Slave Narratives of the Underground Railroad

Aug 24 2020 Firsthand accounts of escapes from slavery in the American South include narratives by Frederick Douglass, Sojourner Truth, and Harriet Tubman as well as lesser-known travelers of the Underground Railroad. *The Underground Railroad* Nov 19 2022 Learn about the history and bravery of the Underground Railroad.

The Underground Railroad in Floyd

County, Indiana Oct 26 2020 Floyd County, Indiana, and its county seat, New Albany, are located directly across the Ohio River from Louisville, Kentucky. Louisville was a major slave-trade center, and Indiana was a free state. Many slaves fled to Floyd County via the Underground Railroad, but their fight for freedom did not end once they reached Indiana. Sufficient information on slaves coming to and through this important area may be found in court records, newspaper stories, oral history accounts, and other materials that a full and fascinating history is possible, one detailing the struggles that runaway slaves faced in Floyd County, such as local, state, and federal laws working together to keep them from advancing socially, politically, and economically. This work also discusses the attitudes, people, and places that help in explaining the successes and heartaches of escaping slaves in Floyd County. Included are a number of freedom and manumission papers, which provided court certification of the freedom of former slaves.

Harriet Tubman and the Underground Railroad May 13 2022 Nonfiction topics in graphic novel format! History leaps off the page in Capstone's Graphic Library. Eye-popping artwork and easy-to-read text offer an appealing experience for all readers. An additional information section provides key facts and further understanding.

The Underground Railroad in Michigan

May 01 2021 Though living far north of the Mason-Dixon line, many mid-nineteenth-century citizens of Michigan rose up to protest the moral offense of slavery; they published an abolitionist newspaper and founded an anti-slavery society, as well as a campaign for emancipation. By the 1840s, a prominent abolitionist from Illinois had crossed the state line to Michigan, establishing new stations on the Underground Railroad. This book is the first comprehensive exploration of abolitionism and the network of escape from slavery in the state. First-person accounts are interwoven with an expansive historical overview of national events to offer a fresh examination of Michigan's critical role in the movement to end American slavery.

The Underground Railroad from Slavery to Freedom

Feb 22 2023 Interviews and excerpts from diaries, letters, biographies, memoirs, speeches, and other firsthand accounts shed much light on the origins of a system that provided aid to fugitive slaves. 46 black-and-white illustrations.

Voices from the Underground Railroad Oct 18 2022 From the creators of *Voices from the*

Oregon Trail and Colonial Voices, an unflinching story of two young runaway slaves on the Underground Railroad, told in their voices and those who helped and hindered them It's the 1850s and enslaved siblings Jeb and Mattie are about to make a break for freedom. The pair travel north from Maryland to New Bedford, Massachusetts along the Underground Railroad. Each spread tells about a step of their journey through a poem in the first person perspective. The main and repeating voices are Jeb and Mattie, but we also hear from the stationmasters and conductors, those who offer them haven, as well as those who want to capture them. Like its predecessors in the *Voices* series, this richly researched and beautifully illustrated picture book brings a difficult chapter of American history to life for young readers.

The Story of Harriet Tubman Jun 14 2022 A biography of the African American woman who escaped from slavery, led slaves to freedom on the Underground Railroad, aided Northern troops during the Civil War, and worked for women's suffrage.

Life on the Underground Railroad Nov 26 2020 Describes what it was like for slaves escaping to freedom, how slaves received help from people on the way, and how they found out about the trails to the North.

The Underground Railroad Jul 27 2023 Winner of the Pulitzer Prize and the National Book Award, this #1 New York Times bestseller chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South. The basis for the acclaimed original Amazon Prime Video series directed by Barry Jenkins. Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's bestselling new novel, *Harlem Shuffle!*

Underground Railroad in Pennsylvania Dec 08 2021 Revised and expanded with recently uncovered information Detailed maps of escape routes and networks Eyewitness accounts of fugitives Organized in antebellum America to

help slaves escape to freedom, the Underground Railroad was cloaked in secrecy and operated at great peril to everyone involved. The system was extremely active in Pennsylvania, with routes running through cities and towns in all parts of the state. This revised second edition retraces the routes with detailed maps, discusses the large city networks, identifies the houses and sites where escapees found refuge, and records the names of the people who risked their lives to support the operation.

The Underground Railroad (Oprah's Book Club)

Aug 28 2023 Chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South.

