"It is the mid-1930s and President Roosevelt is working hard to make the Great Depression go away. Belle has left her job at the Classic Clothing Company to work in Harry White's neighborhood drugstore, a homey place where 'everybody drops in for a nickel ice cream cone and free advice.' When a young girl staggers into the drugstore, collapses, and dies, Belle suspects foul play."--Jacket. Her love affair with boyfriend Nick is in jeopardy, and her career is currently in free fall. So when full-figured Manhattan PI Desiree Shapiro is invited to speak at a mystery writers' convention in Connecticut, she figures a few days away will do her good and she accepts. (Even though the very idea of speaking in public shakes her to the roots of her glorious, hennaed hair.) To Desiree's surprise, her talk is a hit. But she receives an even bigger surprise the following morning, when eccentric author Belle Simone approaches her with a truly bizarre proposition. If Desiree can solve the mystery in Belle's yet unpublished novel, she'll be paid \$24,940! A tantalizing whodunit and an astonishing payout. How can she possibly resist? Desiree soon becomes engrossed in Belle's story of adultery and murder in a wealthy New York family. But there's a much bigger mystery to be resolved. Why would anyone pay her such an exorbitant sum to solve a homicide that exists only on paper? It isn't easy being the prisoner of the fearsome Beast, but Belle is making the most of it. There are so many rooms to explore in the elaborate castle—including an amazing library. This may not be so bad after all! Things get even more interesting when Belle discovers a secret message hidden in one of the books. She soon realizes she's hot on the trail of a decades-old mystery! Will Belle, with the help of Lumiere, an enchanted candelabrum, and a teacup named Chip, be able to solve this beastly case? Book your ticket to Magic Island, where the potions are brewed fresh daily, the beaches are perfect for creature-watching, and the fangs and fur are on full display. In the aftermath of a heartbreaking life-or-death choice that left Glenn mourning his lost lady love, rookie witch Wren Winters is desperate for a fresh start. Luckily for her, plenty of changes are afoot as she explores her new relationship with the dashing Sebastian, leaves her short-lived career as a gossip columnist behind for good, and, most importantly, finally receives a wand of her own. Other than a few bumps in the road—her mysterious connection to Lord Macon, the man in black's unsettling disappearance—things are starting to look up. But, as Wren quickly discovers, good fortune doesn't last forever, and those pesky bumps soon look more like mountains. Her new job is a disaster, her

magic has suddenly gone rogue, and a kindly old centaur is murdered right under her nose... with Wren moments away from becoming the killer's unintended second victim. Wren's investigative chops are put to the test once more, and her pursuit of justice takes her from the smoky back room of a leprechaun-run casino to the lair of one of the most fearsome beasts the island has ever seen. But as she closes in on the truth, Wren's own murky past is starting to catch up with her... and the killer's identity may not be the only surprise that's lurking in the shadows. Author's Note: Each book includes a self-contained mystery, but there are longer, ongoing subplots that continue throughout the series. When Belle discovers a secret message hidden in one of the books in the Beast's library, she teams with Lumiere and Chip to solve the mystery. Its high summer in Northern Ontario, where everyone is bear bait, even the bears. Gunshots chase Belle Palmer from her quiet forest paths. Then, on her remote lakeside road, the savage and unexplainable murder of an elderly neighbour puts her on guard against two-footed killers. Cozy mystery where cats protect people and help solve mysteries. By Jenn McKinlay, author of the Library Lover's mysteries and the Cupcake Bakery mysteries, writing as Josie Belle Maggie Gerber-one of the founding members of the Good Buy Birls- loves her quiet life in St. Stanley, Virginia. But all that changes when Sam Collins, her old flame, moves back to town as the new sheriff. On top of that, Claire Freemont, a librarian and the newest member of the Good Buy Girls, starts acting utterly strange. When Maggie goes to visit her the next day at the library, she finds the body of a very dead man. Turns out the man is someone from Claire's past. As the handsome new sheriff zeroes in on Claire, it's up to Maggie and the rest of the Good Buy Girls to use their bargain-hunting skills to hunt a killer-while making sure they don't pay too much in the process... Reading level: 2 ; Ages: 6-9. Book your ticket to Magic Island, where the potions are brewed fresh daily, the beaches are perfect for creature-watching, and the fangs and fur are on full display. Following her victory over Lord Macon and the High Court, and with those pesky murder mysteries nothing