The Carpet People Sep 01 2021
The Munrungs cross the Carpet to find a new home after their village is destroyed by the powerful and mysterious natural force Fray.
Terry Pratchett: A Life With Footnotes Feb 06 2022
'Always readable, illuminating and honest. It made me miss the real Terry.' - NEIL GAIMAN
'Sometimes joyfully, sometimes painfully, intimate . . . it is wonderful to have this closeup picture of the writer's working

life.' - FRANK COTTRELL-BOYCE, THE OBSERVER
'Wilkins has pulled off the extraordinary feat of writing an 'authorised' biography which is nonetheless as frank, funny and unsentimental as anything its subject might have produced himself.' - MAIL ON SUNDAY
'A moving and acutely observed account . . . by the man who knew him best.' - THE SUNDAY TIMES
At the time of his death in 2015, award-winning and bestselling author Sir Terry Pratchett was working on his finest story yet - his own. The creator of the phenomenally bestselling Discworld series, Terry Pratchett was known and loved around the world for his hugely popular books, his

smart satirical humour and the humanity of his campaign work. But that's only part of the picture. Before his untimely death, Terry was writing a memoir: the story of a boy who aged six was told by his teacher that he would never amount to anything and spent the rest of his life proving him wrong. For Terry lived a life full of astonishing achievements: becoming one of the UK's bestselling and most beloved writers, winning the prestigious Carnegie Medal and being awarded a knighthood. Now, the book Terry sadly couldn't finish has been written by Rob Wilkins, his former assistant, friend and now head of the Pratchett

literary estate. Drawing on his own extensive memories, along with those of the author's family, friends and colleagues, Rob unveils the full picture of Terry's life - from childhood to his astonishing writing career, and how he met and coped with what he called the 'Embuggerance' of Alzheimer's disease. A deeply moving and personal portrait of the extraordinary life of Sir Terry Pratchett, written with unparalleled insight and filled with funny anecdotes, this is the only official biography of one of our finest authors. 'Of all the dead authors in the world, Terry Pratchett is the most alive.' - JOHN LLOYD
Reaper Man Jul 19 2020 They

say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of

magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

Where's My Cow? May 21 2023 This is a book about reading a book, which turns into a different book. But it all ends happily!
Going Postal Jun 17 2020 Arch-swindler Moist Van Lipwig never believed his confidence crimes were hanging offenses -- until he found himself with a

noose tightly around his neck, dropping through a trapdoor, and falling into ... a government job? By all rights, Moist should have met his maker. Instead, it's Lord Vetinari, supreme ruler of Ankh-Morpork, who promptly offers him a job as Postmaster. Since his only other option is a nonliving one, Moist accepts the position -- and the hulking golem watchdog who comes along with it, just in case Moist was considering abandoning his responsibilities prematurely. Getting the moribund Postal Service up and running again, however, may be a near-impossible task, what with literally mountains of decades-old undelivered mail

clogging every nook and cranny of the broken-down post office building; and with only a few creaky old postmen and one rather unstable, pin-obsessed youth available to deliver it. Worse still, Moist could swear the mail is talking to him. Worst of all, it means taking on the gargantuan, money-hungry Grand Trunk clacks communication monopoly and its bloodthirsty piratical head, Mr. Reacher Gilt. But it says on the building neither rain nor snow nor glo m of ni t ... Inspiring words (admittedly, some of the bronze letters have been stolen), and for once in his wretched life Moist is going to fight. And if the bold and impossible are

what's called for, he'll do it -- in order to move the mail, continue breathing, get the girl, and specially deliver that invaluable commodity that every human being (not to mention troll, dwarf, and, yes, even golem) requires: hope. *Terry Pratchett's Discworld Coloring Book* Dec 04 2021 The official Discworld Coloring Book, featuring artwork by acclaimed Discworld artist Paul Kidby! Paul Kidby, Sir Terry Pratchett's artist of choice, designed the UK covers for the Discworld novels since 2002 and is the author of the definitive portfolio volume *The Art of Discworld*. Containing black-and-white line drawings based on his hugely popular

artwork with original pieces created exclusively for this book, Terry Pratchett's *Discworld Coloring Book* features iconic Discworld personalities including Granny Weatherwax, Sam Vimes, Archchancellor Ridcully, Rincewind, Tiffany Aching, and, of course, Death. This is the coloring book that all Discworld fans need!