The Underground Railroad (Illustrated Edition)

Feb 10 2022 This book chronicles the stories of some 649 slaves who escaped to freedom via the Underground Railroad, a secret network formed by abolitionists and former slaves who helped them escape to the North. This book's original aim was to reunite those slaves with their families. But now it has turned into an important historical document that visibilises the existence of those who suffered inhuman cruelty at the hands of Southern Slave Owners and yet had the courage to break free. These unknown heroes and heroines were in true sense the founding fathers of African American Communities. This is why their stories must be heard and brought back from oblivion. A MUST READ! Excerpt: "Like millions of my race, my mother and father were born slaves, but were not contented to live and die so. My father purchased himself in early manhood by hard toil. Mother saw no way for herself and children to escape the horrors of bondage but by flight. Bravely, with her four little ones, with firm faith in God and an ardent desire to be free, she forsook the prison-house, and succeeded, through the aid of my father, to reach a free State. The old familiar slave names had to be changed..." William Still (1821-1902) was an African-American abolitionist, conductor on the Underground Railroad, writer, historian and civil rights activist. He was chairman of the Vigilance Committee of the Pennsylvania Anti-Slavery Society and directly aided fugitive slaves by keeping records of their lives and helping families reunite after the abolishment of slavery.

The Underground Railroad Jan 09 2022 La 4e de couv. indique : "Cora is a slave on a cotton plantation in Georgia, an existence made even more hellish by her status as an outcast among her fellow Africans. And she is approaching womanhood, where greater pain and danger awaits. So when Caesar, a slave recently arrived from Virginia, tells her about the Underground Railroad, Cora takes the momentous decision to accompany him on his escape to the North."

Sketches in the History of the Underground Railroad May 21 2020 Eber M. Pettit (1802-1885) was an American philanthropist who famously operated an Underground Railroad station in Versailles, NY.

The Underground Railroad was a network of secret routes and safe houses created in the United States during the early to the mid-19th century for use by African American slaves in order to escape into free states or Canada. This volume contains a first-hand account of Pettit's involvement with the Underground Railroad and the heroic actions taken by him and others to help emancipate hundreds of African-American slaves. Highly recommended for those with an interest in African-American history and the Underground Railroad in particular. Read & Co. History are proudly republishing this fascinating document in a brand new edition, complete with an introductory chapter from "The New Student's Reference Work" (1914).

Sketches in the History of the Underground Railroad Mar 31 2021 This volume contains a multitude of wonderful stories that weave together a picture of life in the South in the 1800s and the fear and courage of those that participated in helping thousands of people escape slavery. The work also includes chapters on the politics of the time, and the oft-times contradictory laws that were passed.

The Underground Railroad for Kids Dec 20 2022 Provides twenty-one activities that kids can do to learn about the Underground Railroad.

The Underground Railroad Records Jun 26 2023 A riveting collection of the hardships, hairbreadth escapes, and mortal struggles of enslaved people seeking freedom: These are the true stories of the Underground Railroad. Featuring a powerful introduction by Ta-Nehisi Coates As a conductor for the Underground Railroad—the covert resistance network created to aid and protect slaves seeking freedom—William Still helped as many as eight hundred people escape enslavement. He also meticulously collected the letters, biographical sketches, arrival memos, and ransom notes of the escapees. The Underground Railroad Records is an archive of primary documents that trace the narrative arc of the greatest, most successful campaign of civil disobedience in American history. This edition highlights the remarkable creativity, resilience, and determination demonstrated by those trying to subvert bondage. It is a timeless testament to the power we all have to challenge systems that oppress us.

Fugitive Slaves and the Underground Railroad in the Kentucky Borderland Nov 07 2021 Between 1783 and 1860, more than 100,000 enslaved African Americans escaped across the border between slave and free territory in search of freedom. Most of these escapes were unaided, but as the American anti-slavery movement became more militant after 1830, assisted escapes became more common. Help came from the Underground Railroad, which still stands as one of the most powerful and sustained multiracial human rights movements in world history. This work examines and interprets the available historical evidence about fugitive slaves and the Underground Railroad in Kentucky, the southernmost sections of the free states bordering Kentucky along the Ohio River, and, to a lesser extent, the slave states to the immediate south. Kentucky was central to the Underground Railroad because its northern boundary, the Ohio River, represented a three

hundred mile boundary between slavery and nominal freedom. The book examines the landscape of Kentucky and the surrounding states; fugitive slaves before 1850, in the 1850s and during the Civil War; and their motivations and escape strategies and the risks involved with escape. The reasons why people broke law and social convention to befriend fugitive slaves, common escape routes, crossing points through Kentucky from Tennessee and points south, and specific individuals who provided assistance—all are topics covered.