but a distant memory, witch-in-training Wren Winters is finally ready to settle into life on the island. With community service hours to complete, a rogue familiar to train, and an upcoming coven dance to attend, she has plenty to keep her occupied... and maybe just a dash more excitement than she bargained for. But when a dear friend is accused of an unthinkable crime, Wren is forced to dust off her investigative hat again, and this time, the stakes are higher than ever. The clock is ticking down to disaster, leaving Wren with no choice but to wrangle her reluctant classmates, and one anything-but-reluctant dog, and set off once more down the winding, dangerous path to the truth. With a heartbroken wand repairer, a lovesick broomstick insurance salesman, and a suspiciously tan vampire surf instructor on the suspect list, Wren must untangle a web of lies and half-truths and save her friend—and maybe even herself—before it's too late. Author's Note: Each book includes a self-contained mystery, but there are longer, ongoing subplots that continue throughout the series. In March 1856, a dead body washed onto the shore of the Mississippi River. Nothing out of the ordinary. In those days, people fished corpses from the river with alarming frequency. But this body, with its arms and legs tied to a chair, struck an especially eerie chord. The body belonged to a man who had been a passenger on the luxurious steamboat known as the Ohio Belle, and he was the son of a southern planter. Who had bound and pitched this wealthy man into the river? Why? As reports of the killing spread, one newspaper shuddered, "The details are truly awful and well calculated to cause a thrill of horror." Drawing on eyewitness accounts, *Murder on the Ohio Belle* uncovers the mysterious circumstances behind the bloodshed. A northern vessel captured by secessionists, sailing the border between slave and free states at the edge of the frontier, the Ohio Belle navigated the confluence of nineteenth-century America's greatest tensions. Stuart W. Sanders dives into the history of this remarkable steamer -- a story of double murders, secret identities, and hasty getaways -- and reveals the bloody roots of antebellum honor culture, classism, and vigilante justice. "The shocking true story of one of the twentieth century's most prolific female serial killers."--Book jacket. Belle the Birthday Fairy's job is to make sure that all birthdays in Fairyland and the human world are filled with joy and laughter! But there is one mean creature who is incapable of enjoying even this special day... Jack Frost! He has a birthday coming up but as he's very vain he decides that he is not going to celebrate it all.. When two teenage lovers find a human leg while cavorting in the thickets of Belle Isle, can Willie Black be far behind? Belle Isle, in the middle of the James River, was one of Willie's party spots growing up wild in Oregon Hill, and it's a short walk from where he now resides in the posh Prestwold. Now, as the 50-something night cops reporter for the local daily, he

returns to his old haunts to try to unravel a mystery. When it becomes known that the dismembered member belonged to Teddy "T-Bone" Delmonico, a state college football legend, whose now-widow is running for a seat in the House of Representatives, the plot thickens. The deceased had plenty of enemies: the investors who lost their nest eggs in a scheme fronted by T-Bone and an associate, a former wife with an axe to grind, and, among others, the grieving widow. Who did it, and why, will consume Richmond's most dogged journalist, who drinks too much, smokes too much and hopes the fourth time is a charm, marriage-wise. Willie Black, whose first-person voice has been called by the New York Times "a crisp and colorful urban idiom we can't wait to hear again," is on the prowl, looking for answers. When Belle discovers a secret message hidden in one of the books in the Beast's library, she teams with Lumiere and Chip to solve the mystery. Book your ticket to Magic Island, where the potions are brewed fresh daily, the beaches are perfect for creature-watching, and the fangs and fur are on full display. Since arriving on Magic Island, newbie witch Wren Winters just can't seem to catch a break. Fresh out of the hospital following her near-miss with the wrong end of a wand, she returns home to discover that her magical status is in question—again—her new boss's favorite snack is blood pudding (hold the pudding), and she's the only witch in history to be allergic to her own familiar. When the next assignment for her gossip column takes her to the Snow Bunny Fashion Show to learn the real story behind the long-simmering feud between the show's lead designer and the island's most popular yeti model, Wren is determined to prove her worth as a reporter... and then keep a low profile as she awaits her fate before the High Court. But it seems the island has other plans. Thrust into a murder mystery that takes her from a mountaintop yeti community to