She was everything I wasn't-everything I didn't want to be.A reminder that from the moment I was born, I was the outcast. The rebel.I went against everything that was expected of me and created a life on my terms. I built my own empire, carved out my own destiny.Then she shows up at my tattoo studio, representing everything I tried to escape. She expects to just fit in... like she ever could.Tabitha Anderson.The posh girl trying to prove everyone wrong... that she can be something else-someone else. She hates me because she knows I'm right.Or so I think. Turns out this isn't the first time we've met, and our hate has history. We have history.I might not have remembered, but I damn sure won't forget now. Won't forget how her smile is always directed at everyone but me.If everything changes and she proves she does fit in, will it still be hate I'm feeling or something else entirely?And if I'm wrong, then she's right where she belongs... with me.Dear Reader, Zach's story is finally here! Hate You is an angst-filled, action-packed, steamy enemies to lovers, best friend's brother romance. When Bella West crash lands on penal planet Dragath25, the only thing standing between her and a mass of brutal criminals is one of their own, a ruthless loner known only as 673. But what starts out as a desperate trade based on protection and raw lust soon blossoms into a scorching need that will push them both to the edge. A tale of unbridled desire, stunning sacrifice, and unwavering love, Trapped is the first book in The Condemned Series. Cadet Bella West has one simple objective when she joins the scientific mission to Dragath25, the notorious penal planet housing Earth's condemned. Earn the credits necessary to save her family from starvation. But when her shuttle crashes and the majority of her crew perish, her simple mission becomes complicated fast. Now, to stay alive she'll have to depend on one of Dragath's own. But such protection doesn't come free. Convicted of a crime he didn't commit, 673 has become more beast than man after eight grueling years on an unforgiving, hazardous planet of dirt and rock-and even more treacherous inhabitants. He doesn't look out for anyone but himself and he certainly never grows attached. So when the bold female offers him pleasure in return for protection, he takes the deal without hesitation. He never expects how her touch will alter him. Or the growing realization that saving her may be the key to his own salvation. But as dangers mount and their 'simple' deal unravels will he prove to be her surprise savior or her ultimate downfall? Because caring for someone on Dragath25 may prove the greatest hazard of all. A heartwarming story of love built from the pain of the past. The first time I saw Major Cade Jameson, his pants were around his ankles... Every line of hard-earned muscle beckoned me to, "squeeze here." But I'm getting ahead myself. To tell this story right, I'll have to start with the present, not the past. I owe Cade a debt. A life for a life. My name is Brecklyn Brannon and I'm not who I claim to be. Praise for Gorgeous This is a great book about misperception and forgiveness. It has different opinions on villains and heroes

