive principles that fueled her mission. Wu and Mink provide readers with an up-close understanding of her life as a third-generation Japanese American from Hawaii—from her childhood on Maui to her decades-long career in the House, working with

noted legislators like Shirley Chisholm, Bella Abzug, and Nancy Pelosi. They follow the evolution of her politics, including her advocacy for race, gender, and class equality and her work to promote peace and environmental justice. *Fierce and Fearless* provides vivid details of how Patsy Takemoto Mink changed the future of American politics. Celebrating the life and legacy of a woman, activist, and politician ahead of her time, this book illuminates the life of a trailblazing icon who made history.

[Joaquín Ortega](#) Apr 02 2021 In this important work Russ Davidson presents the first biography of Joaquín Ortega, introducing readers to Ortega's life and work at the University of New Mexico as well as his close relationship with then UNM president James Zimmerman and other major figures. More than biography, Davidson's study closely examines the complex relationship UNM has had with Latin America as well as with the Hispanic community in New Mexico and that community's struggles to have equal representation of culture and education within an Anglo-dominated university and state in the first half of the twentieth century. Ortega's efforts played a significant role in UNM's evolution into a culturally diverse place of learning, and his story overlays the history of how ethnic groups began to work together to incorporate Latin American, Pan-American, New Mexican, and borderland studies into the educational fabric of the university at a pivotal time. This long-overdue volume is an illuminating look at the rich and complex history of the university and the communities it serves.

*Scrapbooking Your Family History* Jul 30 2023 The author of *Genealogy for the First Time* offers a colorful guide to preserving a family's heritage using scrapbooks, offering instructions for creating beautiful mementos to family history that can be passed on to future generations.

**Italian Literature since 1900 in English Translation 1929-2016** Aug 07 2021 Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors, works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently, Andrea Camilleri and Valerio Manfredi. Together with Robin Healey's *Italian Literature before 1900 in English Translation*, also published by University of Toronto Press in 2011, this volume makes comprehensive information on translations from Italian accessible for schools, libraries, and those interested in comparative literature.

**The Scrapbook in American Life** Sep 19 2022 This book explores the history of scrapbook-making, its origins, uses, changing forms and purposes as well as the human agents behind the books themselves. Scrapbooks bring pleasure in both the making

and consuming - and are one of the most enduring yet simultaneously changing cultural forms of the last two centuries. Despite the popularity of scrapbooks, no one has placed them within historical traditions until now. This volume considers the makers, their artefacts, and the viewers within the context of American culture. The volume's contributors do not show the reader how to make scrapbooks or improve techniques but instead explore the curious history of what others have done in the past and why these splendid examples of material and visual culture have such a significant place in many households.

**My Brother's Keeper** Nov 29 2020 Countless books on the Civil War recount the carnage, vengeance, and heroism in battle. But there was another aspect of the Civil War as well: one in which Yankees and Rebels during the heat of battle saved one another, often at risk of their own lives; one in which soldiers and civilians, prison guards and prisoners, though on opposing sides, not only traded with one another, but gave humanitarian aid and sustenance in times of need. This "brotherhood for the enemy" contradicted all the rules of normal warfare but did in fact take place. Using primary source materials such as diaries, letters, military reports, and newspapers, Daniel Rolph opens up a unique and little-known genre of Civil War history.

[The Haunting of Willington Mill](#) Apr 14 2022 During the nineteenth century Willington Mill, near Wallsend gained an infamous reputation for being haunted. Bizarre noises, apparitions and poltergeist activity dogged the premises and were experienced by dozens of credible witnesses. The case attracted the interest of the country's leading psychical researchers of the time, but the mystery was never solved - until now. Using a wide variety of contemporary sources along with cutting-edge investigative techniques, Michael J. Hallowell and Darren W. Ritson have pieced together the true story of Willington Mill. As well as detailing the fascinating phenomena that occurred in the building, *The Haunting of Willington Mill* is at last able to offer an explanation for one of England's most enigmatic and puzzling hauntings.

**Guide to Manuscript Collections in Michigan: Michigan historical collections, University of Michigan** Sep 27 2020 [Keep-Forever Treasure Boxes - Giving Your Child the Gift of Memories](#) Aug 31 2023 *Keep-Forever Treasure Boxes - Giving Your Child the Gift of Memories* Table of Contents Introduction Chapter 1-How to Create a Keep-forever Box Chapter 2-To Keep or not to Keep... Chapter 3-Here's What Else you Need Chapter 4-Everything Paper Chapter 5-Say Cheese! Chapter 6-Clothing and Other Cloth Items Chapter 7-Other Treasure-worthy Items Chapter 8-Love Notes Chapter 9-Multi-media Treasures Chapter 10-Putting it All Together Chapter 11-Other Types of Treasure Conclusion Author Bio Publisher Introduction Most every mother/parent has a few things tucked away to remind them of the earliest days of their child's life. Their hospital bracelet, the outfit they wore home from the hospital, a special blanket, sleep toy, lock of hair and other such treasures.