an underground gnome hole, from the back of a magical polar bear to a leprechaun-run bank hidden beneath the ocean floor, Wren is once more on a quest for the truth. But as she soon learns, some secrets are better off left in the grave. Author's Note: Each book includes a self-contained mystery, but there are longer, ongoing subplots that continue throughout the series. Legend says that the haunting lights over the rapids on the James River at night are the ghosts of long-dead soldiers still fighting the Civil War. Just past the water lies historic Belle Isle, the former Union soldier prisoner-of-war camp, now a city park filled with crumbling ruins and dark wooded trails. When brothers Sam and Derek explore the island and local monuments to Richmond's past on the 150th anniversary of the Civil War with their friend Caitlin, some ghosts may be more alive than they expected! Join the adventure as the kids face a confederate biker gang led by the notorious Mad Dog DeWitt, explore suspended bridges, hidden hideouts, and secret graveyard ceremonies and learning about Robert E. Lee, Abraham Lincoln, Jefferson Davis and more. The Virginia Mysteries Book 3 Ages 8-12: Twelve year-old Cricket Kelly is back again, but this time, she is headed south to Savannah, Georgia, with Aunt Lila and her best friend, Lucy Marcum, to accept an award for solving her first case, the mystery of The Ragged Suitcase. As soon as Cricket arrives at Devereaux House in Savannah's historic district, she and Lucy meet Tracy, the mayors daughter, who explains that the city is known for its ghostly hauntings. Cricket isn't sure how she feels about spirits, but it doesn't take long until she witnesses her first ghost. Investigating the possible rumblings of resident ghost, George Devereaux, Cricket encounters more than she bargained for the theft of a painting by famous Civil War artist, Sallie Habersham. Cricket and her friends soon find themselves on the trail of an art thief who is burglarizing Savannah's grand homes, and Cricket begins to wonder what's so special about those paintings? Furthermore, what does the strange old man, Sawyer Lee, have to do with the case? Join Cricket on her second road trip as she tangles with some rowdy ghosts and investigates a century-old legend of lost Confederate gold. Will she identify the burglar and locate the treasure, or will the thief find it first? "Kimberly Belle delivers the goods—a rocket-paced story with a heart that will keep you riveted through every hairpin twist and turn. Breathless suspense!" —Lisa Unger, New York Times bestselling author of *The Red Hunter* When a child goes missing, two mothers' lives collide in a shocking way in this suspenseful novel from the bestselling author of *The Marriage Lie*. It's every parent's worst nightmare: the call that comes in the middle of the night. When Kat Jenkins awakens to the police on her doorstep, her greatest fear is realized. Her nine-year-old son, Ethan, is missing—vanished from the cabin where he'd been on an overnight class trip. Shocked and distraught, Kat rushes to the campground, but she's too late; the authorities have returned from their search empty-handed after losing Ethan's trail in the mountain forest. Another mother from the school, Stef Huntington, seems like she has it all: money, prominence in the

community, a popular son and a loving husband. She hardly knows Kat, except for the vicious gossip that swirls around Kat's traumatic past. But as the police investigation unfolds, Ethan's disappearance has earth-shattering consequences for Stef, as her path crosses with Kat. As the two mothers race against the clock, their desperate search for answers reveals how the greatest dangers lie behind the everyday smiles of those they trust the most. Don't miss Kimberly Belle's newest novel, *My Darling Husband!* School psychologist Skye Denison reluctantly agrees to act as maid of honor in her California cousin's over-the-top platinum-style wedding- and is also expected to assist the control-freak wedding planner. But when Skye discovers the planner dead, just one week before the big event, Skye is suddenly working double-duty. While overseeing every nuptial detail, she's also helping the police find out who hated the bridal consultant enough to kill her. Can Skye get her cousin to the church on time-and save herself from a killer who may actually be on the guest list? 'Feisty, intelligent and charming' James Runcie, author of the *The Grantchester Mysteries* 1951, Brighton. With the war over and the Nazis brought to justice at Nuremberg, Mirabelle Bevan (retired Whitehall secretary) thinks her skills are no longer required. After her lover's death she retires to the seaside to put the past behind her and takes a job at a debt collection agency run by the charismatic Big Ben McGuigan. But when the case of Romana Laszlo - a pregnant Hungarian refugee - comes in, Mirabelle soon discovers that her specialist knowledge is vital. With enthusiastic assistance from insurance clerk Vesta Churchill, they follow a mysterious trail of gold sovereigns and corpses that only they can unravel. 