and how someone you think should hate you can actually love and admire you. Pauline, Goodreads reviewer The story in itself was mesmerizing and I could not put it down. The characters are funny loving and sincere. The sexy scenes we're off the charts and very realistic. Jeanette, Goodreads Reviewer She Was Home. He's a marine battling ghosts and his own guilt. She's got her own secrets but only the best of intentions. It's going to be an uphill battle, but he's worth the risk for heartbreak. Keri Loves Books This isn't your traditional story where boy meets girl, girl meets boy, and they fall in love with everything in between. This is a story about honor, second chances, self-forgiveness, family, the brotherhood, loyalty, finding happiness, and accepting love. Dreamy Reads Military is my favorite genre. This book had me in tears. I was hooked from the first word. It is beautifully written and I was mesmerized by the way the author described all the characters. Lidias Choice It's fresh, funny, steamy and emotional with a sassy heroine and a grumpy, sexy hero. Happily Mary After Gorgeous was a heartfelt romance laced with humor and steamy moments! Definite must read! Author, Lauren Runow DELANEY I'm a good girl who makes good decisions. He's my professor with eyes that see right through me. Everyone says he's charming. I say he's entitled. Is he a wolf in sheep's clothing, or is that alluring small-town smile real? I don't know if I want to find out. I've spent my whole life working for what I have. One captivating professor can't change that now. ASHER I'm the English department head. She's my beautiful student in the mentor program. The dean says she's a perfect fit. I say she's too perfect. Is she a strait-laced Bo Peep, or is there fun lurking behind those eyes? I shouldn't want to find out. We exist in a gray area where the lines are blurred between student and colleague. But what might happen this summer is forbidden for either relationship. Present Perfect is an enemies-to-lovers, professor/student, small town romance. It is the second book in the Foxe Hill Series. Each book in the series can be read individually but are most enjoyed as a whole! Dual POV. 18+ for language and explicit content. From international bestselling author Nicole S. Goodin, comes a new standalone, enemies to lovers romance. Jared Mackenzie. Known as Mack. Best security in the business. ... And struggling to control a woman. Kinsley Barlett. Sometimes goes by Cristal. Crazy rich girl. ... And drawn to the enemy. There's only one black mark on Mack's otherwise perfect record, and she's sexy as sin and unpredictable as hell. Mack can't deny that he wants Kinsley, but he's nothing if not committed to his work. Kinsley has unfinished business with Mack's boss, but she didn't anticipate the wall of handsome muscle standing in her way. Mack needs to do his job. Kinsley refuses to share her secrets. They both realise this is more than just a game of cat and mouse, but will either one be willing to back down first? Fake dating my sworn enemy to make my ex so jealous he can't see straight? Worth it. Silas and I agree on one thing, and one thing only: my ruthless, heartless, narcissistic jerk of an ex-fiancee needs to be taken down a notch. So we do what anyone would do: we pretend to be a couple. Even though Silas and I are polar opposites. Silas is a loud, cheerful, over the top showboat. He's his hometown's golden boy, the Marine who came back to rescue kittens from trees and walk old ladies across the street. And me? I'm the awkward new girl who freezes up around strangers and can't make small talk to save my life. It shouldn't work. We can barely have a conversation without arguing. There's no way we should be friends, let alone dating, except... Everyone believes it. Especially my ex. Now I'm having way too many real fantasies about the man who gets on my last nerve. My fake boyfriend is starting to feel a whole lot like a real one. The kisses feel real. The way he protects me feels real. The night we spend together in a hotel bed feels very real. This was supposed to be fake, but I think I might have fooled myself most of all. The One Month Boyfriend is the first book in the Wildwood Society series, and can be read as a total standalone. It's for fans of high heat enemies-to-lovers romantic comedies, and features two enemies who fake date for revenge, a quirky, charming small town, a former military cinnamon roll hero, a grumpy heroine who's charmed despite herself, anxiety and PTSD representation, and plenty of steamy scene. Of course, there's an HEA. This series is for fans of Kathryn Nolan, Elizabeth O'Roark, Kate Canterbury, and Melanie Harlow. NATIONAL BESTSELLER To get ahead today, you have to be a jerk, right? Divisive politicians. Screaming heads on television. Angry campus activists. Twitter trolls. Today in America, there is an "outrage industrial complex" that prospers by setting American against American, creating a "culture of contempt"—the habit of seeing people who disagree with us not as merely incorrect, but as worthless and defective. Maybe, like more than nine out of ten Americans, you dislike it. But hey, either you play along, or you'll be left behind, right? Wrong. In Love Your Enemies, social scientist and author of the #1 New York Times bestseller From Strength to Strength

Arthur C. Brooks shows that abuse and outrage are not the right formula for lasting success. Brooks blends cutting-edge behavioral research, ancient wisdom, and a decade of experience leading one of America's top policy think tanks in a work that offers a better way to lead based on bridging divides and mending relationships. Brooks' prescriptions are unconventional. To bring America together, we shouldn't try to agree more. There is no need for mushy moderation, because disagreement is the secret to excellence. Civility and tolerance shouldn't be our goals, because they are hopelessly low standards. And our feelings toward our foes are irrelevant; what matters is how we choose to act. *Love Your Enemies* offers a clear strategy for victory for a new generation of leaders. It is a rallying cry for people hoping for a new era of American progress. Most of all, it is a roadmap to arrive at the happiness that comes when we choose to love one another, despite our differences.