Reaper Man Jul 31 2021 FANTASY. DEATH IS MISSING - PRESUMED. . . ER. . . GONE. Which leads to the kind of chaos you always get when an important public service is withdrawn. Meanwhile, on a little farm far, far away, a tall, dark stranger is turning out to be really good with a scythe.

There's a harvest to be gathered in.

Dodger Jul 11 2022 Beloved and bestselling author Sir Terry Pratchett's *Dodger*, a Printz Honor Book, combines high comedy with deep wisdom in a tale of one remarkable boy's rise in a fantasy-infused Victorian London. Seventeen-year-old *Dodger* is content as a sewer scavenger. But he enters a new world when he rescues a young girl from a beating, and her fate impacts some of the most powerful people in England. From *Dodger*'s encounter with the mad barber *Sweeney Todd*, to his meetings with the great writer *Charles Dickens* and the calculating politician *Benjamin Disraeli*,

history and fantasy intertwine in a breathtaking account of adventure and mystery.

Monstrous Regiment Jan 25 2021 War has come to *Discworld* ... again. And, to no one's great surprise, the conflict centers around the small, arrogantly fundamentalist duchy of *Borogravia*, which has long prided itself on its unrelenting aggressiveness. A year ago, *Polly Perks*'s brother marched off to battle, and *Polly*'s willing to resort to drastic measures to find him. So she cuts off her hair, dons masculine garb, and -- aided by a well-placed pair of socks -- sets out to join this man's army. Since a nation in such dire need of cannon

fodder can't afford to be too picky, *Polly* is eagerly welcomed into the fighting fold—along with a vampire, a troll, an *Igor*, a religious fanatic, and two uncommonly close "friends." It would appear that *Polly* "*Ozzer*" *Perks* isn't the only grunt with a secret. But duty calls, the battlefield beckons. And now is the time for all good ... er ... "men" to come to the aid of their country.

Sourcery May 09 2022 *Sourcery*, a hilarious mix of magic, mayhem, and *Luggage*, is the fifth book in *Terry Pratchett*'s classic fantasy *Discworld* series. *Rincewind*, the legendarily inept wizard, has returned after falling off

the edge of the world. And this time, he's brought the Luggage. But that's not all... Once upon a time, there was an eighth son of an eighth son who was, of course, a wizard. As if that wasn't complicated enough, said wizard then had seven sons. And then he had an eighth son — a wizard squared (that's all the math, really). Who of course, was a source of magic — a sourcerer. Will the sourcerer lead the wizards to dominate all of Discworld? Or can Rincewind's tiny band stave off the Apocalypse? *The Magic of Terry Pratchett* Mar 19 2023 An in-depth look into the life and writings of the bestselling author of the Discworld novels, Good Omens,

and Nation. The Magic of Terry Pratchett is the first full biography of Sir Terry Pratchett ever written. Sir Terry was Britain's bestselling living author*, and before his death in 2015 had sold more than 85 million copies of his books worldwide. Best known for the Discworld series, his work has been translated into thirty-seven languages, and performed as plays on every continent in the world, including Antarctica. Journalist, comedian and Pratchett fan Marc Burrows delves into the back story of one of UK's most enduring and beloved authors, from his childhood in the Chiltern Hills, to his time as a journalist, and the journey that

would take him—via more than sixty best-selling books—to an OBE, a knighthood and national treasure status. The Magic Of Terry Pratchett is the result of painstaking archival research alongside interviews with friends and contemporaries who knew the real man under the famous black hat, helping to piece together the full story of one of British literature's most remarkable and beloved figures for the very first time. * Now disqualified on both counts. Praise for The Magic of Terry Pratchett "In this encompassing biography of the prolific fantasy and science-fiction author, writer and comedian Burrows details both the writing accomplishments

and the personal life of Sir Terry Pratchett. . . . Burrows spoke to friends and family, and this biography has moments of sadness, especially when discussing Pratchett's fight with Alzheimer's. But the book is also funny and conversational in tone, and an excellent tribute to a beloved author." —Booklist "Affable and consistently engaging . . . Burrow's buoyant, pun-peppered, and aptly footnote-flecked style . . . helpfully marries his subject matter, propelling us through decade after decade of a heavily writing-centric life while illuminating Pratchett's complexities and contradictions without any drag in the

tempo." —Locus Magazine "An impressively comprehensive, engagingly written biography. ****"—SFX