'Beneath that prim exterior lies a fearless, fly-by-the-seat-of-her-pants kind of gal. One part Nancy Drew, two parts Jessica Fletcher, Mirabelle has a dogged tenacity to rival Poirot' Sunday Herald Edgar Award Finalist: The true story of the female Norwegian immigrant who led a secret life as a serial killer in the early twentieth-century Midwest. On the morning of April 27, 1908, the farmhand on a lonely property outside La Porte, Indiana, woke to the smell of smoke. He tried to rouse the lady of the house, the towering Belle Poulsdatter Sorenson Gunness, and he called the names of her three children—but they didn't answer, and the farmhand barely escaped alive. The house burned to the foundation, and in the rubble, firemen found the corpses of Belle, her two daughters, and her son. The discovery raised two chilling questions: Who started the fire, and who cut off Belle's head? As investigators searched the property, they uncovered something astonishing: The remains of a dozen or more men and children who had been murdered with poison or cleaver were buried beneath the hog pen. It turned out Belle Gunness was one of the most prolific serial killers in American history. And when the investigation revealed that the body found in the fire might not have been hers, the people of La Porte were forced to confront the terrifying realization that Belle might have gotten out alive. Nominated for an Edgar Award for best factual crime story, *The Truth about Belle Gunness* is based on extensive interviews with witnesses and residents of La Porte who knew Belle and her family. Perfect for fans of *In Cold Blood* or *The Devil in the White City*, it is a "magnificent [and] brilliantly written" exploration of a highly unusual murderer (*The New York Times*). After WWII, a woman settles in a seaside town—where her old intelligence skills come in surprisingly handy: "Great fun."—James Runcie, author of the *Grantchester* mysteries In post-World War II England, former Secret Service operative Mirabelle Bevan becomes embroiled in a new kind of intrigue . . . 1951: In the popular seaside town of Brighton, it's time for Mirabelle Bevan to move beyond her tumultuous wartime years and start anew. Accepting a job at a debt collection agency seems a step toward a more tranquil life. But as she follows up on a routine loan to Romana Laszlo, a pregnant Hungarian refugee who's recently come off the train from London, Mirabelle's instincts for spotting deception are stirred when the woman is reported dead, along with her unborn child. After encountering a social-climbing doctor with a sudden influx of wealth and Romana's sister, who seems far from bereaved and doesn't sound Hungarian, Mirabelle decides to dig deeper into the suspicious circumstances surrounding the death. Aided by her feisty sidekick—a fellow office worker named Vesta Churchill ("no relation to Winston," as she explains)—Mirabelle unravels a web of evil that stretches from the Brighton beachfront to the darkest corners of Europe. Putting her own life at risk, she must navigate a lethal labyrinth of lies and danger to expose the truth. "[An] entertaining series launch . . . Mirabelle is indeed a lady, even when she's climbing over back fences and knocking back whiskey." —Publishers Weekly While contemplating her boyfriend's marriage proposal, school psychologist Skye Denison, the maid of honor in her California cousin's over-the-top wedding, races against time to stop a killer from ruining her cousin's nuptials. Rosemary Edghill cast a

keenly observant, friendly, yet faintly amused eye on an intriguing American micro-culture. The Bast novels offer a very new view of the practitioners of a very old faith. Edghill allows that there's still magic in the air. Rosemary Edghill's Bast novels are a real treat. *Bell, Book, and Murder* contains all three Bast novels, *Speak Daggers to Her*, *Book of Moons*, and *The Bowl of Night* (excerpted in *USA Today*). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. By Jenn McKinlay, author of the *Library Lover's* mysteries and the *Cupcake Bakery* mysteries, writing as Josie Belle Maggie Gerber and those discount divas, the *Good Buy Girls*, are gearing up for their first big holiday thrift shop sale. But one of the *Girls*--Joanne Claramotta, pregnant with her first child--is acting less than festive. It could be hormones. Or it could be Diane Jenkins, the young knockout her husband, Michael, hired as his new deli assistant. Calming Joanne's nerves proves impossible when Maggie finds Michael unconscious on his deli floor--and with Diane next to him, strangled to death with her apron strings. Then Maggie discovers something even more disturbing. There's no record of Diane having been hired. In fact, she has no history at all. It's as if she never even existed. Now Maggie fears that unwrapping Michael's secrets could really kill her holiday spirit. INCLUDES BARGAIN-HUNTING TIPS! "It