When Maddie Fraser's father was killed fighting for Bonnie Prince Charles, the spirited Scottish lass swore to avenge his death. Hooded and disguised, she led a series of daring raids against the forces of the Crown—vowing to love no man until the English invaders were driven from her native soil. Captain Garrett Marshall was entrusted with the capture of the mysterious brigand called "Black Jack." But the sensuous, azure-eyed beauty hidden beneath the bandit's manly garb tested Garrett's loyalty to his King. Inflamed by a desire he could not ignore, the handsome officer would wed his bewitching enemy to save her from the gallows. But first he'd have to quell her hatred...and conquer her heart. **Romance Writers of America RITA Award finalist for Best Historical Romance**

"Miriam Minger captures the heart and splendor of historical Scotland in a beautifully moving story of love and betrayal that should not be missed." - *Affaire de Coeur*

"Miriam Minger is a master storyteller who illustrates the full gamut of emotions felt by her characters. Emotions so strong that you are pulled into the pages and into their lives." - *Inside Romance*

"With Miriam Minger, you're assured of a good read!" - *Heartland Critiques*

Enjoy all three books in Miriam Minger's bestselling *Dangerous Masquerade Collection*: Book 1: *THE BRIGAND BRIDE* (Garrett and Maddie) Book 2: *THE SCANDALOUS BRIDE* (Stefan and Cassandra) Book 3: *THE IMPOSTOR BRIDE* (Adam and Susanna)

What happens when an unstoppable force meets an immovable object in the field of death? In the dark underbelly of the mob, Tristan Caine has been an anomaly. As the only non-blooded member in the high circle of the *Tenebrae* Outfit, he is an enigma to all - his skills unparalleled, his morality questionable, and his motives unknown. He is lethal and he knows it. As does Morana Vitalio, the genius extraordinaire daughter of the rival family. What Caine does with weapons, Morana does with computers. When a twenty-year old mystery resurfaces, Morana infiltrates Caine's house, intent on killing him, unaware of a tie that binds them together. Hate, heat, and history clash together with unexpected sparks. But something bigger, something worse is happening in their world. And despite their animosity, only they can fight it down. *The Predator* is an enemies-to-lovers, dark, contemporary romance set in a fictional universe with mafia, passion and incredible storytelling. Sometimes, a kiss can knock you out faster than a blow to the head, rendering you unable to think straight. It shouldn't have happened, but now, all bets are off. A stranger shoved his tongue down my throat. A first! The out-of-place cowboy gave me a taste of my own medicine after I stole a sloppy kiss in a Parisian club. I was out of line. He was unapologetic. My assumed straight orientation didn't erase how my body ignited under his touch. Months later, we're face-to-face again; well, mouth-to-mouth! I want to hate him. I hate to want him. So much... Troy Hunter presents two options... Not an ultimatum, just his favorite game. This? As in, explore. Or that? As in, move on. Picking one will be a challenge. For now, we can give in to our insane chemistry. We have an expiration date, so it's better this way. But in the end, what do we really want? This or that? *This or That* features two hot studs that briefly appear in *Omega Artist* (A *Cocky Hero Club* novel). It's your chance to see how it all started for them. *This or That* is a standalone.

Never sweat the small stuff, they say. How about when you wake up with a giant stranger showering in your hotel room? There's nothing tiny about Brock Winthrop. He even roars like a lion when he sees me. I scream back. And after narrowly avoiding a murder scene, we've got trouble. He says he'll fix our reservation blunder since he's the manager (he's not). He thinks I'll smack his resort with the rotten egg review from hell (I might). I've never seen a man so grumpy groveling his heart out to wow me (it's working). Oh, but it gets better. Brock whisks me away on an amazing "date" and things get heated. I'm still dreaming about obnoxiously hot kisses under the stars months later when fate strikes. I wasn't supposed to see him again. Not at this dumpster fire marketing job I desperately need. Not when I crash into him—literally. Definitely not when I find out