Thud! Oct 14 2022 Once, in a gods-forsaken hellhole called Koom Valley, trolls and dwarfs met in bloody combat. Centuries later, each species still views the other with simmering animosity. Lately, the influential dwarf, Grag Hamcrusher, has been fomenting unrest among Ankh-Morpork's more diminutive citizens—a volatile situation made far worse when the pint-size provocateur is discovered bashed to death . . . with a troll club lying conveniently nearby. Commander Sam Vimes of the City Watch is aware of the

importance of solving the Hamcrusher homicide without delay. (Vimes's second most-pressing responsibility, in fact, next to always being home at six p.m. sharp to read *Where's My Cow?* to Sam, Jr.) But more than one corpse is waiting for Vimes in the eerie, summoning darkness of a labyrinthine mine network being secretly excavated beneath Ankh-Morpork's streets. And the deadly puzzle is pulling him deep into the muck and mire of superstition, hatred, and fear—and perhaps all the way to Koom Valley itself. **Thud!** Jun 10 2022 Commander Sam Vimes must solve the murder of one dwarf or see the Battle of Koom Valley

reenacted right outside his office.

Thief of Time Jul 23 2023

Everybody wants more time, which is why on Discworld only the experts can manage it -- the venerable Monks of History who store it and pump it from where it's wasted, like underwater (how much time does a codfish really need?), to places like cities, where busy denizens lament, "Oh where does the time go?" While everyone always talks about slowing down, one young horologist is about to do the unthinkable. He's going to stop. Well, stop time that is, by building the world's first truly accurate clock. Which means esteemed History Monk Lu-Tze

and his apprentice Lobsang Ludd have to put on some speed to stop the timepiece before it starts. For if the Perfect Clock starts ticking, Time -- as we know it -- will end. And then the trouble will really begin...

Eric Dec 24 2020 Another episode in the comic Discworld saga in which the Unseen University is in turmoil, haunted by an invisible monster.

Small Gods Nov 03 2021 The thirteenth novel in the Discworld series from New York Times bestselling author Terry Pratchett. Lost in the chill deeps of space between the galaxies, it sails on forever, a flat, circular world carried on

the back of a giant turtle— Discworld —a land where the unexpected can be expected. Where the strangest things happen to the nicest people. Like Brutha, a simple lad who only wants to tend his melon patch. Until one day he hears the voice of a god calling his name. A small god, to be sure. But bossy as Hell.

The Light Fantastic Feb 23

2021 Terry Pratchett's profoundly irreverent, bestselling novels have garnered him a revered position in the halls of parody next to the likes of Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In The Light Fantastic, only one individual can save the world

from a disastrous collision. Unfortunately, the hero happens to be the singularly inept wizard Rincewind, who was last seen falling off the edge of the world.

Witches Abroad Dec 16 2022
Be careful what you wish for... Once upon a time there was a fairy godmother named Desiderata who had a good heart, a wise head, and poor planning skills—which unfortunately left the Princess Emberella in the care of her other (not quite so good and wise) godmother when DEATH came for Desiderata. So now it's up to Magrat Garlick, Granny Weatherwax, and Nanny Ogg to hop on broomsticks and make for far-

distant Genua to ensure the servant girl doesn't marry the Prince. But the road to Genua is bumpy, and along the way the trio of witches encounters the occasional vampire, werewolf, and falling house (well this is a fairy tale, after all). The trouble really begins once these reluctant foster-godmothers arrive in Genua and must outwit their power-hungry counterpart who'll stop at nothing to achieve a proper "happy ending"—even if it means destroying a kingdom. *Pyramids* Nov 22 2020
Pyramids is the seventh book in the award-winning comic fantasy Discworld series by Terry Pratchett. In *Pyramids*, you'll discover the tale of

Teppic, a student at the Assassin's Guild of Ankh-Morpok and prince of the tiny kingdom of Djelibeybi, thrust into the role of pharaoh after his father's sudden death. It's bad enough being new on the job, but Teppic hasn't a clue as to what a pharaoh is supposed to do. First, there's the monumental task of building a suitable resting place for Dad -- a pyramid to end all pyramids. Then there are the myriad administrative duties, such as dealing with mad priests, sacred crocodiles, and marching mummies. And to top it all off, the adolescent pharaoh discovers deceit, betrayal—not to mention a headstrong handmaiden—at

the heart of his realm.
Sometimes being a god is no fun at all...