isn't easy being the prisoner of the fearsome Beast, but belle is making the most of it. There are so many rooms to explore in the castle - including an amazing library." -- Back cover. Early spring and Belle Evans' daughter Ellie is visiting Arizona from Ohio during her college spring break. Ellie wants to find out first-hand about the work her mother does as Security Counselor for the Granite School System. Belle tells her the week will be boring; however, it turns out to be anything but. First a young man is murdered on a mountain reserve outside of town, then a middle school student comes to class flashing big money, and finally a basketball player at the high school is frantic because his friend fears for his life. All this ends up involving Belle-and Ellie. Sheriff McFarland, realizing that this has to do with a major crime in the state of Arizona, tries to keep Belle and the young people from what could be an ugly situation. But the whole thing turns into a deadly event anyway, involving the school and a lethal threat to the players themselves. After a humiliating mistake, lawyer Benjamin Booker resolves to never again trust a beautiful woman. When an old friend is killed, the senior partner isn't satisfied with Bow Street's efforts and asks Benjamin to investigate. Eager to leave London for a while, Benjamin agrees. Evidence takes him to a remote island on the Thames, a world unto itself, shrouded in mist and mystery. Soon he finds himself falling for the main suspect--a woman who claims not to have left the island in ten years. But should he trust her? On Belle Island, Isabelle feels safe and leads a productive life, but fear keeps her trapped there. When Mr. Booker arrives with news of her trustee's murder in London, Isabelle is stunned. She has not left the island, yet she has a recurring dream about the man's death. Or is it a memory? She had been furious with him, but she never intended . . . this. When a second person dies and evidence shockingly points to her, Isabelle doesn't know who to trust: the attractive lawyer or the admirer and friends who assemble on the island, each with grudges against the victim. Can she even trust her own mind? While they search for the truth, secrets come to light and danger comes calling. Sam, Derek, and Caitlin explore Belle Isle, the former Union soldier prisoner of war camp. Books, magick, and a beastly mystery will create havoc in Belle's enchanted world! A fairytale retelling of *Beauty & the Beast!* Books talk to me. Literally. It's the best kind of magick I know. If only book aficionado Leo Kingsley would open up to me, too. I tell myself I only want to know him because his famous library calls to me. My witchy power yearns to discover what his shelves have to tell me. But the truth is, I find him just as fascinating. What will he tell me, if and when I get him to trust me? Things get interesting when I discover a "normal" book. As in mute. As in not speaking to me. Searching for clues as to why, I approach Leo, unknowingly setting off a chain of events that lead to a beast of a secret and causes wild animals to suddenly attack our town. Can I uncover the mystery of who is controlling them and why? Will Leo trust me with his hairy conundrum? Or will bringing the book's truth to light cost me Leo and my heart? Read this spellbinding witchy mystery now! **Note: While this story is intended for grown-up audiences, this story is clean and shareable with younger readers 13 and up! About the series: Once upon a time in a small town called Story Cove... Four sisters with extraordinary powers find themselves in very real, living versions of their favorite fairytales. These stories come with princes, wolves, and poisoned apples, but also murder, mystery, and—let's not forget—magick. Enchantment abounds as they fight evil, break curses, and navigate the modern dating world, all while searching for their personal happy endings. Book your ticket to Magic

Island, where the potions are brewed fresh daily, the beaches are perfect for creature-watching, and the fangs and fur are on full display. Wren Winters is utterly, painfully ordinary. The most boring job on the planet? Check. A boyfriend of eight years who still hasn't put a ring on it? Double check. A squirrel that can't stop gorging itself on her tomato plants? Make that a triple. But on the eve of her thirtieth birthday, Wren can't shake the feeling that things are about to change. And they are. Just not in the way she planned. After a series of unexplainable events makes her question her sanity, a strange little man arrives to deliver an even stranger message: Wren isn't so ordinary after all. She's a witch, and in order to claim her powers, she must leave everything behind and journey to a place she never even knew existed. Suddenly, Wren is thrust into a fantasy world come to life, where taxis sprout wings and take to the skies, merwomen teach sold-out water aerobics classes, and scent-challenged ogres panhandle on street corners for unusual delicacies. Add