he's the crankyface billionaire CEO signing my checks. Cue the freaking out. The stormy glares. The tension thicker than quicksand. The hopeless promises to "just do my job" without choking on Mr. Grumpmuffin's attitude. What's worse than one messy date with your radioactive boss? One more. An indecent proposal turns bitter enemies into insatiable lovers in internationally bestselling author Zara Cox's sizzling-hot finale to The Mortimers: Wealthy & Wicked series! Model-turned-marketing-executive Wren Bingham is the most sensual woman I've ever seen—and my sworn enemy. I've wanted the green-eyed beauty since the first time she strode into my boardroom, but I've never tasted her...until an outdoor encounter hot enough to warm the frigid London air leaves me craving more. With her CEO brother in rehab and Wren at the reins of Bingham Industries, I need her cooperation on a deal between our two companies. But she's avoiding me—at least when it comes to work. So I make an indecent proposal! For every six hours she works on the deal, I'll give her a mind-blowing orgasm. She should probably be outraged, but instead she insists on another demonstration. Sleeping with the enemy is a forbidden pleasure, and it's not long before we're crossing every sensual boundary. And a ten-day business trip to sun-drenched Morocco brings us even closer. Neither of us is looking for love, but that doesn't stop our growing feelings. Until Wren is forced to make a choice that could shatter my newly awakened heart... Take control. Feel the rush. Explore your fantasies—Harlequin DARE publishes sexy romances featuring powerful alpha males and bold, fearless heroines exploring their deepest fantasies. The Mortimers: Wealthy & Wicked Book 1: Pleasure Payback Book 2: Her Every Fantasy Book 3: Driving Him Wild Book 4: Enemies with Benefits Unrequited crush? I've been there. Done that. Over it. Ian Chambers is a responsible, intelligent lawyer. But I've known Ian for nine years and I can tell you that responsibility does not equal likability. Ian's also an egotistical, teasing, blue-eyed, accidentally make-you-fall-for-him kind of man. And I want nothing to do with it, thank you very much. When he quit Treasuries Inc. eight months ago, I thought I was finally rid of him. But when I'm invited to a destination wedding as a bridesmaid and he's the best man in every sense of the word, it's not as easy to pretend he doesn't exist. And this week, he's dead-set on getting my attention just as he's tried to for almost a decade. If he looks at me with that cocky grin and those piercing eyes one more time, I might lose control. You could say that's a good thing. But you would be wrong. Ian Chambers can flirt with me as much as he wants, but I refuse to fall for his tricks... Again. In His Eyes is a full-length, stand-alone romantic comedy. It is the second book in the Into You Series. Young. Wealthy. Elite. Ruthless. The boys of Clermont Bay ruled over this town as if it was their kingdom. And Beck Clermont controlled them all. He was arrogant and conceited, and from the moment I met him, he had made up his mind about me. Dangerously handsome and wickedly cruel, he had no intention of letting me spend my senior year under the radar. The secrets of old money ran deep, and even though I barely knew them, the sins of my family had put a target on my back. He was a hurricane, and I was unprepared for the storm. His touch fatal. His impact irreparable. There was no negotiation. He stole my heart. Without warning, without permission. He was the enemy, but that didn't stop me from falling for The Touch of a Villain. This book is part of a series and is not a standalone. She's the one I broke up with. My first love now turned into a sworn enemy. They say time heals all wounds. I say it ripped me a new one. I can't blame her for wanting to tear me and my company to the ground. I deserve her wrath. I was all she ever wanted. Then I broke her heart into a million pieces in front of all her friends. With those pouty red lips and bedroom voice. Strutting into the courtroom with more confidence than I can ever remember. She has the judge eating out of the palm of her hand. Kyra is the kind of woman every man wants. Beautiful. Smart. An incredible mother. To a daughter that sure does look and act a lot like me. But I'm no longer that young punk. We deserve a second chance. This time I'll make it right. This time I'll make her mine. A Romantic Comedy Short Story. Scarlett and Henry are the heads of the Marketing and Production Departments at C&C Apparels, Miami. They have constantly been butting heads since they joined the company four years ago. When it is announced that the position of president will be vacated soon, they are at each other's throats for the promotion. To fix a delay in the launch of an upcoming clothing line, Scarlett and Henry are forced to drive to a factory located in Georgia. A heated argument, a car crash, and a sprained ankle later find themselves stuck in a remote rural area. Will Scarlett and Henry be able to survive the night? No way. No how. Never. And if he calls me darlin' one more time... He pushes buttons I didn't even know I had. Gabe freaking Barin. Fire to my ice. Walking mountain. Growly, alpha, and aching kind. Last man on earth I want in my life. But I've got