The Time-travelling

Caveman Aug 20 2020 *The final collection of short stories from the incredible Sir Terry Pratchett!* Imagination is an amazing thing. It can take you to the top of the highest mountain, or down to the bottom of the deepest depths of the sea. This where it took Doggins on his Awfully Big Adventure: a quest full of magic and flying machines. (And the world's best joke - trust me, it's hilarious.) It took three young inventors to the moon (where they may or may not have left a bottle of lemonade) and a caveman on a

trip to the dentist. You can join them on these adventures, and many more, in this incredible collection of stories . . . From the greatest imagination there ever was. Written for local newspapers when Terry Pratchett was a young lad, these never previously published stories are packed full of anarchic humour and wonderful wit. A must-have for Terry fans . . . and young readers looking for a fix of magic.

Guards! Guards!: The Play

Aug 12 2022 Terry Pratchett's infamous city of Ankh-Morpork is under threat from a 60-foot fire-breathing dragon, summoned by a secret society of malcontented tradesmen.

Defending Ankh-Morpork against this threat is the entire, underpaid, undervalued City Night Watch - a drunken and world-weary Captain, a cowardly and overweight Sergeant, a small opportunistic Corporal of dubious parentage...and their newest recruit, Lance Constable Carrot, who is upright, literal, law-abiding and keen. Aiding them in their fight for truth, justice and the Ankh-Morporkian way are a small swamp dragon and the Librarian of Unseen University (who just happens to be an orang-utan).

Eric Jan 17 2023 Eric calls up a demon to grant him three wishes - but what he gets is the

Discworld's most incompetent wizard... Eric is the Discworld's only demonology hacker. The trouble is, he's not very good at it. All he wants is the usual three wishes: to be immortal, rule the world and have the most beautiful woman fall madly in love with him. The usual stuff. But what he gets is Rincewind, the Disc's most incompetent wizard, and Rincewind's Luggage (the world's most dangerous travel accessory) into the bargain. Terry Pratchett's hilarious take on the Faust legend stars many of the Discworld's most popular characters in an outrageous adventure that will leave Eric wishing once more - this time, quite fervently, that he'd never

been born.

[The Color of Magic](#) May 17 2020 The beginning of the hilarious and irreverent series that has more than 80 million copies worldwide, The Color of Magic is where we meet tourist Twoflower and wizard guide Ricewind, and follow them on their always-bizarre journeys. A writer who has been compared to Mark Twain, Kurt Vonnegut, and Douglas Adams, Sir Terry Pratchett has created a complex, yet zany world filled with a host of unforgettable characters who navigate around a profound fantasy universe, complete with its own set of cultures and rules.

The Discworld Graphic Novels: The Colour of Magic

and The Light Fantastic Apr 15 2020 Imagine a flat world, sitting on the backs of four elephants, who hurtle through space balanced on a giant turtle. The Discworld is a place (and a time) parallel to our own - but also very different. That is the setting for Terry Pratchett's phenomenally successful Discworld series, which now celebrates its 25th anniversary. The Discworld Graphic Novels presents the very first two volumes of this much-loved series in graphic novel form. First published fifteen years ago, these fully illustrated versions are now issued for the first time in hardback. Introduced here are the bizarre misadventures of Twoflower,

the Discworld's first ever tourist, and possibly - portentously - its last, and his guide Rincewind, the spectacularly inept wizard. Not to mention the Luggage, which has a mind of its own.

Hogfather Jun 29 2021 It's the night before Hogswatch. And it's too quiet. Superstition makes things work in the Discworld, and undermining it can have consequences. It's just not right to find Death creeping down chimneys and trying to say 'Ho Ho Ho...' It's the last night of the year, the time is turning, and if Susan, gothic governess and Death's granddaughter (sort of), doesn't sort everything out by morning, there won't be a

morning. Ever again... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel Hogfather wittily and faithfully reimagines the story for the stage.