in a new job, a hunky coworker, and a full schedule of magical lessons, and Wren's formerly boring life is nothing but a distant memory. But before she's able to even test out her training wand, Wren is confronted with a murder she feels compelled to solve, a list of suspects with plenty to hide, and a mysterious man in black who seems to be tracking her every move. Turns out even fantasy worlds have their dark sides. Author's Note: Each book includes a self-contained mystery, but there are longer, ongoing subplots that continue throughout the series. free, freebie By Jenn McKinlay, author of the Library Lover's mysteries and the Cupcake Bakery mysteries, writing as Josie Belle Between spending Valentine's Day with her sweetheart, Sam, and shopping upcoming Presidents' Day sales with the Good Buy Girls, everything is coming up roses and bargains for Maggie Gerber. But when the mother of Maggie's nemesis comes to town, things stop looking so rosy. Summer's mom is hoping to set her spoiled daughter up with Sam, and she'll do whatever it takes to make the match happen. When Maggie heads to her romantic rival's house to put a stop to the scheming, she discovers Summer standing over a dead body—holding a weapon. As much as Maggie would love to see Summer get her just desserts, she can't shake the feeling that the meddling menace is, in fact, innocent. Now Maggie and the Good Buy Girls will have to sort through racks of suspects to find a killer—or Summer will wind up getting a truly raw deal... INCLUDES THRIFTY RECIPES! A thrilling middle grade mystery series, perfect for fans of Robin Steven's Murder Most Unladylike. Set in eighteenth-century London, with all the fun and zest of Hamilton, Bridgerton fashion and inspired by real Black British historical figures. An ancient secret society, a thief and a kitten that loves a mystery. What could possibly go wrong?The little black kitten, Belle, thought she was very lucky. Not only was she adopted by a nice family, but there were other cats to get to know. However, Belle who loves mystery and adventure found there is more than meets the eye about one of the cats - Mittens, the leader of the Clowder. It is a secret going back over 3000 years.Now Belle, her best friend Giblet and her allies are drawn into a world that threatens her new family. Can she measure up and learn what she needs to know in order to solve the case in time? It isn't easy being the prisoner of the fearsome Beast, but Belle is making the most of it. There are so many rooms to explore in the elaborate castle—including an amazing library. This may not be so bad after all! Things get even more interesting when Belle discovers a secret message hidden in one of the books. She soon realizes she's hot on the trail of a decades-old mystery! Will Belle, with the help of Lumiere, an enchanted candelabrum, and a teacup named Chip, be able to solve this beastly case? In the third Belle Palmer mystery, Belle takes her friend and employee on a snowshoe trek. Miriam MacDonald brings her spoiled mini-poodle, a gift from investment broker boyfriend, who promises huge returns on her life savings. Later that week, Miriam discovers Elphinstone bludgeoned to death in his condo. Although Miriam's fingerprints alone are found on the Inuit sculpture murder weapon, the collapse of Elphinstone's empire has ruined hundreds of people and made him many dangerous enemies. Miriam is eventually charged with second-degree murder and then, as Belle struggles to pull the pieces of a very complicated puzzle together, Miriam rushes off to North Bay to be with her ailing daughter, and Belle inherits the obnoxious poodle.. Meanwhile, a stalker now has Belle watching her back in the Northern Ontario bush she calls home. Will she find the killer before a bullet finds her? Another freezing winter descends in seeming peace upon the Northern Ontario lake where realtor Belle Palmer lives genteelly with her dog, tropical fishes and classic film collection. But the snow-laden tranquillity is tragically disturbed when a good friend is lost in a freak snowmobile accident on an isolated lake. Or so it seems. Belle and

others suspect foul play, but a motive and a criminal prove hard to find. Resort owners, anti-environmentalists and the new local drug dealers may all have had reason to want Jim Burian quietly removed, and information isn't forthcoming. Belle is determined to find out what happened to this decent man, but she is shocked when she discovers what twisted roots underlie this savage crime on idyllic northern ice. A waitress at her mother's decaying resort hotel, twelve-year-old Emma now has a second job as the youngest cub reporter in the history of La Porte's Conservative newspaper. But when she discovers the crumbling shell of a fabulous hotel- the once-sumptuous Belle Rouen-in the woods near her small town of Spirit Lake, Emma never imagines that the mysteries it holds will bring her one step closer to solving a forty-year-old crime-and force a new transgression to light.