three heaping problems:1. My baby niece is missing.2. Some psycho just slashed up my car.3. My boss made Gabe my personal protector.I'm a big girl in a tiny package. Sharp claws. Perfectly capable.So I'll ignore the jaw-dropping banter Goliath drops.I'll ignore how his Louisiana drawl melts damn near everything.I'll ignore how he's five times my size.I'll even ignore the night hate gets complicated.Then our battle moves between the sheets.Gabe gives me a hundred new toe-curling reasons to curse his name.But there's one nagging thing I can't fight.What if Gabe freaking Barin is more than a gorgeous bad habit?What if he's the hero I never knew I'd need?From Wall Street Journal bestselling author Nicole Snow I don't love him.I don't even like him.I just want him.Eli Loveless was my nemesis from the first day of kindergarten until we graduated high school. Everything I did, he had to do better - and vice versa. The day he left town was the best day of my life.Ten years later, he's my co-worker.Grown-up Eli Loveless is sexy as sin and hotter than asphalt in the summer. There are looks. There are smirks. Then there's a shared kiss that leads to the hottest night of my life.What's a girl to do when the man I can't stand is the one I can't stop lusting after?Enter into a friends-with-benefits agreement, of course. He's the one guy I can't stand. He's had everything handed to him while I run on coffee and bagels to achieve my goals. Now, he's my new roommate. I could handle Tripp McCain when we only saw each other while our friends hung out, or when we had a class together. He was easy to ignore. But then a spot opened up in the writing program and renting out my spare room was a no-brainer. Tripp wasn't supposed to be the one to show up to help me, and he sure as heck isn't supposed to walk around shirtless. I shouldn't like it and I definitely should not have kissed him. I'm all about giving second chances, but there's a reason the rich boy had to move in with the girl who needs money. If there's anything I've learned from reading romance novels, it's that I hope I figure it out before he packs his bags, taking my heart with him. Huntington comes an explosive marriage of inconvenience...between a tarnished Romeo and a reluctant Juliet. It was supposed to be a harmless kiss at a lavish debutante ball. A clandestine moment with a handsome stranger. But unlike his namesake, my Romeo isn't driven by love. He's fueled by revenge. To him, I'm a chess piece. Leverage. His rival's betrothed. To me, he is a man deserving of poison. A dark prince I refuse to marry. He thinks I'll accept my fate. Well, I plan to rewrite it. And in my story, Juliet doesn't die. But Romeo? He perishes.Note: This is the spicy cover of My Dark Romeo. The interior of the paperback is identical to the other cover paperback linked to the eBook. Only the cover is different. Stone Reeves was my neighbor, and I've hated him since sixth grade. Gorgeous and charismatic, he became the town's football god, while I became the town's invisible girl. He went to a Division 1 school for football, while my father was fired by his father. His team won the National Championship, while my mother died the same day. He was a first round pick for the NFL while I made the worst decision of my life. Now I'm in Texas trying to pick up the pieces of my life. But, Stone is here. Stone is everywhere. It doesn't matter that disaster has struck my life again. It doesn't matter that he's the one trying to console me. It doesn't matter that he's the nation's newest football obsession. Because for me, he always has been and always will be my enemy. Pretend engaged. Total opposites. So wrong it hurts.Now let's pretend he isn't driving me insane...I'm on my last nerve.And I'm supposed to marry him to save my skin.Riker Woods might be God's hottest contradiction.Perfectly damaged. Stubborn soul. Moth to flame gaze.Single dad. Fierce protector. Kind...when he thinks no one's looking.Then along came little old me.The pesky fianc I did everything to avoid him. Hiding from his prying gaze, his heated stares, his boldness - everything. But when Roman Johnson wants something, he doesn't stop until he has it. The tall, brooding football player has made my life a misery. All throughout high school. I'm lucky to have made it out unscathed. Barely. But finally college is here and I'll be free. Free of him. That is