Seriously Funny Apr 20 2023 'I'll be more enthusiastic about encouraging thinking outside the box when there's evidence of any thinking going on inside it.' The most quotable writer of our time, Terry Pratchett's unique brand of wit made him both a bestseller and an enduring, endearing source of modern wisdom. This collection is filled with his funniest and most memorable words about life, the universe and snoring.

The Wit and Wisdom of Discworld Oct 22 2020 For more than two decades, Terry Pratchett has been regaling readers with tales of Discworld—a flat world balanced on the backs of four elephants, which are standing on the back of a giant turtle, flying through space. It is a world populated by ineffectual wizards and sharp-as-tacks witches, by tired policemen and devious dictators, by reformed thieves and vampires who have sworn to drink no blood. It is a world that is vastly different from our own . . . except when it isn't. Now, in *The Wit and Wisdom of Discworld*, various nuggets of Pratchett's witty commentary and sagacious

observations have been compiled by Pratchett expert Stephen Briggs, a man who, they say, knows even more about Discworld than Terry Pratchett. Within these pages, you'll find musings on: Interior decorating: "It's a fact known throughout the universes that no matter how carefully the colors are chosen, institutional decor ends up as either vomit green, unmentionable brown, nicotine yellow, or surgical appliance pink. By some little-understood process of sympathetic resonance, corridors painted in those colors always smell slightly of boiled cabbage—even if no cabbage is ever cooked in the vicinity." (Equal Rites) Travel:

"Any seasoned traveler soon learns to avoid anything wished on them as a 'regional speciality,' because all the term means is that the dish is so unpleasant the people living everywhere else will bite off their own legs rather than eat it. But hosts still press it upon distant guests anyway: 'Go on, have the dog's head stuffed with macerated cabbage and pork noses—it's a regional speciality.'" (The Last Continent) Young men: "And then there was the young male walk. At least women swung only their hips. Young men swung everything, from the shoulders down. You have to try to occupy a lot of space. It makes you look bigger, like a

tomcat fluffing his tail. The boys tried to walk big in self-defense against all those other big boys out there. I'm bad, I'm fierce, I'm cool, I'd like a pint of shandy and me mam wants me home by nine." (Monstrous Regiment) Class: "'Old money' meant that it had been made so long ago that the black deeds that had originally filled the coffers were now historically irrelevant. Funny, that; a brigand for a father was something you kept quiet about, but a slave-taking pirate for a great-great-great-grandfather was something to boast of over the port. Time turned the evil bastards into rogues, and rogue was a word with a twinkle in its eye and

nothing to be ashamed of."
(Making Money) . . . and more!
Culled from all the Discworld
novels, *The Wit and Wisdom of
Discworld* confirms Pratchett's
place in the pantheon of great
satirists and proves why the
Chicago Tribune has praised
his Discworld as "entertaining
and gloriously funny . . . an
accomplishment nothing short
of magical."

Making Money Apr 27 2021

The revered international
writer--one of the more
significant contemporary
English satirists ("Publishers
Weekly")--delivers another
brilliantly clever Discworld
novel filled with the trademark
insight and humor readers the
world over have come to

expect.

[The Carpet People](#) Feb 18 2023
The New York Times bestselling author of the Discworld series delivers "fantasy with comedic flair" in his debut novel and first children's book (VOYA). In the beginning, there was nothing but endless flatness. Then came the Carpet . . . That's the old story everyone knows and loves. But now the Carpet is home to many different tribes

and peoples, and there's a new story in the making. The story of Fray, sweeping a trail of destruction across the Carpet. The story of power-hungry mounds—and of two brothers who set out on an adventure to end all adventures when their village is flattened. It's a story that will come to a terrible end—if someone doesn't do something about it. If everyone doesn't do something about it . . . First published in 1971, this hilarious and wise novel marked the debut of the phenomenal Sir Terry Pratchett. Years later, Sir Terry revised the work, and this special collectable edition includes the updated text, his original color and black-and-

white illustrations, and an exclusive story—a forerunner to *The Carpet People* created by the seventeen-year-old nascent writer who would become one of the world’s most beloved storytellers. “Only a writer with a masterstroke of imagination could place an entire empire of goodies and baddies within the fronds of a carpet.”—Daily Mail “The perfect starting place for young readers; seasoned Pratchett fans will just revel in his wit, his subversion of tropes and his sense of humanity . . . Small in scale but large in pleasure.”—Kirkus Reviews “Brilliantly funny dialogue, high peaks of imagination.”—The Times