The Underground Railroad on Long Island Sep 24 2020 From the arrival of the Quakers in the seventeenth century to the enforcement of the Emancipation Proclamation, Long Island played an important role in the Underground Railroad's work to guide slaves to freedom.

Harriet Tubman Feb 27 2021 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this "well-written and moving life of the 'Moses of her people'" (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

The Underground Railroad from Slavery to Freedom Jul 23 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. The Underground Railroad Mar 11 2022 The culmination of years of research in dozens of archives and libraries, this fascinating encyclopedia provides an unprecedented look at the network known as the Underground Railroad - that mysterious "system" of individuals and organizations that helped slaves escape the American South to freedom during the years before the Civil War. In operation as early as the 1500s and reaching its peak with the abolitionist movement of the antebellum period, the Underground Railroad saved countless lives and helped alter the course of American history. This is the most complete reference on the Underground Railroad ever published. It includes full coverage of the Railroad in both the United States and Canada, which was the ultimate destination of many of the escaping slaves. "The Underground Railroad: An Encyclopedia of People, Places, and Operations" explores the people, places, writings, laws, and organizations that made this network possible. More than 1,500 entries detail the families and personalities involved in the operation, and sidebars extract primary source materials for longer entries. This encyclopedia features extensive supporting materials, including maps with actual Underground Railroad escape routes, photos, a chronology, genealogies of those involved in the operation, a listing of Underground Railroad operatives by state or Canadian province, a "passenger" list of escaping slaves, and primary and secondary source bibliographies.

The Underground Railroad (Pulitzer Prize Winner) (National Book Award Winner) (Oprah's Book Club) May 25 2023 #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE WINNER • NATIONAL BOOK AWARD WINNER

- "An American masterpiece" (NPR) that chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South.
- The basis for the acclaimed original Amazon Prime Video series directed by Barry Jenkins. Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape

the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's new novel, *Crook Manifesto*, coming soon!

The Underground Railroad in Pennsylvania Apr 19 2020

Gateway to Freedom: The Hidden History of the Underground Railroad Aug 04 2021

The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

[Tour on the Underground Railroad along the Ohio River, A](#) Jun 21 2020 Running for 664 miles along Kentucky's border, the Ohio River provided a remarkable opportunity for the enslaved to escape to free soil in Indiana and Ohio. The river beckoned fugitive slave Henry Bibb onto a steamboat at Madison, Indiana, headed to Cincinnati, where he discovered the Underground Railroad. Upriver from Cincinnati, a lantern signal high on a hill from the Rankin House in Ripley, Ohio, stirred others to flee for freedom. These stories and more along the borderland of the Ohio River also served as the setting for Harriet Beecher

Stowe's novel *Uncle Tom's Cabin*, which became an inspiration of human resistance. Author Nancy Theiss, PhD, takes readers on a tour through American history to places of courage and sacrifice.

Allen Jay and the Underground Railroad Sep 17 2022 Allen Jay's family farm is a stop on the Underground Railroad. Allen's parents give food and shelter to slaves escaping from the South. One day in 1842, Allen's father asks him to help a runaway slave. Is Allen brave enough? This exciting true story takes

Slavery & the Underground Railroad in New Hampshire Aug 16 2022 New Hampshire was once a hotbed of abolitionist activity. But the state had its struggles with slavery, with Portsmouth serving as a slave-trade hub for New England. Abolitionists such as William Lloyd Garrison, Nathaniel Peabody Rogers and Stephen Symonds Foster helped create a statewide antislavery movement. Abolitionists and freed slaves assisted in transporting escapees to freedom via the Underground Railroad. Author Michelle Arnosky Sherburne uncovers the truth about slavery, the Underground Railroad and the abolitionist movement in New Hampshire.