until he finds me. I thought I shrug him off my tail. It doesn't matter that I told him a tiny, white lie just so he could leave me be. Leave me and my heart in peace. But now those cold, blue eyes are brimming with anger and...something else. A passion that burns so bright it's going to consume me whole. He wants something from me that I just can't give him. He wants everything from me...stopping at nothing. Not even his best friend who wants to protect me. I can't outrun the monster of my nightmares...but I will fight for my heart. DON'T LOVE HIM is a fiery, passionate enemies-to-lovers romance that will set your hearts racing for Roman and Kennedy's story. There are mature scenes, full of steam, suitable only for readers above 18. No cheating or infidelity. Roman's pursuit doesn't end in this story as the series continues...The sequel DON'T LEAVE ME will be out soon! Racing from the remote, war-scarred landscapes of the Middle East to the blood-soaked chaos of the U.S.-Mexico border, #1 New York Times bestselling author Tom Clancy delivers a heart-stopping thriller that is frighteningly close to reality. Working behind the scenes for the CIA, ex-Navy SEAL Maxwell Moore arrives at a rendezvous to take charge of a high-ranking Taliban captive and barely escapes with his life. Undaunted, Moore is relentless in his quest to find the terrorist cell responsible, but what he discovers leads him to a much darker conspiracy in an unexpected part of the globe... After years of planning, the Taliban have come to terms with a vicious Mexican drug cartel and agreed to supply them with opium. For the cartel, the deal means money, power, and ultimate control of the drug trade. But for the Taliban, it is a long awaited opportunity: to exploit the cartels and bring the fire of the jihad to the hearts of the infidels, striking against the very heart of America. "Loving him hurt... Loving him hurt me so bad that I could scarcely live without it." Emery There are some things you just don't do, and falling for a man like Wyatt James is one of them. The man is obviously too old for me, far too experienced, and as unattainable as the stars in the sky. Yet, I can't stop the fluttering of excitement low in my belly every time he looks my way, or this incessant need I have to be near him. Falling for Wyatt is easy. It's everything that comes after that's hard. Sometimes, the choice to stay with the man you love is out of your hands. Sometimes, the past mistakes of other people can leave an impact, even generations later. Sometimes, trying to be with the man you love can only end in heartbreak. Sometimes, I don't care. Wyatt There are very few things in my life I can't control. Loving Emery is one of them. What started as a chance meeting turned into a defining moment I can never turn back from. There's no denying that this tiny girl got to me in ways no one else has ever done before. Falling for her is easy. It's trying to convince her to stay that's hard. Sometimes, love isn't enough. Sometimes, the past mistakes of other people can take away the one thing you cherish most. Sometimes, stories are written down to end in tragedy. Sometimes, I don't care. This is a 100K standalone romance, full of twists and turns, undeniable chemistry, with no cliffhanger and a guaranteed HEA! Reveal the strengths and weaknesses of the nation's counterterrorism measures by tracing New York Police Commissioner Ray Kelly's antiterrorist plan for the city, and concludes that the nation has yet to develop effective strategies. A New York Times bestseller! "A bewitching gem...I absolutely loved every moment of this story." —Stephanie Garber, #1 New York Times bestselling author of the Caraval series "If you loved the Hogwarts Library...you'll be right at home at Summershall." —Katherine Arden, New York Times bestselling author of The Bear and the Nightingale From the New York Times bestselling author of An Enchantment of Ravens comes an "enthraling adventure" (Kirkus Reviews, starred review) about an apprentice at a magical library who must battle a powerful sorcerer to save her kingdom. All sorcerers are evil. Elisabeth has known that as long as she has known anything. Raised as a foundling in one of Austermeer's Great Libraries, Elisabeth has grown up among the tools of sorcery—magical grimoires that whisper on shelves and rattle beneath iron chains. If provoked, they transform into grotesque monsters of ink and leather. Then an act of sabotage releases the library's most dangerous grimoire, and Elisabeth is implicated in the crime. With no one to turn to but her sworn enemy, the sorcerer Nathaniel Thorn, and his mysterious demonic servant, she finds herself entangled in a centuries-old conspiracy. Not only could the Great Libraries go up in flames, but the world along with them. As her alliance with Nathaniel grows stronger, Elisabeth starts to question everything she's been taught—about sorcerers, about the libraries she loves, even about herself. For Elisabeth has a power she has never guessed, and a future she could never have imagined. Do you feel God has called you to do something significant, only to face frustration, opposition, and powerful enemies standing in your way? How can it be God's will if the struggle is so hard and success seems