Equal Rites Nov 15 2022 Every world has its rules—even a flat one carried by four elephants riding on a giant turtle. That’s why a dying wizard is searching for an eighth son of an eighth son to bestow his wizardly powers upon before meeting Death in six minutes. Unfortunately it is quickly discovered—though not quite quickly enough—that the newborn babe the wizard anoints just before bidding the Discworld adieu is, in reality, a girl! What’s done cannot be undone—despite old Granny Weatherwax’s attempts to bring the child into the witchy fold—and little Eskis now a wizard, through and through. And she’s destined to bring

chaos and confusion to the all-male faculty of Ankh-Morpork’s Unseen University . . . who are already fairly addled to begin with.

Snuff Mar 07 2022 “A lively outing, complete with sly shout-outs to Jane Austen and gritty police procedurals.”—Publishers Weekly (starred review) In Terry Pratchett’s delightful New York Times bestselling tale of crime, class, prejudice, and punishment, Commander Sam Vimes of the Ankh-Morpork City Watch is on vacation. But this is Discworld, where nothing goes as planned—and hilarious adventure ensues. It is a truth universally acknowledged that a policeman taking a holiday

would barely have had time to open his suitcase before he finds his first corpse. At long last, Lady Sybil has lured her husband, Sam Vimes, on a well-deserved and long-overdue holiday. But for the commander of the City Watch, a vacation in the country is anything but relaxing. The balls, the teas, the muck—not to mention all that fresh air and birdsong—are more than a bit taxing on a cynical city-born and -bred copper. The policeman is back on familiar ground when a body is found—the first of many, many corpses—and an ancient crime more terrible than murder is uncovered. Out of his jurisdiction, out of his element,

and out of bacon sandwiches (thanks to his well-meaning wife)—Sam must rely on his copper's instincts, guile, and Ankh-Morpork street smarts to see justice done. As he sets off on the chase, though, he must remember to watch where he steps. . . . This is the countryside, after all, and the streets most definitely are not paved with gold. The Discworld novels can be read in any order, but Snuff is the 8th book in the City Watch collection and the 39th Discworld book. The City Watch series in order: Guards! Guards! Men at Arms Feet of Clay Jingo The Fifth Element Night Watch Thud! Snuff
Terry Pratchett's Discworld

Imaginarium Sep 13 2022 Paul Kidby, Sir Terry Pratchett's artist of choice, provided the illustrations for The Last Hero, designed the covers for the Discworld novels since 2002 and is the author of the bestseller The Art Of Discworld. Now, Paul Kidby has collected the very best of his Discworld illustrations in this definitive volume, including 40 pieces never before seen, 30 pieces that have only appeared in foreign editions, limited editions and BCA editions, and 17 book cover illustrations since 2004 that have never been seen without cover text. If Terry Pratchett's pen gave his characters life, Paul Kidby's brush allowed them to live it,

and nowhere is that better illustrated than in this magnificent book.

A Blink of the Screen Mar 27 2021 A collection of short fiction from Terry Pratchett, spanning the whole of his writing career from schooldays to Discworld and the present day. In the four decades since his first book appeared in print, Terry Pratchett has become one of the world's best-selling and best-loved authors. Here for the first time are his short stories and other short-form fiction collected into one volume. *A Blink of the Screen* charts the course of Pratchett's long writing career: from his schooldays through to his first writing job on the Bucks Free

Press, and the origins of his debut novel, *The Carpet People*; and on again to the dizzy mastery of the phenomenally successful Discworld series. Here are characters both familiar and yet to be discovered; abandoned worlds and others still expanding; adventure, chickens, death, disco and, actually, some quite disturbing ideas about Christmas, all of it shot through with Terry's inimitable brand of humour. With an introduction by Booker Prize-winning author A.S. Byatt, illustrations by the late Josh Kirby and drawings by the author himself, this is a book to treasure.