[The Underground Railroad](#) Jan 21 2023 William Still (1821–1902) was an African-American abolitionist, businessman, writer, historian, civil rights activist. He was also a conductor on the Underground Railroad, a network of secret routes and safe houses created in the United States during the early to the mid-19th century for use by African American slaves in order to escape into free states or Canada. In 1872, he published "The Underground Railroad", an account of the underground system and the experiences of 649 slaves who escaped to freedom. An incredible collection of real-life stories that provide a unique insight into the adversity faced by pre-emancipation African-Americans. Contents include: "Seth Concklin", "Underground Rail Road Letters", "William Peel, alias William Box Peel Jones", "Wesley Harris, alias Robert Jackson, and the Matterson Brothers", "Death of Romulus Hall—New Name George Weems", "James Mercer, Wm. H. Gilliam, and John Clayton", "Clarissa Davis", "Anthony Blow, alias Henry Levison", "Perry Johnson, of Elkton, Maryland", "Isaac Forman, William Davis, and Willis Redick", etc. Read & Co. History is proudly republishing this classic book in a brand new edition complete with an introductory biography by William Wells Brown.

The Underground Railroad Mar 23 2023 From a "conductor" who assisted runaway slaves in their flight to freedom, here is a collection of letters, newspaper articles, and firsthand accounts about refugees' narrow escapes and deadly struggles. Over 50 illustrations.

[The Underground Railroad](#) Jun 02 2021 The story of how slaves were brought northward to freedom before the Civil War.

The Underground Railroad in the Adirondack Region Oct 06 2021 The success of the Underground Railroad depended on the participation of sympathizers in hundreds of areas throughout the country, each operating independently. Each area was distinctive both geographically and societally. This work focuses on the contributions of people in the Adirondack region, including their collaboration with operatives from Albany to New York City.

With more than 10 years of research, the author has been able to take what for years in northern New York was considered akin to legend and transform it into history. Abolitionist newspapers--such as Friend of Man, Liberator, Pennsylvania Freeman, Emancipator, National Anti-Slavery Standard, and the little known Albany Patriot--that were published weekly from 1841 to 1848, as well as materials from local archives, were utilized. The book has extensive maps, photographs and appendices; key contributors to the cause are identified, abolition meetings and conventions are described, and maps of the Underground Railroad stations by county are provided.

The Underground Railroad Sep 05 2021 First-hand accounts of daring escapes to freedom by way of the underground railroad. Encyclopedia of the Underground Railroad Jan 29 2021 Fugitive slaves were reported in the American colonies as early as the 1640s, and escapes escalated with the growth of slavery over the next 200 years. As the number of fugitives rose, the Southern states pressed for harsher legislation to prevent escapes. The Fugitive Slave Act of 1850 criminalized any assistance, active or passive, to a runaway slave--yet it only encouraged the behavior it sought to prevent. Friends of the fugitive, whose previous assistance to runaways had been somewhat haphazard, increased their efforts at organization. By the onset of the Civil War in 1861, the Underground Railroad included members, defined stops, set escape routes and a code language. From the abolitionist movement to the Zionville Baptist Missionary Church, this encyclopedia focuses on the people, ideas, events and places associated with the interrelated histories of fugitive slaves, the African American struggle for equality and the American antislavery movement. Information is drawn from primary sources such as public records, document collections, slave autobiographies and antebellum newspapers.

Hippocrene Guide to the Underground Railroad Jul 03 2021 "They were often running with nothing to call their own and a price on their heads to a place in the North known only as the "promised land"; they were dependent upon the kindness and trust of strangers known

only for a fleeting moment - strangers who might warm them, feed them, clothe and shelter them for a night then shuttle the fugitive slaves on to the next "station."" "Though many slaves were American born, African-Americans were denied the right to freedom. Their struggle to gain that freedom has been traced back to 1786 and a fugitive slave owned by George Washington. The Underground Railroad could only save few from shackles until the end of the Civil War in 1865." "Pursuit began in the south, but few people know that slave hunters, after the passage of the Fugitive Slave Law of 1850, were allowed to capture their bounty in northern "free" states, where slaves were still considered property that would be forcibly returned to southern owners. This book chronicles not only the paths that were taken by fugitive slaves, but the land and the people that were the answers to many prayers for deliverance. Within the homes of Underground Railroad conductors there were false walls, cellars and attics, tunnels and stairways to confuse fugitive slave hunters. Often barns or even the heavy brush of a swamp could conceal a fugitive. Due to the very nature of the covert operation that was the Underground Railroad, the names of the people who hid fugitives, and many of these hiding places, have been kept a precious secret. While a few American communities were tolerant of the Underground Railroad, many more were less so. For some conductors who were caught, the penalty for aiding a fugitive slave included hanging; for others it meant the ruin of their livelihood or their community standing."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