doubtful? Pastor Frank's real and relatable teaching style uses examples from the Word of God to drive home important lessons about who you are in Christ, and that with Jesus, you ARE destined to win! In "The Benefits of an Enemy", Pastor Frank takes us back to the days of Nehemiah the cupbearer, and how God called this humble man to rally the nation of Israel together to rebuild the broken walls of Jerusalem. But Sanballat, the governor of Samaria, and his motley crew of schemers, had other ideas! God used this enemy to help Israel unite for a common cause, and persevere towards victory. Learn this lesson, trust in God, and you too, will see your enemies help propel you to win! Asher Owens. Gorgeous. Arrogant. Liar. It's been ten years since Asher left me with nothing but the remains of our shattered dreams. The last place I expected to see him was at a small bar in a city of over eight million. With my heart set on expanding my business, I needed one of New York City's best real estate executives. Little did I know it would be the same man who had torn my heart like a piece of paper before setting it on fire. Once my gaze lands on his, I know Asher is no longer the boy I loved when I was eighteen. No, this Asher treated me like a stranger. All for the sake of not wanting to sift through the ashes of our past. Yet Asher's arrogance rivaled any sort of rejection, even mine. Using his own selfish ambition, he needed me to claw his way to the top. Despite his true motives, I had foolishly let him back in. I'd fallen in love with Asher Owens once before and this time I would try my best not to make the same mistake twice. An ambitious intern. A perfectionist executive. And a whole lot of name calling. Discover the story that garnered more than two million reads online. Whip-smart, hardworking, and on her way to an MBA, Chloe Mills has only one problem: her boss, Bennett Ryan. He's exacting, blunt, inconsiderate—and completely irresistible. A Beautiful Bastard. Bennett has returned to Chicago from France to take a vital role in his family's massive media business. He never expected that the assistant who'd been helping him from abroad was the gorgeous, innocently provocative—completely infuriating—creature he now has to see every day. Despite the rumors, he's never been one for a workplace hookup. But Chloe's so tempting he's willing to bend the rules—or outright smash them—if it means he can have her. All over the office As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they're willing to lose in order to win each other. Originally only available online as The Office by tby789—and garnering over 2 million reads on fanfiction sites—Beautiful Bastard has been extensively updated for re-release. Starting over after my father's sudden death was bad enough, but the four boys who rule Alstone College, my new university, are determined to make my life even more difficult. One in particular. Caiden Cavendish. My nightmare. My shadow. My stepbrother. My dad's death was an accident... Lie. My life isn't in danger... Lie. The Four won't bring mayhem to my life... Lie. I don't want Caiden Cavendish... Lie. Lies. Lies. Lies. Eeny, meeny, miny, mo. The Four are coming for you, Snow. Note: This book is not a standalone, and may contain triggers for some readers. What do you do when choosing life means you must also choose death? Jemma lives her life by a set of rules. A woman with a dark past, she has no intention of settling down because getting comfortable would mean death. When a chance encounter with a handsome man makes her the target of a deadly crime boss out of New York, she has nowhere to run except right back into the crossfire of a life she was determined to forget. Agent Caid King has always done things by the book. So when the blonde bombshell he meets at his gym turns out to have ties to his current case, he shelves his attraction and tries to focus on his mission at hand. Caught between two worlds, Caid is forced to choose between seeking justice, and being the one who deals it out. Get your hands on this enemies to lovers romantic suspense today! USA Today bestselling author Jessica Wayne writing as Carmen Bishop brings you the second installment in her Behind the Badge series following honor-driven protectors and the women who they'd die to protect. NOTE: This book was previously published as Shielding Jemma by J.W. Ashley. Lusting after the woman trying to steal my job is stupid. Sexting with her? That's a game-changing fumble. Emma Crawford became enemy number one the second she stepped foot on Blue Mountain Farm. She might think I'm just a dumb jock, but I know she's a stuck-up wine snob who believes she'd be a better exec than me. She can take my position over my dead body. But with her ridiculous curves and fearless smarts, she's becoming one giant distraction just when I need to prove my worth most. Lucky for me that I have a secret internet sext partner to blow off steam with. My nightly dirty chats with V scratch all the itches Emma gives me. Emma and V couldn't be more different—except it turns out they're the same person. Just when I thought this scenario was enough of a disaster, I'm falling for the co-worker I can't touch and can hardly stand. Even a hotshot player like me can see this is a game we're both