Nation Apr 08 2022 Alone on a

desert island — everything and everyone he knows and loves has been washed away in a storm — Mau is the last surviving member of his nation. He's completely alone — or so he thinks until he finds the ghost girl. She has no toes, wears strange lacy trousers like the grandfather bird, and gives him a stick that can make fire. Daphne, sole survivor of the wreck of the *Sweet Judy*, almost immediately regrets trying to shoot the native boy. Thank goodness the powder was wet and the gun only produced a spark. She's certain her father, distant cousin of the Royal family, will come and rescue her but it seems, for now, that all she has for

company is the boy and the foul-mouthed ship's parrot, until other survivors arrive to take refuge on the island. Together, Mau and Daphne discover some remarkable things (including how to milk a pig, and why spitting in beer is a good thing), and start to forge a new nation.

Encompassing themes of death and nationhood, Terry Pratchett's new novel is, as can be expected, extremely funny, witty and wise. Mau's ancestors have something to teach us all. Mau just wishes they would shut up about it and let him get on with saving everyone's lives!

Good Omens Jun 22 2023 Now an Original Series on Prime

Video. New Season available July 28th. The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —Washington Post According to The Nice and

Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have

misplaced the Antichrist . . .
Going Postal Oct 02 2021 A splendid send-up of government, the postal system, and everything that lies in between in this newest entry in Terry Pratchett's internationally bestselling Discworld series. Convicted con man and forger Moist von Lipwig is given a choice: Face the hangman's noose, or get Ankh Morpork's ancient Post Office up and running efficiently! It was a tough decision . . . Now, the former criminal is facing really big problems. There's tons of undelivered mail. Ghosts are talking to him. One of the postmen is 18,000 years old. And you really wouldn't want to

know what his new girlfriend can do with a shoe. To top it all off, shadowy characters don't want the mail moved. Instead, they want him dead—deader than all those dead letters. (And here he'd thought that all he'd have to face was rain, snow, and gloom of night . . .)
Pyramids Sep 20 2020 Being trained by the Assassin's Guild in Ankh-Morpork did not fit Teppic for the task assigned to him by fate. He inherited the throne of the desert kingdom of Djelibeybi rather earlier than he expected (his father wasn't too happy about it either), but that was only the beginning of his problems... PYRAMIDS (THE BOOK OF GOING FORTH) IS THE SEVENTH

DISCWORLD NOVEL - AND THE MOST OUTRAGEOUSLY FUNNY TO DATE.

Nation Aug 24 2023 The sea has taken everything. Mau is the only one left after a giant wave sweeps his island village away. But when much is taken, something is returned, and somewhere in the jungle Daphne—a girl from the other side of the globe—is the sole survivor of a ship destroyed by the same wave. Together the two confront the aftermath of catastrophe. Drawn by the smoke of Mau and Daphne's sheltering fire, other refugees slowly arrive: children without parents, mothers without babies, husbands without wives—all of them hungry and

all of them frightened. As Mau and Daphne struggle to keep the small band safe and fed, they defy ancestral spirits, challenge death himself, and uncover a long-hidden secret that literally turns the world upside down. . . .

Internationally revered storyteller Terry Pratchett presents a breathtaking adventure of survival and discovery, and of the courage required to forge new beliefs.

Terry Pratchett May 29 2021
The extraordinary life story of one of the most beloved writers in the world, including his

courageous battle with Alzheimers With worldwide sales of more than 65 million copies in 37 languages, Terry Pratchett's novels are eagerly awaited by his legions of fans year after year. Featuring an in-depth look at the man and his work, as well as on-screen adaptations and a collector's guide, this is essential reading for any fan. His first Discworld novel, *The Colour of Magic*, was released in 1983 and ever since then the series, with its whimsical heroes and fiendish foes, has delighted both young and old alike. In 2007 Pratchett

announced that he had been diagnosed with Alzheimer's disease. He has courageously faced the disease head-on, equaling the determination of his characters in his vivid and satirical novels. This book examines his extraordinary life, showcased against the backdrop of more than 40 years of irreverent artistic achievements. For devoted fans it features appendices of more than 60 pages listing Pratchett's works on screen and at the theatre, a complete UK bibliography and collector's guide, and a note about cats.