That's not even taking into consideration the pile of papers, art projects, award certificates and ribbons and even a few crumbling salt and flour maps, right? But let's face it—there comes a time when you want to pare down the treasures you've accumulated throughout your lifetime. This is especially true if, like me, you have a large family because a large family equals a lot of stuff! So what's a parent to do with these childhood treasures without seeming cold and unfeeling? Give them back to their original owner, that's what! Give them back in a keep-forever treasure box. Creating a keep-forever treasure box is just a fancy way of saying it is okay to sort through all those memories, keep those that are the most meaningful, pitch the rest and get them out of your house...I mean gift them to your children .It's also a whole lot fun; making your laugh, smile and even shed a few tears as you stroll down memory lane. So grab a glass of iced tea, sit back and relax and prepare to be inspired to create a keep-forever treasure chest for the most special people in your life.

**How the Other Half Lives** Dec 11 2021 This famous journalistic record of the filth and degradation of New York's slums at the turn of the century is a classic in social thought and of early American photography. Over 100 photographs.

**Official Gazette of the United States Patent and Trademark Office** Mar 26 2023

**Paris France** Jun 16 2022 Matched only by Hemingway's A Moveable Feast, Paris France is a "fresh and sagacious" (The New Yorker) classic of prewar France and its unforgettable literary eminences. Celebrated for her innovative literary bravura, Gertrude Stein (1874-1946) settled into a bustling Paris at the turn of the twentieth century, never again to return to her native America. While in Paris, she not only surrounded herself with—and tirelessly championed the careers of—a remarkable group of young expatriate artists but also solidified herself as "one of the most controversial figures of American letters" (New York Times). In Paris France (1940)—published here with a new introduction from Adam Gopnik—Stein unites her childhood memories of Paris with her observations about everything from art and war to love and cooking. The result is an unforgettable glimpse into a bygone era, one on the brink of revolutionary change.

**Left in the Center** Nov 09 2021 Daniel Soyer's history of the Liberal Party of New York State, Left in the Center, shows the surprising

relationship between Democratic Socialism and mainstream American politics. Beginning in 1944 and lasting until 2002, the Liberal Party offered voters an ideological seal of approval and played the role of strategic kingmaker in the electoral politics of New York State. The party helped elect presidents, governors, senators, and mayors, and its platform reflected its founders' social democratic principles. In practical politics, the Liberal Party's power resided in its capacity to steer votes to preferred Democrats or Republicans with a reasonable chance of victory. This uneasy balance between principle and pragmatism, which ultimately proved impossible to maintain, is at the heart of the dramatic political story presented in Left in the Center. The Liberal Party, the longest-lived of New York's small parties, began as a means for anti-Communist social democrats to have an impact on the politics and policy of New York City, Albany, and Washington, DC. It provided a political voice for labor activists, independent liberals, and pragmatic social democrats. Although the party devolved into what some saw as a cynical patronage machine, it remained a model for third-party power and for New York's influential Conservative and, later, the Working Families parties. With an active period ranging from the successful senatorial career of Jacob Javits to the mayoralties of John Lindsay and Rudy Giuliani, the Liberal Party effectively shaped the politics and policy of New York. The practical gains and political cost of that complicated trade-off is at the heart of Left in the Center.

**Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** Jun 04 2021

**The Urban Lifeworld** Jan 29 2021 Urban conditions are crucial to our experience of modernity, and, as reflected by art, literature and popular culture, have influenced contemporary ideas of what urban life is about. The Urban Lifeworld contributes to our understanding of the cultural role of cities by offering new insight into the analysis of urban experience. Two exceptional cities, New York and Copenhagen, are the focus of this exploration of cultural representations of urban life, which investigates the contrasts between perceptions and formation of the urban lifeworld. Integrating sociological, aesthetic and anthropological approaches to urban questions, this collection of essays presents a new vision of the cityscape which will enrich both academic debate and public life.

**Paper, Scissors, Death** Feb 10 2022 Mousy housewife Kiki Lowenstein has two great loves - scrapbooking and her young daughter, Anya. But the pages of her family album are stained when her husband, George, is found naked and

dead with a silk scarf stuffed in his mouth. And his partner claims that George had embezzled company money. Vowing to put the pieces together - with the dashing Detective Detweiler's help - Kiki is soon the prime suspect in the murder of George's former flame.