gonna lose. Southern Hotshot is the next STANDALONE novel in the all new North Carolina Highlands Series! This is Samuel and Emma's smoking hot enemies-to-lovers story. Coming winter 2020!

Presents the history of the FBI's secret intelligence operations, detailing how the bureau has been used to conduct political warfare, and how it became the most powerful intelligence service in the United States. I'm SO over that gorgeous, scary, heartbreaking man who hates my guts. I'm just counting on him to save my life. Never, ever fall for your brother's hot older friend. I flunked the test the instant I laid eyes on Landon Strauss. Tall. Ripped. Commanding. Irresistibly alpha. He gave a damn like no one else did. His soul-searing eyes saw me, not just a nerd girl next door. I had my idol, my destiny, and names for our future kids picked. Then I read Landon's little black book. One nosy peek exposed the shock of a lifetime. His confession. His pain. His plan. The sweet boy I loved was gone. Hero-turned-villain-turned-bad-memory overnight. Five years later, an insane slip of fate puts us under the same roof. Sweet closure, I think. I almost forget he hates me. I almost think we'll talk like normal adults. I don't expect the shirtless behemoth who comes barreling through my door. Landon's grown up. All snarls, testosterone, and lethal chemistry. We're in trouble, he says. Oh, Landon. Oh, baby, don't I know it? From Wall Street Journal bestselling author Nicole Snow - a tale of two hearts torn, stomped, and dragged through the mud. An uber-alpha protector bent on reclaiming his nerd next door. Full length romance novel with a Happily Ever After worth a "hell yeah." I, Braxton Fawn, am the luckiest girl alive. Or so the world keeps telling me. Every so often, gods walk the earth. This time they came as musicians. When Bound loses its lead guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented-they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus, but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go. Lilac is a contemporary reverse harem and standalone suitable for 18+. An Enemies to Lovers, Bodyguard, Romantic Comedy Love was never in the plan. Bruno crushed on Andi from the first moment he stuck his tongue in her mouth on a balmy Miami New Year's Eve. It was only supposed to be a distraction, but one look at the red-haired fiery assistant and one tequila taste was all it took to get him hooked. The plan, if there had been one, just blew up in his face leaving a supermassive black hole in his heart. Andi picked up everyone's mess at Monroe Matches', including, but not limited to taking one for the team. Now she can't seem to shake the bouncer with puppy dog eyes and tattoo sleeves who puts her heart and her life in danger at every turn.
